**Crazy Sorrow** Nov 11 2021 A lyrical novel, spanning four decades in New York City, about a couple torn apart and the lengths to which they will go to be reunited. Vince Passaro's first novel, 2002's *Violence, Nudity, Adult Content*, was a provocative book that explored the darkest human emotions and the traumas of mental illness, sexual assault, and murder.

Now, nearly twenty years later, Passaro is back with his follow-up, *Crazy Sorrow*, a novel that is equally explosive and more grand in scope. The story opens in the shadow of the new World Trade Center, on July 4, 1976, when students George and Anna meet on the weed- and wine-fueled night of the nation's Bicentennial celebration. George, haunted by his upbringing, instantly falls for the sensual, magnetic Anna. Soon, they couple up, dropping acid, swapping music, exploring the city and each other. Yet their romance is short-lived, and they go their own ways. Passaro chronicles the next four decades, following George and Anna through their various relationships, their sex lives both youthful and mature, their failed marriages, and the travails of parenthood and their careers. Yet as the years go by one thing remains constant: the former lovers wonder what happened to each other. Finally, miraculously, they reconnect as the new century is beginning, only to discover that history itself will have a say in whether they can stay together. *Crazy Sorrow* is an ambitious examination of the forces that draw people together and drive them apart—yet it also expands beyond the points of view of its characters to capture the movement of time and to reveal a living, breathing New York that is both constantly changing and always familiar. *Crazy Sorrow* stands as Passaro's powerful love letter to his characters and to the city that has shaped them.

**My Boy Will Die of Sorrow** Sep 09 2021 This deeply personal perspective from a human rights lawyer—whose work on the front lines of the fight against family separations in South Texas intertwines with his own story of immigrating to the United States at thirteen—reframes the United States' history as a nation of immigrants but also a nation against immigrants. In the summer of 2018, Efrén C. Olivares found himself representing hundreds of immigrant families when Zero Tolerance separated thousands of children from their parents at the U.S.-Mexico border. Twenty-five years earlier, he had been separated from his own father for several years when he migrated to the U.S. to work. Their family was eventually reunited in Texas, where Efrén and his brother went to high school and learned a new language and culture. By sharing these gripping family separation stories alongside his own, Olivares gives voice to immigrants who have been punished and silenced for seeking safety and opportunity. Through him we meet Mario and his daughter

Oralia, Viviana and her son Sandro, Patricia and her son Alessandro, and many others. We see how the principles that ostensibly bind the U.S. together fall apart at its borders. *My Boy Will Die of Sorrow* reflects on the immigrant experience then and now, on what separations do to families, and how the act of separation itself adds another layer to the immigrant identity. Our concern for fellow human beings who live at the margins of our society—at the border, literally and figuratively—is shaped by how we view ourselves in relation both to our fellow citizens and to immigrants. He discusses not only law and immigration policy in accessible terms, but also makes the case for how this hostility is nothing new: children were put in cages when coming through Ellis Island, and Japanese Americans were forcibly separated from their families and interned during WWII. By examining his personal story and the stories of the families he represents side by side, Olivares meaningfully engages readers with their assumptions about what nationhood means in America and challenges us to question our own empathy and compassion.

***Sweet Sorrow*** May 17 2022 From the best-selling author of *One Day* comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love—and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father—when surely it should be the other way round—and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, *Romeo and Juliet* learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, *Sweet Sorrow* is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. ***Sorrow and Bliss*** Dec 24 2022 "Brilliantly faceted and extremely funny. . . . While I was reading it, I was making a list of all the people I wanted to send it to, until I realized that I wanted to send it to everyone I know." —Ann Patchett "Improbably charming...will have you chortling and reading lines aloud." —PEOPLE The internationally bestselling, compulsively readable novel—spiky, sharp, intriguingly dark, and tender—that combines the psychological insight of Sally Rooney with the sharp humor of Nina Stibbe and the emotional resonance of Eleanor Oliphant Is Completely Fine. Martha Friel just turned forty. Once, she worked at Vogue and planned to write a novel. Now, she creates internet content. She used to live in a pied-à-terre in Paris. Now she lives in a gated community in Oxford, the only person she knows without a PhD, a baby or both, in a house she hates but cannot bear to leave. But she must leave, now that her husband Patrick—the kind who cooks, throws her birthday parties, who loves her and has only ever wanted her to be happy—has just moved out. Because there's something wrong with Martha, and has been for a long time. When she was seventeen, a little bomb went off in her brain and she was never the same. But countless doctors, endless therapy, every kind of drug later, she still doesn't know what's wrong, why she spends days unable to get out of bed or alienates both strangers and her loved ones with casually cruel remarks. And she has nowhere to go except her childhood home: a bohemian (dilapidated) townhouse in a romantic (rundown) part of London—to live with her mother, a minorly important sculptor (and major drinker) and her father, a famous poet (though unpublished) and try to survive without the devoted, potty-mouthed sister who made all the chaos bearable back then, and is now too busy or too fed up to deal with her. But maybe, by starting over, Martha will get to write a better ending for herself—and she'll find out that she's not quite finished after all.

