Whether it Ricardo Torralba and August Morrison don't agree on much besides the fact that they hate each other. According to Ricardo, August is a spoiled brat who really needs to knock off the sass once in a while. August insists that Ricardo needs a sense of humor, a good lay, or a well-placed bullet. Maybe all three. Fortunately, the assassin's profession is a solitary one, and they can go about their lives without getting in each other's way. Usually. When a contracted hit turns out to be a setup for both of them, they narrowly escape with their lives. Now, even if they don't like it (spoiler: they don't), August and Ricardo have to work together if they want a shot at survival. In between firefights and questionable interrogation methods as they hunt down their would-be killer, the cranky assassins discover that under all that mutual loathing is a spark of chemistry they can't ignore. But they need to focus, damn it, and figure out who's gunning for them and why. Assuming they don't kill each other first. *Hitman vs Hitman* is a standalone gay romantic suspense featuring two men who'd rather chew glass than fall for each other, a whole lot of inappropriate comments, and some buttons that will need resewing. Domenico "Dom" Maisano is Mafia royalty, a made man... and a hitman. He's caught up in a violent life he can't escape, struggling to maintain an image he doesn't want, and suppressing desires he can't have. A chance encounter

throws the killers into each other's paths. Though Dom knows he's playing a dangerous game, he's intrigued and keeps coming back. Sergei can't resist him either--Dom is everything he set out to destroy, but he's also everything he's ever ached for in a man. Then Sergei gets the contract he's been waiting for--the hit that promises to bring the town's Mafia to its knees. But when a boss makes an unexpected move, Sergei must choose between dropping the hammer on the families he vowed to annihilate, and protecting the man he swore he wouldn't love. And the wrong choice--or even the right one--will destroy them both.

Political commentator and media personality Will Witt gives young conservatives the ammunition they need to fight back against the liberal media. Popular culture in America today is dominated by the left. Most young people have never even heard of conservative values from someone their age, and if they do, the message is often bland and outdated. Almost every Hollywood actor, musician, media personality, and role model for young people in America rejects conservative values, and Gen Zs and millennials are quick to regurgitate these viewpoints without developing their own opinions on issues. So many young conservatives in America want to stand up for their beliefs in their classrooms, at their jobs, with their friends, or on social media, but they don't have the tools to do so. In *How to Win Friends and Influence Enemies*, Will Witt arms Gen Zs and millennials with the knowledge and skills to combat the leftist narrative they hear every day.
