**DON'T JUDGE AN ORC BY HIS ACCOLADES** ?Long ago, as the fires of war raged among the twelve races, one name inspired fear and awe in the heart of every orc—Bash. A living legend to his people, Bash has enjoyed many a blood-soaked victory. But this Hero harbors a shameful secret. Though it is the pride of every orc to match his triumphs in battle with conquests in the bedroom, Bash has been entirely devoted to the former. Thus, he embarks on a journey to face his greatest challenge yet: finding a wife and losing his virginity! An orc is a fireplug of a fighting machine made of muscle, hide, talon, and tusk, with a villainous disposition and a mean sense of humor. And, of course, an orc is a poor dumb grunt—the much abused foot soldier in the Horde of Darkness. The usual last battle of Good against Evil is about to begin, and Orc Captain Ashnak and his war band know exactly what to expect. The forces of Light are outnumbered, full of headstrong heroes devoid of tactics, but the Light's still going to win. Orcs will die by the thousands, and no one cares. Not even the Nameless Necromancer who hired them... I've been caged with a beast . . . and he will not be denied My name is Nya and I'm in mortal danger. The thrilling second book from Tanya Anders ramps up the drama, action and heat. Given to the Orc Hunter contains intense, steamy scenes with consenting action. A desperate escape from a prison cell inside an alien research facility leaves Joanie in the clutches of an alien with a handsome face, a great body, and tentacles that could have come out of a horror movie. Nemon knows that Joanie is the mate he's hoping for as soon as Thrax hands her to him, but he can also see that she's frightened and traumatized. He must win a battle against his own body—which has a mind of its own—to maintain control, so he can win her trust and avoid frightening her further. His newfound friends warn him that Joanie will need time to accept him, and Nemon is willing to wait, but they all may have underestimated Joanie. They have escaped their fate as Iriduan test subjects, but Nemon and Joanie can't escape the legacy left behind by their captors. A legacy that brings them together—a legacy that also threatens to tear them apart. Author's Note: 18+ This book contains explicit steamy scenes between a human heroine and an alien with tentacles. I read it twice in a row without stopping... if you like my work, I bet you'll like this a whole lot!" ?Rae D. Magdon, author of Lucky 7 "I adored this brutally ruthless Hades... friend, Kelly Kingston does the only thing a sensible woman can do. She packs a bag and hightails it to her home town in the back of beyondsville to lick her wounds. Fate, and her ancient and somewhat cranky car, have other ideas. Stranded on the side of the road, she doesn't expect to become the bait for a monster chase through the woods nor be rescued by over seven feet of green beefcake. With an axe... and tusks... and a leather loincloth. Convinced she's tumbled into some kind of weird reality TV show, she goes along with his delusions. All she needs is a ride to the next town so she can call for the cavalry. Only, the makeup on that demonic monster looks way too good, and... maybe, just maybe, the big dude is her only chance of making it out alive. Doesn't hurt that he's sexy, even if he is green. Author's Note: Inspired by a previously released title, *Captured by the Alpha Orc* has been extended, revised, changed... basically it's a whole new book with monster smexyness. Enjoy! Fantasy-roman. Four more toe-curling tales of sexy young women being roughly taken by insatiable, hugely hung monsters. Volume 2 includes: "The Ultimate Sensation" – Pleasure-seeking heiress Jasmine is spending the summer living it up on the tropical island paradise of Vilau, whose jungles are said to be home to the Panlopa, a shockingly well-endowed Sasquatch-like monster-man. Jasmine scoffs at the stories, but when the natives decide to offer her up to the Panlopa to be its new mate, she soon learns how real the monster is...and she finally finds the ultimate pleasure she has long sought! "Caught" – Emmaline's special bond with canines has always served her well in her job as Tucks Mills' dog catcher. But that bond sends her life spinning in an unexpected new direction when she meets a handsome stranger who captivates her like no other man she's ever met. What she doesn't know is that he's a werewolf on the hunt for just the right woman for him and his two packmates to mate with...and Emmaline is clearly the one! After catching the dog catcher in a trap of their own, the three virile, well-hung werewolves roughly have their way with her, one after another. "Intrusion" – Married scientists Monty and Nerissa think they're about to make history with a new invention that offers glimpses of alternate dimensions. But during the device's trial run, a hulking monster appears in the lab, and when it lays eyes on Nerissa, its only aim is to have its way with her. After his attempt to stop the alien intruder leaves him pinned beneath a piece of heavy equipment, Monty can only watch, helpless and horrified yet strangely aroused, as the hugely hung brute claims his wife...and in the process gives her pleasure light-years beyond anything she has ever felt with her nerdy husband. "Orced Raw" – After finding evidence of orc activity near the border of her forest homeland, Elara the elvish ranger sets out to investigate. When she recklessly gets too close to their lair, the petite warrior is captured and taken to their arena, where she learns that she has been chosen to become the tribe's latest broodmare and must now face off against every healthy male orc of the tribe in a battle/mating ritual. In the process, it emerges that her hatred of the orcs masks other, more shameful feelings, and as the brawny, well-hung monsters overwhelm her and roughly have their way with her, she finds herself wracked with bliss the likes of which she has never felt before. The prophesy must be fulfilled. His orders are clear: launch a raid against England and bring home the spoils of war. But the prophecy is also clear: General Torben will take a foreign bride—one who is a seer and healer just like his mother. The eldest princess of England is said to be just that...a beautiful, charming, and headstrong woman. But he's a Viking army general and she's an English princess—and one who is already promised to the king of Tara. Two

TERRY PRATCHETT meets THE WITCHER in this pee-your-pants-laughing fantasy novel. Sure, you think you know the story of the fearsome red dragon, Dragonia. How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers' call for aid. How nothing could stop those courageous souls from facing down the beast. But, even in a world filled with epic adventures and tales of derring-do, where dragons, goblins, and unlicensed prestidigitators run amok, legendary heroes don't always know what they're doing. Sometimes, they're clueless. Sometimes, beleaguered townsfolk are more hapless than helpless. And orcs? They're not always assholes, and sometimes, they don't actually want to eat your children. Her request resulted in a series of warm, supportive, and humorous letters written weekly from Anthony to Jenny. These were read to the patient by her mother. The original letters Anthony wrote between February 1989 and 1990, reproduced here along with Anthony's comments, reveal the author's wit, humanism, and social conscience. Jenny has come out of her coma, but is still confined to a wheelchair. Anthony also named a character in his next Xanth novel after Jenny, whose limited but definite physical responses to his letters indicated how important they were to her.
