*The Book of Princes and Princesses is a collection of fourteen true short stories, each centered around a European monarch, including Napoleon, Elizabeth I, Fredrick the Great and more. Though these figures seem larger than life, The Book of Princes and Princesses portray them as real, relatable people who struggled to achieve greatness, and sometimes failed anyway. Following the monarchs' rise to power and childhood, this collection depicts the rulers' faults, struggles, and triumphs, highlighting the diverse circumstances of power. Napoleon Bonaparte serves as an example of this, as he rose from poor status to be a great emperor and a celebrated war general. However, these achievements are challenged at the Battle of Waterloo. Though appropriate and enjoyable for all ages, The Book of Princes and Princesses by Andrew and Leonora Lang was originally meant for children. Seeking to spark natural interest in history, The Book of Princes and Princesses depicts celebrated European authority figures with originality and honesty. Through the portrayal of fourteen rulers, this collection allows readers valuable perspective and insight on European culture throughout centuries of historical and religious movements. This edition of The Book of Princes and Princesses by Andrew and Leonora Lang now features a striking new cover design and is printed in a font that is both modern and readable. With these accommodations, this edition of The Book of Princes and*

Princesses creates an accessible and pleasant reading experience for modern audiences while restoring the original authenticity and mastery of Andrew and Leonora Lang's work. This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them. Prince Freddie is off to save a castle from a ferocious fire-breathing dragon when he realizes that he "really" needs to pee. But with impossibly long lines for the only bathroom in the forest, it looks like Freddie will have to face the dragon without relieving himself. Or will he? Full color. "An ardent fan letter from Hornby that makes you want to re-read *Great Expectations* while listening to *Sign o' the Times*." –Vogue "This pairing -- two magnificent creatives, centuries and genres apart -- makes stunning sense in the hands of their wisest, wittiest fan." -- People From the bestselling author of *Just Like You*, *High Fidelity*, and *Fever Pitch*, a short, warm, and entertaining book about art, creativity, and the unlikely similarities between Victorian novelist Charles Dickens and modern American rock star Prince Every so often, a pairing comes along that seems completely unlikely—until it's not. Peanut butter and jelly, Dennis Rodman and Kim Jong Un, ducks and puppies, and now: Dickens and Prince. Equipped with a fan's admiration and his trademark humor and wit, Nick Hornby invites us into his latest obsession: the cosmic link between two unlikely artists, geniuses in their own rights, spanning race, class, and centuries—each of whom electrified their different disciplines and whose legacy resounded far beyond their own time. When Prince's 1987 record *Sign o' the Times* was rereleased in 2020, the iconic album now came with dozens of songs that weren't on the original—Prince was endlessly prolific, recording 102 songs in 1986 alone. In awe, Hornby began to wonder, Who else ever produced this much? Who else ever worked that way? He soon found his answer in Victorian novelist and social critic Charles Dickens, who died more than a hundred years before Prince began making music. Examining the two artists' personal tragedies, social statuses, boundless productivity, and other parallels, both humorous and haunting, Hornby shows how these two unlikely men from different centuries "lit up the world." In the process, he creates a lively, stimulating rumination on the creativity, flamboyance, discipline, and soul it takes to produce great art. Ava and Prince are like most dogs. They want a place to call home, where love is yummy like peanut butter and belly rubs never end. This is their sweet, real-life story about home, family and love. A FINE EVENING-six centuries ago-shed a bright parting light over Alton Wood, illuminating the gray lichens that clung to the rugged trunks of the old oak trees, and shining on the smoother bark of the graceful beech, with that sidelong light that, towards evening, gives an especial charm to woodland scenery. The long shadows lay across an open green glade, narrowing towards one end, where a path, nearly lost amid dwarf furze, crested heather, and soft bent-grass, led towards a hut, rudely constructed of sods of turf and branches of trees, whose gray crackling foliage contrasted with the fresh verdure around. There was no endeavour at a window, nor chimney; but the door of wattled boughs was carefully secured by a long twisted withe. A halbert, a broken arrow, a deer-skin pegged out on the ground to dry, a bundle of faggots, a bare and blackened patch of grass, strewn with wood ashes, were tokens of recent habitation, though the reiterations of the

