The popular Unified Modeling Language (UML) is both a language and notation developed by the Object Management Group (OMG) used to design and create specifications for software systems. With the recent release of version 2.0 UML, the OMG has started the OMG-Certified UML Professional Program to provide an objective measure of UML knowledge. As a certified UML professional a developer has an important credential to present to employers and clients. Certification also benefits companies looking for skilled UML practitioners by giving them a basis for making hiring and promotion decisions. UML 2 Certification Guide is the only official study guide to passing the new UML exams. This book

systematically covers all of the topics covered in the exams, and has been carefully reviewed by the OMG. The book begins by assuming only a basic knowledge of UML and then progresses far enough to allow a reader to pass both the fundamental and the intermediate level exams. Along the way the book also covers topics that are not in introductory books on UML but that are necessary to pass the exams. Tim Weilkiens is considered one of the top ten experts on UML, and both authors have extensive experience training developers to successfully take the exams. The official certification resource Assumes a basic knowledge of UML so that you can focus immediately on the exams Written by two authors known for their skill as trainers, consultants, and developers Developed systematically to enable you to master all exam topics—without exception Covers the use of UML for applications, as required by the exams, both inside and outside of the realm of software development Includes a practice exam, glossary, list of books, and website information Part of an intermediate stage English language learning course, which offers comprehensive coverage of major language items, language practice and open-ended exercises. Our Practice Book (Level 3) offers great exercises and examples to introduce English at an intermediate stage including key language skills, grammar, and vocabulary. English for Everyone uses visual teaching methods to introduce practical English usage, reinforced through a variety of exercises and examples in our Practice Book (Level 3). The Level 3 Practice Book helps you to expand your English conversational topics by increasing the detail around your interests, life stories, and achievements, as well as being able to give instructions, advice, or solutions to problems. Improve your vocabulary, grammar, and punctuation to an intermediate level with comprehensive guidance. When used alongside our Course Book (Level 3), this workbook is ideal for English test preparations or ESL lesson plans. This revised reprint is now updated to reflect the new 2005 emergency cardiac care guidelines. It provides a comprehensive review of material covered in both the EMT-I and Paramedic national standard curricula. More than 1600 questions consist of multiple choice, fill-in-the-blank, and discussion questions. Fifty illustrations form the basis for certain questions within the book. Other questions are written in a scenario-based format. This revised reprint is now updated to reflect the new 2005 emergency cardiac care guidelines. It is the only review book to cover both intermediate and paramedic certification. Numerous scenario-based questions let students solve real-life problems. Questions are grouped by subject within each chapter, allowing students to test their knowledge of particular subjects without having to wade through unrelated questions. Comprehensive rationales help students understand why a particular answer is right or wrong; the rationales provide additional instruction and review. Answer sections are clearly marked with solid bars along the page margin, helping students find the answers quickly. A sample final exam covers information from all areas of the US DOT curriculum and prepares students for certification. The Reading efficiency of individuals will be effected by vocalisation, sub-vocalisation, head movements, supports, word-for-word and regression. Identifying the importance of speed reading with comprehension, this experimental study was taken up to verify the efficiency of speed reading comprehension of student teachers. If you need
