Clear the Bridge! Apr 10 2021 The story of Tang and her gallant crew ranks with the most amazing of naval history. Whether rescuing Navy fliers off Truk or stalking enemy convoys off Japan, Tang carried the war to the enemy with unparalleled ferocity. Tang's skipper on all five of her war patrols, Rear Admiral Richard H. O'Kane is acknowledged as the top submarine skipper of World War II. His personal decorations include three Navy Crosses and the Congressional Medal of Honor. He retired as a rear admiral from his command of the Submarine School, rounding out twenty years with the boats. He also wrote the classic *Wahoo: The Patrols of America's Most Famous WWII Submarine*. Praise for *Clear the Bridge!* "There is no doubt that Tang was the best. . . . Most of the rest of us wondered what it was she had that the others didn't. And here it is, in this extraordinary 'tell it as it really happened' book, written by the most daring, most professional submarine skipper of the war."—Capt. Edward Beach, author of *Run Silent, Run Deep* "A classic of naval literature. . . . A stirring tribute, not only to [Richard O'Kane's] gallant crew, but to all World War II submariners."—Michael D. Hull, *Military Magazine* "Reading of

[Tang's] career and of the men aboard her is one of the great reading experiences of my life."—Broox Sledge, *The Book World*

Keep Clear Feb 27 2020 A wonderfully bittersweet, funnystrange account of living unwittingly with Asperger's syndrome. It is only after a crack-up, at the age of 55, that Tom Cutler gets the diagnosis that allows him to make sense of everything that's come before, including his weird obsessions with road-sign design, magic tricks, spinning tops, and Sherlock Holmes. The final realization that he has Asperger's allows a light to dawn on the riddles of his life: his accidental rudeness, maladroitness, Pan Am smile, and other social impediments. But, like many with Asperger's, Tom possesses great facility with words, and this shines through this exceptionally warm, bright, and moving memoir, which is alternately strikingly revealing, laugh-out-loud funny, and achingly sad. Tom explores his eccentric behavior from boyhood to manhood, examines the role of autism in his strange family, and investigates the scientific explanations for the condition. He recounts his anxiety and bewilderment in social situations, his sensory overload, his strange way of dressing, and his particular trouble with girls. He shares his autistic adventures in offices, toyshops, backstage in theaters, and in book and magazine publishing houses, as well as on--or more often off--roads.

How to Clear the Negative Ego Mar 02 2023 There is no more important lesson in life to understand, then it is your thoughts that create your reality! Your thoughts create your feelings, emotions, behavior and what you attract and magnetize into your life. Many people think that we see with our eyes. The truth is we see through our consciousness, minds and belief system! There are in truth only two philosophies and feelings and emotions in life. The philosophy and feeling of fear, and the philosophy and feeling of Love. The key to realizing God is to only think and feel from your Love based/Spiritual/Christ/Buddha mind. This is why the Bible states, "Let this mind be in you that was in Christ Jesus!" It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery, centeredness, unconditional love, joy, peace, forgiveness, nonjudgmentalness and equanimity at all times!

Your Spacious Self Nov 05 2020 IT'S A JUNGLE . . . IN HERE! Behind our stress, clutter, and confusion is an infinitely spacious place one might call stillness or joy. This is our natural state of being, but we usually don't experience it, because we are caught in a web of material possessions, desires, and fears. Our clutter often becomes another member of the family that we feed, house, and lug around. In *Your Spacious Self*, author and professional space clearing expert Stephanie Bennett Vogt shows us that it's not our stuff but the holding on to it that creates a force field of stuck-ness that clouds our perceptions and paralyzes our lives. Clutter is not just the junk spilling out of the closet. It is anything or thought that prevents us from experiencing who we truly are. With daily tips, meditations, and a decluttering checklist, *Your Spacious Self* will show you how to: CLEAR THE CLUTTER in your home and in your life REVEL IN YOUR OWN SPACIOUSNESS, a place of stillness and joy LET GO OF THE PEOPLE, PLACES, AND THINGS that no longer serve the joyous being that you are Radical in its message and elegant in its simplicity, *Your Spacious Self* offers a new model that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing. It teaches us that clearing is not just something we do but is also a powerful way to be—one small step, drawer, or moment at a time.

The Spectral Tide Jan 26 2020 Now, for the first time, comes a long-overdue book that presents all of the U.S. Navy's rich cargo of paranormal phenomena. There is the great Stephen Decatur, whose mournful apparition still stalks the halls of his famous home, said to be one of the most haunted spots in Washington, D.C. USS *The Sullivans*, now a floating museum, is the source of much disturbing spectral activity—poltergeists opening locks, hurling objects, and turning on radar that's no longer under

electrical power. Then there are the repeated sightings of the handsome USS Lexington ghost, “polite . . . kind . . . smartly dressed in a summer white Navy uniform.” From translucent sails to phantom crews, from a flaming ghost ship to the infamous psychic anomaly at the U.S. Naval Academy to battleships where the dead still linger, this book offers no less than a haunted history of the U.S. Navy.