nightingale, the deep tones of the blackbird and the hum of insects, were the only sounds that broke the stillness. Suddenly the silence was interrupted by a clear, loud, ringing whistle, repeated at brief intervals and now and then exchanged for the call-"Leonillo! Leon!" A footstep approached, rapidly overtaken and passed by the rushing gallop of a large animal; and there broke on the scene a large tawny hound, prancing, bounding, and turning round joyfully, pawing the air, and wagging his tail, in welcome to the figure who followed him. An intimately photographed and elegantly designed tribute to the artist known as Prince from the celebrated photographer who collaborated with him for a quarter of a century. For twenty-five years, Randee St. Nicholas, one of Hollywood's most acclaimed photographers, worked closely with the enigmatic Prince, capturing some of his most intimate and revealing moments both on and off stage. My Name Is Prince is an up-close, intimate look at the artist as he has seldom been seen before. Discover the many moods of the brilliant award-winning icon in hundreds of stunning black-and-white and color photographs taken at his home, on tour, and on his many adventures around the world. Accompanying the images are behind-the-scenes stories, and St. Nicholas's touching, humorous, and illuminating personal insights on the big and small moments she shared with Prince. Prince and St. Nicholas made plans to collaborate on this book after working on their first collaborative book 21 Nights. As stunning and unforgettable as the icon himself, My Name Is Prince serves as a continuation of his legacy and pays homage to the man, the star, and his "profound" impact on music and pop culture. A Classic Story of Switched Identity "When I am king they shall not have bread and shelter only, but also teachings out of books, for a full belly is little worth where the mind is starved." – Mark Twain, The Prince and the Pauper The Prince and the Pauper by Mark Twain is an 1881 novel that has been adapted many times. When a young poor boy wanders near the palace gates, he meets the Prince of Wales (Edward VI) who bears an uncanny resemblance. They decide to switch clothes and end up switching roles. Edward discovers the stark class inequality in England and Tom struggles to survive as the prince. When the king dies, Edward must race against the clock and the bounds of society to regain his rightful throne. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes In the magical kingdom of Evergreen, beautiful Princess Elena is suddenly whisked away by an old woman. Undefeated champion Gallant and shy bookworm Earnest go on a quest to find "the greatest treasure in the land" so one of them can save and marry the princess. Along the way, Earnest and Gallant realize "the greatest treasure in the land" is not what they expected. This is a 28-page, full-color, illustrated children's adventure picture book with a same-sex marriage. Alexander the Fatherless: nephew of the villainous King March of Cornwall, who murdered his father. Burning with vengeance, Alexander sets out on a journey to Camelot to seek justice from King Arthur. His path will lead him

to the Dark Tower, where the sorceress Morgan le Fay lies in wait. Morgan seduces Alexander and sends him on a quest to Jerusalem to recover the Holy Grail - which she believes will help her take the throne. Alice the Pilgrim: daughter of a man who has sworn to journey to Jerusalem every three years, Alice grows to womanhood on the pilgrim's trail. And then she meets a boy who carries a cup - which he claims is the Holy Grail. Alice and her father will move heaven and earth to bring the Grail back to Britain. And Alexander will do anything to find it. Their quests will bring them together, and the day that Alexander and Alice meet will go down in legend. *The Prince & the Pilgrim* is the final installment of Mary Stewart's classic Arthurian Saga, a must-read for all fans of history, fantasy and great literature alike. \*A New York Times Bestseller\* A major new biography of John F. Kennedy Jr. from a leading historian who was also a close friend, *America's Reluctant Prince* is a deeply researched, personal, surprising, and revealing portrait of the Kennedy heir the world lost too soon. Through the lens of their decades-long friendship and including exclusive interviews and details from previously classified documents, noted historian and New York Times bestselling author Steven M. Gillon examines John F. Kennedy Jr.'s life and legacy from before his birth to the day he died. Gillon covers the highs, the lows, and the surprising incidents, viewpoints, and relationships that John never discussed publicly, revealing the full story behind JFK Jr.'s complicated and rich life. In the end, Gillon proves that John's life was far more than another tragedy—rather, it's the true key to understanding both the Kennedy legacy and how America's first family continues to shape the world we live in today. *'Princes in the Land'* is about a woman bringing up a family who is left at the end, when the children are on the verge of adulthood, asking herself not only what it was all for but what was her own life for? Yet the questions are asked subtly and readably. Rich with surprise and hilarious adventure, *The Prince and the Pauper* is a delightful satire of England's romantic past and a joyful boyhood romp filled with the same tongue-in-cheek irony that sparks the best of Mark Twain's tall tales. Two boys, one an urchin from London's filthy lanes, the other a prince born in a lavish palace, unwittingly trade identities. Thus a bedraggled "Prince of Poverty" discovers that his private dreams have all come true—while a pampered Prince of Wales finds himself tossed into a rough-and-tumble world of squalid beggars and villainous thieves. Originally written as a story for children, *The Prince and the Pauper* is a classic novel for adults as well—through its stinging attack on the ageless human folly of attempting to measure true worth by outer appearances. (Ukulele). 17 of the purple one's finest arranged with melody, lyrics, chord diagrams and tab riffs for standard G-C-E-A ukulele tuning. Songs include: *Diamonds and Pearls* \* *I Would Die 4 U* \* *Kiss* \* *Let's Go Crazy* \* *Little Red Corvette* \* *1999* \* *Purple Rain* \* *Raspberry Beret* \* *Sign O' the Times* \* *When Doves Cry* \* *U Got the Look* \* and more. A fascinating read history that has never before been revealed. I highly recommend this book to the young and old who thirst for true knowledge of African ancestry. Lisa Haywood *The Saga of the Early Warri Princes* narrates the circumstances and time of Prince Iginuas exile from the Edo Kingdom in West Africa in the late fifteenth century and the establishment of the Iginua Dynasty. With vivid details, author Chris Omone delivers the intriguing story of this little-known piece of African history. By the order

