The Go-Giver Oct 07 2020 A new edition with expanded content is available now, “ The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea ” An engaging book that brings new relevance to the old proverb “ Give and you shall receive ” The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of “ go-givers: ” a restaurateur, a CEO, a financial adviser, a real estate broker, and the “ Connector, ” who brought them all together. Pindar ’ s friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others ’ interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, The Go-Giver is a heartwarming and inspiring tale that brings new relevance to the old proverb “ Give and you shall receive. ” From the Hardcover edition.

The Compound Effect Apr 12 2021 The New York Times and Wall Street Journal bestseller, based on the principle that little, everyday decisions will either take you to the life you desire or to disaster by default. No gimmicks. No Hyperbole. No Magic Bullet. The Compound Effect is a distillation of the fundamental principles that have

guided the most phenomenal achievements in business, relationships, and beyond. This easy-to-use, step-by-step operating system allows you to multiply your success, chart your progress, and achieve any desire. If you're serious about living an extraordinary life, use the power of The Compound Effect to create the success you want. You will find strategies including: How to win--every time! The No. 1 strategy to achieve any goal and triumph over any competitor, even if they're smarter, more talented or more experienced. Eradicating your bad habits (some you might be unaware of!) that are derailing your progress. The real, lasting keys to motivation--how to get yourself to do things you don't feel like doing. Capturing the elusive, awesome force of momentum. Catch this, and you'll be unstoppable. The acceleration secrets of superachievers. Do they have an unfair advantage? Yes they do, and now you can too!

Think and Grow Rich: A Black Choice Feb 03 2023 "An inspiring and powerful success guide." ESSENCE Author and entrepreneur Dennis Kimbro combines bestselling author Napoleon Hill's law of success with his own vast knowledge of business, contemporary affairs, and the vibrant culture of Black America to teach you the secrets to success used by scores of black Americans, including: Spike Lee, Jesse Jackson, Dr. Selma Burke, Oprah Winfrey, and many others. The result is inspiring, practical, clearly written, and totally workable. Use it to unlock the treasure you have always dreamed of--the treasure that at last is within your reach.

The 48 Laws of Power Jun 02 2020 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ( “ Law 1: Never Outshine the Master ” ), others teach the value of confidence ( “ Law 28: Enter Action with Boldness ” ), and many recommend absolute self-preservation ( “ Law 15: Crush Your Enemy Totally ” ). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Andrew Carnegie Speaks to the 1% Dec 29 2019 Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote

a memo to himself, noting ..".The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich society, in an article called "The Gospel of Wealth" this book. Carnegie writes that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

How to Get Rich Oct 19 2021 Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

The Founder's Dilemmas Nov 19 2021 The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a

decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

The Success Secrets of the Rich and Happy May 14 2021 Happiness is a decision. Wealth is a choice. 23 chapters of research, stories and analysis of how you can implement the strategies to become more rich and more happy. Much more than we can every type here. 25 Universal Truths; How to change your belief systems relating to money; Change your rules for being happy; The trick to building assets & residual income; Why you might not want to be self-employed & how to save \$ on your taxes; Lots of handwriting samples of rich & happy people (Oprah, John Gleen, Michael J Fox, George W Bush, Martin Luther King, Rosa Parks, Helen Hunt, Drew Carey); Entire chapter on Health Habits of the World's healthiest people; The spiritual laws of success; Financial strategies you can use to day with no extra income; Why most people never get rich; How to control your emotional state at any time; Develop instant rapport using body language; So much more. . .

