The Death of Scripture and the Rise of Biblical Studies Apr 08 2023 The Death of Scripture and the Rise of Biblical Studies examines the creation of the academic Bible. Beginning with the fragmentation of biblical interpretation in the centuries after the Reformation, Michael Legaspi shows how the weakening of scriptural authority in the Western churches altered the role of biblical interpretation. Focusing on renowned German scholar Johann David Michaelis (1717-1791), Legaspi explores the ways in which critics reconceived the role of the Bible. This book offers a new account of the origins of biblical studies, illuminating the relation of the Bible to churchly readers, theological interpreters, academic critics, and people in between. It explains why, in an age of religious resurgence, modern biblical criticism may no longer be in a position to serve as the Bible's disciplinary gatekeeper.

The Face of New Testament Studies Jan 01 2020 In The Face of New Testament Studies, editors Scot McKnight and Grant R. Osborne bring together New Testament experts who track developments in their specialized fields of research-and why those developments are important. It provides scholars and students with a useful survey of the "state-of-the-question" in New Testament Studies.

[A. W. Pink's Studies in the Scriptures](#) Oct 10 2020

The Clarity of Scripture Jan 13 2021 James Callahan offers valuable insight into the complex notion of biblical perspicuity, setting the issues within the history of the church and tracing how the Bible's clarity has been understood over time.

Producing Ancient Scripture Feb 11 2021 Joseph Smith, the founding prophet of the Church of Jesus Christ of Latter-day Saints and of the broader Latter-day Saint movement, produced several volumes of scripture between 1829, when he translated the Book of Mormon, and 1844, when he was murdered. The Book of Mormon, published in 1830, is well known. Less read and studied are the subsequent texts that Smith translated after the Book of Mormon, texts that he presented as the writings of ancient Old World and New World prophets. These works were published and received by early Latter-day Saints as prophetic scripture that included important revelations and commandments from God. This collaborative volume is the

first to study Joseph Smith's translation projects in their entirety. In this carefully curated collection, experts contribute cutting-edge research and incisive analysis. The chapters explore Smith's translation projects in focused detail and in broad contexts, as well as in comparison and conversation with one another. Authors approach Smith's sacred texts historically, textually, linguistically, and literarily to offer a multidisciplinary view. Scrupulous examination of the production and content of Smith's translations opens new avenues for understanding the foundations of Mormonism, provides insight on aspects of early American religious culture, and helps conceptualize the production and transmission of sacred texts.

Studies in the Scripture Nov 22 2021

Divine Scripture in Human Understanding Nov 10 2020 Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture—both within and outside the academy—by articulating a traditionally grounded, constructive systematic theology of Christian Scripture. Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac, it draws upon achievements in historical critical study of Scripture, studies of the material history of Christian Scripture, reflection on philosophical hermeneutics and philosophical and theological anthropology, and other resources to articulate a unified but open horizon for understanding Christian Scripture today. Following an overview of the contemporary situation of Christian Scripture, Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus, Origen, and Augustine, who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith. Subsequent chapters draw on Scripture itself; classical sources such as Irenaeus, Origen, Augustine, and Aquinas; the fruit of recent studies on the history of Scripture; and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations. The resulting constructive position can serve as a heuristic for affirming the achievements of traditional, historical-critical, and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches.

On the Bible Jun 17 2021 This text acquaints the reader with Martin Buber's works on scripture and with his endeavour to elucidate the

meanings of biblical ideas in ages past and in our own time.

Violence Renounced Apr 15 2021

Jesus and Scripture Sep 01 2022 Offers students a brief but reliable introduction to the use of the Old Testament in the Gospels' portrayals of Jesus.

The Quest for Context and Meaning Jun 29 2022 This collection of studies is in honor of Professor James A. Sanders, a leading scholar in the fields of canon of Scripture, textual criticism, and intertextuality. Contributors include leading scholars in these and related fields of study.

