Zen and the Art of Poker Oct 26 2022 Inside the intriguing world of poker lies a fascinating exercise in strategy and extreme concentration--many of the same principles that underpin the one-thousand-year-old philosophy of Zen spirituality. Zen and the Art of Poker is the first book to apply Zen theories to America's most popular card game, presenting tips that readers can use to enhance their game. Among the more than one hundred rules that comprise this book, readers will learn to:* Make peace with folding* Use inaction as a weapon* Make patience a central pillar of their strategy* Pick their times of confrontationUsing a concise and spare style, in the tradition of Zen practices and rituals, Zen and the Art of Poker traces a parallel track connecting the two disciplines by giving comments and inspirational examples from the ancient Zen masters to the poker masters of today.

The Art of Hip Hop Covers Feb 15 2022

The Art of Losing Oct 02 2020 Winner of the Dublin Literary Award A Best Historical Novel of the Year at The New York Times Book Review "[An] extraordinary achievement." —Liesl Schillinger, The Wall Street Journal Across three generations, three wars, two continents, and the mythic waters of the Mediterranean, one family's history leads to an inevitable question: What price do our descendants pay for the choices that we make? Naïma knows Algeria only by the artifacts she encounters in her grandparents' tiny apartment in Normandy: the language her grandmother speaks but Naïma can't understand, the food her grandmother cooks, and the precious things her grandmother carried when they fled. Naïma's father claims to remember nothing; he has made himself French. Her grandfather died before he could tell her his side of the story. But now Naïma will travel to Algeria to see for herself what was left behind—including their secrets. The Algerian War for Independence sent Naïma's grandfather on a journey of his own, from wealthy olive grove owner and respected veteran of the First World War, to refugee spurned as a harki by his fellow Algerians in the transit camps of southern France, to immigrant barely scratching out a living in the north. The long battle against colonial rule broke apart communities, opened deep rifts within families, and saw the whims of those in even temporary power instantly overturn the lives of ordinary people. Where does Naïma's family fit into this history? How do they fit into France's future? Alice Zeniter's *The Art of Losing* is a powerful, moving family novel that spans three generations across seventy years and two shores of the Mediterranean Sea. It is a resonant people's history of Algeria and its diaspora. It is a story of how we carry on in the face of loss: loss of country, identity, language, connection. Most of all, it is an immersive, riveting excavation of the inescapable legacies of colonialism, immigration, family, and war.

Art of the Dead May 09 2021 The "Art of the Dead" showcases the

vibrant, charismatic poster art that emerged from the streets of San Francisco in 1964 and 1966. It traces the cultural, political, and historical influences of posters as art back to Japanese wood blocks through Bell Epoque, on to the Beatniks, the Free Speech Movement, and the Acid Tests. Featuring interviews and profiles of the key artists, including Rick Griffin, Stanley "Mouse" Miller, Alton Kelley, Wes Wilson, and Victor Moscoso. The book uses Grateful Dead as the vehicle to tell the story of poster art as The Dead were the band that ultimately proved to be the most substantive and engaged partner for the artists and hence featured the best art of any rock 'n' roll band ever. The book will follow a chronological evolution of the art from the band's origination in 1965 through Jerry Garcia's death in 1995.

Art of the Book Aug 24 2022 Despite critics' claims that technology has dealt a death-blow to the centuries old art form of book making, this volume proves that the bound book is indeed alive and well. A comprehensive guide to printed volumes, featuring not only finished projects but also the techniques and materials of book making, as well as definitions of the terminology.

The Art of Asking Jan 23 2020 FOREWORD BY BRENE BROWN and POSTSCRIPT FROM BRAIN PICKINGS CREATOR MARIA POPOVA Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of THE ART OF ASKING. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. THE ART OF ASKING will inspire readers to rethink their own ideas about asking, giving, art, and love.

Women, Work & the Art of Savoir Faire Jul 23 2022 From the #1 New York Times bestselling "high priestess of French lady wisdom" (USA Today) comes every woman's guide to navigating the world of work, living the good life, and savoring every minute of it. Mireille Guiliano, internationally bestselling author of *French Women Don't Get Fat* and former senior executive for Veve Clicquot, uses her

distinctive French woman's philosophy and style to share lively lessons, stories, and helpful hints from her experiences at the front lines and highest echelons of the business world. Guiliano offers every reader the practical advice she needs to make the most of work without ever losing sight of what is most important: feeling good, facing challenges, getting ahead, and maximizing pleasure at every opportunity.

