**Prison Journey** Dec 12 2021  
FB Ali was a rising star in the Pakistan Army when, in 1969, Gen Yahya Khan, the army chief, declared martial law and took over the country. Disheartened at the direction in which Pakistan was heading, and his inability to do anything

about it, he contemplated resigning, but the 1971 war with India intervened. Given an important combat command shortly before it began he witnessed firsthand how badly this disastrous war was mismanaged by the military regime and the incompetent generals it had appointed. The resulting debacle drove him to initiate and lead the army action that forced Gen Yahya Khan to hand over power to Zulfikar Ali Bhutto, who had won the 1970 election. The usual fate of kingmakers befell him: in 1972 he was retired from the army and a few months later arrested and tried on charges of trying to overthrow the government.

Narrowly escaping a death sentence, he ended up with life imprisonment, spending over 5 years in prison before he was released following Bhutto's ouster in another military coup. Though offered a significant role in the new setup he decided to move to Canada with his family. This memoir contains an insider account of many important events of that decade, including the 1971 India-Pakistan war and the troubles in East Pakistan that led to the creation of Bangladesh. It is also a poignant tale of courage and endurance in the face of adversity.

**I Am Nujood, Age 10 and Divorced** Jul 07 2021 "I'm a

simple village girl who has always obeyed the orders of my father and brothers. Since forever, I have learned to say yes to everything. Today I have decided to say no." Nujood Ali's childhood came to an abrupt end in 2008 when her father arranged for her to be married to a man three times her age. With harrowing directness, Nujood tells of abuse at her husband's hands and of her daring escape. With the help of local advocates and the press, Nujood obtained her freedom—an extraordinary achievement in Yemen, where almost half of all girls are married under the legal age. Nujood's courageous defiance of both Yemeni customs and

her own family has inspired other young girls in the Middle East to challenge their marriages. Hers is an unforgettable story of tragedy, triumph, and courage.

**Ali on Ali** Jan 13 2022

Muhammad Ali was a champion, a poet, a prophet. Sports Illustrated called him "the greatest athlete of the twentieth century." And yet he was even more than all of that, "a whole greater than the sum of its parts . . . bigger, brighter, more original and influential than just about anyone of his

era" (Barack Obama). He got there with his fists, with his actions, and above all, with his words. Compiled and written by his daughter Hana Ali, with sportswriter Danny Peary, *Ali on Ali* brings together a remarkable mix of Ali's 70 most humorous, poignant, inspirational, political, and philosophical quotes, all with their origins. Here's Ali's enduring boast, "I am the greatest!"—and how it was inspired by professional wrestler Gorgeous George. The story behind one of the most memorably poetic lines of the century—"Float like a butterfly, sting like a bee." The heard-round-the-world defiance of "I ain't got no quarrel with them

Viet Cong," and its moving context. And the stories behind quotes ranging from outrage—"We been in jail for 400 years," to inspiration—"I hated every minute of training, but I said 'Don't quit. Suffer now and live the rest of your life as a champion,'" to that infectious combination of humor and bravado—"If you even dream of beating me you better wake up and apologize." Included are powerful photographs throughout, from iconic fight scenes to never-before-seen Ali family snapshots; quotes about Ali, from Martin Luther King Jr. to Billy Crystal; a career timeline; and a personal introduction by Hana Ali.

**Positive** Apr 04 2021 An astonishing memoir for the untold number of children whose lives have been touched by bullying. Positive is a must-read for teens, their parents, educators, and administrators—a brave, visceral work that will save lives and resonate deeply. Paige Rawl has been HIV positive since birth, but growing up, she never felt like her illness defined her. On an unremarkable day in middle school, she disclosed to a friend her HIV-positive status—and within hours the bullying began. From that moment forward, every day was like walking through a minefield. Paige was never sure

when or from where the next text, taunt, or hateful message would come. Then one night, desperate for escape, fifteen-year-old Paige found herself in her bathroom staring at a bottle of sleeping pills. That could have been the end of her story. Instead, it was only the beginning. Paige's memoir, co-written with bestselling author Ali Benjamin (*The Truth About Jellyfish*), calls for readers to choose action over complacency, compassion over cruelty—and above all, to be Positive. Includes twenty-five photos from Paige's personal collection throughout. Paige continues to speak publicly about HIV and bullying, participate in conferences, and

contribute to advocacy projects in and beyond her home state of Indiana. Paige has served as an ambassador for the Elizabeth Glaser Pediatric AIDS Foundation. She hopes that her continued work in this field can help change the way her generation thinks and talks about HIV/AIDS and bullying. To all HIV-positive youth, Paige consistently affirms, “You are living with HIV, but HIV is not who you are.” Infidel Jul 27 2020 The author of *The Caged Virgin* recounts the story of her life, from her traditional Muslim childhood in Somalia and escape from a forced marriage to her efforts to promote women's rights while surviving numerous

