Editorial Reviews - Read the book, took the online course and test, PASSED. - This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam. Highly recommended. - I've been an IS project manager for over 10 years. I've studied ITIL materials in preparation, but took no courses or workshops. I studied this book and its accompanying course for 10 days immediately preceding my exam. Read the book about 3 times. - I took the ITIL Foundation exam and got 98% of the questions correct. I think that the study tips in the book and course helped me get about 15-20 questions right that I might have otherwise missed. (your mileage may vary). - The book and course made me confident in sitting the exam, and is the best such book that I've come across. - Worth it especially since you have

access to the online learning component as well. - Good focus on ITIL's processes (things important to ITIL Foundation and passing the test that your experience in IT may not help you) - Highly recommended, I passed in one go! The new, fully-updated edition of the popular guide for the ITIL 4 Foundation Exam —everything needed for exam success! The Information Technology Infrastructure Library (ITIL) is a set of best practices for IT service and management. ITIL certification is gained through examination administered by AXELOS, the body established to develop, manage, and operate qualifications in best practice. Foundation certification—as well as subsequent Intermediate, Expert, and Master-level certification—is sought by employers throughout the IT industry. The ITIL 4 Foundation Exam Study Guide is the leading resource for anyone preparing for certification. Written by accredited ITIL trainers and Certified ITIL Experts, this up-to-date second edition is organized around the latest 2018 ITIL Foundation syllabus. Six sections offer complete and accurate coverage of IT service management and ITIL service strategy, design, transition, operation, and continual improvement. New coverage of DevOps, Agile, and Lean reflects the most current exam objectives. Self-assessment tests, exam essentials, review questions, chapter summaries, practice exams, and more enable readers to be fully prepared for exam day. Based on the authors' real-world experience teaching ITIL students, this guide: Covers 100% of the Foundation exam objectives in clear, concise language Explains every topic in full and provides effective review tools and resources Uses tables, flowcharts, illustrations, bulleted lists, and highlighted key learning points to strengthen reader comprehension and retention Includes access to an online test bank of valuable study tools, including practice exams, flashcards, and a glossary of key terms Designed specifically for readers who prefer self-study rather than expensive prep courses, ITIL 4 Foundation Exam Study Guide: 2018 Update is a must-have book for candidates preparing to take the exam as well as anyone interested in IT service management. This bestselling study aid 'Passing your ITIL Foundation Exam - 2011 Edition' is the ideal companion for students preparing for their ITIL Foundation Exam. ITIL is a widely adopted body of knowledge and best practices for successful IT Service Management that links with training and certification. ITIL 4 has evolved from the current version by re-shaping much of the established ITSM practices in the wider context of customer experience; value streams and digital transformation; as well as embracing new ways of working, such as Lean, Agile, and DevOps. ITIL 4 provides the guidance organizations need to address new

service management challenges and utilize the potential of modern technology. It is designed to ensure a flexible, coordinated and integrated system for the effective governance and management of IT-enabled services. "ITIL Foundation" is the first ITIL 4 publication and the latest evolution of the most widely-adopted guidance for ITSM. Its audience ranges from IT and business students taking their first steps in service management to seasoned professionals familiar with earlier versions of ITIL and other sources of industry best practice. The guidance provided in this publication can be adopted and adapted for all types of organizations and services. To show how the concepts of ITIL can be practically applied to an organization's activities, ITIL Foundation follows the exploits of a fictional company on its ITIL journey. Endorsed by the Official ITIL Accreditor and updated in line with the 2011 syllabus, the bestselling study aid *Passing your ITIL Foundation Exam - 2011 Edition* is the ideal companion for students preparing for their ITIL Foundation Exam. The publication presents the Foundation content in an easy-to-follow structure, which is ideal for learning, and developing an understanding of the basic concepts, principles and terminology associated with IT service management. The publication provides an overview of the ITIL Foundation learning requirements. It contains chapters on service management, each of the five lifecycle stages, and service management technology - plus information on the qualification scheme and the exam itself. Key features: Topics are presented in a logical easy-to-absorb structure. A fictional case study helps to bring service management to life. Mind maps summarize content at the end of chapters