Comfort Me with Apples and Tender at the Bone: Two Culinary Treasures Dec 07 2020 “Reading Ruth Reichl on food is almost as good as eating it,” The Washington Post Book World once declared. If that’s the case, then this eBook bundle is a nonfiction feast. With a résumé that includes such posts as editor in chief of Gourmet magazine and restaurant critic for The New York Times and Los Angeles Times, Reichl has elevated the food memoir into an art form with stories that overflow with love, life, humor, and—of course—marvelous meals. TENDER AT THE BONE Growing Up at the Table “An absolute delight to read . . . How lucky we are that [Reichl] had the courage to follow her appetite.”—Newsday At an early age, Ruth Reichl discovered that “food could be a way of making sense of the world.” Beginning with her mother, the notorious food-poisoner known as the Queen of Mold, Reichl introduces us to the fascinating characters who shaped her world and tastes, from the gourmand Monsieur du Croix, who served Reichl her first foie gras, to those at her table in Berkeley who championed the organic food revolution in the 1970s. Spiced with Reichl’s infectious humor and sprinkled with her favorite recipes, Tender at the Bone is a witty and compelling chronicle of a culinary sensualist’s coming-of-age. COMFORT ME WITH APPLES More Adventures at the Table “Reichl writes with gusto, and her story has all the ingredients of a modern fairy tale: hard work, weird food, and endless curiosity.”—The New Yorker Comfort Me with Apples picks up Reichl’s story in 1978, when she puts down her chef’s toque and embarks on a career as a restaurant critic. Her pursuit of good food and good company leads her to New York and China, France and Los Angeles, and her stories of cooking and dining with world-famous chefs range from the madcap to the sublime. Through it all, Reichl makes each and every course a hilarious and instructive occasion for novices and experts alike, told in a style so honest and warm that readers will feel they are enjoying a conversation over a meal with a friend. Praise for Tender at the Bone “While all good food writers are humorous . . . few are so riotously, effortlessly entertaining as Ruth Reichl.”—The New York Times Book Review “A poignant, yet hilarious, collection of stories about people [Reichl] has known and loved, and who, knowingly or unknowingly, steered her on the path to fulfill her destiny as one of the world’s leading food writers.”—Chicago Sun-Times Praise for Comfort Me with Apples “Magnificent . . . an extended, lilting song about lovesickness and the restorative succor of good food. [Grade:] A”—Entertainment Weekly “Compelling . . . The book’s charm emerges from Reichl’s writing, her observations and her amazing ability to capture people in a few memorable sentences. . . . You just have to read it.”—USA Today

Clear My Name Jul 26 2022 Paula Daly is widely acclaimed for her masterful plotting and thrilling page-turners. Now she delivers Clear My Name, a page-turning new thriller about an investigator, who in order to free her client, must confront secrets she has struggled a lifetime to hide. When Carrie was accused of brutally murdering her husband’s lover, she denied it. She denied it again when they found her blood inside his house, again when they put her in front of a jury, and again when they sent her to prison. Now she’s three years into her fifteen-year sentence, gradually losing hope and separated from her pregnant daughter, but she is still maintaining her innocence. Tess is the only paid employee of Innocence UK, a charity that helps clear people wrongfully convicted of crimes, and which accepts Carrie’s case. But can she trust Carrie? Tess is no starry-eyed recent grad—her assumption is that “they’re all lying.” Meanwhile, Tess is also paired with Avril, a naïve young investigator-in-training, with the hope that by mentoring her, she can eventually double the group’s investigative workload. But Tess unexpectedly bolts when she’s tipped off to a witness that could possibly prove Carrie didn’t commit the crime. While Tess and Avril work the case, re-interviewing witnesses and testing assumptions made at the time of the arrest, the tension ratchets up in both the case and Tess’s personal life. An innovative spin on the crime novel full of wicked twists readers won’t see coming, Paula Daly’s Clear My Name raises the stakes in a grave miscarriage of justice and proves that even in a cold case, things still run hot.

The Clear Light Jun 12 2021 As Eckhart Tolle has written, poetry "has been recognized since ancient times as a highly appropriate medium for the expression and transmission of spiritual truth." The Clear Light is Steve Taylor's latest contribution to this poetic tradition, offering short and powerful reflections as a guide to spiritual awakening and as experiential glimpses of the state of enlightenment itself. Taylor ranges widely, through subjects including "Making the Human Race Whole," "Freedom from the Past," and "The Reality of Connection," always in clear and simple language. Best of all, he reminds us of the choices we always have when life feels chaotic and overwhelming: empathy, acceptance, and love. Soothing but also challenging, Taylor's words continually affirm the profound bedrock of peace and even joy in the present that is always available. The book's eponymous reflection says it best: There is nothing that can't be undone no past injury that can't be healed no past mistake that can't be corrected in the clear light of the present. Reading this book is a transformational spiritual experience in itself.
