

Kate Moss Oct 19 2021 Réalisé en étroite collaboration avec Kate Moss, ce livre est le témoignage unique et très personnel d'une carrière exceptionnelle, depuis les premières photos de "l'étoile montante", jusqu'au statut de top model le plus coté au monde. Kate Moss est découverte à l'âge de 14 ans, et sa carrière explose véritablement deux ans plus tard avec la publication dans le magazine britannique The Face d'une série de photos de Corinne Day : son physique de "brindille" fait l'effet d'une bombe, alors que les plantureuses Cindy Crawford, Claudia Schiffer et Linda Evangelista sont les stars des podiums. Avec d'innombrables couvertures de magazines du monde entier, des défilés pour les plus grands couturiers et des campagnes pour des maisons prestigieuses, parmi lesquelles Calvin Klein, Chanel, Dolce & Gabbana, Bulgari, Gucci ou Longchamp, Kate Moss a imposé son style comme aucun autre mannequin ne l'avait fait auparavant. De l'égérie à la créatrice, de la muse des artistes et photographes les plus renommés au rang de faiseuse de tendances, elle domine de son aura la mode de ces vingt dernières années. L'ouvrage retrace cet incroyable parcours à travers plus de 400 photographies, dont de nombreuses images inédites tirées des archives personnelles de la star. Une somme incontournable qui permet de comprendre l'influence d'une personnalité fascinante, magnétique et sulfureuse, qui reste l'icône incontestée de la mode.

Moss Hysteria Aug 05 2020 Abby and Marco's new neighborhood isn't as rosy as it seems in the latest Flower Shop Mystery from the New York Times bestselling author of Florist Grump and A Root Awakening. Flower shop owner Abby Knight and her husband, Marco, are ecstatic to finally be moving into their new home, despite the prospect of unpacking a seemingly infinite number of boxes. After all, Brandywine—their new subdivision—seems like an oasis with its welcoming neighbors and beautifully manicured lawns. But their idyllic community is suddenly uprooted when a body is found floating in a nearby pond. The police think Abby and Marco's helpful next door neighbor is the culprit, but the newlyweds aren't convinced. Meanwhile, Marco distrusts his mother's slick new boyfriend, and Abby's cousin Jillian has agreed to decorate their new home, resulting in comic chaos. Even worse, as Abby and Marco dig through Brandywine's secrets in search of a killer, they discover that some flowers come from very bad seeds...and danger stalks even the sunniest small-town streets.

Crime Reduction and the Law Mar 31 2020 This innovative and pioneering new book establishes links between crime reduction and the law, uniquely offering a detailed examination of how specific legislation and performance targets aid or undermine attempts at crime reduction. Providing a sustained analysis, this ground-breaking book considers the social policy, politics and legislation that surround and drive the crime reduction agenda. It analyzes: the creation of 'safe environments' through Town and Country Planning legislation the role of local authorities in crime reduction initiatives the nature of drug policy, paedophilia legislation and programs to control mental disorder crime. Bringing together the work of internationally renowned experts in this field, this book will prove very useful to students of criminology and sociology, as well as crime prevention and reduction practitioners, police officers and community safety partnership professionals.

Musings on Fashion and Style Dec 21 2021 For lovers of vintage clothing, British supermodel and vintage fashion muse Kate Moss unveils a personally curated selection of her favorite couture and costume pieces from the Museo de la Moda, the world-class fashion museum in Santiago, Chile. International fashion icon Kate Moss and the premier South American fashion museum Museo de la Moda meet in this undeniably stylish volume that celebrates iconic vintage fashion moments throughout history. The Museo de la Moda, founded in 1999, opened in 2007, and directed by Chile's first textile industry scion Jorge Yarur Bascuñán, is one of the world's most important but least-known museums of its kind, housing exquisite garments from nineteenth-century Dolman shawls to twenty-first-century sequin dresses by Balmain. Edited by Kate Moss with text contributions from fashion curator Lydia Kamitsis, this volume features a stylish selection of one hundred archival pieces from the museum, each charting different fashion trends that have inspired Moss's personal sartorial style. Organized by fashion theme, from 1920s opera coats to 1960s Swinging London designs, but also including iconic pieces of pop culture, such as Marilyn Monroe's black dresses and Jimi Hendrix's Indian tunics, each chapter showcases new images of the museum garments as selected by Moss, accompanied by interesting anecdotes and street-style photography documenting Moss wearing that particular fashion trend. This is a chic volume that will appeal to Moss's global following and readers passionate about style, fashion history, design, and culture.

Lake: A See to Learn Book Nov 07 2020 Lake: A See to Learn Book, the second book in the See to Learn series, is designed to inspire scientific curiosity, appreciation of beauty and connection to the natural world, through gentle questions and vibrant illustrations. Lake: A See to Learn Book is the second title in a series of non-fiction picture books for very young children that uses lyrical language to encourage a sensitive perception of the natural world and a caring connection with it. The text asks young readers to consider what they see and experience at a lake through the seasons — from dragonflies and hummingbirds in summer, to crimson leaves in fall, to goslings on the lake's icy surface in winter, to moose calves by the water's edge in spring — drawing local connections alongside those of a global sensibility. Gorgeous illustrations show a child and adult appreciating the lake's beauty, learning its secrets and enjoying moments of wonder, all first steps toward developing a lifelong awareness of our interconnectedness to the Earth and our impact on the environment. Includes suggestions for further reading and an author's note regarding aspects of shaping our inner environmental compass. Women Rough Sleepers in Europe Jan 28 2020 Homelessness among women is a major issue across Europe, especially in the current climate of weak economies and government austerity. The first book to concentrate specifically on women's homelessness, this book draws on data from an EU-funded study that looked at homeless women sleeping on the streets across the European Union. Arguing that there are currently little or no specific provisions for helping this vulnerable and hard-to-reach group, the authors offer a close look at what effective policies might be, what strategies and services could be deployed, and, in particular, how governments might address the more complicated needs of homeless women who have suffered from domestic abuse.