Introduction to Biblical Studies Aug 20 2021 This is an ideal introduction to modern biblical studies. Readers are introduced to questions of inspiration, canon and authority. This is followed by chapters on historical approaches to the Bible, such as source, form and redaction criticism. Comparisons with other literature, such as ancient flood stories or Egyptian psalms help to set the context for this. Moyise also asks such questions as 'How did we get the Bible?' and, 'why do modern versions of the Bible differ among themselves?' Moyise considers a number of approaches to the Bible. Beginning with literary criticism, he shows how texts 'speak' to readers and influence their attitudes, emotions and behaviour. This is followed by liberation, feminist and finally a variety of theological approaches used by those who consider the Bible to be sacred scripture. For the third edition Moyise has added two sections, one giving a basic outline of the biblical story together with a timeline and key dates, and another on dating the New Testament.

Studies in the Scriptures Including Tabernacle Shadows May 09 2023

'Return To Me' May 17 2021 The theme of repentance is evident in almost every Old and New Testament corpus. However, it has received little sustained attention over the past half-century of scholarship. In this New Studies in Biblical Theology volume, Mark Boda offers a comprehensive overview of the theological witness of Scripture to the theme of repentance, a return to intimate fellowship with the triune God, our Creator and Redeemer.

Introduction to Biblical Studies, Second Edition Jan 31 2020 This concise introduction to biblical studies provides a clear and helpful guide to the study of the Scriptures, outlining the forms and values of the different approaches on offer - from historical to feminist, and from liberation to literary - while helping the reader to appreciate what each approach adds to our understanding of the text.

Studies in the Scriptures: The plan of the ages Mar 03 2020

Scripture and Tradition in Judaism Aug 08 2020

God's Grand Plan of the Ages Apr 27 2022 "God's Grand Plan of the Ages" captures the highlights of the more comprehensive book The Divine Plan of the Ages. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be "done on earth as it is in heaven?" "God's Grand Plan of the Ages" also covers the signs of the "Time of the End" prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing "time of trouble, such as never was since there was a nation." What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the "Golden Age" that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isaiah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) "No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him" (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading The Divine Plan of the Ages, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD—or at cost, in a hard bound edition.

Little Rock Catholic Study Bible Sep 08 2020 Open the Little Rock Catholic Study Bible and feel at home with the Word of God. Through accessibly written information and engaging visuals that highlight and clarify significant areas of Scripture, readers will easily gain an understanding of these ancient texts that can be carried into today's world. Using the authorized translation in the New American Bible Revised Edition, this

lasting volume is ideal for both personal use and group Bible study. The valuable information in the Little Rock Catholic Study Bible is offered in small notes and inserts that accompany the Bible texts as well as in expanded essays, articles, and graphics. Key symbols help readers quickly identify the type of information they need, such as explanations, definitions, dates, character and author profiles, archaeological insights, personal prayer starters, and insights connecting Scripture and its use in today's church. Colorful maps, timelines, photographs, and charts further enhance the study experience. Longer articles are dedicated to explaining study Bible fundamentals, the Catholic Church's use of the Bible, and the people and places of the biblical world. General Editor: Catherine Upchurch serves as the director of Little Rock Scripture Study. Her work in adult faith formation involves writing, editing, lecturing, leading retreats and days of reflection. She is the editor of *A Year of Sundays* and an associate editor of *The Bible Today*, a journal of biblical spirituality. Old Testament Editor: Irene Nowell, OSB, is a Benedictine of Mount St. Scholastica in Atchison, Kansas. She is an adjunct professor at St. John's University School of Theology, has published two books and numerous articles, and is a past president of the Catholic Biblical Association. She is also a member of the Committee on Illuminations and Texts for The Saint John's Bible. New Testament Editor: Ronald D. Witherup, SS, is Superior General of the Sulpicians and lives in Paris, France. He holds a doctorate in biblical studies and is the author of numerous books and articles on Scripture. His current interest is in the letters of Saint Paul and the Acts of the Apostles.

Studies in the Scriptures Jan 05 2023

A Clear and Present Word Jul 31 2022 A lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity. In this New Studies in Biblical Theology volume, Mark Thompson restates the doctrine of the clarity of Scripture. He surveys past and present objections, engages with contemporary hermeneutical challenges, and expounds the living God as the Guarantor of his accessible, written Word.

