Journalist Rita spots the perfect scoop when she catches the eye of movie Tony. But as she gets closer to the truth, she risks losing the riding rebel who raided her heart. Can love heal hearts or will deceit break them? Introduction Nigerian Connections -- Palm Wine, Amos Tutuola, and a Literary Gatekeeper Bahia-Lagos-Ouidah: Mariana's Story -- Igbo Life, Past and Present: Three Views -- Inland, Upriver with the Empire: Borrioboola-Gha -- The City, according to Ekwensi . . . and Onuzo -- Points of Cultural Geography: Ibadan, Enugu, Onitsha, Nsukka -- Been-To: Dreams, Disappointments, Departures, and Returns -- Dateline Lagos: Reporting on Nigeria to the World -- Death in Lagos -- Tai Solarin: On Colonial Power, Schools, Work Ethic, Religion, and the Press -- Wole Soyinka, Leo Frobenius, and the Ori Olokun -- A Voice from the Purdah: Baba of Karo -- Bauchi: The Academic and the Imam -- Railtown Writers -- Nigeria at War -- America Observed: With Nigerian Eyes -- Transatlantic Shuttle -- Sojourners from Black Britain -- Oyotunji Village, South Carolina: Reverse Afropolitanism. In 2007, David Beckham, the golden boy of soccer, shocked the international sports world when he signed a five-year

contract with an American team, the Los Angeles Galaxy. Under the direction of his manager, Simon Fuller, the mastermind behind American Idol and the Spice Girls, Beckham was ready for a monumental challenge and a risky adventure—ready, as Fuller put it, to earn his stripes Stateside. Could he pull off what no player had ever accomplished (including Pelé in the 1970s) and transform soccer into one of the most popular spectator sports in America? A bold experiment: failure meant a team, a league, a sport, and Beckham himself might miss their chance to hit primetime in the U.S. With unprecedented access to the Galaxy and one-on-one interviews with Beckham, veteran Sports Illustrated writer Grant Wahl focuses on the inner circle of the experiment: Beckham, Galaxy leading scorer Landon Donovan, Simon Fuller, controversial former coach Ruud Gullit, outspoken former Galaxy president Alexi Lalas, and Mrs. Victoria “Posh Spice” Beckham. Wahl takes readers behind the scenes, on the road with the team and inside the locker room, to reveal just what happens on and off the field when the most renowned player in the world left the glory of European soccer to play in a country that has yet to fully embrace the sport. We find out what his teammates really think of their superstar captain, who is calling the shots behind the scenes, how Beckham’s management conducted a shadow takeover of the Galaxy organization, and if the team plans to embrace him—or not—when he returns from AC Milan for the 2009 season. The Beckham Experiment is a no-holds-barred account of ego clashes and epic winless survival rivalries and resentments, big gambles and great expectations, cultural and ideological collisions, and ultimately the volatile mix of celebrity and professional sports. Beckham embarks on his third season with the Galaxy, the question remains: even for a player the caliber of David Beckham, are some goals out of reach once one goes out anymore. Society is sheltered indoors. The economy is in ruins. People spend their lives addicted to a breakthrough virtual reality technology desperate for escapism in a troubled world. The Nirvana Effect has taken over. Aaron and Clarissa are members of a subculture of realists who resist the lure of a fake utopia. They watch in horror as the technology spreads across the country with willing participants who easily forgo their freedoms for false pleasure. When the young couple discovers a plot to enforce compliance for mind control, the battle for free will begins. What started as a playful diversion turns deadly. The future of the human race is at stake. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launched in 2018 the list brings together brilliant new authors and the more established; the award winners and exciting, original voices. Have you ever loved someone and didn't even know

