of Jupiter" is the story of a teenage girl, Isla, who moves home and has to start over at a new school in Region. Here she makes friends with Mar, who helps her adjust to her new circumstances, but she also comes across Oak, who is determined to make her life miserable and seems to bear a grudge. She spends her nights chatting online with Jupiter. They share a common passion for the stars. Isla finds solace in their relationship, but Mar remains unconvinced and would prefer to see Isla in a relationship with Anxo, a boy from their school, someone she has actually seen. Isla is insistent, however: Jupiter and she have arranged to meet on Midsummer's Eve, when they will finally discover whether their online relationship is for real... Other titles in the series Galician Wave include: "Winter Letters" by Agustin Fernandez Paz, "I Love You Leo A. Destination Somewhere" by Rosa Aneiros, "Dragal I: The Dragon's Inheritance" by Elena Gallego Abad, "The Painter with the Hat of Mallows" by Marcos Calveiro and "Dove and Cut Throat" by Fina Casalderrey." Not every child who dies goes on to the afterlife. Some are caught halfway between life and death, in a sort of limbo known as Everlost: a shadow of the living world, filled with all the things and places that no

longer exist. It's a magical, yet dangerous place where bands of lost kids run wild and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash, and end up in Everlost, where coins are more valuable than anyone knows, fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules, and figure out who they can trust--and who they must oppose at all costs. At stake is nothing less than the fate of Everlost and the living world they have left behind. In this gripping trilogy, Neal Shusterman explores questions of life, death, and what just might lie in between. Però, per estar a l'alçada de la resta dels equips, les noies necessiten alguna cosa més que ser bones jugadores: vestir amb un equip oficial. Un somni que sembla impossible perquè és massa car, però que en Sam resoldrà amb una idea de les seves i amb l'ajuda del nou club de fans. Jane Urquhart's stunning new novel weaves two parallel stories, one set in contemporary Toronto and Prince Edward County, Ontario, the other in the nineteenth century on the northern shores of

Lake Ontario. Sylvia Bradley was rescued from her parents' house by a doctor attracted to and challenged by her withdrawn ways. Their subsequent marriage has nourished her, but ultimately her husband's care has formed a kind of prison. When she meets Andrew Woodman, a historical geographer, her world changes. A year after Andrew's death, Sylvia makes an unlikely connection with Jerome McNaughton, a young Toronto artist whose discovery of Andrew's body on a small island at the mouth of the St. Lawrence River unlocks a secret in his own past. After Sylvia finds Jerome in Toronto, she shares with him the story of her unusual childhood and of her devastating and ecstatic affair with Andrew, a man whose life was irrevocably affected by the decisions of the past. At the breathtaking centre of the novel is the compelling tale of Andrew's forebears. We meet his great-great-grandfather, Joseph Woodman, whose ambitions brought him from England to the northeastern shores of Lake Ontario, during the days of the flourishing timber and shipbuilding industries; Joseph's practical, independent and isolated daughter, Annabel; and his son, Branwell, an innkeeper and a painter. It is Branwell's eventual liaison with an orphaned

French-Canadian woman that begins the family's new generation and sets the stage for future events. A novel about loss and the transitory nature of place, A Map of Glass is vivid with evocative prose and haunting imagery — a lake of light on a wooden table; a hotel gradually buried by sand; a fully clothed man frozen in an iceberg; a blind woman tracing her fingers over a tactile map. Containing all of the elements for which Jane Urquhart's writing is celebrated, it stands as her richest, most accomplished novel to date. Ja es comencen a notar els nervis dels últims dies de classe i per a la Sara i les seves amigues, els examens, la festa del final de curs i els partits dels play-off són massa coses per afrontar en tan pocs dies! A tot això, la Sara també hi haurà de sumar un incipient sentiment de formigueig a la panxa per algú molt especial. Moltes emocions barrejades justament en el moment més important de la lliga, la gran final. Adventure, romance, and magic fill this tale of a girl who longs for love and freedom, and above all, to know herself. In a time of kings, queens, and conspiracy, it's impossible to know whom one can trust. . . . In a kingdom far away and long ago, it was prophesied at her birth that the queen would die before her sixteenth birthday. So Shadow, an

