A register of labor organizations which filed reports with the U.S. Department of Labor under the provisions of the Labor-Management Reporting and Disclosure Act, as amended, or the Civil Service Reform Act of 1978. by Kevin Butcher^DThis substantial study provides a comprehensive and meticulous analysis of the

`production, circulation and significance of coinage in northern Syria'. Supported by a catalogue of coin finds from thirteen cities, but especially from Antioch, the study presents a reign-by-reign survey of the history of coin production in the province and a discussion of its characterisation, the archaeological evidence for its circulation and the movement of the coinage beyond Syria. Kevin Butcher also examines in detail the range of denominations, types and legends and what the coinage reveals about Roman foreign financial policy. The current generation, which features family saloons, practical Touring versions, delicious convertibles, and 'supercar' saloons, seems far removed from the earlier cars. However, upon closer inspection the lineage is clear, and the one theme that runs throughout is that these are true drivers' cars. James Taylor tells the story of the design, development and production of each generation, and includes coverage of the M3, Touring and convertible variants. Filled with full specs and production figures. This book follows the tracks of the first German U-Boats coming to the American coast in the summer and fall of 1918. It was the first time for more than 100 years that a foreign power came so close. Originally published in 1929. Historically Black Colleges and Universities (HBCUs) have a special niche in the world of big-time college basketball. As late entrants into this world, they fight an uphill battle for on- and off-court relevance, a battle steeped in the historical intersection of sports, race, and culture in this country. Competing on the court in the elite world of America's NCAA Division I college basketball is a daunting task. Competing off the court with the more well-he SURPLUS RECORD, is the leading independent business directory of new and used capital equipment, machine tools, machinery, and industrial equipment, listing over 95,000 industrial assets; including metalworking and fabricating machine tools, chemical and process equipment, cranes, air compressors, pumps, motors, circuit breakers, generators, transformers, turbines, and more.