That's the dilemma facing Felix Essien when he wakes from a coma to find he is married to the most beautiful woman he's ever known. He cannot remember her or their wedding. Have you ever loved someone and didn't even know it? That's the dilemma facing Felix Essien when he wakes from a coma to find he is married to the most beautiful and sensual woman he's ever known. He cannot remember her or their wedding; he who had sworn never to get married or give his heart to another. Yet, he feels an intense bond with her that he intends to explore fully. Ebony can't believe her good fortune when her paper husband wakes not remembering the temporary marriage arrangement with no intimacy he'd proposed, and is now the adoring husband she's always dreamt of. She plans to make the most of the passion blossoming between them. However, will he still feel that way when he regains his memory and realises she's been keeping secrets and their marriage is not what he thinks it is? Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's bestselling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but not explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational. From Cruyff's "Total Football" to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play--pressing and possessing--is the single biggest influence on modern soccer. In The Barcelona Inheritance, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers including Pep Guardiola and José Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-five years. The Barcelona Inheritance is a book about tactics, the personalities, the friendships, and, in one case, an apocalyptic forecast that continues to shape the game today. When three very different people

together, all out for the same thing and prepared to go to any lengths to get it. The stakes are likely to be high. But, for a wealthy middle-aged woman, an international lawyer and a young American, games of bluff and counter-bluff quickly develop into a dangerous and deadly battle. As the action hots up, Carey weaves a fast-moving story of blackmail, intrigue and extortion with a hair-raising climax. M. R. Carey's Rampart trilogy is "an epic post-apocalyptic fall (Kirkus) like no other, set in a world where nature has turned against us. In the unforgettable final chapter, the world that was lost comes back to haunt those who have survived—and Koli's journey comes to its astonishing close. "A gorgeous, borderline flawless trilogy." –Seanan McGuire

What will the future hold for those who are left? Koli has come a long way since being exiled from the small village of Mythen Rood. In his search for the fabled tech of the Old Times, he knew he'd be battling shunned men, strange beasts and trees that move as whips. But he has already encountered so much more than he bargained for. Now that Koli and his companions have found the source of the signal they've been following - the mysterious "Sword of Albion"—there is hope that their perilous journey will finally be worth something. They're searching for a way to help humanity fight back against nature. But what they'll find is an ancient war that never ended . . .

Seen as the rebel Essien, Tony has always felt like an outsider. With a daredevil lifestyle, he's more at home in leathers than in a suit, and more likely to be seen gracing the red carpets at a movie premiere with a starlet draped on his arms than in a boardroom. Still determined to prove himself to his family and build a successful movie business, spotting Rita Dike at an event, he sees the potential star of his new movie as his next pleasure conquest. Rita is a journalist looking for her big break. When she inherits the journal of a late friend which claims Tony is not an Essien through the hands of her boss, a man with a shady past, Rita spots the perfect scenario. Acting classes come in handy when she has to pose as an actress to get close to Tony. Succumbing to the charms of dark and brooding Tony might just be the only way to get through the close ranks of the Essien family. But as she gets closer to the truth, Rita risks losing the riding rebel who's raided her heart. Will love heal hearts or will deceit break them?

Vampires do not exist. Everyone knows this. So it's particularly annoying when they start popping up around

Manchester . . . Nobody is pleased about it. Not the Founders, the secret organisation for whom vampires were invented as an allegory, nor the Folk magical people hidden in plain sight who only want a quiet life. And definitely not the people of Manchester, because there is nothing more irksome than murdered by an allegory run amok. Somebody needs to sort this out fast because all Hell really breaks loose - step forward the staff of The Stranger Times. I like they don't have enough to be dealing with. Assistant Editor Hannah has come back from getting messily divorced to discover that someone is trying to kidnap a member of their staff and while editor Vincent Banecroft would be delighted to see the back of any of his team, he doesn't like people touching his stuff - it's the principle of the thing. Throw in a precarious plumbing situation, gambling debts, an entirely new way of swearing, and a certain detective inspector with what could be kindly referred to as 'a lot of baggage' and it adds up to another hectic week in the life of the newspaper committed to reporting the truth that nobody else will touch. This Charming Man is the second book in the critically acclaimed The Stranger Times series. 'A gag-filled romp in the spirit of Terry Pratchett.' The Times 'Great characters, a jet-propelled and a winning premise.' Guardian 'Fresh and genuinely funny.' SFX African Linguistics on the Prairie features select revised peer-reviewed papers from the 45th Annual Conference on African Linguistics, held at the University of Kansas. The articles in this volume reflect the enormous diversity of African languages, as they focus on languages from all of the major African language phyla. The articles here also reflect the many different research perspectives that frame the work of linguists in the Association for Contemporary African Linguistics. The diversity of views presented in this volume are thus indicative of the vitality of current African linguistics research. The work presented in this volume represents both descriptive and theoretical methodologies and covers fields ranging from phonetics, phonology, morphology, typology, syntax, and semantics to sociolinguistics, discourse analysis, language acquisition, computational linguistics and beyond. This broad scope and the quality of the articles contained within holds out the promise of continued advancement in linguistic research on African languages. The Wild Wisdom of Weeds is the first book on foraging and edible weeds to focus on the thirteen weeds found around the world, each of which represents a complete food source and extensive medical pharmacy and first-aid kit. More than just a field guide to wild edibles, it is a global plan for human survival. When Katrina Blair was eleven she had a life-changing experience where wild plants spoke to her, beckoning her to