The Secret of Our Success Dec 09 2020 How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, The Secret of Our Success explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

Get Rich Collection Aug 29 2022 Three of the most important self-help tomes on

getting rich and prosperity—now available in one place and at one low price! These three books are considered by many experts to be the most important manuals on how to get rich and prosper. Written at the turn of the century, these books contain timeless wisdom that applies to yesterday, today, and the days to come. Why wait? Start living more prosperously today! Think and Grow Rich by Napoleon Hill This book has been called the "Granddaddy of All Motivational Literature." It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself. The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one. In the original Think and Grow Rich, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's thought, deftly interweaves anecdotes of how contemporary millionaires and billionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealth. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers. The Science of Getting Rich by Wallace D. Wattles As featured in the bestselling book The Secret, here is the landmark guide to wealth creation republished with the classic essay "How to Get What You Want." Wallace D. Wattles spent a lifetime considering the laws of success as he found them in the work of the world's great philosophers. He then turned his life effort into this simple, slender book—a volume that he vowed could replace libraries of philosophy, spirituality, and self-help for the purpose of attaining one definite goal: a life of prosperity. Wattles describes a definite science of wealth attraction, built on the foundation of one commanding idea: "There is a thinking stuff from which all things are made...A thought, in this substance, produces the thing that is imaged by the thought." In his seventeen short, straight-to-the-point chapters, Wattles shows how to use this idea, how to overcome barriers to its application, and how work with very direct methods that awaken it in your life. He further explains how creation and not competition is the hidden key to wealth attraction, and how your power to get rich uplifts everyone around you. The Science of Getting Rich concludes with Wattles' rare essay "How to Get What You Want"—a brilliant refresher of his laws of wealth creation. The Master Key System by Charles F. Haanel Businessman Charles F. Haanel made a meticulous study of the "Law of Attraction" in The Master Key System—a step-by-step guide to activating the principle of mental power, and a core inspiration behind The Secret.

Think And Grow Rich Mar 24 2022

Black Business Secrets Oct 31 2022 "Should I lower my price point? Give my new product away for free online? How do I compete when my goods, services, or business model might be duplicated?" In this candid, 21st-century-savvy guide, Dante Lee illustrates how passion can become profit by addressing the questions that every

businessperson needs to ask. *Black Business Secrets* discusses the entrepreneurial skills that African-American business owners must master in order to compete in a world where most new companies fail within three years. Whether you're a weekend entrepreneur or a career-changing professional, Lee's motto—"don't be a worrier, be a warrior"—applies. From personal branding to best practices, this empowering blueprint offers surefire tips and strategies designed to ensure business survival and success.

*Closing The Racial Wealth Gap: 7 Untold Rules for Black Prosperity and Legacy* Mar 31 2020 Differences in how races, religious and ethnic groups used financial tools and strategies prompted Eugene Mitchell to create the \$50 Billion Empowerment Plan for Black wealth. The plan amassed \$50 Billion of income protection for over 340,000 Black families. The Rules are simple and easy, and the book has resources, and how to get started.

*The Wealth Choice* Apr 05 2023 Bestselling personal finance author Dennis Kimbro interviews prominent black millionaires to learn how they got where they are and offers key insights for those struggling to reach the next level. It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, *The Wealth Choice* offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn't learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

*What Makes the Great Great* Dec 01 2022 Part vocational pep rally, part how-to book, in *What Makes the Great Great*, bestselling author Dennis Kimbro explores the strategies and thought processes of successful African-Americans. *What Makes the Great Great* elaborates on the inspiring message Dennis Kimbro put forth in his first book *Think and Grow Rich--A Black Choice*. Through dozens of interviews and the inspirational stories of people like John H. Johnson, Publisher of *Ebony* magazine, Condoleeza Rice, Provost of Stanford University, and Ann Fudge, President of Maxwell House Coffee, Dr. Kimbro outlines the nine strategies that determine success.

According to Dr. Kimbro, being great depends on a commitment to making dreams come true: "All high achievers make choices, not excuses." We all have the seeds of

greatness in us, and his book gives readers the tools to discover and nurture those seeds, showing them how to motivate themselves to master every aspect of their lives.

**Great by Choice Feb 08 2021** Ten years after the worldwide bestseller *Good to Great*, Jim Collins returns with another groundbreaking work, this time to ask: why do some companies thrive in uncertainty, even chaos, and others do not? Based on nine years of research, buttressed by rigorous analysis and infused with engaging stories, Collins and his colleague Morten Hansen enumerate the principles for building a truly great enterprise in unpredictable, tumultuous and fast-moving times. This book is classic Collins: contrarian, data-driven and uplifting.