A gripping memoir evocative of *Persepolis*, *Reading Lolita in Tehran*, and the novel *The Kite Runner*, Eteraz’s narrative is also a cathartic chronicle of spiritual awakening. Yael Goldstein Love, author of *Overture*, calls *Children of Dust* “a gift and a necessity [that] should be read by believers and nonbelievers alike.”

**Home Baked** Jan 21 2020 A blazingly funny, heartfelt memoir from the daughter of the larger-than-life woman who ran Sticky Fingers Brownies, an underground bakery that distributed thousands of marijuana brownies per month and helped provide medical marijuana to AIDS patients in

San Francisco--for fans of Armistead Maupin and Patricia Lockwood During the '70s in San Francisco, Alia's mother ran the underground Sticky Fingers Brownies, delivering upwards of 10,000 illegal marijuana edibles per month throughout the circus-like atmosphere of a city in the throes of major change. She exchanged psychic readings with Alia's future father, and thereafter had a partner in business and life. Decades before cannabusiness went mainstream, when marijuana was as illicit as heroin, they ingeniously hid themselves in plain sight, parading through town--and through the scenes and upheavals of the day, from

Gay Liberation to the tragedy of the Peoples Temple--in bright and elaborate outfits, the goods wrapped in hand-designed packaging and tucked into Alia's stroller. But the stars were not aligned forever and, after leaving the city and a shoulda-seen-it-coming divorce, Alia and her mom returned to San Francisco in the mid-80s, this time using Sticky Fingers' distribution channels to provide medical marijuana to friends and former customers now suffering the depredations of AIDS. Exhilarating, laugh-out-loud funny, and heartbreaking, Home Baked celebrates an eccentric and remarkable extended family, taking us through love,

loss, and finding home.

*Become American* Nov 23 2022

“Go back to where you came from, you terrorist!” This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where, exactly? Fremont, California, where he grew up, but is now an unaffordable place to live? Or Pakistan, the country his parents left behind a half-century ago? Growing up living the suburban American dream, young Wajahat devoured comic books (devoid of brown superheroes) and fielded well-

intentioned advice from uncles and aunties. (“Become a doctor!”) He had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore Husky pants, but he was as American as his neighbors, with roots all over the world. Then, while Ali was studying at University of California, Berkeley, 9/11 happened. Muslims replaced communists as America’s enemy #1, and he became an accidental spokesman and ambassador of all ordinary, unthreatening things Muslim-y. Now a middle-aged dad, Ali has become one of the foremost and funniest public intellectuals in America. In *Go Back to Where You Came*

From, he tackles the dangers of Islamophobia, white supremacy, and chocolate hummus, peppering personal stories with astute insights into national security, immigration, and pop culture. In this refreshingly bold, hopeful, and uproarious memoir, Ali offers indispensable lessons for cultivating a more compassionate, inclusive, and delicious America.

*A Good Country* Mar 23 2020 A leading advocate for social justice excavates the history of forced migration in the twelve American towns she’s called home, revealing how White supremacy has fundamentally shaped the nation. Sofia Ali-Khan’s parents emigrated from

Pakistan to America, believing it would be a good country. With a nerdy interest in American folk history and a devotion to the rule of law, Ali-Khan would pursue a career in social justice, serving some of America's most vulnerable communities. By the time she had children of her own—having lived, worked, and worshipped in twelve different towns across the nation—Ali-Khan felt deeply American, maybe even a little extra American for having seen so much of the country. But in the wake of 9/11, and on the cusp of the 2016 election, Ali-Khan's dream of a good life felt under constant threat. As the vitriolic attacks on Islam and Muslims

intensified, she wondered if the American dream had ever applied to families like her own, and if she had gravely misunderstood her home. In *A Good Country*, Ali-Khan revisits the color lines in each of her twelve towns, unearthing the half-buried histories of forced migration that still shape every state, town, and reservation in America today. From the surprising origins of America's Chinatowns, the expulsion of Maroon and Seminole people during the conquest of Florida, to Virginia's stake in breeding humans for sale, Ali-Khan reveals how America's settler colonial origins have defined the law and landscape to maintain a White America. She