become a champion of their cause. Since then she has spent months on er taking walkabouts in the wild, eating nothing but what she forages, and ha become a wild-foods advocate, community activist, gardener, and chef, tea and presenting internationally about foraging and the healthful lifestyle it promotes. Katrina Blair's philosophy in *The Wild Wisdom of Weeds* is soberi realistic, and ultimately optimistic. If we can open our eyes to see the wis found in these weeds right under our noses, instead of trying to eradicate "invasive," we will achieve true food security. *The Wild Wisdom of Weeds* is about healing ourselves both in body and in spirit, in an age where technol commodity agriculture, and processed foods dictate the terms of our intell But if we can become familiar with these thirteen edible survival weeds fo over the world, we will never go hungry, and we will become closer to our wild human instincts—all the while enjoying the freshest, wildest, and mos nutritious food there is. For free! The thirteen plants found growing in ever region across the world are: dandelion, mallow, purslane, plantain, thistle, amaranth, dock, mustard, grass, chickweed, clover, lambsquarter, and knotv These special plants contribute to the regeneration of the earth while supp the survival of our human species; they grow everywhere where human civilization exists, from the hottest deserts to the Arctic Circle, following t of human disturbance. Indeed, the more humans disturb the earth and put food supply at risk, the more these thirteen plants proliferate. It's a survival for the ages. Including over one hundred unique recipes, Katrina Blair's book teaches us how to prepare these wild plants from root to seed in soups, s slaws, crackers, pestos, seed breads, and seed butters; cereals, green pow sauerkrauts, smoothies, and milks; first-aid concoctions such as tinctures, salves, and soothers; self-care/beauty products including shampoo, mouthv toothpaste (and brush), face masks; and a lot more. Whether readers are b home or traveling, this book aims to empower individuals to maintain a sta optimal health with minimal cost and effort. The start of a brand NEW serie from bestselling author Rosie ClarkeCambridgeshire - March 1939 As the c of war begin to gather in Europe, the Talbot family of rural Blackberry Farm will be torn apart, just as so many families all over the world will be. Life w never be the same again. Whilst in London, the Salmons family will feel the of parting and loss. Brought together by war, the two families become inte and, as the outlook looks bleak, they must draw on each other's strength t through the hard times. Lizzie Johnson and Tom were sweethearts until a mistake caused a terrible rift. Lizzie takes herself off to London to heal the

