In December 2012, Naomi Witherspoon has a pretty sweet life, with a new fiancé and a thriving mediation practice at a big Denver law firm. But then she dreams of a white buffalo calf bowing to her. And with the winter solstice just around the corner, a Native American man seems to be following her around. Is her comfortable world about to end? Many people in our society grow up without the love of their father. *Chronicles of a Daddy's Girl*, vol.1 is a beautifully written, God inspired, power-packed slice of solution and healing pie. In Volume 1, Kimberly shares some of her life story dealing with the pain she suffered at the hands of a "good" father. The book is filled with riveting stories that take you right to the heart of the message, dealing with the pain she suffered. Plunged into the Mayan Underworld, a young woman must use her magical talents and confront her fears if she hopes to return to the land of the living where her enemy wreaks havoc on those she loves. *Chronicles the success--two made it to the top--and the tragedy--two died--of an expedition to the summit of Annapurna I*, one of the world's fifteen tallest peaks, by thirteen American women. The information about the book is not available as of this time. Experience the history and adventures of the Amazon Princess in this deluxe box set of illustrated hardcover books, including: *Amazing Amazon: The Legend of Wonder Woman* *Gods and Mortals: The Enemies of Wonder Woman* *Powerful Princess: Amazonian Powers and Tools* *Paradise Island: Home of the Amazons* Each book is hardcover, 48 pages, and fully illustrated with full-color artwork throughout. They come packaged in a slipcase box. A gorgeous, authorized celebration of one of the most popular and enduring Super Heroes of all time—Wonder Woman—that chronicles the life and times of this pop-culture phenomenon and image of

women's strength and power, from her origins and role as a founding member of the Justice League to her evolution in television and film. "As lovely as Aphrodite—as wise as Athena—with the speed of Mercury and the strength of Hercules—she is known only as Wonder Woman, but who she is, or whence she came, nobody knows!"—All-Star Comics #8 (December 1941-January 1942) Created by William Moulton Marston and introduced at the beginning of America's involvement in World War II, Wonder Woman—the fierce warrior and diplomat armed with bulletproof Bracelets of Victory, a golden tiara, and a Lasso of Truth—has been a pop-culture icon and one of the most enduring symbols of feminism for more than seventy-five years. Wonder Woman: Ambassador of Truth now tells the complete illustrated story of this iconic character's creative journey. Signe Bergstrom examines Wonder Woman's diverse media representations from her wartime comic book origins to today's feature films, and explores the impact she has had on women's rights and empowerment and the fight for peace, justice, and equality across the globe. Wonder Woman: Ambassador of Truth brings together a breathtaking collage of images—from the DC comic books, the 1970s-era television show starring Lynda Carter, her numerous animated appearances, the June 2017 Wonder Woman feature film called "the best DC universe film yet", and the November 2017 film Justice League. Fully authorized by Warner Bros. Consumer Products, this lush full-color compendium features inserts and exclusive interactives, and illuminating interviews and anecdotes from key artists, writers, and personalities involved in bringing Wonder Woman to life across the years. WONDER WOMAN and all related characters and elements are trademarks of and © DC Comics. (s17) The graduating seniors of a Seven Sisters college, trying to decide whether to pattern themselves after Katharine Hepburn or Emily Dickinson. Two young women besieged by the demands of mothers, lovers, and careers--not to mention a highly persistent telephone answering machine--as they struggle to have it all. A brilliant feminist art historian trying to keep her bearings and her sense of humor on the elevator ride from the radical sixties to the heartless eighties. Wendy Wasserstein's characters are so funny, so many-sided, and so "real" that we seem to know them from their Scene One entrances, though the places they go are invariably surprising. And these three plays--"Uncommon Women and Others," "Isn't It Romantic," and the Pulitzer Prize-winning "The Heidi" "Chronicles"--manage to engage us heart, mind, and soul on such a deep and lasting level that they are already recognized as classics of the modern theater. It's zero hour... Naomi has just two weeks to find a new home for Joseph's grandfather. The old Ute shaman is fighting for his life against a mysterious injection of toxin he received at the hands of the Norse Trickster god Loki. If Naomi is to defeat Loki once and for all, she must learn what it is he seeks under the old man's wickiup.

