Perhaps because it was the last stop on the Grand Tour, surely because its beauty is highly seductive, one cannot remain indifferent to the millennial city of Naples. Naples, where students and professors from urbanism, architecture, architectural engineering and design from Northern and Southern European universities met twice a year between 2013 and 2018 to capture the qualities of Naples's specific territory and respond to the contemporary situation. The first part of the book relates to lectures given by local researchers. The second part concerns the tentative designs and resilience in the face of modern challenges. Again, the proposals at Naples's persistence in hosting Europe's historical richness through time, and its great diversity of people and uses throughout space.

In this daring book, internationally acclaimed author and playwright Eve Ensler offers fictional monologues and stories inspired by girls around the globe. Fierce, tender, and smart, *I Am an Emotional Creature* is a celebration of the authentic voice inside every girl and an inspiring call to action for girls everywhere to speak up, follow their dreams, and become the women they were always meant to be. This paperback edition features new material about starting a discussion group based on the book. Playwright, author and activist Eve Ensler has devoted her life to the female body—how to talk about it, how to protect and value it. Yet she spent much of her life disassociated from her own body—a disconnection brought on by her father’s sexual abuse and her mother’s remoteness. “Because I did not, could not, inhabit my body or the Earth,” she writes, “I could not feel or know their pain.” But

Enslar is shocked out of her distance. While working in the Congo, she is shattered to encounter the horrific rape and violence inflicted on the women there. Soon after, she is diagnosed with uterine cancer and, through months of harrowing treatment, she is forced to become first and foremost a body—pricked, punctured, cut, scanned. It is then that all distance is erased. As she connects her own illness to the devastation of the Earth, her life force to the resilience of humanity, she is finally, fully—and gratefully—joined to the body of the world. Unflinching, generous and inspiring, Enslar calls on us all to embody our connection to and responsibility for the world. The barista drew an imprint of a rose in the foam in the cup of espresso, but no one would notice it. The customer would drink it without ever taking a moment to admire his masterpiece. Nothing ever changed. Each cup he brewed wounded his spirit. But the course of the Lebanese youth's life changes forever when he meets a Spanish nomad named Raphael, who tells him about the Great Guru in Rishikesh, India. "I have to remind you, there is no guarantee that the Great Guru will see us," Raphael warned. "In my brief meditation, I heard the song, and now I seek the choir," Matias said. "I have to try." As we follow Matias' journey from an ambitious youth to a seeker of truth, we learn life lessons along with him and call out our innocence from its hiding place in our hearts.
