In addition to citing case law, Judges have traditionally used recognized legal maxims or treatise citations to support their rulings. But today's judiciary is becoming more apt to use pop culture, modern music, as well as humor in their decisions. This book gives examples of how songs and their lyrics have influenced judges, provided themes for their decisions, and helped make existing law more accessible to lay persons. Mark W. Klingensmith examines the clever ways judges have used them to enhance their judicial writings and how modern day musical lyrics that have effectively become recognized legal maxims by the courts. judicial writings. This is a real achievement, and a must-have for anyone who loves words and songs."--Stephen Rodgers, University of Oregon Bruce Springsteen, Benjamin Britten, Kendrick Lamar, Sylvia Plath, Outkast, and Anne Sexton collide in this inventive study of poetry and song. Drawing on literary poetry, rock, rap, musical theater, and art songs from the Elizabethan period to the present, Matt BaileyShea reveals how every issue in poetry has an important corresponding status in song, but one that is always transformed. Beginning with a discussion of*

essential features such as diction, meter, and rhyme, the book progresses into the realms of lineation, syntax, form, and address, and culminates in an analysis of two complete songs. Throughout, BaileyShea places classical composers and poets in conversations with contemporary songwriters and musicians (T. S. Eliot and Johnny Cash, Aaron Copland and Pink Floyd) so that readers can make close connections across time, genres, and fields, but also recognize inherent differences. To aid the reader, the author has created a Spotify playlist of all the music discussed in this book and provides time cues throughout, enabling readers to listen to the music as they read. Mick Jagger, lead singer of the Rolling Stones, once famously said that he'd "rather be dead than sing "Satisfaction" when (he's) forty-five." However, Jagger will turn sixty-nine years old this year, the same year the Rolling Stones are celebrating their fiftieth anniversary as "the greatest rock and roll band in the world." Perhaps in spite of himself, Jagger is still performing...and yes, still singing "(I Can't Get No) Satisfaction." The Rolling Stones, originally composed of members Mick Jagger, Keith Richards, Brian Jones, Charlie Watts, Bill Wyman and Ian Stewart (Stu) were formed in Great Britain in 1962 by members Jagger, Richards, and Jones. The Rolling Stones were influenced, as were many other British rock bands, by American music: Blues, jazz, R&B (rhythm and blues), and rock and roll. Aesthetically pitted against The Beatles "boy next door" image, the Stones were marketed as "the bad boys" of rock. As the anonymous and origin-less saying goes, "The Stones want to spend the night together while the Beatles just want to hold your hand." Encouraged and cultivated by their flamboyant band manager, Andrew Loog Oldham, the Rolling Stones' bad boy image became a defining characteristic of the band. In fact, one press campaign in particular led to the writing of a famous headline: "Would you let your daughter go with a Rolling Stone?" Hailed as the most popular Industrial band of all time, Nine Inch Nails is a rather odd group, as it has only one true member: Trent Reznor. Though supported in concert by a band consisting of regular backup musicians, NIN is Reznor's brainchild, his baby, his masterpiece. It was this, along with its style, that made the band truly unique. Along with bands such as Ministry, they defined both a genre and a musical generation. Back in the 90s, when other industrial bands were focused on making postmodern-esque electronic noise, Reznor moved to the beat of his own drum, writing melodic and lyrical songs which, while they skirted the edge of pop music, could still be considered to very much keep with the 'industrial' genre. Indeed, one could argue that Reznor was one of the largest influences on the evolution of the Industrial genre during this period. Songs are presented alphabetically, and the book also includes an artist index, a songwriter index, and an index listing songs from musicals, movies and television. Alan Jay Lerner wrote the lyrics for some of the most beloved musicals in Broadway and Hollywood history. Most notably, with composer Frederick Loewe he created enduring hits such as My Fair Lady, Gigi, Camelot, and Brigadoon. In The Complete Lyrics of Alan Jay Lerner, editors and annotators Dominic McHugh and Amy Asch bring all of Lerner's lyrics together for the first time, including numerous draft or alternate versions and songs cut from the shows. Compiled from dozens of archival collections, this invaluable resource and authoritative reference includes both Lerner's classic works and numerous discoveries, including his unproduced MGM movie Huckleberry Finn, selections from his college musicals, and lyrics from three different versions of Paint Your Wagon. This collection also includes extensive material from Lerner's two most ambitious musicals: Love Life, to music by Kurt Weill, and 1600 Pennsylvania Avenue, which Lerner wrote with Leonard Bernstein.*