braids this historical exploration with her own story, providing an intimate perspective on the modern racialization of American Muslims and why she chose to leave the United States. Equal parts memoir, history, and current events, *A Good Country* presents a vital portrait of our nation, its people, and the pathway to a better future. [The Tao of Muhammad Ali](#) Aug 20 2022 Muhammad Ali is the greatest boxer the world has ever known and the most charismatic athlete of all time. Adored by millions, Ali is a role model and symbol of courage to us all. Davis Miller was a small, sickly child mourning the loss of his mother when he first

encountered Ali. From this meeting, there developed a strong personal relationship that has lasted more than thirty years. Brilliantly weaving Ali's story with his own coming-of-age memoir, Miller captures the true meaning of hero worship, fathers and sons, and strength through wisdom.

Ali Al-Baluchi's memoir offers a rare Saudi insight into the development of his home community as it paralleled the growth of the world's largest energy company, and the forging of an international community of Aramcons. Born in the Eastern Province of Saudi Arabia in its early days of nationhood and just prior to the

Kingdom's first oil concession, Ali Mohammed Al-Baluchi started work as an office boy for Aramco in 1949. Along the way, against a backdrop of decades of seismic changes propelled by oil revenues, he earned two college degrees retiring as a general manager in 1990. In his own words and through testimonials from friends and colleagues, Al-Baluchi offers unique personal insights, from the challenges of navigating a foreign work culture to nurturing lifelong global friendships. Since retirement the ever-restless Al-Baluchi has continued as a force for change in local business, community and sporting arenas and, most

notably, continues to foster and drive the community of Saudi and expatriate Aramcon retirees. This is a personal story that, along with its fascinating collection of photographs, will appeal to those interested in everyday life in a global corporation set at the heart of the modern Kingdom of Saudi Arabia and told by a true Saudi Aramcon.

**Love Is an Ex-Country** Nov 11 2021 Queer. Muslim. Arab American. A proudly Fat femme. Randa Jarrar is all of these things. In this "exuberant, defiant and introspective" memoir of a cross-country road trip, she explores how to claim joy in an unraveling and hostile America (The New York Times Book Review). Randa Jarrar is a fearless voice of dissent who has been called "politically incorrect" (Michelle Goldberg, The New York Times). As an

American raised for a time in Egypt, and finding herself captivated by the story of a celebrated Egyptian belly dancer's journey across the United States in the 1940s, she sets off from her home in California to her parents' in Connecticut. Coloring this road trip are journeys abroad and recollections of a life lived with daring. Reclaiming her autonomy after a life of survival--domestic assault as a child, and later, as a wife; threats and doxxing after her viral tweet about Barbara Bush--Jarrar offers a bold look at domestic violence, single motherhood, and sexuality through the lens of the punished-yet-triumphant body.

On the way, she schools a rest-stop racist, destroys Confederate flags in the desert, and visits the Chicago neighborhood where her immigrant parents first lived. Hailed as "one of the finest writers of her generation" (Laila Lalami), Jarrar delivers a euphoric and critical, funny and profound memoir that will speak to anyone who has felt erased, asserting: I am here. I am joyful.

*Savor* Apr 16 2022 A young chef whose dreams were cut short savors every last minute as she explores food and adventure, illness and mortality in *Savor*, an "inspiring" (The New York Times Book Review) memoir and family story that

sweeps from Pakistan to Manhattan and beyond. “Ali’s strength and passion for food and her culture shines through. . . . This memoir is a tribute to the extraordinary life and impact she made in twenty-nine years.”—Oprah Daily (20 of the Best Fall Nonfiction Books of 2022) Fatima Ali won the hearts of viewers as the Fan Favorite of Bravo’s Top Chef in season fifteen. Twenty-nine years old, she was a dynamic, boundary-breaking chef and a bright new voice for change in the food world. After the taping wrapped and before the show aired, Fati was diagnosed with a rare form of bone cancer. Not one to ever slow down or admit defeat, the star chef vowed to

spend her final year traveling the world, eating delicious food, and making memories with her loved ones. But when her condition abruptly worsened, her plans were sidelined. She pivoted, determined to make her final days count as she worked to tell the story of a brown girl chef who set out to make a name for herself, her food, and her culture. Including writing from Fatima during her last months and contributions by her mother, Farezeh, and her collaborator, Tarajia Morrell, Savor is a deftly woven account and an inspiring ode to the food, family, and countries Fatima loved so much. Alternating between past and