The Art of Enameling Nov 26 2022 Enamelling is the art of fusing glass onto metal to create colourful designs and is one of the most ancient art methods. This guide covers basic instructions in the technique, how to set up a studio and what equipment is needed and finishes with 12 projects to try.

The Art of Fielding Jun 09 2021 At Westish College, a small school on the shore of Lake Michigan, baseball star Henry Skrimshander seems destined for big league stardom. But when a routine throw goes disastrously off course, the fates of five people are upended. Henry's fight against self-doubt threatens to ruin his future. College president Guert Affenlight, a longtime bachelor, has fallen unexpectedly and helplessly in love. Owen Dunne, Henry's gay roommate and teammate, becomes caught up in a dangerous affair. Mike Schwartz, the Harpooners' team captain and Henry's best friend, realizes he has guided Henry's career at the expense of his own. And Pella Affenlight, Guert's daughter, returns to Westish after escaping an ill-fated marriage, determined to start a new life. As the season counts down to its climactic final game, these five are forced to confront their deepest hopes, anxieties, and secrets. In the process they forge new bonds, and help one another find their true paths. Written with boundless intelligence and filled with the tenderness of youth, *The Art of Fielding* is an expansive, warmhearted novel about ambition and its limits, about family and friendship and love, and about commitment—to oneself and to others.

The Art of Making Money May 28 2020 Today across America, we are desperate for new solutions to help put some real money in our pockets as swiftly as possible. With America's economy, Europe's economy as well as other economies across the globe that have a direct effect upon our pockets in the worst possible conditions that the world has seen in many moons. We are losing confidence in every market economy that has given us comfort and peace of mind in the past. We see our hard-earned money being thrown away through faulty decision-making in the hallways of the White House and the corporate offices of big business. And now, we have become painfully aware that if we are to lift ourselves up from where we are today financially to where we desire to be that we must move in a new direction! We must jump in the driver's seat and take the wheel rather than continue to go along for the ride. The only problem is how. This book is designed to solve this problem. In this book, *The Art of Making*

Money, I will lay it all out for you and put in plain words a program that will help show you how to create your own personal million-dollar platinum plan for what I call making your magazine dream come true to life! The magazine dream is the new American dream! It is the universal dream that many Americans share today of becoming rich, powerful, and famous where basically in your life you rise up, shine hard, and accumulate riches in large amounts! The magazine dream is a dream that can splash your face across the cover of popular magazines such as People, Time, Vogue, O, The Oprah Magazine, Ebony, Essence, Cosmopolitan, Forbes, or Fortune. We hold this dream today because we live in a fast-paced, high-tech world where we see people becoming millionaires in record numbers! And we want in on all the big money that we see flowing around us!

[The Art of Loving](#) May 01 2023 Renowned psychoanalyst Erich Fromm has helped generations of men and women achieve rich and productive lives by developing their capacity to love. This centennial edition of his most enduring work salutes the valuable lessons that are Fromm's legacy.

The Art of Ceramics Dec 24 2019 The great age of European ceramic design began around 1500 and ended in the early 19th century with the introduction of large-scale production of ceramics. In this illustrated history, with nearly 300 color and black and white photos and reproductions, curator Howard Coutts considers the main stylistic trends—Renaissance, Mannerism, Oriental, Rococo, and Neoclassicism—as they were represented in such products as Italian Majolica, Dutch Delftware, Meissen and Sevres porcelain, Staffordshire, and Wedgwood pottery. He pays close attention to changes in eating habits over the period, particularly the layout of a formal dinner, and discusses the development of ceramics as room decoration, the transmission of images via prints, marketing of ceramics and other luxury goods, and the intellectual background to Neoclassicism.

[The Art of Destiny](#) Sep 12 2021 Presents the concept art, scenery landscapes, and character designs of the video game.