ABOUT THE BOOK Christmas Day, 1946 brought more than the usual celebrations to one household in Pascagoula, Mississippi: little James William Buffett was born. Some thirty years later, J. D. and Mary Loraine's bouncing baby boy would introduce the music-buying public to an entirely new state of mind. Jimmy's unique, lyrical combination of Caribbean rhythms and off-beat American aspirations would capture imaginations all over the world. Following a brief school-days' flirtation with the trombone, Buffett first picked up a guitar in 1966 while attending Pearl River Community College in Poplarville, MS. Following graduation he moved to Nashville, Tennessee in the hope of becoming a Country Music artist. Although he recorded one album, Down to Earth, in 1970, it was an unplanned journey the following year that was to shape his career. EXCERPT FROM THE BOOK This track bemoans the long, cold winters of America's north, and once again encourages the idea that simply hopping on a plane to more

Lately, newspaper mentioned cheap airfare. I've got to fly to Saint Somewhere. I'm close to bodily harm. [Chorus:] Twenty degrees and the hockey games on. Nobody cares; they are way too far gone, Screamin' "Boat drinks," somethin' To keep them all warm. This morning I shot six holes in my freezer. I think I got cabin fever. Somebody sound the alarm. I'd like to go where the pace or life's slow. Could you beam me somewhere, Mister Scott? Any old place here on Earth or in space. You pick the century and I'll pick the spot. I know I should be leaving this climate. I got a verse but can't rhyme it. I gotta go where it's warm. Boat drinks. Waitress, I need two more boat drinks. Then I'm headin south 'fore my dream shrinks. I gotta where it's warm. I gotta go where it's warm. I gotta go where it's warm. ABOUT THE BOOK When country music legend Loretta Lynn first heard The White Stripes, she said the duo of Jack White and Meg White "sounded like someone was breaking into a bank." She was describing the aggressive, loud and original sounds of the Detroit band that was changing rock 'n' roll with its fusion of garage-style rock and blues arrangements. Once thought to be brother and sister, Jack White and Meg White came crashing into the music scene circa 2002 with their megahit, "Fell In Love With A Girl." When they left the music scene for good on Feb. 2, 2011, they left the world with rock 'n' roll hits that will survive beyond their creators. Even after it was discovered the Whites were actually ex-husband and ex-wife, no one stopped listening. Critics were too busy hailing The White Stripes as saviors of rock 'n' roll with hits such as "Seven Nation Army" and "Dead

