This artifact is not only an object of great monetary value but one that is emblematic of the very soul of China. Everyone—from the Chinese government, to a religious cult, to an unscrupulous American art collector—wants this relic, and some, it seems, may be willing to kill to get it. between China and the United States. The troubled Hulan must overcome her own fears of failure, while David tries desperately to break through the shell that has built up around his wife.