The Art of Innovation Dec 28 2022 IDEO, the widely admired, award-winning design and development firm that brought the world the Apple mouse, Polaroid's I-Zone instant camera, the Palm V, and hundreds of other cutting-edge products and services, reveals its secrets for fostering a culture and process of continuous innovation. There isn't a business in America that doesn't want to be more creative in its thinking, products, and processes. At many companies, being first with a concept and first to market are critical just to survive. In *The Art of Innovation*, Tom Kelley, general manager of the Silicon Valley based design firm IDEO, takes readers behind the scenes of this wildly imaginative and energized company to reveal the strategies and secrets it uses to turn out hit after hit. IDEO doesn't buy into the myth of the lone genius working away in isolation, waiting for great ideas to strike. Kelley believes everyone can be creative, and the goal at his firm is to tap into that wellspring of creativity in order to make innovation a way of life. How does it do that? IDEO fosters an atmosphere conducive to freely expressing ideas, breaking the rules,

and freeing people to design their own work environments. IDEO's focus on teamwork generates countless breakthroughs, fueled by the constant give-and-take among people ready to share ideas and reap the benefits of the group process. IDEO has created an intense, quick-turnaround, brainstorm-and-build process dubbed "the Deep Dive." In entertaining anecdotes, Kelley illustrates some of his firm's own successes (and joyful failures), as well as pioneering efforts at other leading companies. The book reveals how teams research and immerse themselves in every possible aspect of a new product or service, examining it from the perspective of clients, consumers, and other critical audiences. Kelley takes the reader through the IDEO problem-solving method: br" Carefully observing the behavior or "anthropology" of the people who will be using a product or servicebrbr" Brainstorming with high-energy sessions focused on tangible resultsbrbr" Quickly prototyping ideas and designs at every step of the waybrbr" Cross-pollinating to find solutions from other fieldsbrbr" Taking risks, and failing your way to successbrbr" Building a "Greenhouse" for innovation

The Art of Basic Drawing Jun 21 2022 Filled with easy step-by-step instruction from a variety of artists and a wealth of inspiring images to study and admire, *The Art of Basic Drawing* shows beginning artists how to draw everything from flowers and still lifes to landscapes, animals, and people. Detailed examples of animals, people, flowers, and landscapes will help guide you through the most challenging aspects of drawing almost anything, from basic shapes to realistic details. Some included pencil drawing projects are: Strawberries Bottle and bread still life Flamingo Elephant Giraffe Horse Siberian Husky puppy English Bulldog Clouds Desert landscape Half Dome, Yosemite Woman in profile Man in profile and many more! With a striking new design and refreshed, easy-to-understand instruction, this comprehensive drawing guide is the perfect first step for beginning artists. Follow along, step by step, as professional artists reveal their drawing secrets. With practice, you'll soon be able to capture amazing realism in your own pencil drawings. It's as easy as 1, 2, 3. The Collector's Series offers approachable, step-by-step art instruction for a variety of mediums and subjects, such as drawing, oil, acrylic, watercolor, cartooning, calligraphy, and more. Perfect for beginning artists, each title features artist tips for drawing or painting anything and everything from people, animals, and still life to flowers, trees, and landscapes.

Trump: The Art of the Deal Nov 14 2021 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he

needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* "Trump makes one believe for a moment in the American dream again."—*The New York Times* "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—*Chicago Tribune* "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—*Boston Herald* "A chatty, generous, chutzpa-filled autobiography."—*New York Post* *The Art of Work* Aug 31 2020 A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff Goins explains how the search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing The Myth of the Leap can prevent you from achieving your dreams To live The Portfolio Life and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of.

Fever Jun 29 2020 A definitive look at the rebellious, multimedia works and writings of this political activist and artist.

The Art of the Con Apr 19 2022 Art scams are today so numerous that the specter of a lawsuit arising from a mistaken attribution has scared a number of experts away from the business of authentication and forgery, and with good reason. Art scams are increasingly convincing and involve incredible sums of money. The cons perpetrated by unscrupulous art dealers and their accomplices are proportionately elaborate. Anthony M. Amore's *The Art of the Con* tells the stories of some of history's most notorious yet untold cons. They involve stolen art hidden for decades; elaborate ruses that involve the Nazis and allegedly plundered art; the theft of a conceptual prototype from a well-known artist by his assistant to be used later to create

copies; the use of online and television auction sites to scam buyers out of millions; and other confidence scams incredible not only for their boldness but more so because they actually worked. Using interviews and newly released court documents, *The Art of the Con* will also take the reader into the investigations that led to the capture of the con men, who oftentimes return back to the world of crime. For some, it's an irresistible urge because their innocent dupes all share something in common: they want to believe.