present, readers are transported back to Pakistan and the childhoods of both Fatima and Farezeh, each deeply affected by cultural barriers that shaped the course of their lives. From the rustic stalls of the outdoor markets of Karachi to the kitchen and dining room of Meadowood, the acclaimed three-star Michelin restaurant where she apprenticed, Fati reflects on her life and her identity as a chef, a daughter, and a queer woman butting up against traditional views. Savor is a triumphant memoir, at once an exploration of the sense of wonder that made Fatima so special and a shining testament to the resilience of the human

spirit. At its core, it is a story about what it means to truly live, a profound and exquisite portrait of savoring every moment.

*Muhammad Ali: A Tribute to the Greatest* Mar 03 2021

Stripping away the revisionism to reveal the true nature of the man himself, this new book recounts the life journey of a fighter universally recognized as a unique and treasured world icon. Few global personalities have commanded an all-encompassing sporting and cultural audience like Muhammad Ali. Many have tried to interpret his impact and legacy into words. Now, *Muhammad Ali: A Tribute to the Greatest* allows us to more

fully appreciate the truth—and understand both the man and the ways in which he helped recalibrate how the world perceives its transcendent figures. In this celebratory volume, New York Times bestselling author Thomas Hauser provides a compelling retrospective of Ali’s life, relying on personal insights, interviews with close associates and other contemporaries, and memories gathered over the course of decades on the cutting edge of boxing journalism, Hauser explores Ali in colorful detail inside and outside the ring. Muhammad Ali has attained mythical status. But in recent years, he has been subjected to

an image makeover by corporate America as it seeks to homogenize the electrifying nature of his persona. Hauser argues that there has been a deliberate distortion of what Ali believed, said, and stood for, and that making Ali more presentable for advertising purposes by sanitizing his legacy is a disservice to history as well as to Ali himself.

*Northern Light* Jan 01 2021 An Outside Magazine Favorite Book of 2021 A Book Riot Best Book of 2021 A Shelf Awareness Best Book of 2021 “Places do not belong to us. We belong to them.” The child of South Asian migrants, Kazim Ali was born in London, lived as a child in the cities and small

towns of Manitoba, and made a life in the United States. As a man passing through disparate homes, he has never felt he belonged to a place. And yet, one day, the celebrated poet and essayist finds himself thinking of the boreal forests and lush waterways of Jenpeg, a community thrown up around the building of a hydroelectric dam on the Nelson River, where he once lived for several years as a child. Does the town still exist, he wonders? Is the dam still operational? When Ali goes searching, however, he finds not news of Jenpeg, but of the local Pimicikamak community. Facing environmental destruction and broken promises from the

Canadian government, they have evicted Manitoba's electric utility from the dam on Cross Lake. In a place where water is an integral part of social and cultural life, the community demands accountability for the harm that the utility has caused. Troubled, Ali returns north, looking to understand his place in this story and eager to listen. Over the course of a week, he participates in community life, speaks with Elders and community members, and learns about the politics of the dam from Chief Cathy Merrick. He drinks tea with activists, eats corned beef hash with the Chief, and learns about the history of the dam, built on

land that was never ceded, and Jenpeg, a town that now exists mostly in his memory. In building relationships with his former neighbors, Ali explores questions of land and power—and in remembering a lost connection to this place, finally finds a home he might belong to.

*Dear Girls* Jun 18 2022 NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad.

“Knife-sharp . . . a genuine pleasure.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York

In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares

the wisdom she’s learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong’s letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* “Fierce, feminist, and packed with funny anecdotes.”—Entertainment Weekly “[Wong] spins a volume whose pages simultaneously

shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto.”—Vogue “[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong’s daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at.”—Bustle

**The Greatest** Jul 19 2022  
Everybody knows the record the stuff of almanacs, trade magazines and clipping services. A handful know the man. But only Muhammad Ali

knows his life as he lived it. The Greatest is Ali's own story. For six years he worked, traveled and talked with Richard Durham, a writer with a stunning talent, and the result is mesmerizing in its brilliance, drama, humanity and sheer entertainment. This is no documented scrapbook of wins and losses strung together with anecdotes; nor is it a thin potpourri of locker room gags. This book, like Ali who has incited every reaction except indifference goes straight to the place where responses to him have always been the gut. When the history of the twentieth century is finally recorded, it must include Muhammad Ali. He is "The

