## *Tuscan Holiday*

Long ago, a little girl named Laura Ingalls lived in a little house in the Big Woods of Wisconsin with her Pa, her Ma, her sisters, Mary and Carrie, and their good old bulldog, Jack. Winter was just around the corner, and Laura worked hard to help make the little house ready for the cold days ahead. Soon there was frost on the windows and snow on the ground, but Laura and her folks were warm and cozy in their snug little house in the Big Woods. Laura Ingalls Wilder's Little House books have been cherished by generations of readers. Now for the first time, the youngest readers can share her adventures in these very special picture books adapted from Laura Ingalls Wilder's beloved storybooks. Renée Graef's warm paintings, inspired by Garth Williams' classic Little House illustrations, bring Laura and her family lovingly to life. It's Christmas Eve and Fletcher has had a terrible thought what if Father Christmas can't find the rabbits' new burrow to deliver their presents? Luckily, Fletcher has just the right idea to help him find his way... Join Fletcher and his friends as they set about making Christmas perfect in this enchanting seasonal story. 'Captivating' Publishers Weekly'Preschoolers will love being in on the joke, even as they marvel at the bright petals that herald the astonishing beauty of spring' ALA Booklist Li'l Rabbit is not having a very good Kwanzaa. Granna Rabbit is sick, and so his family won't celebrate his favorite part of Kwanzaa this year: a big feast called Karamu. Li'l Rabbit knows what to do! He'll find Granna Rabbit a special treat for Karamu so she can celebrate anyway. He looks under a pile of logs, in the field, and in the pond and along the way meets Groundhog, Momma Field Mouse, and the frogs—but he doesn't find anything for Granna Rabbit. Maybe I'm just too little to help Granna Rabbit celebrate Kwanzaa, Li'l Rabbit thinks. Or maybe he just needs a little help from his family and friends. Inspired by Brer Rabbit, a trickster character from the African-American folklore tradition, the story of Li'l Rabbit

captures the true meaning of Kwanzaa—coming together to help others. I have a surprise for Daddy this holiday season ... a baby! But then tragedy strikes, and I'm petrified he won't want me anymore. The problem is that I'm already pregnant with Blake's baby! This wasn't supposed to happen! We went out on a blind date, and now the billionaire's going to be a father. But will the powerful CEO forgive me? Or will my baby remain a secret from his daddy forever? Happy Holidays!

Snuggle up this Christmas season with a cup of hot cocoa and a warm blanket before the REAL fire begins. No cheating, no cliffhangers, and always an HEA for my readers. "The novel *Holiday* is a compelling account of a southern lynching in which the simmering sexual and religious fervor and the violent act to which they inexorably lead are depicted in a modernist, experimental style. Although *Holiday* was promoted alongside Harlem Renaissance works, Waldo Frank was not a natural fit for the New Negro movement. Born into an upper-middle-class Jewish family in New Jersey and educated at Yale, Frank traveled around the South in 1922 with his friend, the Harlem Renaissance writer Jean Toomer, collecting observations for what was to become *Holiday*. The events of the novel take place on a single day in the southern town of Nazareth, a day so punishingly hot that Virginia Hade gives her father's black workers a holiday from work at the request of the black overseer, John Cloud. Meanwhile, a Revival tent is set up in the town, and a wave of religious passion spreads among the townsfolk, culminating in the novel's final, brutal act. Waldo Frank

(1889-1967) was a journalist and the author of *The Unwelcome Man*, *Our America*, *Dawn in Russia*, and *In the American Jungle*, among other works. Kathleen Pfeiffer is an associate professor of English at Oakland University, Rochester, Michigan. She is the author of *Race Passing* and *American Individualism*." In this smart, tender, insightful novel, bestselling author Holly Chamberlin introduces two very different women who, over the course of two unforgettable weeks, learn about unbreakable bonds, unshakeable love, and the chances that come once in a lifetime--and change us forever... When Elizabeth Caldwell planned a trip to Florence with her daughter, Marina, she secretly hoped for a warm, fuzzy bonding experience worthy of a Lifetime movie. But Marina--twenty-one, newly graduated, and close to her mom in many ways--has always been more the PBS type: dependable, practical, and completely in control. Elizabeth knows Marina wants to avoid the kind of "stupid mistake" that left Elizabeth a single mother at twenty-two, and she's bitten her tongue as Marina settles for a wealthy fiancé who gives her everything, she thinks she wants. After all, Elizabeth--unable to bring herself to fully commit to the man she has dated for years--is hardly an expert in romance. Still, a lot can happen on vacation, especially in Tuscany, where every scent borne on the warm breeze inspires delight, and every view makes the heart soar. There, on streets once walked by Dante and Michaelangelo, Marina is blindsided by a gorgeous Italian named Luca who shows her how gloriously unpredictable passion can be. And Elizabeth finally lets go of the role that has defined her for so long to embrace her own uncertain future... For fans of *Alexandria Bellefleur* and *Casey McQuiston* comes a charming, hilarious, and heartwarming LGBTQIA+ romcom about two separate couples finding love over the holidays from acclaimed author Roan Parrish! FROM A COZY NEW ENGLAND HAVEN Greta Russakoff loves her tight-knit family and tiny Maine hometown, but they can't seem to understand what it's like to be a lesbian living in

such a small world. When an act of familial meddling goes way too far, she realizes just how desperately she needs space to figure out who she is. **TO THE HEART OF NEW ORLEANS** Truman Belvedere's heart is crushed when he learns that his boyfriend has a secret life including a husband and daughter. Reeling, all he wants is a place to lick his wounds far, far away from Louisiana. **COMES ONE HOLIDAY THAT'LL CHANGE THEIR LIVES** Enter a mutual friend with a life-altering idea: swap homes for the holidays. For one perfect month, Greta and Truman will have a chance to experience a whole new world...and maybe fall in love with the partner of their dreams. But all holidays must come to an end, and eventually these two transplants will have to decide whether the love (and found family) they each discovered so far from home is worth fighting for. **Theologian John Piper said,**

**“What I have learned from about twenty years of serious reading is this: It is sentences that change my life, not books. What changed my life is some new glimpse of truth, some powerful challenge, some resolution to a long-standing dilemma, and these usually come concentrated in a sentence or two.”**

By day, Holly Hudson's a story editor for Wifetime Network. By night, she's the writer for the network's very cheesy, very straight holiday romance series—Christmas in Evermore. Holly took the job to accomplish exactly one thing: a gay Christmas movie. She's been shot down before, but things start to look up when Meredith Drake unexpectedly moves into the network's holiday division. On the heels of a brief (but totally hot) fling, Holly and Meredith agree to keep things professional now that they'll be working together. Especially since the network has a strict policy about workplace relationships. Instead, they vow to channel their passion into a pitch for the network's first Christmas movie to feature two female leads. In this contemporary romance, Holly and Meredith work to make the Yuletide gayer while discovering that happy endings aren't only for the movies.