The Art of Naming Apr 27 2020 From *Tyrannosaurus rex* to *Heteropoda davidbowie*: scientific naming as a joyful and creative act. *Tyrannosaurus rex*. *Homo sapiens*. *Heteropoda davidbowie*. Behind each act of scientific naming is a story. In this entertaining and illuminating book, Michael Ohl considers scientific naming as a joyful and creative act. There are about 1.8 million discovered and named plant and animal species, and millions more still to be discovered. Naming is the necessary next step after discovery; it is through the naming of species that we perceive and understand nature. Ohl explains the process, with examples, anecdotes, and a wildly varied cast of characters. He describes the rules for scientific naming; the vernacular isn't adequate. These rules—in standard binomial nomenclature, the generic name followed by specific name—go back to Linnaeus; but they are open to idiosyncrasy and individual expression. A lizard is designated *Barbatorex morrisoni* (in honor of the Doors' Jim Morrison, the Lizard King); a member of the horsefly family *Scaptia beyonceae*. Ohl, a specialist in “winged things that sting,” confesses that among the many wasp species he has named is *Ampulex dementor*, after the dementors in the Harry Potter novels. Scientific names have also been deployed by scientists to insult other scientists, to make political statements, and as expressions of romantic love: “I shall name this beetle after my beloved wife.” *The Art of Naming* takes us on a surprising and fascinating journey, in the footsteps of the discoverers of species and the authors of names, into the nooks and crannies and drawers and cabinets of museums, and through the natural world of named and not-yet-named species.

[The Art of Mesoamerica](#) Dec 04 2020 "An essential guide to the art and architecture of ancient Central America." --Colonial Latin American Historical Review

The Art of Vampire Knight Jan 17 2022 The full-color artwork collection of the hit series *Vampire Knight*! [The Art of Simplifying](#) Apr 07 2021 1656 an introduction to the gathering of plants wherein the definitions, divisions, places, descriptions, differences, names, virtues, times of flourishing and gathering, uses, temperatures, signatures and appropriations of plants are methodically laid d.

The Art of Collecting Oct 14 2021 It may start with just one special piece that catches your eye and captures your heart, stirring an affection that quickly grows into an assemblage so dear, its sentimental value is beyond calculation. Whether it is a passion for exquisite linens, sterling silver, or fine English china--or simply the thrill of the hunt--that entices us to sift through old attics and antiques shops, estate sales, and European brocantes, we are kindred spirits,

linked by an unbridled fervor for curating our favorite things.

The Art of Frozen Feb 03 2021 In Walt Disney Animation Studios upcoming film, *Frozen*, the fearless optimist Anna sets off on an epic journey—teaming up with rugged mountain man Kristoff—to find her sister Elsa, whose icy powers have trapped the kingdom of Arendelle in eternal winter. Encountering Everest-like conditions, Anna and Kristoff battle the elements in a race to save the kingdom. *The Art of Frozen* features concept art from the making of the film—including character studies and sculpts, color scripts, storyboards, and more—alongside interviews with the film's artists about the making of this comedy-adventure. © Disney

Seeker Jan 05 2021 Sohan Qadri, the artist, poet and vajrayan Tantric teacher has travelled the world -- from a village in India, to the mountains of Tibet, to the jungles of Africa, across Europe and America as a seeker. His is a modern and post-modern history that sweeps across continents and thus he said, "I did not confine myself to one place, nation or community." His approach to life and art has been universal. Qadri's origins are in rural India, and as a boy, he was initiated by a Sufi and a vajrayan Tantric guru; this led to his lifelong practice of meditation and study of Buddhist philosophy, both of which inform his work. Hence the Nobel laureate Heinrich Böll has said, "Sohan Qadri with his painting liberates the word meditation from its fashionable taste and brings it back to its proper origin, uninfluenced by Western propaganda, misunderstandings and corruption." Qadri found his first powerful patron in Dr Mulk Raj Anand in 1961. In the course of his career, he interacted with an astonishing array of cultural figures including the surrealist artist Rene Magritte and Heinrich Böll who became an important patron. Despite the fact that he lives in Denmark, an overriding sense of Eastern ethos pervades his art. F N Souza, the leader of the Progressive Group of artists of Bombay has said, "Qadri is characterised as a learned man and as a rare and original painter. You may look at his paintings as symbolic representations of the 'serpent power' (Kundalini) -- or as a mere form and colour to enjoy as pure art." Thus he creates a total visual experience in an environment that is in essence formless, its essential nature infinite.

