[Climbing Kilimanjaro](#) Jul 26 2020 Jim Cummins was born in 1944 and grew up in a small rural community in county Kildare Ireland; he finished school at age 13 and immediately went to work as a farm labourer. He learned to drive trucks at age 17 and later immigrated to Australia where he worked as a miner and learned all about using explosives as part of the job. On returning to work in Ireland he resumed work as a truck driver but soon progressed to senior management and eventually started his own business as co-founder of Primo Oil Company which went on to become a big player in the oil distribution scene in Dublin employing up to 125 people at its height. Jim liked to be adventurous and loved water sports and at one time formed part of the crew in a Trans Atlantic yacht race. He became involved in fundraising for Barretstown the childrens charity and the Make a Wish foundation which is also a childrens charity and went on treks to Brazil, Vietnam, Lesotho and the Inca trail to Macchu Picchu in Peru. Jim and his wife pat also went on charity building projects in Africa building school rooms and an orphanage. In 2011 Jim undertook his greatest adventure to date when he went with his wife Pat to climb Mount Kilimanjaro the worlds highest freestanding mountain. This is the story of Jims journey from Kildare to Climbing Kilimanjaro. **Coyote's Song** Apr 15 2022 A major study of the major and minor fiction, poetry, and children's books of SF and fantasy writer Ursula K. Le Guin. As Le Guin herself writes, "It is written in English, not academese, and will be of interest to a wide spectrum of students,

scholars, and interested readers."

A Rip in Heaven Mar 26 2023 The acclaimed author of *American Dirt* reveals the devastating effects of a shocking tragedy in this landmark true crime book—the first ever to look intimately at the experiences of both the victims and their families. *A Rip in Heaven* is Jeanine Cummins' story of a night in April, 1991, when her two cousins Julie and Robin Kerry, and her brother, Tom, were assaulted on the Old Chain of Rocks Bridge, which spans the Mississippi River just outside of St. Louis. When, after a harrowing ordeal, Tom managed to escape the attackers and flag down help, he thought the nightmare would soon be over. He couldn't have been more wrong. Tom, his sister Jeanine, and their entire family were just at the beginning of a horrific odyssey through the aftermath of a violent crime, a world of shocking betrayal, endless heartbreak, and utter disillusionment. It was a trial by fire from which no family member would emerge unscathed.

[Bakhtinian Perspectives on Language, Literacy, and Learning](#) Jul 06 2021 This 2004 book represents a multidisciplinary collaboration that highlights the significance of Mikhail Bakhtin's theories to modern scholarship in the field of language and literacy. Book chapters examine such important questions as: What resources do students bring from their home/community environments that help them become literate in school? What knowledge do teachers need in order to meet the literacy needs of varied students? How can teacher educators and professional development programs better understand teachers' needs and help them to become better prepared to teach diverse literacy learners? What challenges lie ahead for literacy learners in the coming century? Chapters are contributed by scholars who write from varied disciplinary perspectives. In addition, other scholarly voices enter into a Bakhtinian dialogue with these scholars about their ideas. These 'other voices' help our readers push the boundaries of current thinking on Bakhtinian theory and make this book a model of heteroglossia and dialogic intertextuality.

American Dirt: Chapter Sampler Jul 18 2022 Download a free excerpt from Jeanine Cummins's *American Dirt*! También de este lado hay sueños. On this side too, there are dreams. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic", *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope. If it's only a better life you seek, seek it elsewhere...This path is only for people who have no choice, no other option, only violence and misery behind you. And your journey will grow even more treacherous from here. Everything is working against you. —*American Dirt* Lydia Quixano Perez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with four books he would like to buy—two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia—trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed when they finish reading it. It is a page-turner, it is a literary achievement, it is filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. *American Dirt* Apr 27 2023 Lydia Quixano Perez lives in the Mexican city of Acapulco. She runs a bookstore. [Dale Fiers](#) Sep 20 2022 Many call A. Dale Fiers the most significant figure in the Christian Church (Disciples of Christ) of the twentieth century. Raised in a devout family--his mother was ordained--in Kankakee, Illinois, and West Palm Beach, Florida, Fiers went on to have major impact not only on his denomination but on American Protestantism in general, particularly its approach to such social issues as missionary work and civil rights. Fiers served as executive secretary of the International Convention of the Christian Church (Disciples of Christ), president of the United Christian Missionary Society, administrative secretary of the Commission on Restructure, and was the first general minister and president of the church. Restructure was the process by which thousands of scattered Disciples congregations became an expression of one Church. This 1960s development towers over the landscape of Disciples history like a great mountain range, and Fiers looms over the era as its central figure. In this biography, commissioned by the Disciples of Christ Historical Society, D. Duane Cummins crafts a picture of a remarkable church leader and chronicles the way a significant religious body dealt with the ambivalences of its own existence, how missionary work developed into less paternalistic relationships, how a church struggled between attempts to minister on the local scene and throughout the world. Fiers lived in Florida and remained active in Disciples affairs until his death at age ninety-six in 2003.

Into the Dark Jun 24 2020 THE PLACE: Seawings, a beautiful Art Deco home overlooking the sweep of the bay in Midtown-on-Sea. THE CRIME: The gilded Holden family - Piper and Gray and their two teenage children, Riva and Artie - has vanished from the house without a trace. THE DETECTIVE: DS Saul Anguish, brilliant but with a dark past, treads the narrow line between light and shade. One late autumn morning, Piper's best friend arrives at Seawings to discover an eerie scene - the kettle is still warm, all the family's phones are charging on the worktop, the cars are in the garage. But the house is deserted. In fifteen-year-old Riva Holden's bedroom, scrawled across the mirror in blood, are three words: Make Them Stop. What happens next?

Understanding Ursula K. Le Guin Mar 02 2021 Annotation. ' ... Elizabeth Cummin's [book] is a superb literary study of the American science fiction & fantasy writer ... Unlike many other literary studies of Le Guin's works that simply print unintegrated essays, [this book] has a tight focus & flow that other literary critics would do well to study ... Very highly recommended ... --Wilson Library Bulletin.

[Assassinated Beauty](#) Dec 19 2019 An iconic selection of photographs of the most iconoclastic British band of the late twentieth century, Manic Street Preachers. In the early nineties, a group of disaffected and fiercely political young men from the Welsh valleys exploded onto a British music scene still in thrall to rave and acid house. With their early singles Motown Junk, You Love Us and Stay Beautiful the Manics reminded us at a moment of great hedonistic indulgence that pop is an instrument to provoke and destabilise. It was the legendary photographer Kevin Cummins who captured James, Sean, Richie and Nicky in their most uncompromising, glam-fixated early years. (Title) is a unique record of a band on a mission to reclaim rock n roll through literature, image and thrilling guitar pop. Working at the NME and already famous for his association with the classic images of Joy Division, The Smiths and Stone Roses, Cummins was the ideal

photographer to capture the essence of a band who understood and manipulated androgynous and decadent imagery. These photographs document the period just before the release of Generation Terrorists (1992) up to Holy Bible (1995) and the subsequent disappearance of guitarist and lyricist, Richie Edwards. A revealing mix of studio shots and never-seen-before behind the scenes photographs of a band at arguably their creative zenith, (title) is the ultimate portrait of one of the last great British rock n roll bands.