Greatest."  
The Greatest: My Own Story  
Oct 22 2022 In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and

inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

My Brother, Muhammad Ali  
Dec 24 2022 "Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story." —Mike Tyson More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world's most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best—his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than

Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A near-constant fixture in his sibling's company, Rahaman saw Ali at both his best and his worst: the relentless prankster and the jealous older brother, the outspoken advocate, the husband and father. In My Brother, Muhammad Ali, Rahaman offers an insider's perspective on the well-known stories as well as never-before-told tales, painting a rich and intimate portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this

extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on Muhammad Ali—that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on an iconic figure. *At Home with Muhammed Ali* Jan 25 2023 From the daughter of Muhammad Ali comes an intimate portrait of the heavyweight boxing champion and a final love letter from a daughter to her father. Through audio journals, love letters and cherished memories, Ali's daughter Hana tells the story of a very typical and yet fully-unique family, the rise and fall of her parent's

marriage and the struggles they faced as a family surrounding Ali's loss to Larry Holmes in 1981. With the decline of Ali's voice, his recordings are important to history as they are to his personal legacy. *At Home with Muhammad Ali* offers a candid look at a man who was trying to find his purpose in the world as he realized he was coming to the end of his lucrative sporting career, all the while trying to balance fatherhood and his worldly and political obligations. Additionally, Hana tells of the everyday adventures that the family experienced around the house—with visitors like Michael Jackson and Clint Eastwood

dropping by. And for the first time, Hana's mother Veronica will share her memories of the 12-year relationship with Muhammad. *At Home with Muhammad Ali* is a candid and revealing portrait of a legend, a man admired and respected as the greatest sporting icon of our age.

**The Soul of a Butterfly** May 17 2022 Former boxing legend Muhammad Ali, one of the best-known and best-loved celebrities and an international good-will ambassador, offers inspiration and hope as he describes the spiritual philosophy that sustains him. "During my boxing career, you did not see the real Muhammad Ali. You just saw a little boxing.

You saw only a part of me. After I retired from boxing my true work began. I have embarked on a journey of love." So Muhammad Ali begins this spiritual memoir, his description of the values that have shaped and sustained him and that continue to guide his life. In *The Soul of a Butterfly* the great champion takes readers on a spiritual journey through the seasons of life, from childhood to the present, and shares the beliefs that have served him well. After fighting some of the fiercest bouts in boxing history against Joe Frazier and George Foreman, today Muhammad Ali faces his most powerful foe—outside the boxing ring. Like many people,

he battles an illness that limits his physical abilities, but as he says, "I have gained more than I have lost....I have never had a more powerful voice than I have now." Ali reflects on his faith in God and the strength it gave him during his greatest challenge, when he lost the prime years of his boxing career because he would not compromise his beliefs. He describes how his study of true Islam has helped him accept the changes in his life and has brought him to a greater awareness of life's true purpose. As a United Nations "Messenger of Peace," he has traveled widely, and he describes his 2002 mission to Afghanistan to heighten public

awareness of that country's desperate situation, as well as his more recent meeting with the Dalai Lama. Ali's reflections on topics ranging from moral courage to belief in God to respect for those who differ from us will inspire and enlighten all who read them. Written with the assistance of his daughter Hana, *The Soul of a Butterfly* is a compassionate and heartfelt book that will provide comfort for our troubled times.

**King of the World** Feb 02 2021 The bestselling biography of Muhammad Ali--with an Introduction by Salman Rushdie On the night in 1964 that Muhammad Ali (then known as Cassius Clay)

stepped into the ring with Sonny Liston, he was widely regarded as an irritating freak who danced and talked way too much. Six rounds later Ali was not only the new world heavyweight boxing champion: He was "a new kind of black man" who would shortly transform America's racial politics, its popular culture, and its notions of heroism. No one has captured Ali--and the era that he exhilarated and sometimes infuriated--with greater vibrancy, drama, and astuteness than David Remnick, the Pulitzer Prize-winning author of *Lenin's Tomb* (and editor of *The New Yorker*). In charting Ali's rise from the gyms of Louisville, Kentucky, to