She has just one week before she must mediate between the Earth's pagan gods and goddesses and the Christian God. If her efforts fail, all of humankind will suffer the consequences. And her baby is due any day. In this, the fifth and final book of the Pipe Woman Chronicles, Naomi is in a race against the clock to balance the demands of her body, her family, and her friends - and she must do it while the whole world is watching. Ah, winter in South Dakota... Naomi's caught some kind of bug, and she hasn't seen Joseph in weeks. But she lets Shannon drag her on vacation: a road trip to the Pine Ridge Indian Reservation to find Naomi's father. There, they find more than they bargained for: a dream wolf, a mysterious walled compound that might or might not belong to Loki, and a lot of snow. Shannon certainly knows how to show a friend a good time... *The Chronicles of Women in White Coats 2* gives you an up close and personal view of what it is like to be a female doctor in America. From being a healthcare worker on the front lines to carrying the roles of mothers, wives, sisters, daughters and friends, these 10 women reveal it all as they tell their stories of success and struggle. This book discusses gender inequity, health scares, domestic violence, racial bias, the superwoman syndrome, and much more. It was written by women, but has stories that people of all ages and genders can relate to. All these inspirational stories are part of "The Chronicles of Women in White Coats" book series that gives you a sneak peak to what it really means to be a Woman in a White Coat. A NEW YORK TIMES BESTSELLER Chosen as a BEST BOOK OF THE YEAR by NPR, the New York Public Library, Amazon, the Seattle Times, the Washington Independent Review of Books, PopSugar, the Minneapolis Star Tribune, BookBrowse, the Spectator, and the Times of London Winner of the Plutarch Award for Best Biography "Excellent...This book is as riveting as any thriller, and as hard to put down." -- The New York Times Book Review "A compelling biography of a masterful spy, and a reminder of what can be done with a few brave people -- and a little resistance." - NPR "A meticulous history that reads like a thriller." - Ben Macintyre A never-before-told story of Virginia Hall, the American spy who changed the course of World War II, from the author of *Clementine*. In 1942, the Gestapo sent out an urgent transmission: "She is the most dangerous of all Allied spies. We must find and destroy her." The target in their sights was Virginia Hall, a Baltimore socialite who talked her way into Special Operations Executive, the spy organization dubbed Winston Churchill's "Ministry of Ungentlemanly Warfare." She became the first Allied woman deployed behind enemy lines and--despite her prosthetic leg--helped to light the flame of the French Resistance, revolutionizing secret warfare as we know it. Virginia established vast spy networks throughout France, called weapons and explosives down from the skies, and became a linchpin for the Resistance. Even as her face covered wanted posters and a bounty was placed on her head, Virginia refused order

after order to evacuate. She finally escaped through a death-defying hike over the Pyrenees into Spain, her cover blown. But she plunged back in, adamant that she had more lives to save, and led a victorious guerilla campaign, liberating swathes of France from the Nazis after D-Day. Based on new and extensive research, Sonia Purnell has for the first time uncovered the full secret life of Virginia Hall--an astounding and inspiring story of heroism, spycraft, resistance, and personal triumph over shocking adversity. A Woman of No Importance is the breathtaking story of how one woman's fierce persistence helped win the war. In 1992, 24 new congresswomen were elected. Margolies-Mezvinsky, in cooperation with the other freshmen women, chronicles their first eight months in office--an exciting assessment of a unique group of women at the forefront of a power shift. Introduction by Barbara Jordan. "The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors. Graphic Novel. Beginning a new Chronicles series starring the world's most recognized female super-hero, Wonder Woman! This volume reveals Wonder Woman's origin and the story of how she found

