Get Out of Your Head Bible Study Leader's Guide Feb 28 2020 Sometimes we are content being good, and yet our insides are in complete disarray--but because no one knows it, we assume we are okay. This work we are going to do through our study of the book of Philippians might be the most important thing we've ever done. But we don't do it merely as another self-improvement project. The Bible knows nothing of a connected regenerate person, filled with the Spirit, whose goal is to just survive. Our faith journey here on Earth is not meant to be summed up to a behavior modification. Our journey should be a radical departure from the world and how it thinks. Our journey should represent a supernatural intervention remaking us into whom God built us to be. We want to be women who set our minds on Christ, better yet realizing we have already been given the mind of Christ and therefore, we are deeply and intrinsically motivated and moved by an entirely different source. Not only do we make Jesus happy, but we find our complete happiness in Him. These are truths that if we could only believe, would change everything. It is possible to waste our lives because we never learn to take our thoughts captive. This six-session Bible study (study guide sold separately) dives head first into Paul's letter to the Philippians, imploring and encouraging them to become entirely new kinds of humans whose minds are set solely on Christ. Bestselling author and Bible teacher, Jennie Allen steps through the book of Philippians with purpose and intention, unpacking the simple, but difficult truth of allowing ourselves and our minds to be transformed in the name of Christ. Jennie confronts our current cultural struggles while relating valid and trusted answers in Scripture that inspire real change from the inside out. Each session will include video teaching, group discussion, and personal study time of digging deeper, reflection, consideration, response, imagination, and Scripture memory. Designed for use with the Get Out of Your Head (sold separately, 9780310116370).

This complete Bible study experience is perfect for book clubs, church groups, and independent study. Detailed character sketches and an easy-to-read book summary provide deep insights into each character and letter of the book. To help with those more difficult discussion questions, a complete Answer Guide and Scripture Reference Guide is available for free online. There's no better tool for making that happen than with The Screwtape Letters Study Guide! Endorsement Vermilye walks the reader through each Screwtape letter and wisely asks questions to bring out turns and twists in the thoughts and emotions that we each experience and that Lewis wanted us to recognize.