**The Magic Ladder to Success Apr 24 2022** A renowned self-help guru distills the 17 factors that constitute his famous Law of Success philosophy. These key principles define the ethics and actions that empower individuals to assume leadership.

**The Laws of Wealth Sep 29 2022 Foreword By Morgan Housel** Psychology and the Secret to Investing Success In *The Laws of Wealth*, psychologist and behavioral finance expert Daniel Crosby offers an accessible and applied take on a discipline that has long tended toward theory at the expense of the practical. Readers are treated to real, actionable guidance as the promise of behavioral finance is realized and practical applications for everyday investors are delivered. Crosby presents a framework of timeless principles for managing your behavior and your investing process. He begins by outlining 10 rules that are the hallmarks of good investor behavior, including 'Forecasting is for Weathermen' and 'If You're Excited, It's Probably a Bad Idea'. He then goes on to introduce a unique new classification of behavioral investment risk that will enable investors and academics alike to understand behavioral risk in a coherent and comprehensive manner. *The Laws of Wealth* is a finance classic and a must-read for those interested in deepening their understanding of how psychology impacts financial decision-making. "Should be read by all those new to investing." JIM O'SHAUGHNESSY, International Bestselling Author "Don't let your mind ruin your investing outcomes." LOUANN LOFTON, *The Motley Fool* "Step away from CNBC and into financial therapy!" MEREDITH A. JONES, Author, *Women of The Street*

**Daily Motivations for African-American Success Jan 02 2023** Inside are the tools that will help you focus on the thoughts, attitudes, and deeds that will lead to the achievement of your true goals. In 365 short, powerful motivations, one for each day of the year, Dennis Kimbro, author of the popular *THINK AND GROW RICH: A BLACK CHOICE*, offers a treasure trove of practical inspiration that will give you fresh encouragement every day of the year. What it teaches you will last a lifetime.

**Napoleon Hill's a Year of Growing Rich Dec 21 2021** The phenomenal bestseller *Think and Grow Rich* established Napoleon Hill as an authority on motivation and success. These revised and updated motivational and inspirational passages—keys to wealth, power, happiness, and good health—were originally published in Hill's magazine, *Success Unlimited*.

**Think and Grow Rich Sep 05 2020** "An inspiring and powerful success guide." *ESSENCE* Author and entrepreneur Dennis Kimbro combines best-selling author

Napoleon Hill's law of success with his own vast knowledge of business, contemporary affairs, and the vibrant culture of Black America to teach you the secrets to success used by scores of black Americans, including: Spike Lee, Jesse Jackson, Dr. Selma Burke, Oprah Winfrey, and many others. The result is inspiring, practical, clearly written, and totally workable. Use it to unlock the treasure you have always dreamed of--the treasure that at last is within your reach. "From the Paperback edition.

The Psychology of Money Jan 22 2022 Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

Success and Luck Sep 17 2021 From New York Times bestselling author and economics columnist Robert Frank, a compelling book that explains why the rich underestimate the importance of luck in their success, why that hurts everyone, and what we can do about it How important is luck in economic success? No question more reliably divides conservatives from liberals. As conservatives correctly observe, people who amass great fortunes are almost always talented and hardworking. But liberals are also correct to note that countless others have those same qualities yet never earn much. In recent years, social scientists have discovered that chance plays a much larger role in important life outcomes than most people imagine. In *Success and Luck*, bestselling author and New York Times economics columnist Robert Frank explores the surprising implications of those findings to show why the rich underestimate the importance of luck in success—and why that hurts everyone, even the wealthy. Frank describes how, in a world increasingly dominated by winner-take-all markets, chance opportunities and trivial initial advantages often translate into much larger ones—and enormous income differences—over time; how false beliefs about luck persist, despite compelling evidence against them; and how myths about personal success and luck shape individual and political choices in harmful ways. But, Frank argues, we could decrease the inequality driven by sheer luck by adopting simple, unintrusive policies that would free up trillions of dollars each year—more than enough to fix our crumbling infrastructure, expand healthcare coverage, fight global warming, and reduce poverty, all without requiring painful sacrifices from anyone. If this sounds implausible, you'll be surprised to discover that the solution requires only a few, noncontroversial steps. Compellingly readable, *Success and Luck* shows how a more accurate understanding of the role of chance in life could lead to better, richer, and fairer economies and societies.