[The Great and Secret Show](#) Jul 31 2020 In the little town of Palomo Grove, two great armies are amassing; forces shaped from the hearts and souls of America. In this New York Times bestseller, Barker unveils one of the most ambitious imaginative landscapes in modern fiction, creating a new vocabulary for the age-old battle between good and evil. Carrying its readers from the first stirring of consciousness to a vision of the end of the world, *The Great and Secret Show* is a breathtaking journey in the company of a master storyteller.

[The Art of the Book of Life](#) May 21 2022 A tale packed with adventure, *The Book of Life* celebrates the power of friendship and family, and the courage to follow your dreams. To determine whether the heart of humankind is pure and good, two godlike beings engage in an otherworldly wager during Mexico's annual Day of the Dead celebration. They tether two friends, Manolo and Joaquin, into vying for the heart of the beautiful and fiercely independent Maria, with

comical and sometimes dangerous consequences. This volume is an inspirational behind-the-scenes look at the making of the animated feature film *The Book of Life*, from visionary producer Guillermo del Toro (*Pan's Labyrinth*) and director Jorge R. Gutierrez (*El Tigre: The Adventures of Manny Rivera*).

The Art of Pixar Mar 31 2023 Previously subtitled: The complete color scripts and select art from 25 years of animation.

The Art of Daring Sep 24 2022 The award-winning poet Carl Phillips's invaluable essays on poetry, the tenth volume in the celebrated *Art of* series of books on the craft of writing. In seven insightful essays, Carl Phillips meditates on the craft of poetry, its capacity for making a space for possibility and inquiry. What does it mean to give shapelessness a form? How can a poem explore both the natural world and the inner world? Phillips demonstrates the restless qualities of the imagination by reading and examining poems by Ashbery, Bogan, Frost, Niedecker, Shakespeare, and others, and by considering other art forms, such as photography and the blues. *The Art of Daring* is a lyrical, persuasive argument for the many ways that writing and living are acts of risk. "I think it's largely the conundrum of being human that makes us keep making," Phillips writes. "I think it has something to do with revision—how, not only is the world in constant revision, but each of us is, as well."

The Art of Brave Nov 02 2020 *Brave* is Pixar's thirteenth feature film, but it marks two big firsts for the award-winning animation studio. It's Pixar's first feature film driven by a female lead and its first set in an ancient historical period. Against a backdrop of castles, forests, and highlands, *Brave* follows the fiery Merida as she clashes with the duty of her royal life and embarks on a journey through the rugged landscape of the dark ages of Scotland. At once epic and intimate, the latest Pixar masterpiece weaves a story of magic, danger, and adventure and the fierce bonds of family. Featuring behind-the-scenes interviews with the film's many artists and filmmakers, *The Art of Brave* showcases the gorgeous concept art that went into the making of this movie, including color scripts, storyboards, character studies, environment art, sculpts, and more. A Foreword by Brenda Chapman and Mark Andrews, the film's directors, and a preface by Chief Creative Officer John Lasseter shed light on the creation of this landmark film.

The Art of Lobbying Mar 19 2022 This book examines strategies and techniques from the perspective of those who are lobbied--the people who know what resonates and what falls flat in congressional offices.

Thomas Jefferson: The Art of Power Feb 24 2020 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *The Washington Post* • *Entertainment Weekly* • *The Seattle Times* • *St. Louis Post-Dispatch* • *Bloomberg Businessweek* In this magnificent biography, the Pulitzer Prize-winning author of *American Lion* and *Franklin and Winston* brings vividly to life an extraordinary man and his remarkable times. *Thomas Jefferson: The Art of Power* gives us Jefferson the politician and president, a great and complex human being forever engaged in the wars of his era. Philosophers think; politicians maneuver. Jefferson's genius was that he was both