of the Oba, young Prince Iginua was sent to establish a subordinate kingdom in the riverine settlements of Itsekiri near the Edo Kingdom. He was also charged with controlling and supervising the Portuguese trade. Effectively banished from his country in the midst of an economic upheaval caused by European trade, Prince Iginua nevertheless took his loyal followers with him to the settlements. Here, he established a dynasty that survived and prospered in adverse environmental circumstances. Remarkably, the Iginua Dynasty rivaled the Edo Kingdom by embracing the same European trade, religion, and education that had so disrupted the Edo Kingdom. But perhaps even more remarkable was how Prince Iginua's descendants came to be related to the Royal House of Braganza, which ruled Portugal and Brazil for centuries. The Saga of the Early Warri Princes offers a detailed historical account, ideal for general readers and scholars alike. Princess Olivia has just lost her husband. She is all alone in a foreign kingdom in desperate need of a ruler who can make it prosper again. Prince Sebastian is the only one who can help her prevent an uprising – but he has a reputation for being a loner and a rebel. Can she trust him when it seems that everyone else has a hidden agenda? Prince Sebastian of Visteria once vowed to stay away from all royal obligations, but there's no way he'll leave his brother's young widow in the claws of scheming ministers fighting to bring the monarchy to its downfall and ruin the people's future. What he hasn't counted on is the instant attraction sparking between the two of them. Is a happy ending possible for these two royals who are too blind to realize they're made for each other? The romance novels of this promising new series are reminiscent of 'Royally Screwed' by Emma Chase and of bestsellers by Nora Roberts that also involve irresistible princes bent on making an exception to the rule. \*

\* \* THE PRINCE'S STUBBORN BRIDE is the second book in the Royal Romance Series and can be read as a stand-alone with a happy ending. Be sure not to miss the other novels because the story continues with many more princes finding their happily ever after. Book 1 – THE PRINCE'S SPECIAL BRIDE Book 3 – THE PRINCE'S SURPRISE BRIDE Book 4 – THE INDIAN PRINCE'S SCANDALOUS BRIDE

Prince Sebastian hides from his parents his secret life of dressing up in women's clothes as the hottest fashion icon in Paris, the fabulous Lady Crystallia, while his friend Frances the dressmaker strives to keep her friend's secret. NEW YORK TIMES BESTSELLER • A "masterly account" (The Wall Street Journal) of the life and loves of King Charles III, Britain's first king since 1952, shedding light on the death of Diana, his marriage to Camilla, and his preparations to take the throne Sally Bedell Smith returns once again to the British royal family to give us a new look at the man who was the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles's life. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father's expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the

tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now. From Prince's superstardom to studio seclusion, this second book in the Prince Studio Sessions series chronicles the years immediately following the Purple Rain era. Interview accounts of over 260 recording sessions and two tours reveal the indistinguishable majesty of Prince's artistry. "Prince and Heretic" by Marjorie Bowen. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. The Prince and the Pauper - A Tale for young People of all Ages is an unchanged, high-quality reprint of the original edition of 1882. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future. When young Prince Edward meets a pauper who resembles him, they trade clothes and switch places. The prince learns of the plight of common folk while the pauper learns how the nobility live. If Dauphin, a pampered Shetland pony, seems to lead the perfect life in the penthouse suite of the city's posh riding stables, it's because he does. And if he seems a bit too self-satisfied—after all, he's won several trophies for his young owner, Isabella, and is widely acknowledged to be the prettiest pony in the city—it's because he is. Dauphin leads a rich, comfortable life. But all that changes when his relationship with his owner takes a decided turn for the worse. He's suddenly sent away to a farm in the middle of nowhere, which is filled with the most unusual animals. And where, against all odds, he discovers the true meaning of home and family. Based upon Machiavelli's first-hand experience as an emissary of the Florentine Republic to the courts of Europe, The Prince analyses the usually violent means by which men seize, retain, and lose political power. This fluent new translation is accompanied by comprehensive notes and an introduction that dispels some of the myths associated with Machiavelli, and considers the true purpose of The Prince. - ;'A prince must not have any other object nor any other thought...but war, its institutions, and its discipline; because that is the only art befitting one who commands.' When Machiavelli's brief treatise on Renaissance statecraft and princely power was posthumously published in 1532, it generated a debate that has raged unabated until the present day.

Based upon Machiavelli's first-hand experience as an emissary of the Florentine Republic to the courts of Europe, *The Prince* analyses the usually violent means by which men seize, retain, and lose political power. Machiavelli added a dimension of incisive realism to one of the major philosophical and political issues of his time, especially the relationship between public deeds and private morality. His book provides a remarkably uncompromising picture of the true nature of power, no matter in what era or by whom it is exercised. This fluent new translation is accompanied by comprehensive notes and an introduction that considers the true purpose of *The Prince* and dispels some of the myths associated with it. - ;Literary scholar Peter Bondanella rightly seeks the cold elegance and readability of the original. Serious English readers will want both translations. - Lauro Martines, *TLS* A forbidden love...with a prince! Attorney Carolena Baretta keeps her cards close to her chest. But when a chance encounter with the handsome prince ignites a fiery attraction, Carolena finds that he may just be the one man she can trust... Crown prince Valentino finds himself increasingly distracted from his duty by commoner Carolena. But Valentino is playing with fire. To be with Carolena he would have to sacrifice everything—including his right to the throne... Princes of Europe Torn between love and royal obligation... "If an injury has to be done to a man, it should be so severe that his vengeance need not be feared."--Niccolo Machiavelli, *The Prince* One of the foremost examples of modern philosophy, Niccolo Machiavelli's *The Prince* is notorious for the morality it expounds, often summarized by the phrase, "The end justifies the means." With *The Prince*, Machiavelli's intent was to provide practical advice for rulers and politicians, especially in regard to the unification of Italy. *The Prince and Other Writings* is an important book for those interested in history, politics, ethics, and human nature, and is now available as part of the Word Cloud Classics series, providing a chic and affordable addition to any library. Magister Gustave Vanderlinden, astrologer and alchemist to that great Protestant Prince, His Highness Augustus, Elector of Saxony, sat somewhat gloomily in the laboratory of his house at Leipsic. It was August, and the sun fell merrily through the diamond panes of the casements on to the dusty and mysterious objects which filled the high and narrow chamber. In one corner stood a large furnace with two ovens, a tripod and pot, and a wide chimney above; on the shelves near, on the ground, and on the fire were all manner of vessels and pots and retorts of glass, of porcelain, and of metal. Near by stood a large quadrant, beautifully engraved, a huge celestial globe swung in a frame of polished ebony, a small telescope of brass and wood, and a little desk or table covered with curious objects such as compasses, a large portion of loadstone, several seals, drawings, diagrams, and charts. The other end of the room was occupied by a large and fine clock of very exact workmanship, and two shelves of rare books and manuscripts in Greek, Latin, Hebrew, English, French, German, and High Dutch. Beyond, a door opened into an inner room stored with chemicals, vases, jars, and boxes in considerable confusion. The owner of this apartment was a man in the prime of life, tall and spare, wearing a long, plain, frieze gown and a flat black velvet bonnet, round his neck hung a charm consisting of several Hebrew letters on a fine gold chain; his face was thin, and his expression discontented and weary. Significance of the