her role in "man's world." Along the way, she battles saboteurs and the mysterious Dr. Poison and visits the School for Spies. Written by WILLIAM MOULTON MARSTON - Art and cover by HARRY G. PETER On sale NOVEMBER 30 - 192 pg, FC, \$17.99 US In this new title collecting WONDER WOMAN #2-3, SENSATION COMICS #10-14 and COMICS CAVALCADE #1, Wonder Woman battles Mars, god of war, and Paula Von Gunther, a treacherous German spy. A comprehensive reference that chronicles first achievements of American women from the 16th century to the present, this fascinating and inspiring book covers more than 20 fields of endeavor. Included are the first woman mayor (1897), the first woman athlete to play men's regular basketball (1986), as well as more celebrated females such as Gracie Allen, Clara Barton, and Muriel Siebert. There are over 519 million Black Women on the planet Earth, give or take a dozen. There's a Black Woman on each of the seven continents, in almost every country and in almost every context. There are even Black Women in the space program. So no matter where you go, she's already been there. She travels with forces greater than herself. Her presence is everywhere. *Black Women For Beginners* is a documentary comic book that chronicles the trials and triumphs of Black Women from antiquity to the present, reflecting with wit and humor the challenges they have faced and the fortitude and strength that have sustained Black Women and patterned history with a diversity of excellence. As warriors, healers, teachers, mothers, queens, and liberators Black Women have had tremendous impact on issues from food to fashion, from politics to poetry. Replete with a glossary of reference terms, *Black Women For Beginners* whimsically details the influence of stereotypes on the portrayal of Black Women in various venues and punctuates the absurd. The information about the book is not available as of this time. *Serving God, her husband and her church for 13 years* Sherry retells the valleys and victories she navigated through to escape the tumultuous life of a Pastor's wife. She uncovers the dark secrets men of the cloth attempt to hide so that they can escape accountability and possible imprisonment. *A Kept Woman: Chronicles of a Pastor's Wife*, is gripping and raw. It reveals how a godly woman fights back with the Word of God to take control of an oppressive situation and win. Sherry's challenging words of wisdom will motivate readers to action. The information about the book is not available as of this time. WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 The only novel from Alice Munro-award-winning author of *The Love of a Good Woman*-is an insightful, honest book, "autobiographical in form but not in fact," that chronicles a young girl's growing up in rural Ontario in the 1940's. Del Jordan lives out at the end of the Flats Road on her father's fox farm, where her most frequent companions are an eccentric bachelor family friend and her rough younger brother. When she begins spending more time in town, she is surrounded by women-her mother, an agnostic, opinionated woman who sells encyclopedias to local farmers; her mother's boarder, the lusty Fern Dogherty; and her best friend, Naomi, with whom she shares the frustrations and unbridled

glee of adolescence. Through these unwitting mentors and in her own encounters with sex, birth, and death, Del explores the dark and bright sides of womanhood. All along she remains a wise, witty observer and recorder of truths in small-town life. The result is a powerful, moving, and humorous demonstration of Alice Munro's unparalleled awareness of the lives of girls and women. Follow the complete early adventures of Wonder Woman in exact chronological order. One of comics' truly iconic characters, Princess Diana of Themyscira--known to most as Wonder Woman--is the world's most popular heroine. Armed with her super-strength, magic lasso, bullet-defying bracelets and invisible plane, she has fought evildoers for over 75 years! *Wonder Woman: The Golden Age Vol. 3* chronicles the Amazing Amazon's adventures, as written by William Moulton Marston, Joye Murchison and Robert Kanigher, and illustrated by the inimitable Harry G. Peter, originally published in *Sensation Comics #49-69*, *Comic Cavalcade #14-22* and *Wonder Woman #16-25*. The *New Our Bodies, Ourselves* calls menstrual extraction (ME) "a powerful example of medical research done by women on and for ourselves." As the safest and most effective of the techniques that can be performed on women by women, independently of any legal restrictions that may be imposed on doctors in the coming months and years, menstrual extraction is today at the center of the raging abortion debate, serving both symbolically and practically as the line of first defense against recent rollbacks of women's reproductive rights in the nation's courts. *A Woman's Book of Choices* chronicles the history of ME, the currently accepted standard of ME practice, and its legal ramifications, and offers accounts of actual ME procedures. It also describes the who range of other abortion alternatives, from state-of-the-art clinical abortions to folk remedies, for women who may be considering terminating a pregnancy. In addition, there is a comprehensive chapter that is directed to medical personnel who may be providing abortion care, and a chapter on the French-developed abortion pill, RU-486. This book will tell you of one woman's journey that is actually lived out by so many single women all over the world. It is a must read; if you have the desire to be married! If you desire to be married to the right guy! If you desire to get married and stay married. You are always hearing of women getting married and then divorced because they were married to the wrong guy, they didn't put God first, they didn't allow God in the lives before they met the guy; and more importantly, they didn't do their work! Don't let that be you.... *Wonder Woman* is introduced to the world in this collection of her 1940s adventures. This volume reveals her origins and the story of how she found her role in a 'man's' world. Naomi has a pretty sweet life. Respected as a skilled mediator, she has an almost uncanny knack for getting people on both sides of a dispute to agree. And her handsome boyfriend Brock has just proposed to her. But a white buffalo calf is bowing to her in her dreams. And who is the Native American man who has been following her around? Naomi doesn't know it, but things are about to change.... NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush

