The workbook contains additional problems and exercises to reinforce the concepts presented in the main text. It also serves as a self-study guide for the Project Management Professional (PMP®) certification exam to be based on PMI®'s PMBOK® Guide, 5E. Both as accompanying supplement to Kerzner's text and as standalone self-study guide, this workbook gives students key insights from the acknowledged world leader in project management. (PMI, PMBOK, CAPM, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.) Revered as the authoritative resource for stage management, this text offers students a practical manual on how to stage manage in all theater environments. Rich with practical resources — checklists, diagrams, examples, forms and step-by-step directions — Stage Management eschews excessive discussion of philosophy and gets right to the essential materials and processes of putting on a production. In addition to sharing his own expertise, Stern has gathered practical advice from working stage managers of Broadway, off-Broadway, touring companies, regional, community, and 99-seat Equity waiver theaters. Bateman/Snell/Konopaske Management: Leading and Collaborating in a Competitive World remains on the cutting edge of topical coverage and draws from a wide variety of subject matter, sources, and personal experience with a special emphasis on themes throughout the product such as real results, ethics, cultural considerations, and leadership and collaboration. The mission of the product is to inform, instruct and inspire. It informs by providing descriptions of the important concepts and practices of modern management. It instructs by describing how you can take action on the ideas discussed. And it inspires not only by writing in an interesting and optimistic way, but also by providing a real sense of the opportunities ahead of you. Bateman/Snell/Konopaske's results-oriented and student-friendly approach are unique hallmarks of this textbook. In this ever more competitive environment there are five essential types of performance, on which the organization beats, equals, or loses to the competition which are cost, quality, speed, innovation, service and sustainability. These six performance dimensions, when done well, deliver value to the customer and competitive advantage to you and your organization. Bateman/Snell/Konopaske remind students of these five dimensions and their impact on the "bottom line" with marginal icons contributing to the leadership and collaboration theme, which is the key to successful management. People working with one another, rather than against, is essential to competitive advantage.
