Deported to Death Nov 12 2021 What happens to migrants after they are deported from the United States and dropped off at the Mexican border, often hundreds if not thousands of miles from their hometowns? In this eye-opening work, Jeremy Slack foregrounds the voices and experiences of Mexican deportees, who frequently become targets of extreme forms of violence, including migrant massacres, upon their return to Mexico. Navigating the complex world of the border, Slack investigates how the high-profile drug war has led to more than two hundred thousand deaths in Mexico, and how many deportees, stranded and vulnerable in unfamiliar cities, have become fodder for drug cartel struggles. Like no other book before it, Deported to Death reshapes debates on the long-term impact of border enforcement and illustrates the complex decisions migrants must make about whether to attempt the return to an often dangerous life in Mexico or face increasingly harsh punishment in the United States.

**Advanced Accounting** Nov 24 2022 Help today's advanced accounting learners master the theory and practice they need for professional success with Fischer/Taylor/Cheng's **ADVANCED ACCOUNTING, 12E**. This leading text offers readers the most authoritative, comprehensive coverage of advanced accounting topics available. This edition explores the latest FASB statements and their impact on consolidations. The authors combine sound theoretical foundations with a hands-on approach using numerous actual examples common in today's accounting. The text's proven focus on conceptual understanding and clear presentation

style make even the most complex topics approachable. New and revised end-of-chapter questions reinforce major concepts from each chapter and challenge students to expand their critical thinking and reasoning skills. Only ADVANCED ACCOUNTING, 12E uses a horizontal approach to consolidations, the format most commonly used in today's business world. A trusted preparation resource for the CPA exam, ADVANCED ACCOUNTING, 12E provides the knowledge today's learners need for ongoing accounting success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Take Control of PDFpen, 3rd Edition Mar 28 2023* Edit and enhance your PDFs easily with PDFpen 13! Version 3.0, updated May 3, 2021 This book tells you how create, edit, and enhance PDF documents on your Mac with PDFpen 13 and PDFpenPro 13, and on the go with PDFpen for iPad & iPhone.n These days, an ever-increasing amount of “paper”—contracts, tax forms, bills, reports, and more—comes into our lives as PDF files. We generate this virtual paper too, since it’s so much easier to save a document as a PDF and send it to a colleague via email than it is to print and send via fax or email. To read, edit, and manipulate all these PDFs, you need the appropriate tools and skills. Given the high price of Adobe Acrobat DC Pro, many Mac users have turned to Smile’s affordable PDFpen apps to help them sign PDF forms, handle scanned documents, make changes in existing PDFs, create new PDFs from a variety of sources, and to export PDFs to other file formats (including Word and Excel). With Take Control of PDFpen, you’ll learn how to do

all these tasks and more on your Mac with PDFpen or PDFpenPro or on the go with PDFpen for iPad & iPhone. If you haven't used PDFpen before, this free book is an excellent way to find out what it has to offer. TidBITS members can save 20% on all Smile products purchased through the Smile cart, including PDFpen 13 and PDFpenPro 13. To learn more, visit the Membership Benefits page. To access the coupon code, make sure you've logged in and click through from the Your Member Benefits page. Take Control of PDFpen begins with a guide to purchasing options: PDFpen versus PDFpenPro, from Smile versus the Mac App Store, and the advantages of the iOS/iPadOS version. Next, you'll meet PDFpen with an overview of the PDF format and a tour of the interface. With the basics out of the way, highlights of what you'll learn to do include:

- Add and remove pages, and combine pages from multiple files into one PDF.
- Mark up a PDF with highlights, comments, editing marks, and more.
- Compare two different parts of a PDF with the Split View.
- Edit a PDF by fixing typos, adding text, formatting text, and redacting confidential text.
- Scan a document into a PDF, and make the text editable with OCR—with single or multiple documents.
- Add photos or scans to a PDF quickly with Continuity Camera and an iOS/iPadOS device.
- View and work with OCR'd text in the OCR layer (PDFpenPro only)
- Add clickable links, headers, footers, page numbers, and images.
- Annotate a document with lines, shapes, text, and callouts.
- Make a clickable table of contents (PDFpenPro only).
- Add a watermark to each page of a PDF.
- Password-protect a PDF. And (PDFpenPro only), prevent others from printing or editing a PDF.
- Turn a PDF into a formatted Microsoft Word document, or (PDFpenPro only) export it in Excel or PowerPoint format.
- Reduce the size of your PDFs.
- Create blank PDFs with stationery.
- Add a digital signature with DocuSign (PDFpenPro only). And, you'll find directions for working with PDF forms:
- Fill out forms with ease.
- Add a handwritten signature.
- Apply a digital signing certificate.
- Print just form entries on a pre-printed form.
- Create an interactive PDF form (PDFpenPro only) that can collect