Leaves and the Dirty Ground.” Via Creative Commons For years, the band was a bit of a rock enigma, even to each other. They went on hiatus for a few years before reuniting for 2007’s *Icky Thump*, a commercial and critical success. But in the fall of 2007, the band cancelled the rest of their U.S. tour due to Meg White’s “acute anxiety.” Jack White was the talkative, lead figure of the band, while Meg White was the introverted one no one seemed to understand. In a 2009 interview with *The Guardian*, Jack White explained how he too tries to get past the enigma of Meg White. “My ears prick up when she actually mentions something about what we’ve done. I’m so interested to hear what her take on it is. But it quickly dissolves into: ‘I don’t know what she’s taking from that... I’m just so happy that she knew that we played that one show!’” Meg White’s distinctive primitive drumming style made *The White Stripes* different from any other rock band at the time, and Jack White’s virtuoso guitar skills made them superior. Despite only two members, the band filled arenas and festivals with their ground-shaking sound. Songwriters dramatically captured the details of how Americans lived, thought and changed in the first half of the twentieth century. This book examines 1033 songs about WWI and WWII wars, presidents, Women’s Suffrage, Prohibition, the Great Depression, immigration, minority stereotypes, new modes of transportation, inventions, and the changing roles of men and women. America invited immigrants and went to war to ensure democracy but within its borders, lyrics display intolerant attitudes toward women, blacks, and ethnic groups. Songs covered labor strikes, communism, lynchings, women voting and working, love, sex, airships, radio, telephones, the lure of movies and new movie star role models, drugs, smoking, and the atom bomb. History books cannot match the humor, poignancy, poetry and thrill of lyrics in describing the essence of American life as we moved from a rural white male dominated society toward an urban democracy that finally included women and minorities. This book explores issues related to graphic music lyrics. It covers topics such as intent as a standard, violent lyrics and aggression, and the effects of violent music lyrics. It examines whether sexual music harms children and women. It also discusses “Bro Country” music, and whether it is harmful. Great book for song writers, listing your songs, writing lyric to your favorite songs, *Outlines for writing songs Music, Lyrics, and Life* is the songwriting class you always wish you’d taken, taught by the professor you always wish you’d had. It’s a deep dive into the heart of questions asked by songwriters of all levels, from how to begin journaling to when you know that a song is finished. With humor and empathy, acclaimed singer-songwriter Mike Errico unravels both the mystery of songwriting and the logistics of life as a songwriter. For years, this set of tools, prompts, and ideas has inspired students on campuses including Yale, Wesleyan, Berklee, Oberlin, and NYU’s Clive Davis Institute of Recorded Music. Alongside his own lessons, Errico interviews the writers, producers, and A&R executives behind today’s biggest hits and investigates the larger questions of creativity through lively conversations with a wide range of innovative thinkers: astrophysicist Janna Levin explains the importance of repetition, both in choruses and in the exploration of the universe; renowned painter John Currin praises the constraints of form, whether it’s within a right-angled canvas or a three-minute pop song; bestselling author George Saunders unpacks the hidden benefit of writing, and revising, authentically; and much more. The result is that *Music, Lyrics, and Life* ends up revealing as much about the art of songwriting as it does about who we are, and where we may be going. This is a book for songwriters, future

content creators, music lovers, and anyone who wants to understand how popular art forms are able to touch us so deeply. Mike Errico has honed these lessons over years of writing, performing, teaching, and mentoring, and no matter where you are on your songwriting journey, *Music, Lyrics, and Life* will help you build a creative world that's both intrinsic to who you are, and undeniable to whoever is listening. The latest lyric book from Hal Leonard focuses on one of the most vibrant musical genres to emerge from contemporary music in the past three decades. Since it first came to public attention in the late '70s, rap music has served as a rough, rugged and raw form of street-bred poetry for countless denizens of urban America. I do hope these writings will be very inspirational to you, and inspire you with more hope for the future. I have written a lot of Truck driving songs and Humorous songs also. You will find songs and Poetry of different Holidays too. So come on and let's go on a journey into the past, the present, and hope for the Future. Down by the Riverside, Ezekiel Saw the Wheel, Gimme That Ol'-Time Religion, He's Got the Whole World in His Hand, Roll, Jordan, Roll, Sometimes I Feel Like a Motherless Child, Steal Away to Jesus, Swing Low, Sweet Chariot, This Train, Wade in the Water, We Are Climbing Jacob's Ladder, Were You There When They Crucified My Lord? and many more. Excellent for sing-alongs, community programs, church functions, and other events. From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as Rose-Marie (music by Rudolf Friml), The Desert Song (Sigmund Romberg), The New Moon (Romberg) and Song of the Flame (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including Sweet Adeline, Music in the Air, and their masterpiece, Show Boat. The vibrant Carmen Jones was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, Oklahoma!, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: Carousel, Allegro, South Pacific, The King and I, Me and Juliet, Pipe Dream, Flower Drum Song, and The Sound of Music. They also wrote a movie musical (State Fair) and one for television (Cinderella). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. "I know the world is filled with troubles and many injustices," he once said. "But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it." All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—"Edelweiss"—we can see, read, and, yes, sing the words of a theatrical and lyrical genius. (Book). An extremely gifted singer/songwriter, John Denver possessed the unique ability to marry melodic music with gentle, thought-provoking words that endeared him to his countless fans. Now, for the first time ever, John Denver's lyrics have been printed in their entirety: no other book like this exists! It contains lyrics to more than 200 songs, and includes an annotated discography (one that shows the songs), and an index of first lines. This collection also features a foreword by Tom Paxton, who was greatly influenced by Denver, and an introduction from Milt Okun, John Denver's first record producer, and the founder of Cherry Lane Music. The Poetics of American Song Lyrics is the first collection of academic essays that regards songs as literature and that identifies intersections between the literary histories of poems and songs. The essays by well-known poets and scholars including Pulitzer Prize winner Claudia Emerson, Peter Guralnick, Adam Bradley, David Kirby, Kevin Young, and many others, locate points of synthesis and separation so as to better understand