Studies in the Scriptures: The time is at hand Jul 07 2020

The Plan of the Ages Oct 22 2021

Understanding Scripture Mar 15 2021 Originally featured as articles in the ESV Study Bible, these eighteen essays have been repurposed and republished in a convenient format. Covering a diverse range of essential subjects, including how to read the Bible well and why it is reliable, the essays delve into specific topics such as world religions, canon, and

archaeology. Useful as both a general overview of the Bible and as a tool for more specific reference and training, readers of this book will grow in their understanding of Scripture and their ability to apply the Bible to their lives. Pastors, lay leaders, students, and other Christians engaged in studying God's Word will benefit from this collection, written by notable contributors, including J. I. Packer, John Piper, David Powlison, and Vern Poythress.

Studies in the Scriptures Jan 25 2022

Beyond the Bible Feb 23 2022 A seasoned interpreter presents a "principled approach," showing how the Bible, though written long ago, can speak authoritatively on contemporary ethical, doctrinal, and practical issues.

Scripture and Tradition (Acadia Studies in Bible and Theology) May 29 2022 In some of the church's history, Scripture has been pitted against tradition and vice versa. Prominent New Testament scholar Edith Humphrey, who understands the issue from both Protestant and Catholic/Orthodox perspectives, revisits this perennial point of tension. She demonstrates that the Bible itself reveals the importance of tradition, exploring how the Gospels, Acts, and the Epistles show Jesus and the apostles claiming the authority of tradition as God's Word, both written and spoken. Arguing that Scripture and tradition are not in opposition but are necessarily and inextricably intertwined, Humphrey defends tradition as God's gift to the church. She also works to dismantle rigid views of sola scriptura while holding a high view of Scripture's authority.

Studies in Scripture Dec 04 2022

Psyche in Scripture May 05 2020 The Old Testament is the written record of profound religious experiences, and in this sense "inspired". The awesome events recounted in the Bible inform the spiritual stance of Western culture to this day, and they contain important clues about destiny, not only past but future. As our understanding broadens, our sense of membership in a global community may supersede the specific religious lessons of our early years. But we cannot simply shrug off our inner history without damage to the soul. Rather we must try to grasp the symbolic content of our psychic heritage, as Dr. Kluger does in this volume. The first three essays here, originally published in 1974 under the title *Psyche and Bible*, have become classics in the field. Two of the

author's later essays on individuation symbolism, and a comprehensive index, have been added to make *Psyche in Scripture*.

Who Shall Ascend the Mountain of the Lord? Mar 27 2022 How can creatures made from dust become members of God's household "forever"? In this *New Studies in Biblical Theology* volume, Michael Morales explores the narrative context, literary structure and theology of Leviticus, following its dramatic movement from the tabernacle to the temple—and from the earthly to the heavenly Mount Zion in the New Testament.

She Reads Truth Apr 03 2020 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Paul and Scripture Oct 02 2022 This is the only short book available that summarizes the role scripture played in Paul's thought. Accessibly written at undergraduate level, it outlines the key arguments in the debate. Written by an international expert on the subject, *Paul and Scripture* also contributes to contemporary Church discussions about the proper interpretation of scripture.

Beginning Biblical Studies Dec 12 2020 In this new text, students will find a readable, comprehensive, and engaging companion for use with a study Bible. *Beginning Biblical Studies* does not assume familiarity with the contents or origins of the Bible, or the Bible's major events, characters, and

themes. To further support beginning students, each major section begins with an overview followed later by a more detailed explanation, to gradually clarify complex ideas or developments. Keywords and concepts are listed at the beginning of each major section, then are reinforced throughout the text. Instructors may choose from a variety of Bible texts for use with this book. Several appendices in Beginning Biblical Studies provide students and teachers with additional material on particular topics such as biblical criticism, Israelite worship, literary forms in the prophetic books and the Gospels, important biblical terms and concepts, to name a few. Timelines and maps help to make ideas clear. Appropriate for all introductory Scripture courses and core introductory religion courses where theology and Scripture are covered together.