data and send it to you via email or the web. You can add an interactive signature field, which makes it easy for the form to be signed online. An appendix describes the useful AppleScripts that ship with PDFpen. This ebook was created in collaboration with Smile, with PDFpen's developers tech editing the book.

Advanced Accountancy Volume-II, 11th Edition Sep 29 2020 Over the years Advanced Accountancy has emerged as the definitive and comprehensive textbook on accountancy as it completely meets the requirements of students preparing for BCom, MCom, MBA, BBA and professional examinations conducted by different institutions, such as the Institute of Chartered Accountants of India, the Indian Institute of Bankers, the Institute of Company Secretaries of India, and the Institute of Cost Accountants of India.

The CIO's Guide to Information Security Incident Management Dec 25

2022 This book will help IT and business operations managers who have been tasked with addressing security issues. It provides a solid understanding of security incident response and detailed guidance in the setting up and running of specialist incident management teams. Having an incident response plan is required for compliance with government regulations, industry standards such as PCI DSS, and certifications such as ISO 27001. This book will help organizations meet those compliance requirements.

*The Scandalous Presidency of Barack Obama* Sep 10 2021 "I'm proud of the fact that [...] we're probably the first administration in modern history that hasn't had a major scandal in the White House." So President Barack Obama boldly declared before leaving office, and numerous times since. But is it true? Not according to Matt Margolis, bestselling co-author of *The Worst President in History: The Legacy of Barack Obama*. Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored, downplayed, or covered-up by the mainstream media. From "Fast and Furious," to the illegal IRS targeting of conservative groups, to the recent NSA spying outrage, Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance. While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics, it's critically important that Americans understand the

truth—Barack Obama brought to Washington corrupt Chicago-machine politics of cronyism and corporate payoffs, combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents. Obama's legacy will be discussed and debated for decades. But in the early months after he left office, more scandals have been uncovered—most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian-backed terrorists. Far from being a virtuous New Camelot, the Obama administration abused its power like few others.

**ICT Systems Security and Privacy Protection** Apr 29 2023 This book constitutes the refereed proceedings of the 37th IFIP TC 11 International Conference on Information Security and Privacy Protection, SEC 2022, held in Copenhagen, Denmark, in June 2022. The 29 full papers presented were carefully reviewed and selected from 127 submissions. The papers present novel research on theoretical and practical aspects of security and privacy protection in information processing systems. They are organized in topical sections on privacy models and preferences; network security and IDS; network security and privacy; forensics; trust and PETs; crypto-based solutions; usable security; blockchain; mobile security and privacy; PETs and crypto; and vulnerabilities.

Dying for an iPhone Dec 01 2020 Suicides, excessive overtime, and hostility and violence on the factory floor in China. Drawing on vivid testimonies from rural migrant workers, student interns, managers and trade union staff, *Dying for an iPhone* is a devastating expose of two of the world's most powerful companies: Foxconn and Apple. As the leading manufacturer of iPhones, iPads, and Kindles, and employing one million workers in China alone, Taiwanese-invested Foxconn's drive to dominate global electronics manufacturing has aligned perfectly with China's goal of becoming the world leader in technology. This book reveals the human cost of that ambition and what our demands for the newest and best technology means for workers. Foxconn workers have repeatedly demonstrated their power to strike at key nodes of

transnational production, challenge management and the Chinese state, and confront global tech behemoths. Dying for an iPhone allows us to assess the impact of global capitalism's deepening crisis on workers.'
