From bestselling author, HGTV star, and Canadian design queen Sarah Richardson comes the interior design book of the decade. Ever wondered how to transform your laundry room from drab to fab? Your kitchen from prison to paradise? Your bedroom from boring to beautiful? Now you can, in this comprehensive interior design tome by design maven extraordinaire Sarah Richardson. Within these beautiful, full-colour pages and photographs, Sarah walks you through each room in your home, from the master bedroom to the kids' rooms, to the kitchen, the bathroom, and everywhere in between, showing you how to turn a house into a home—Sarah style. Featuring full-page design spreads with stunning attention to detail, Sarah Style is a cache of creative, unique ideas for transforming your living spaces. You can make your dream home a reality, and the inspiration—and complete know-how—is right here in this premier source for all things interior design! Please note: This is a companion version & not the original book. Book Preview: #1 I was a haole, or white, kid in a primarily Hawaiian school in Honolulu. The other kids made fun of me, and I didn't have any friends. I was too scared to say anything. #2 I was sent to Kaimuki Intermediate School, a racially segregated school, where I was bullied and had no friends. I was bored in class, and spent most of my time watching the trees outside for wind direction and strength. #3 I was excited to be in Hawaii, and I was surprised by how little surf there was. The waves were small and darkfaced, and the wind offshore. I was worried about the coral reef off the beach. #4 I paddled west along a shallow lagoon, staying close to the shore, for half a mile. The beach houses ended, and the steep, brushy base of Diamond Head itself took their place across the sand. The reef on my left fell away, revealing a wide channel deep water where no waves broke. This best-selling guide provides a complete, practical, up-to-date introduction to network and computer security. SECURITY+ GUIDE TO NETWORK SECURITY FUNDAMENTALS, Fifth Edition, maps to the new CompTIA Security+ SY0-401 Certification Exam, providing thorough coverage of all domain objectives to help readers prepare for professional certification and career success. The text covers the essentials of network security, including compliance and operational security; threats and vulnerabilities; application, data, and host security; access control and identity management; and cryptography. The extensively updated Fifth Edition features a new structure based on major domains, a new chapter dedicated to mobile device security, expanded coverage of attacks and defenses, and new and updated information reflecting recent developments and emerging trends in information security, such as virtualization. New hands-on and case activities help readers review and apply what they have learned, and end-of-chapter exercises direct readers to the Information Security Community Site for additional activities and a wealth of learning resources, including blogs, videos, and current news and information relevant to the information security field. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This concise Motorola Droid X manual provides step-by-step instructions on how to do everything with your Droid X FASTER. Fun and a little hard work. That's all Tess Haviland has in mind when Ike Grantham pays her for her graphic design work with the run-down nineteenth-century carriage house on Boston's North Shore. Then Ike disappears, and Tess finds herself with much more than a simple weekend project to get her out of the city. It's not just the rumors that the carriage house is haunted—it's the neighbors: six-year-old Dolly Thorne, her reclusive babysitter, Harley Beckett . . . and especially Dolly's father, Andrew Thorne, who has his own ideas about why Tess has turned up next door. But when Tess discovers a human skeleton in her dirt cellar, she begins to ask questions about the history of the carriage house, the untimely death of Andrew's wife . . . and Ike's disappearance. Questions a desperate killer wants to silence before the truth reveals that someone got away with murder . . . Originally published in 2001. Praise for The Carriage House "Carla Neggers is great. She's done it again with The Carriage House—I love this book!" —Janet Evanovich The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years—Christy Is a Forever Friend Surprise Endings Cheerleading tryouts are coming up, and Christy Miller is giving it all she's got. The competition is tough and some of the girls are just rude, but Christy thinks she has a good chance to make the squad. Meanwhile prom is just around the corner, and Christy hopes her parents will make an exception to their "no dating until sixteen" rule. She'd love to go with Todd to his prom! But nothing turns out as Christy had planned. As the surprises keep coming, can Christy respond with grace...and maybe even spring a surprise of her own? Island Dreamer Christy Miller is spending her sixteenth birthday on Maui with her family, Todd, and Paula, her best friend from Wisconsin! What could be better? But Christy soon finds that she and Paula don't have as much in common anymore. Paula's obsessed with having a boyfriend...even if it means stealing Todd from Christy! Will he choose Paula over her? Or will the islands send Christy dreaming in new directions? A Heart Full of Hope Christy Miller is sixteen, and