orphan girl the same age as the young queen, was given the duty to watch her every move. And as prophecies do tend to come true, the queen is poisoned days before her birthday. When the castle is thrown into chaos, Shadow escapes with a young knight, whom she believes was betrothed to the queen. Unsure of why she is following Sir Kenway, but determined to run as far from her longtime prison as possible, Shadow sets off on an adventure with the handsome knight. But the kingdom is dying around them, and Shadow senses there are unknown forces at work. As mystery and romantic tension build, will Shadow uncover her own destiny?

Tales of the mailman of dreams. La direcció de l'escola ha decidit formar un equip de futbol per participar en la Lliga local. La Sara fa salts d'alegria: ella està boja pel futbol i és la millor jugadora de la seva classe. Però el professor de gimnàstica ha decidit que l'equip només serà masculí: "El futbol és un esport de nois, li diu. Indignada, la Sara decideix demostrar-li que les noies també saben jugar i li anuncia que formarà un equip de futbol femení. El problema és que només té una setmana... After running away from home, Krystal is transported to a faraway kingdom where an evil tyrant is bent on taking the crown - and Krystal's hand in

marriage. But when she falls in love with the rightful heir to the throne, she must make an impossible choice: sacrifice her one chance at happiness or face the destruction of an entire kingdom. Volto le spalle alla facciata della biblioteca, ai bar e agli studenti che prendono il sole, e mi inoltro nel bosco di colonne, diretta al parco che circonda l'edificio. I piccioni si spostano al mio passaggio. Poco dopo, l'ombra della biblioteca mi copre il sole. E di nuovo rabbrivisco. Questa volta sì che l'ho sentito. C'è qualcuno... o qualcosa... Lentamente, mi porto la mano dietro la schiena per prendere la spada, se necessario. Ma lui, o lei, o quella cosa, è più veloce. La vedo con la coda dell'occhio: un'ombra oscura che mi osserva dall'alto di una colonna. Mi volto, ma non c'è già più. La scorgo su un'altra colonna, ma non ho tempo di girarmi a guardare, lui, lei o qualunque cosa sia... né di identificarne i lineamenti, perché, con un salto incredibile, velocissimo, disumano, si avventa su di me e mi butta a terra, e la punta di una spada che non è la mia brilla per un attimo nelle mie pupille. I piccioni volano via, in un fuggi fuggi generale». Valencia, Berlino, Firenze, fino alle piramidi Maya: il viaggio senza fine di Cat alla scoperta della verità, fino alla Battaglia Finale.

Perché se non tutti i demoni sono malvagi, neanche tutti gli angeli sono buoni... Migliaia di fan, un grande caso editoriale: dopo Carlos Ruiz Zafón e Ildefonso Falcones, un altro successo che arriva dalla Spagna, e che non si farà dimenticare facilmente. A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and

Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her. I vår verden har en kriger og en magiker som er utvist fra Idhun dannet Motstandsbevegelsen. Også tenåringene Jack og Victoria tilhører denne gruppen. Kirtash skyr ingen midler for å hindre Motstandsbevegelsens arbeid ...