Quantum Success Jul 28 2022 What would you do if you could really achieve all that

you desire? This revealing look at the science of success will show you how to do just that! This formula for abundant living is actually based in the principles of quantum physics, and you can actually tap in to these powerful forces to make your dreams come true. Don't wait a moment longer to unlock that Universal door. By understanding the science of attraction and manifestation, you can take a quantum leap into a life of unparalleled prosperity and happiness.

Black Fortunes Mar 12 2021 “ By telling the little-known stories of six pioneering African American entrepreneurs, Black Fortunes makes a worthy contribution to black history, to business history, and to American history. ” —Margot Lee Shetterly, New York Times Bestselling author of Hidden Figures Between the years of 1830 and 1927, as the last generation of blacks born into slavery was reaching maturity, a small group of industrious, tenacious, and daring men and women broke new ground to attain the highest levels of financial success. Mary Ellen Pleasant, used her Gold Rush wealth to further the cause of abolitionist John Brown. Robert Reed Church, became the largest landowner in Tennessee. Hannah Elias, the mistress of a New York City millionaire, used the land her lover gave her to build an empire in Harlem. Orphan and self-taught chemist Annie Turnbo-Malone, developed the first national brand of hair care products. Mississippi school teacher O. W. Gurley, developed a piece of Tulsa, Oklahoma, into a “ town ” for wealthy black professionals and craftsmen that would become known as “ the Black Wall Street. ” Although Madam C. J Walker was given the title of America ' s first female black millionaire, she was not. She was the first, however, to flaunt and openly claim her wealth—a dangerous and revolutionary act. Nearly all the unforgettable personalities in this amazing collection were often attacked, demonized, or swindled out of their wealth. Black Fortunes illuminates as never before the birth of the black business titan.

The Wealth Choice Mar 04 2023 It ' s no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who ' ve scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, The Wealth Choice offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn ' t learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their

success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

Rich Dad Poor Dad Feb 29 2020 April 2017 marks 20 years since Robert Kiyosaki's Rich Dad Poor Dad first made waves in the Personal Finance arena. It has since become the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. Rich Dad Poor Dad is Robert's story of growing up with two dads -- his real father and the father of his best friend, his rich dad -- and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. 20 Years... 20/20 Hindsight In the 20th Anniversary Edition of this classic, Robert offers an update on what we've seen over the past 20 years related to money, investing, and the global economy. Sidebars throughout the book will take readers "fast forward" -- from 1997 to today -- as Robert assesses how the principles taught by his rich dad have stood the test of time. In many ways, the messages of Rich Dad Poor Dad, messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. As always, readers can expect that Robert will be candid, insightful... and continue to rock more than a few boats in his retrospective. Will there be a few surprises? Count on it. Rich Dad Poor Dad... \*

- \* Explodes the myth that you need to earn a high income to become rich
- \* Challenges the belief that your house is an asset
- \* Shows parents why they can't rely on the school system to teach their kids about money
- \* Defines once and for all an asset and a liability
- \* Teaches you what to teach your kids about money for their future financial success

Why Should White Guys Have All the Fun? Feb 20 2022 The inspiring story of Reginald Lewis: lawyer, Wall Street wizard, philanthropist--and the wealthiest black man in American history. Based on Lewis's unfinished autobiography, along with scores of interviews with family, friends, and colleagues, this book cuts through the myth and hype to reveal the man behind the legend.