that means she can finally date! Rick has waited months for this, and he has a whole list of dates planned. He's not happy about her early curfews and weekend job, but Christy knows her parents aren't about to negotiate on those points. Really, she's dazzled to be pursued by such a thoughtful guy. So why does she feel overwhelmed? Where does Todd fit into her life now? And can any guy really fulfill all her hopes? Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" —Robin Jones Gunn With a blend of curiosity and sensitivity reminiscent of the work of Oliver Sachs, Guista's emotionally adept, psychologically acute debut collection of short stories explores the vast mysteries of the human mind and the fascinating intricacies of the soul. Originally published in 1993, over 16,000 tradename surface-active agents for industrial applications, manufactured worldwide, are contained in this edition. General-use surfactants, such as emulsifiers, wetting agents, foaming agents, detergents, dispersants, and solubilizers are included, as well as detergent raw materials, defoamers, and antifoaming agents. The types and quantities of surfactants available commercially are numerous and the difficulty in making choices between products may become overwhelming. It is the purpose of this book to guide those who are involved in the selection of these materials through the process of identifying, classifying, and selecting the most appropriate products for their requirements. Therefore, this reference is organized so that the user can search for and locate products based on a variety of essential distinguishing attributes. You're on the go all the time -- maybe for business, maybe because it's a byproduct of your busy lifestyle. But either way, your life would be easier if you had Internet access wherever you are. Well, when it comes to the Internet, you CAN take it with you! You just need the right stuff, and Mobile Internet For Dummies tells you what that is, how to find it, and how to use it. This easy-to-follow guide is packed with tips on choosing the best mobile device, software, and service provider for your needs, but that's not all. You'll see how to use your mobile Web browser, find made-for-mobile content (and create your own) and much more. Mobile Internet For Dummies explains how the Mobile Internet differs from the garden-variety Internet, and shows you how to: Find your mobile phone browser Use the Mobile Internet to surf, shop, blog, watch movies, and more -- on the go Send and receive e-mail from your mobile device Locate other mobile applications Watch TV on your mobile phone Manage your kids' access to the Mobile Internet Secure and name a mobile Internet site and acquire mobile Web development tools Build your own made-for-mobile Web site Use your Mobile Internet site to promote your business and generate revenue With the help of Mobile Internet For Dummies, you'll be able to stay connected wherever you happen to be, and maybe even make it pay off with a bit of income. "...my message to lecturers in building/quantity surveying is to 'put it on your course list for essential reading' and to students and practitioners 'buy it' " Building Technology & Management Provides a practical introduction to understanding the costs encountered on a building project together with an appreciation of the many factors influencing them. The Using series is not just a book, it is highly integrated with online video, podcasts, and additional bonus content that enables our authors to provide modern, best of class instruction to the beginning audience. Using books are designed to offer a solid and accessible introduction-both tutorial and reference-to a topic. The Using series is written in a succinct yet friendly manner and offers real-world advice and step by step tasks. Using the iPhone takes readers through all the necessary configurations to properly set up their iPhone such as to use multiple networks, send and receive email and text messages, sync to their iTunes, and more. Beyond basic configuration, Using the iPhone explains how to use the default applications that are part of the iPhone as well as how to find and install new apps from the App Store, how to purchase music, movies, and more through iTunes and sync them to the iPhone, and how to troubleshoot and maintain their iPhone. All along the way the reader is offered audio and video to illustrate more difficult or confusing tasks, or to add additional content to a topic. Moon Handbooks give you the tools to make your own choices. Can't-miss sights, activities, restaurants, and accommodations, marked with M Essential info on San