in a glamorous new job but she still loves Tom. His pride has been hurt – but deep down inside Tom still cares. Can they find happiness before their chance is gone and the whole world is swept into the terrible madness of war? The third book in the three-book steamy interracial romance featuring married couple, Benjamin and Selina Moss as secrets are unveiled and scores are settled. This book critically assesses the current state of knowledge on new and important detection technologies, e.g. mass spectrometry, tandem mass spectrometry, biosensors, detection and tissue imaging, in connection with toxic chemical and biological agents. In general, the main topics discussed concern the risks and consequences of chemical and biological agents for human health in general, with special emphasis on all biochemical and metabolic pathways including the reproductive system. The exposome, genetic risks and the environment, various health hazards, agents, risk assessment, environmental assessment and preparedness, and analysis of sub-lethal effects at the molecular level are also discussed. In addition, the book provides comprehensive information on the diagnosis of exposure to toxic agents on health concerns related to toxic chemical and biological agents. Identifies some 1,700 works about African Americans. Entries include full bibliographic information as well as Library of Congress call numbers and location in 11 major university libraries. Entries are arranged by subjects such as art, civil rights, folk tales, history, legal status, medicine, music, race relations, and regional studies. First published in 1970 by the Library of Congress. The Sunday Times No.4 bestseller *Within the boroughs of London*, nestled among its streets hides another city, filled with magic. In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and adepts who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God, the human quest for the hidden God, and revelations of the hidden God. The *World of the Great Philosophers* provides an introduction to and overview of some of the most profound and influential thinkers in the history of philosophy. Presents an introduction to and overview of some of the most profound and influential

thinkers in the history of philosophy. Contains 40 essays, written by an outstanding international assembly of scholars. Provides cogent and accessible discussion of key philosophers from around the world. Conveys the historic panorama of philosophical thought on the nature of reality, the human condition, and basic human values. When a casual affair with irresistible Mr. Essien leads to an unplanned pregnancy, successful Faith Brown is determined not to make the mistakes her mother made by living with a man just for the sake of her child. With the media dogging their affairs in the boardroom and the bedroom, they find that making family is harder than making scandal. When the savvy PR consultant Ijay Amadi meets successful Industrialist Paul Arinze, the only things on her mind are to forget the pain of her failed relationship and to enjoy the delights his branding touch and soul-searing kiss promise. It's a one-time-only event. Perfect. However, Paul is annoyed to wake up and find her gone the next morning. He isn't ready to forget the dark-haired beauty or their score of nights together just yet. So he plans to have Ijay right where he wants her—in Abuja, working on his latest business project by day and enjoying the pleasures of his bed by night. Except when Ijay arrives, she's wearing another man's engagement ring. With the explosive desire between them threatening their priorities and loyalties, the stakes get higher by the minute. Who'll be left standing at the altar when Ijay walks down the aisle? This fully revised third edition of this Concise Encyclopedia brings it completely up-to-date. Features lively and engaging entries by some of the leading philosophers of our age, readable reference work and engaging introduction. If the postmodern condition is a dystopia characterized by alienation and despair, argues distinguished sociologist Stanford Lyman, postmodern epistemologies compound the problem by denigrating Enlightenment philosophies that still offer agency and hope to those who struggle to be free. In this, his sixth volume in the Studies in American Sociology series, Lyman examines this contradiction as it has shaped American discourses on race and community, asking why Gunnar Myrdal's "American Dilemma" is still unresolved; how Chinese workers have fared in the labor movement and in labor history; what searches for "the lost tribes of Israel" meant socially and historically; how cinema has offered metaphors for social action but presented failed utopias on screen; and how we have not yet established a basic definition of "the good life." In each of these instances, Lyman seeks new routes in the quest for justice. [Littérature]. Sassy, successful Faith Brown has earned her place in the boardroom through hard work and sheer ambition. Making family is not on her agenda when there are business

develop and competitors to outdo. So when a casual affair with smooth and irresistible tycoon Mark Essien leads to an unplanned pregnancy, she's determined not to make the mistakes her mother made by living with a man for the sake of her child. For Mark, personal matters have no place in the boardroom. Spotting the perfect opportunity, he ruthlessly launches a takeover bid for Faith's Investment Brokerage firm. Finding out he'll soon be a father, he knows he can't let the indomitable and sexy Faith go through with her plan of single parenthood. All gloves are off. He'll seduce her by any tactic necessary to ensure his child doesn't suffer the same stigma he did as a child. With the men dogging their affairs in the boardroom and the bedroom, they find that making a family is harder than making scandal.