The Mind of an Entrepreneur Aug 17 2021 Wendy Muhammad climbed the ladder from struggling real estate agent to self-made millionaire, all while overcoming the marginalization she faced as an African-American woman--and she would like to share her secrets. When she first started out as an entrepreneur, Wendy had plenty of things going for her. She was smart, determined--a hard worker with plenty of business experience in the corporate world. And yet she struggled. It was only after many years of working (and failing) that she finally discovered what she, along with so many others who have faced marginalization, needed to do: hone the right mindset for success. In The Mind of an Entrepreneur, Wendy shares the most vital mental tools that one needs to succeed as an entrepreneur, yet won't be covered in any business school curriculum:

understanding the importance of self-talk, improving your relationship with money, developing personal intuition, and a whole lot more. Don't you want to break free of failing business models and economic infrastructures? Then get ready. In this book, Wendy will show you how to aim for outstanding and break free of your mental borders in order to achieve the financial success you deserve.

The Wealth Choice May 06 2023 It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. To get where you want to go, personally and financially, you need to know the roadblocks that could derail your goals--and how to blast through them with poise, passion, and purpose. *Corner Office Choices* offers a holistic approach to financial, career, and personal planning that will give you the tools you need to build your ideal life. Mining her years of experience helping female professionals, Bridget Grimes addresses common obstacles to reaching your goals and shows you how to get past them, covering everything from how to protect your assets to how to nurture your

personal passions. It's time to bridge the gap between where you are and where you want to be—and Corner Office Choices is your roadmap to success.

**Success Secrets of the Rich and Happy** Jan 28 2020 This book is worth 100 times the cover price. After finishing this book, you will have a whole new outlook on your financial future and a tangible plan to get there. Get ready to at least double your income and embark on a new way of being. It may sound simple, but Bart shows you why this statement is true: "Happiness is a Choice -- Wealth is a Decision".

**The Little Black Book of Success** Jul 04 2020 This invaluable "mentor in your pocket" by three dynamic and successful black female executives will help all black women, at any level of their careers, play the power game—and win. Rich with wisdom, this practical gem focuses on the building blocks of true leadership—self-confidence, effective communication, collaboration, and courage—while dealing specifically with stereotypes (avoid the Mammy Trap, and don't become the Angry Black Woman) and the perils of self-victimization (don't assume that every challenge occurs because you are black or female). Some leaders are born, but most leaders are made—and The Little Black Book of Success will show you how to make it to the top, one step at a time.

**Money Won't Make You Rich** Jun 14 2021 Achieve Financial Success...God's Way! DIV Pastor Sunday Adelaja helped 200 people become millionaires in just two years by teaching them how to apply God's principles to their personal finances. Discover how they did it in Money Won't Make You Rich, a comprehensive guide to true prosperity and financial freedom. When you understand God's principles about finances, you can control your money without letting it control you. In this practical, inspirational guide, Pastor Adelaja combines biblical truth, financial advice, and his own life experiences to explain such topics as:

- The meaning of prosperity
- The nature of poverty
- The secret of success and four principles of continuous success
- Three laws to making your money work for you
- The reason for financial failure
- And much more

The Peebles Principles Jun 26 2022 Praise for The Peebles Principles "Don Peebles is an example of what entrepreneurs are all about. In this engaging and witty book, Peebles shares insights from his own success in the world of high- powered real estate. What makes this book different is Peebles doesn't just focus on the positive, he discusses the failures too--something every entrepreneur can expect in his journey to success. This book should be on every aspiring business- person's bookshelf to be read again and again." --Robert L. Johnson, Founder, BET and Owner, Charlotte Bobcats "The Peebles Principles provides a fun read and a bird's-eye view of the ever-changing world of a real estate entrepreneur. It is a good gut check for would-be entrepreneurs to ask if they have what it takes." --Dr. Peter D. Linnemann, Albert Sussman Professor of Real Estate, Wharton School of Business, University of Pennsylvania "Wow! What magnificent inspiration The Peebles Principles is for anyone seeking to be involved in business. The ground rules found in each chapter are absolute gems, and those alone make the book worth buying." --Cathy Hughes, Founder and Chairperson, Radio One, Inc. "This book is a brilliant example of entrepreneurship, creativity, and principles. Peebles walks you through many of his successful deals, from their inception to their completion. Once you start the book you won't be able to put it down until you've finished the last page." --Dr. Sanford L. Ziff, Founder and Chairman, Sunglass Hut International Inc.