Persian Period in royal and biblical history. This book tells the story of four sons of King George V during the period that the monarchy faced the greatest threats to its survival in the modern era – the crisis of the abdication, and the nationwide threat to Britain of the Nazis, inside and out. The threat of world war echoed the war within the royal family. Played out against the cataclysm of the Second World War the princes' actions – for good or ill – became all the more significant and magnified on a world stage. The war served to unleash passions at a time when the very function of royalty as head of the empire was under threat. It served as a crucible that made or destroyed each of the princes. One would die in mysterious circumstances forever mired in conspiracy and scandal; another was destroyed in all but name, a third slipped into comfortable obscurity, and the fourth rose to new heights of achievement redefining the monarchy for the modern age. The catalyst for the story is one dangerous American woman: Wallis Simpson. The consequences of her actions drive one prince to an early grave and the other to become a living wreck of a man nursing long held grievances. Recently discovered letters show that Wallis herself was caught in a trap of her own making: a life entombed in a gilded cage with a man she could not respect and whom she tried to leave. Everything she wished for, she destroyed. Famously she is said to have been sent 17 carnations by the Nazi Joachim von Ribbentrop, representing their 17 sexual trysts. George VI's story is also an allegory for a much wider theme. Starting where the film *The King's Speech* ends, a revealing transformation in his character takes place. As he steps up with some dread to the role of king that his older brother spurns, his horizons are widened and he falls into the sphere of influence of brilliant leaders such as Winston Churchill. As Hitler stole country after country for the Third Reich, George VI rose to the challenge, to find the very best in himself, and was transformed by the effort. By the end he can stand alone at the helm, without the support of those who helped him on his way. Like fables of old, taking on the challenge transforms the quality of the man – but it is also killing him. Widowed Anna Wren is having a wretched day. After an arrogant man on horseback nearly crushes her, she arrives home to learn that she is in dire financial straits. **THERE COMES A TIME IN A LADY'S LIFE** The Earl of Swartingham is in a quandary. Having frightened off two secretaries, Edward de Raaf needs someone who can withstand his bad temper and boorish behavior. **WHEN SHE MUST DO THE UNTHINKABLE . . .** When Anna becomes the earl's secretary, it would seem that both their problems are solved. But when she discovers he plans to visit the most notorious brothel in London, she sees red and decides to assuage her desires . . . **#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD** Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of *Purple Rain* to the psychedelia of “Paisley Park.” But

his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for *Purple Rain*—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world. "Prince was a gift and a genius. He showed us that we have no limits." Alicia Keys "He was the most incredibly talented artist. A man in complete control of his work from writer and musician to producer and director." Kate Bush "The most amazing performer I have ever witnessed." Joni Mitchell "He Changed The World!!" Madonna In a career that spanned five decades, Prince really did change the world. After making some of most inventive albums of the 80s - including 1999, *Purple Rain*, and *Sign "O"* *The Times* - he turned his attention to redefining his role in the music industry, changing his name to an unpronounceable symbol, declaring war on Warner Bros, and leading the internet revolution. When he died, on April 21 2016, the world lost one of the few artists who could truly claim to be called a genius. His legacy lives on, and will remain an inspiration for all time. *Prince: Life & Times* is a large format, lavishly illustrated, authoritative chronicle of his career, covering every album, every movie, and every tour. It includes profiles of key collaborators, assesses his various business dealings, and details his many side-projects - on stage, on record, on screen, and beyond. This updated second edition includes detailed information on Prince's activity from 2008 to 2016. An enchanting, sexy and witty Scottish historical romance from New York Times bestseller Karen Hawkins. Fans of Julia Quinn, Monica McCarty and Julie Garwood will fall under the spell of this glittering romance. Never cross a Scot. Never steal from a warrior prince. And never underestimate the power of passion. Lady Murian MacDonald Muir seeks revenge against the evil earl who murdered her husband and stole his birthright. She and her band of loyal retainers waylay the earl's wealthy guests to gain entry to Rowallen Castle - a master-plan working splendidly until she stops the golden coach of Oxenburg's warrior prince. Gregori Maksim Romanov is in Scotland on a critical diplomatic mission. Held at swordpoint by a 'man' dubbed the Scottish Robin Hood the battle-

savvy prince senses something's amiss. Furious at her escape, he vows to track down the red-haired vixen. But once Max hears Murian's tragic story he resolves to assist her - and a fiery battle blazes. Soon Max must determine where his loyalties lie: to his royal duties, or the spirited woman who has stolen his heart. Don't miss the first Princes of Oxenburgh book, *The Prince Who Loved Me*, and look out for *The Princess Wore Plaid*, a charming novella. Catch Karen's *Duchess Diaries* series for more dazzling historical romance to sweep you away.