and could do both, often simultaneously. Such is the art of power. Thomas Jefferson hated confrontation, and yet his understanding of power and of human nature enabled him to move men and to marshal ideas, to learn from his mistakes, and to prevail. Passionate about many things—women, his family, books, science, architecture, gardens, friends, Monticello, and Paris—Jefferson loved America most, and he strove over and over again, despite fierce opposition, to realize his vision: the creation, survival, and success of popular government in America. Jon Meacham lets us see Jefferson's world as Jefferson himself saw it, and to appreciate how Jefferson found the means to endure and win in the face of rife partisan division, economic uncertainty, and external threat. Drawing on archives in the United States, England, and France, as well as unpublished Jefferson presidential papers, Meacham presents Jefferson as the most successful political leader of the early republic, and perhaps in all of American history. The father of the ideal of individual liberty, of the Louisiana Purchase, of the Lewis and Clark expedition, and of the settling of the West, Jefferson recognized that the genius of humanity—and the genius of the new nation—lay in the possibility of progress, of discovering the undiscovered and seeking the unknown. From the writing of the Declaration of Independence to elegant dinners in Paris and in the President's House; from political maneuverings in the boardinghouses and legislative halls of Philadelphia and New York to the infant capital on the Potomac; from his complicated life at Monticello, his breathtaking house and plantation in Virginia, to the creation of the University of Virginia, Jefferson was central to the age. Here too is the personal Jefferson, a man of appetite, sensuality, and passion. The Jefferson story resonates today not least because he led his nation through ferocious partisanship and cultural warfare amid economic change and external threats, and also because he embodies an eternal drama, the struggle of the leadership of a nation to achieve greatness in a difficult and confounding world. Praise for *Thomas Jefferson: The Art of Power* "This is probably the best single-volume biography of Jefferson ever written."—Gordon S. Wood "A big, grand, absorbing exploration of not just Jefferson and his role in history but also Jefferson the man, humanized as never before."—*Entertainment Weekly* "[Meacham] captures who Jefferson was, not just as a statesman but as a man. . . . By the end of the book . . . the reader is likely to feel as if he is losing a dear friend. . . . [An] absorbing tale."—*The Christian Science Monitor* "This terrific book allows us to see the political genius of Thomas Jefferson better than we have ever seen it before. In these endlessly fascinating pages, Jefferson emerges with such vitality that it seems as if he might still be alive today."—Doris Kearns Goodwin

The Art of Confession Jul 11 2021 "The *Art of Confession* tells the history of this cultural shift and of the movement it created in American art: confessionalism. Like realism or romanticism, confessionalism began in one art form, but soon pervaded them all: poetry and comedy in the 1950s and '60s, performance art in the '70s, theater in the '80s, television in the '90s, and online video and social media in the 2000s. Everywhere confessionalism went, it stood against

autobiography, the art of the closed book. Instead of just publishing, these artists performed--with, around, and against the text of their lives." --

The Art of Richard Thompson Mar 26 2020 Richard Thompson is renowned among cartoonists as an "artist's" cartoonist. Little known to all but those close to him is the extent of his art talent. This is the book that will enlighten the rest of us and delight us with the sheer beauty of his work. Divided into six sections, each beginning with an introductory conversation between Thompson and six well-known peers, including Bill Watterson, the book will present Thompson's illustration work, caricatures, and his creation, *Richard's Poor Almanack*. Each section is highly illustrated, many works in color, most of them large and printed one-to-a-page. The diversity of work will help cast a wider net, well beyond *Cul de Sac* fans.

The Art of Detection Jan 29 2023 In this thrilling new crime novel that ingeniously bridges Laurie R. King's *Edgar* and *Creasey Awards*—winning Kate Martinelli series and her bestselling series starring Mary Russell, San Francisco homicide detective Kate Martinelli crosses paths with Sherlock Holmes—in a spellbinding dual mystery that could come only from the “intelligent, witty, and complex” mind of New York Times bestselling author Laurie R. King... Kate Martinelli has seen her share of peculiar things as a San Francisco cop, but never anything quite like this: an ornate Victorian sitting room straight out of a Sherlock Holmes story—complete with violin, tobacco-filled Persian slipper, and gunshots in the wallpaper that spell out the initials of the late queen. Philip Gilbert was a true Holmes fanatic, from his antiquated décor to his vintage wardrobe. And no mere fan of fiction's great detective, but a leading expert with a collection of priceless memorabilia—a collection some would kill for. And perhaps someone did: In his collection is a century-old manuscript purportedly written by Holmes himself—a manuscript that eerily echoes details of Gilbert's own murder. Now, with the help of her partner, Al Hawkin, Kate must follow the convoluted trail of a killer—one who may have trained at the feet of the greatest mind of all times.

The Art of Gathering Mar 07 2021 "Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific

changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.