his epochal fights against Liston and Floyd Patterson, Remnick creates a canvas of unparalleled richness. He gives us empathetic portraits of wisecracking sportswriters and bone-breaking mobsters; of the baleful Liston and the haunted Patterson; of an audacious Norman Mailer and an enigmatic Malcolm X. Most of all, *King of the World* does justice to the speed, grace, courage, humor, and ebullience of one of the greatest athletes and irresistibly dynamic personalities of our time. [Ali's Well That Ends Well](#) Sep 28 2020 NEW YORK TIMES BESTSELLER Bestselling author Ali Wentworth offers a comedic look at family,

friendship, and lessons learned during the Covid-19 pandemic in her new collection of laugh-out-loud comic vignettes. Like many, Ali Wentworth spent the pandemic seesawing between highs, lows, and baking an unnecessary amount of chocolate cake. Between binging every tv show in existence to conquering TikTok to becoming a (semi) empty-nester, Ali experienced her share of turmoil (including an early case of Covid), but she also grew a little, learned a lot, and found comfort in some unexpected people and places. In *Ali's Well That Ends Well*, Wentworth turns her gimlet eye to the year no one saw coming. With her signature

irreverent style, she shares the most hysterical, absurd, and sometimes trying episodes that her family endured during the terrible global pandemic.

Thoroughly relatable, absolutely charming, and filled with moments both hilarious and poignant, this terrific collection once again showcases the comedic genius of a beloved star who is "the girlfriend you want to have a glass of wine with, the one who makes you laugh because she sees the funny and the absurd in everything" (Huffington Post).

**In the House of Muhammad Ali** Sep 21 2022 This remarkable memoir of a junior member of the former royal

family constitutes a unique chronicle of life before 1952 among the members of Egypt's ruling class. It provides fascinating insights into the lives not only of the rulers themselves, from Muhammad Ali to King Fuad and King Farouk, but also of royal wives, cousins, aunts, uncles, and associated personalities. In the House of Muhammad Ali is a personal memoir from the inside; it is thus an important document for future scholars. But the book will delight the general reader every bit as much as the historian. It is a charming and evocative account of a time and a social class that no longer exist, written in the author's

inimitable style a style that reads almost like a conversation: "She emanated a gentle quietude which was like a screen between one and the exterior world. A dim sort of luminosity seemed to surround her, as if she lived in a gray, limbo world of her own also conveyed perhaps by the fact that she had very poor and limited eyesight." Prince Hassan's gift for characterization is matched by an extraordinary eye for detail. His descriptions of houses, palaces, and gardens many of them no longer in existence are at the same time precise and evocative. The book thus also makes an important contribution to the history of

Cairene urban geography. But most valuable of all, perhaps, are the illustrations. Some seventy-five photographs, most of them never published before, have a poignancy that readily leads the viewer into the world they depict. The people in them are clearly defined, richly varied, and above all interesting. At least of equal value are the pictures of palaces, gardens, and riverfront that document aspects of Cairo that vanished long ago. The experience of reading this memoir is akin to discovering a lost generation.

**At Home with Muhammad Ali** Feb 26 2023 Muhammad

Ali's daughter captures the legendary heavyweight boxing champion, Olympic Gold medalist, activist, and philanthropist as never before in this candid and intimate family memoir, based on personal recordings he kept throughout his adult life. Athlete. Activist. Champion. Ambassador. Icon. Father. The greatest, Muhammad Ali, is all of these things. In this candid family memoir, Hana Ali illuminates this momentous figure as only a daughter can. As Ali approached the end of his astonishing boxing career, he embraced a new purpose and role, turning his focus to his family and friends. In that role, he took center stage as an

ambassador for peace and friendship. Dedicated to preserving his family's unique history, Ali began recording a series of audio diaries in the 1970s, which his daughter later inherited. Through these private tapes, as well as personal journals, love letters, cherished memories, and many never-before-seen photographs, she reveals a complex man devoted to keeping all nine of his children united, and to helping others. Hana gives us a privileged glimpse inside the Ali home, sharing the everyday adventures her family experienced—all so “normal,” with visitors such as Clint Eastwood and John Travolta dropping by. She shares the joy

and laughter, the hardship and pain, and, most importantly, the dedication and love that has bonded them. “It’s been said that my father is one of the most written-about people in

the world,” Hana writes. “As the chronicles continue to grow, the deepest and most essential essence of his spirit is still largely unknown.” A

moving and poignant love letter from a daughter to a father, *At Home with Muhammad Ali* is the untold story of Ali’s family legacy—a gift both eternal and priceless.