Salvador, El Salvador's resilient urban heart Suggestions on how to plan a trip that's perfect for you, including: The Best of El Salvador Surf's Up! From Cool Cloud Forests to Warm Waves Art and Culture: Past and Present 13 detailed and easy-to-use maps The firsthand experience and unique perspective of author Jaime Jacques Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Written over seven years, Jules Leigh Koch's latest collection depicts people living between pension day and charity. Fringe dwellers whose lives are constructed like origami cranes: defiant, yet quite fragile. Staged in large Australian cities that kaleidoscope between dark back streets and sunlit harbours. With a blowtorch honesty that engages emotions and the ever challenging atmosphere of personal relationships. This book supplies the need for an authoritative account of the morphology of Dutch in English and at the same time will make an important contribution to current theoretical discussions of word formation; the interactions between morphology, syntax, semantics, and phonology; and morphological change. The author is the leading scholar in the field. "Cabin porn goes coastal in Nina Freudenberger's Surf Shack" [Vanity Fair], and here are bungalows, trailers, cabins, and beach homes where surfers retreat after a day on the waves. Peek inside the homes of longtime enthusiasts and dedicated newcomers that reflect not just a sport or passion, but also a way of life. Blake and Heather Mycoskie of TOMS, hotelier Sean MacPherson, Gypset author Julia Chaplin, and others have set up their spaces to embrace a casual ease and be the break between the waves. With vibrant photographs of design details and bright beaches—from Malibu to the Rockaways, from Japan to Australia—this book captures the soulful milieu of a lifestyle we all aspire to. "A colorful tour of some of the most unique surfer abodes around the world, from Melbourne to New York City." —Architectural Digest A collection of previously published books featuring Wisconsin farm girl Christy Miller as she learns about Christianity and life. This beach themed adult-style coloring book is great for tweens, young adults, and adults. This book is filled with meticulously designed illustrations of everything you love about the beach! "A colorful tour of some of the most unique surfer abodes around the world, from Melbourne to New York City." —Architectural Digest

Get the "Novogratz" look In this book, design duo Robert and Cortney Novogratz (stars of HGTV's Home by Novogratz) give us an inside look at twenty of their favorite projects to show us how to achieve their signature "vintage modern" style. See how they effortlessly mix contemporary furniture with thrift-store finds, and learn all sorts of tricks for creating a stylish home no matter what the obstacles: seven children, small spaces, or a tiny budget. From toddler-friendly bedroom for triplets to a beach retreat for two twenty-somethings, from a New Jersey basement to a Palm Beach cabana, Home by Novogratz proves that good design is just a book away. Wallpaper & Wallcoverings is packed full of creative design ideas for walls in every room of the home, with tips and techniques for contemporary applications of everything from paper and paint to fabric and light-projected images. Beginning with the eighteenth- and nineteenth-century imports of toile de Jouy, damask and chintz from the Far East, the book examines the evolution and major influences of wallpaper and wallcoverings in the West. William Morris's organic hand-blocked prints, the geometric patterns of the 1950s and the hippie-trippy flowers of the 1960s and 1970s, among others, are used to show the impact of historical styles on modern wallcoverings. With a brilliant combination of lively and informative text and beautiful, inspiring photographs, Wallpaper & Wallcoverings illustrates the versatility

"Full-color, step-by-step tasks walk you through learning how to use your iPad for home, school, and just for fun. For years, computer users have put up with the bugs, security holes, and viruses on Windows because they had no choice. Until recently, there has never been a good alternative to Windows. But now, Windows users can switch to Linux, the reliable, secure, and spyware free operating system. Linux is easy to use, runs on almost any PC, and enables you to perform all the tasks you can do with Windows. Getting to know Linux has never been easier, because now there's a way to test-drive Linux without changing, installing, or configuring a thing on your computer. It's called Test Driving Linux: From Windows to Linux in 60 Seconds. This latest release from O'Reilly comes with a Live CD called Move, that allows Windows users to try all the features of Mandrake Linux, a popular Linux distribution without the hassle of actually installing Linux. Users simply place the Move CD into their CD drive, boot from the disc, then watch an entire Mandrake system run on the fly from the CD-ROM. Test Driving Linux: From Windows to Linux in 60 Seconds is a detailed step-by-step guide to the Linux operating system and several popular open source programs. With this guide you can quickly learn how to use Linux to perform the tasks you do most: surf the web, send and receive email, instant message with

