2002

Sizzling Hot Daddy Dec 27 2022 Gracie's lights go out in the middle of the night and Luke is the only one who can turn her back on. Come to find out, he's a daddy dom who's dying to shock her in bed. One thing is certain in this forced proximity story...sparks fly faster than you can say "spanking"! Luke: Gracie is too tempting. A hot mess. And she's too easy to access in my guest room. It's a real shame how her mouthwatering curves are driving me mad. Ruffly undies, little girl squeals and delicious voluptuousness all make me want to taste her. She's armed with stuffed bunnies and a stockpile of vanilla cupcakes against the world. A world, which has shown her its worst before she was old enough to fight back. She needs a

protector, and I won't stop until she realizes I'm the man for the job. Will she learn to follow my rules? Or will she sass and disobey on purpose in order to receive my special brand of discipline? One thing is for sure, when an unwanted intruder from the past threatens the happiness we've found together, I'll do whatever it takes to prove to Gracie that I'm loyal to the end. ★This is a standalone steamy romance and a part of the Lost Coast Daddies series. Each book can be enjoyed as a on its own. If you love HEAs featuring tough guys with a soft spot for their heroines, click the buy button to dive right in and experience the world of the Lost Coast Daddies: rugged men, sassy women, and sparks that fly.★

Mood Mapping Apr 30 2023 Mood mapping simply involves plotting how you feel against your energy levels, to determine

your current mood. Dr Liz Miller then gives you the tools you need to lift your low mood, so improving your mental health and wellbeing. Dr Miller developed this technique as a result of her own diagnosis of bipolar disorder (manic depression), and of overcoming it, leading her to seek ways to improve the mental health of others. This innovative book illustrates:

- * The Five Keys to Moods: learn to identify the physical or emotional factors that affect your moods
- * The Miller Mood Map: learn to visually map your mood to increase self-awareness
- * Practical ways to implement change to alleviate low mood

Mood mapping is an essential life skill; by giving an innovative perspective to your life, it enables you to be happier, calmer and to bring positivity to your own life and to those around you. 'A gloriously accessible read from a truly unique voice' Mary O'Hara, Guardian 'It's great to have such accessible and positive advice about our moods, which, after all, govern everything we do. I love the idea of MoodMapping' Dr Phil Hammond 'Can help you find calm and take the edge off your

anxieties' Evening Standard 'MoodMapping is a fantastic tool for managing your mental health and taking control of your life' Jonathan Naess, Founder of Stand to Reason

Grandad Mandela Feb 26 2023

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.