both genres and their crafts. The essayists share a desire to write on lyrics in a way that moves beyond sociological, historical, and autobiographical approaches and explicates songs in relation to poetics. Unique to this volume, the essays focus not on a single genre but on folk, rap, hip hop, country, rock, indie, soul, and blues. The first section of the book provides a variety of perspectives on the poetic history and techniques within songs and poems, and the second section focuses on a few prominent American songwriters such as Bob Dylan, Bruce Springsteen, and Michael Stipe. Through conversational yet in-depth analyses of songs, the essays discuss sonnet forms, dramatic monologues, Modernism, ballads, blues poems, confessionalism, Language poetry, Keatsian odes, unreliable narrators, personas, poetic sequences, rhythm, rhyme, transcription methods, the writing process, and more. While the strategies of explication differ from essay to essay, the nexus of each piece is an unveiling of the poetic history and poetic techniques within songs. (Lyric Library). An unprecedented collection of popular lyrics that will appeal to all music fans! Includes songs from yesterday and today, from Broadway to Rock 'n' Roll. Highlights include: American Pie * Bennie and the Jets * Blueberry Hill * Brown Eyed Girl * Come What May * Don't Cry for Me Argentina * Dream Weaver * Fame * Free Bird * Fun, Fun, Fun * The Girl from Ipanema * Goodnight, Irene * Green River * Hakuna Matata * Have I Told You Lately * Heart of Glass * I Can't Stop Loving You * I Love Paris * I Still Haven't Found What I'm Looking For * Jessie's Girl * Jump * Kansas City * Killer Queen * Last Kiss * Livin' La Vida Loca * MacArthur Park * A Matter of Trust * My Cherie Amour * Now You Has Jazz * Oh Sherrie * Popular * Photograph * Proud Mary * The Rain in Spain * Rocket Man * Runaway * Sixteen Candles * Smells Like Teen Spirit * Somebody to Love * Tears in Heaven * That's Life * These Dreams * Under the Sea * Venus * Walk on the Wild Side * We Are Family * You've Lost That Lovin' Feelin' * Your Mama Don't Dance * Zip-A-Dee-Doo-Dah. Complete lyrics for well-known folk songs, hymns, popular and show tunes, more. Oh Susanna, The Battle Hymn of the Republic, When Johnny Comes Marching Home, hundreds more. Indispensable for singalongs, parties, family get-togethers, etc. Merle Haggard is known as "the poet of the common man." His songs are some of the most important and influential in the history of country music, on par with the likes of those by Jimmie Rodgers and Hank Williams. Through a life as tumultuous as his music, scarred by struggles with inner demons, incarceration and addiction - all of which he has brutally and directly confronted through his lyrics - Haggard has emerged with an American songbook that captures the rough side of life with an unblinking eye gazing on the workings of the human heart. This collection comes on the heels of his acclaimed album *If I Could Only Fly*, his first new studio album in four years, which finds the former wildman coping with aging, taking on familial responsibilities, and learning to appreciate the wonders of home life versus the pitfalls of the highway. Haggard's lyrics demonstrate why this acclaimed member of the Country Music Hall of Fame is a legend who will live forever. Drawing generously from four centuries of Italian, German and French art song, *Exploring Art Song Lyrics* embraces the finest of the literature and presents the repertoire with unprecedented clarity and detail. Each of the over 750 selections comprises the original poem, a concise English translation, and an IPA transcription which is uniquely designed to match the musical setting. Enunciation and transcription charts are included for each language on a single, easy to read page. A thorough

discussion of the method of transcription is provided in the appendix. With its wide-ranging scope of repertoire, and invaluable tools for interpretation and performance, *Exploring Art Song Lyrics* is an essential resource for the professional singer, voice teacher, and student.