friends, write letters, create spreadsheets, and even how to enhance your digital photos. Test Driving Linux: From Windows to Linux in 60 Seconds provides both home and business users with a hassle-free way to investigate this operating system before they purchase and install a complete Linux distribution. Thrills. Danger. And world domination. Itch is as action-packed and suspenseful as a novel for young readers can get! Fourteen-year-old Itchingham Lofte, nicknamed Itch, has an unusual passion: collecting specimens of every element in the periodic table. So what if that means he's had a few ... mishaps? But when he gets his hands on a suspiciously warm rock made of a new, previously unknown element, things really begin to explode. Soon, a malevolent teacher, an evil-doing corporation, and a top-secret government agency are all after Itch. Can his science know-how keep him one step ahead of everyone...and help him stay alive? A 2013 Parents Choice Award Winner: Silver Medal. Cover and jacket flap feature augmented reality animations via a free downloadable Itch app! My iPad for Kids is here to help your kids (and you!) get the most out of your iPad2, iPad 3rd or 4th generation, or iPad mini running iOS 6. Using full-color, step-by-step tasks, My iPad for Kids walks step-by-step through learning how to use your iPad for home, school, and just for fun! Grade specific chapters for grades 4-7 offer information on apps that are great resources for everything from music to art to spelling and math homework. In addition, you learn how to setup and configure all the features of your iPad, including connecting to networks, setting up and using email accounts, using Siri, downloading and installing apps, safely surfing the internet downloading and syncing music and videos, taking and sharing photos, playing games, as well as setting up restrictions (parental controls) and troubleshooting problems with your iPad, should any occur. Full-color, step-by-step tasks walk you through learning how to use your iPad for home, school, and just for fun! Learn how to:

- Safely surf the Internet on the iPad to do research for school and find interesting facts.
- Use email, texting, and chat apps to stay in touch with friends, family, and teachers.
- Have fun (or do group projects for school) using FaceTime and Skype video chatting.
- Write emails, search the Web, and launch apps with your voice using Siri.
- Use the iPad in school and for homework. Four chapters of suggestions for grade-specific apps (4th through 7th grade) to help you excel in the classroom.
- Use the built-in Music app so you can rock out to your favorite tunes.
- Watch movies and TV shows from iTunes and videos on YouTube (only when homework is done, of course).
- Use iPad's built-in cameras to take photos and video of you and your friends. Use the Photo Booth app to make them even more interesting—or a little crazy!
- Set new high scores playing the tens of thousands of great games available at the App Store.
- Discover great apps for school or just for fun through recommendations in nearly every chapter.
- Reassure your parents that you can use your iPad and the Internet safely and responsibly.
- Become your own tech support team by learning to maintain and solve problems with your iPad, including tips on restarting, backing up, and cleaning the iPad.
- Read about the latest iPad technologies, including iOS 6, Siri, and 4G LTE.

Discover the untold story of African surf culture in this glorious and colorful collection of profiles, essays, photographs, and illustrations. AFROSURF is the first book to capture and celebrate the surfing culture of Africa. This unprecedented collection is compiled by Mami Wata, a Cape Town surf company that fiercely believes in the power of African surf. Mami Wata brings together its co-founder Selema Masekela and some of Africa's finest photographers, thinkers, writers, and surfers to explore the unique culture of eighteen coastal countries, from Morocco to Somalia, Mozambique, South Africa, and beyond. Packed with over fifty essays, AFROSURF features surfer and skater profiles, thought pieces, poems, photos, illustrations, ephemera, recipes, and a mini comic, all wrapped in an astounding design that captures the diversity and character of Africa. A creative force of good in their continent, Mami Wata sources and manufactures all their wares in Africa and works with communities to strengthen local economies through surf tourism. With this mission in mind, Mami Wata is donating 100% of their proceeds to support two African surf therapy organizations, Waves for Change and Surfers Not Street Children.