Nyle's life with her grandmother on their Vermont sheep farm advances rhythmically through the seasons until the night of the accident at the Cookshire nuclear power plant. Without warning, Nyle's

modest world fills with protective masks, evacuations, contaminated food, disruptions, and mistrust. Nyle adjusts to the changes. As long as the fallout continues blowing to the East, Nyle, Gran, and the farm can go on. But into this uncertain haven stumble Ezra Trent and his mother, "refugees" from the heart of the accident, who take temporary shelter in the back bedroom of Nyle's house. The back bedroom is the dying room: It took her mother when Nyle was six; it stole away her grandfather just two years ago. Now Ezra is back there and Nyle doesn't want to open her heart to him. Too many times she's let people in, only to have them desert her. Karen Hesse's voice and vision are grounded in truth; she takes on a nearly unharnessable subject, contains it, and makes it resonate with honesty. Part love story, part coming of age, *Phoenix Rising* is a tour de force by a gifted writer. All you have to do is imagine--the Omnia superstore has anything you could ever dream of. It is a hub for a business with intergalactic reach, and while stray visitors to Omnia are welcomed warmly, they are not permitted to leave, ever. The adventure of a lifetime awaits Nico as he searches for the beloved toy and tries to find a way to return home. Kobe Bryant's legacy of uplifting and inspiring young athletes continues in this highly anticipated follow-up to the #1 New York Times bestseller Legacy and the Queen. Legacy Petrin is a national tennis champion, but she doesn't feel like one. At the orphanage where she grew up, far from the city where she learned to shine, Legacy struggles to focus on her training. Her famous magical inner light dims and darkens until she barely recognizes herself. Then a girl who looks exactly like Legacy—same burlap dress, same signature glow—starts playing in Legacy's name. She wins matches in the city, makes charming speeches in support of "Queen" Silla, and gains a devoted following. Soon, Silla issues a decree against impersonating champions, which means that the real Legacy could be arrested simply for looking like herself.

To reclaim her name and her identity, Legacy has no choice but to compete in disguise . . . until she can rise through the ranks, face off against her imposter, and prove that she is the one and only Legacy Petrin—a champion who was born to shine. language in the Valencian Community. There are dialectical differences from standard Catalan, and under the Valencian Statute of Autonomy, the Academia Valenciana de la Llengua has been established as its regulator. It is frequently spoken of as a separate language, the llengua valenciana, though opposition to the use of standard Catalan occurs primarily among those who do not regularly use the language.

Valencian/Catalan, like the closely related Occitan, has a long literary tradition, especially Late Medieval and Renaissance. One of the most outstanding works of all Catalan and Valencian literature is the romance *Tirant lo Blanch*, written by the Valencian knight and poet Joanot Martorell. hesitate when she is asked to stay with the Widow Aurelia Mercer and help her with a family of runaway slaves hiding in her attic. And she learns so much from her experience--about growing up, love, and standing on her own. But what will Lucy do when she is asked to make the ultimate sacrifice and leave all she loves behind?

Bipa no cree en los cuentos de hadas. No le interesa nada más allá de las cuevas donde vive su gente. En cambio su amigo Aer, el hijo del extranjero, parece que cada vez se aleja más de la realidad y va dejándose absorber por el brillo de la estrella azul... donde dicen que vive la Emperatriz de los Etéreos. ¿Por qué quiere partir si en el exterior sólo hay hielo y al parecer lo único que se encuentra es la muerte? -- A third grader realizes the importance of her name in this classic story of heritage and self-identity. Bringing together ecofeminism and ecological literary criticism (ecocriticism), this book presents diverse ways of understanding and responding to the tangled relationships between the personal, social, and environmental dimensions of human experience and expression. Literature and Ecofeminism explores the intersections of sexuality, gender, embodiment, and the natural world articulated in literary works from Shakespeare through to contemporary literature. Bringing together essays from a global group of contributors, this volume draws on American literature, as well as Spanish, South African, Taiwanese, and Indian

literature, in order to further the dialogue between ecofeminism and ecocriticism and demonstrate the ongoing relevance of ecofeminism for facilitating critical readings of literature. In doing so, the book opens up multiple directions for ecofeminist ideas and practices, as well as new possibilities for interpreting literature. This comprehensive volume will be of great interest to students and scholars of ecocriticism, ecofeminism, literature, gender studies, and the environmental humanities.
