violent changes in the Fifth Century, when barbarian hordes broke into the failing empire. Carus, though a Gallo-Roman, has grown to manhood among the Visigoths. Assassination of his friend the king of the Visigoths leads to his flight and his struggle to support Avitus, and later Majorian, who were among the last of the Roman emperors. He meets disaster and is for six years a galley slave in the war fleet of the Vandals under Gaiseric, whose base was in North Africa. Carus's wife Ildico, a Burgundian princess who has been a captive of the Huns, is a staunch companion. In the course of their difficult lives, Carus and Ildico are associated with Sidonius, a poet of the "silver age" of Latin literature, as well as with Faustus, abbot of the island monastery of Lerins and bishop of Riez. A tale of true love and high adventure, pirates, princesses, giants, miracles, fencing, and a frightening assortment of wild beasts.

Jody Anders' adoptive grandparents surprised her with a short visit from New York and they can't wait to meet Gregory, her wonderful new husband with whom she had eloped. Trouble is, she forgot to mention that he jilted her at the altar and is no longer in the picture. Now what to do? Turn to her hot, sexy neighbor, Jake, whom she knows very little about? Will he pretend to be Greg, her-would-have-been husband, for the day? This will be one night to remember ... or one to never forget. Jake Anderson had always been attracted to his cute neighbour ever since she moved into his condominium building owned by his family—a secret nobody knows. When she propositions him for one night to pretend to be her husband—he's determined to make her wish it were for real. But can he have her for more than just a day? From the USA Today bestselling author of *The Kiss Quotient* comes a romantic novel about love that crosses international borders and all boundaries of the heart...

Khai Diep has no feelings. Well, he feels irritation when people move his things or contentment when ledgers balance down to the penny, but not big, important emotions—like grief. And love. He thinks he's defective. His family knows better—that his autism

means he just processes emotions differently. When he steadfastly avoids relationships, his mother takes matters into her own hands and returns to Vietnam to find him the perfect bride. As a mixed-race girl living in the slums of Ho Chi Minh City, Esme Tran has always felt out of place. When the opportunity arises to come to America and meet a potential husband, she can't turn it down, thinking this could be the break her family needs. Seducing Khai, however, doesn't go as planned. Esme's lessons in love seem to be working...but only on herself. She's hopelessly smitten with a man who's convinced he can never return her affection. With Esme's time in the United States dwindling, Khai is forced to understand he's been wrong all along. And there's more than one way to love. The award-winning author's "extraordinary" trilogy of frontier romance spans three states and two generations (Publishers Weekly). Featuring *Texas Bride*—named a *Romantic Times Book Reviews All-Time Favorite*—this omnibus edition of the *Bride Series* gathers all three unforgettable historical romance novels in a single volume. "Time after time, Rosanne Bittner brings a full-blown portrait of the untamed West to readers. Her tapestry is woven with authenticity, colorful characters, intense emotions and love's power over every conceivable obstacle." —*Romantic Times Book Reviews*

Tennessee Bride In this first novel, set in the Smoky Mountains of Tennessee in the 1820s, "Bittner's characters spring to life" as Emma Simms falls in love with River Joe, a Cherokee-raised frontiersman who must rescue her from an abusive stepfather (Publishers Weekly).

Texas Bride In 1845, as Texas moves toward statehood, Emma and Joe's daughter Rachael Rivers returns to Austin to teach school, where Brand Selby, the half-Comanche rancher who loves her, must save her from a cruel and crooked Texas Ranger.

Oregon Bride On a wagon train to Oregon in 1851, Emma and Joe's son Joshua Rivers finds himself captivated by the fiery-haired Marybeth MacKinder, a widowed young mother. But with her brutish brother-in-law intent on claiming her, their road

to romance is as rough as the trail west. What's a man to do when his father orders him a bride? Rebecca Sullivan has been "Becky" all her life, a real hoyden. Her childhood sweetheart taught her to ride bareback and shoot a rifle, but then he chose a "perfect lady" for a wife—a real Southern belle, who's now expecting a baby. Heartbroken, Becky signs up to be a mail-order bride to a Seattle man, sight unseen. She resolves to squelch her hoydenish ways and become a "perfect lady" for her future husband. If logging-operation owner Isaac Jessup had wanted a bride, he'd have chosen a sturdy frontier woman, not some fragile lady from back East. Ready to explain the mistake, honorable Isaac takes one look into Rebecca's vulnerable eyes...and knows he'll marry her, even though this delicate waif is obviously unsuited for wild Seattle. Could an unexpected marriage be a match made in heaven? Penelope was not having a good week. First her newly minted 'Ex'husband (she was going to get a t-shirt made) decided to drive off into the sunset (literally) and left her in a pile of shit (figuratively). Alexander Sinclair—billionaire extraordinaire, real estate mogul, one part of Rogues of Manhattan trio, and all parts wrong for her! "I need a wife . . . and I don't do pretend, Penelope." It got worse (liar!) when he went hunting for the wicked Mrs. Carver, but found a delicious little fire-cracker instead. Alex

took one look at Penny and bid adieu to his brain (the one in his head at any rate!). How else could he explain his insane attraction for this sinfully-sexy-potentially-deceptive-caveman-invoking woman? Sparks fly as the Penny and Alex clash in a battle of wills . . . and tangle of limbs (you'll see). But the Houdini embezzler is still at large and Alex will stop at nothing to keep Penny safe in his arms . . . as his claimed bride. Editor's Note: Bring out the #PornCoc. Your week just got better! This tale of an Amish woman who marries an outsider "delivers a sense of escape from today's hustle and bustle into a gentler and simpler world" (Publishers Weekly). Like most Mountain Amish girls, Mary King has always dreamed of her wedding day. But she never imagined that a sudden, irresistible kiss would result in marriage to the handsome Englisher professor studying her unique community. Or that doing the truly honorable thing means keeping their relationship chaste so both she and Dr. Jude Lyons can someday go their separate ways. But when Mary accompanies her husband-in-name-only to Atlanta to meet his wealthy, overbearing family, she's tempted more than ever by Jude's kindness, humor—and vulnerability. And when a wrenching misunderstanding causes her to return heartbroken to her remote Appalachian home, she's certain she's lost the real love they have found . . . and the shared future she's come to want so much. But a crisis of more than faith will work surprising miracles—and show Mary that love is strong enough to make the impossible come true.