with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty." -Rolling Stone The incredible life that inspired the hit Broadway musical Beautiful Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A NATURAL WOMAN chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances. How can mere women resist the misogyny of men? In 14th century Meonbridge, Eleanor, Susanna and Agnes face scorn and rancour from men who fear havoc if "daughters of Eve" are allowed to usurp men's roles. Not all men resist the women's desire for change, but it takes only one or two misogynists to unleash the hounds of hostility and hatred. *Winner--First Prize in the Colorado Authors League Award, Science Fiction and Fantasy Category!* The adventures of Li-lin, a Daoist priestess with the unique ability to see the spirit world, continue in the thrilling follow-up to the critically-acclaimed historical urban fantasy The Girl with Ghost Eyes. It's the end of the Nineteenth Century. San Francisco's cobblestone streets are haunted, but Chinatown has an unlikely protector in a young Daoist priestess named Li-lin. Using only her martial arts training, spiritual magic, a sword made from peachwood, and the walking, talking spirit of a human eye, Li-lin stands alone to defend her immigrant community from supernatural threats. But when the body of a young girl is brought to the deadhouse Li-lin oversees for a local group of gangsters, she faces her most bewildering—and potentially dangerous—assignment yet. The nine-year-old has died from suffocation . . . specifically by flowers growing out of her nose and mouth. Li-lin suspects Gong Tau, a dirty and primitive form of dark magic. But who is behind the spell, and why, will take her on a perilous journey deep into a dangerous world of ghosts and spirits. With hard historical realism and meticulously researched depictions of Chinese monsters and magic that have never been written about in the English language, The Girl with No Face draws from the action-packed cinema of Hong Kong to create a compelling and unforgettable tale of historical fantasy and Chinese lore. "Chronicles of a Single Woman is the story of three modern day women juggling their careers, friendships and relationships. Follow Sharonda, Marie and Dajon as they navigate through an emotional rollercoaster chronicling the challenges of dating in a "no title, situationship" era while adulting and maintaining a position in corporate America, being the CEO of a clothing company, and a proud black professor at a PWI. Their friendships will also be put to the test, to trust that their friends are there for them or jealous? Will these ladies remain close or fall apart at the cares of life? This is a fictional story based on true events."--Back cover 'If you've been suffering withdrawal symptoms from Downton, this is for you' Daily Mail The

Relationship Chronicles, Volume 1: Sexy and Smart, Too is a book about life, friends, and relationships in 21st century California. Despite popular belief, there are men and women out there that do understand one another. No longer are men Neanderthals of yesterday, nor is a strong willed woman a "witch." This book deals with realistic issues in both friendly and romantic relationships, and how men and women have changed over the years. Hopefully this book will help men and women have some insight into one another. It is presented in a balanced, but fun manner that readers will enjoy. "This unflinching novel chronicles a woman's relationship with a violent man in a way that brings fresh insight to the subject . . . engaging and uplifting." —O, The Oprah Magazine From the Booker Prize-winning author of Paddy Clarke Ha Ha Ha, the heartrending story of a brave and tenacious housewife Paula Spencer is a thirty-nine-year-old working-class woman struggling to reclaim her dignity after marriage to an abusive husband and a worsening drinking problem. Paula recalls her contented childhood, the audacity she learned as a teenager, the exhilaration of her romance with Charlo, and the marriage to him that left her feeling powerless. Capturing both her vulnerability and her strength, Roddy Doyle gives Paula a voice that is real and unforgettable. Love is the last book in the Grown Woman Chronicles poetry book series. The culmination of 20 years of growth, learning, and living. Find out how it all ends after the drama in the book Deep in it, Prequel, and the realizations and growth in the book Over it! Complete the journey by reading this entire book of poetry dedicated to unconditional love.If you haven't already, be sure to check out the other books in the Grown Woman Chronicle poetry book series, which include Over it! Grown Woman Chronicles, Deep in it, Prequel: Grown Woman Chronicles, and When the Mirror Spoke Back, Reflections Journal: Grown Woman Chronicles. Llana Love is about to find out that her dream visions are actual events that propel her into varying parallel universes and to become something she only thought existed in her dreams and on the Space Channel. After her husband's death she is faced with realizing that reality is never what it seems, it has all been a pre-requisite to become what the universes need, the Dream Warrior. As the Dream Warrior, Llana is thrown into an exciting new existence with superhuman abilities and strength beyond comparison but the 3 Devil War Lord Brothers each want her as their own. It will be up to Llana and her UNIT to take them down, but it won't be without a fight, hardship, and casualties. Love struggles between human and non-human; will she choose the right one? Sassy book about love, relationships, and personal growth. Go on a journey with the writer exploring self-love, good relationships, bad relationships and at the end...true love. Poetry from the heart, you can feel the emotions behind each poem. Each poem was written during different phases of life. This book of Poetry is a culmination of all the steps it took to become a "Grown Woman." Portraits of 45 notable women, accompanied by biographical captions, spotlight Susan B. Anthony, Sandra Day O'Connor, Oprah Winfrey, Clara Barton, Barbara Walters, Margaret Mead, and many other prominent female figures.