***Sorrow of the Earth*** Mar 23 2020 Fascinating, brilliant and angry: the tale of Buffalo Bill's Wild West Show and the tragic fate of its Native American participants. Buffalo Bill was the prince of show business. His spectacular Wild West shows were performed to packed houses across the world, holding audiences spellbound with their grand re-enactments of tales from the American frontier. For Bill gave the crowds something they'd never seen before: real-life Indians. This astonishing work of historical re-imagining tells the story of the Native Americans swallowed up by Buffalo Bill's great entertainment machine. Of chief Sitting Bull, paraded in theatres to boos and catcalls for fifty dollars a week. Of a baby Lakota girl, found under her mother's frozen body, adopted and displayed on the stage. Of the last few survivors of Wounded Knee, hired to act out the horrific massacre of their tribe as entertainment. And of Buffalo Bill Cody himself, hamming it to the last, even as it consumed him. Told with beauty, compassion and anger, *Sorrow of the Earth* shows us tragedy turned into a circus act, history into sham, truth into a spectacle more powerful than reality itself. Could any of us turn away?

**Sorrow Road** Aug 08 2021 In 1944, three young men from a small town in West Virginia are among the American forces participating in D-Day, changing the fortunes of the war with one bold stroke. How is that moment aboard a Navy ship as it barrels toward the Normandy shore related to the death of an old man in an Appalachian nursing home seventy-two years later? In *Sorrow Road*, the latest mystery from Pulitzer Prize-winning writer Julia Keller, two stories—one set in the turbulent era of World War II and one in the present day—are woven together to create a piercingly poignant tale of memory and family, of love and murder. Bell Elkins, prosecuting attorney in Acker's Gap, West Virginia, is asked by an old acquaintance to look into the death of her beloved father in an Alzheimer's care facility. Did he die of natural causes—or was something more sinister to blame? And that's not the only issue with which Bell is grappling: Her daughter Carla has moved back home. But something's not right. Carla is desperately hiding a secret. Once again, past and present, good and evil, and revenge and forgiveness clash in a riveting story set in the shattered landscape of Acker's Gap, where the skies can seem dark even at high noon, and the mountains lean close to hear the whispered lament of the people trapped in their shadow.

We're not alone in our fight . . . in our struggles . . . in our loneliness...or in our questions. Other people are going through tough times too, and are pressing on through the storms. It's usually easier for us to press on when we see that others have gone before us and have found joy again. We often need others to stand in the gap for us, when we cannot stand on our own during those difficult times. If we look--if we watch, we'll see and notice that we are never alone. When it's more than we can bear--Jesus stands in those gaps for us. He is able. Give it to God and let Him put your life back together again!

**"Can You Run Away from Sorrow?"** Jan 25 2023 This intimate social history of family life in 1990s Serbia considers how emigration effects the elders left behind. The fall of Yugoslavia in the 1990s led citizens to look for better, more stable lives elsewhere. For the older generations, however, this wasn't an option. In this powerful work, Ivana Bajic-Hajdukovic reveals the impact that waves of emigration from Serbia had on family relationships and, in particular, on elderly mothers who stayed. With nowhere to go, and any savings given to their children to help establish new lives, these seniors faced a crumbling economy, waves of refugees entered from Croatia and Bosnia-Herzegovina, NATO bombings, and the trial and ouster of Slobodan Milosevic. Bajic-Hajdukovic explores the transformations of family relationships and daily life practices in people's homes, from foodways and childcare to gift exchanges. "Can You Run Away from Sorrow?" illustrates not only the tremendous sacrifice of parents, but also their profound sense of loss—of their families, their country, their stability and dignity, and most importantly, of their own identity and hope for what they thought their future would be.

**The Cure for Sorrow** Jul 07 2021 When Jan Richardson unexpectedly lost her husband and creative partner, the singer/songwriter Garrison Doles, she did what she had long known how to do: she wrote blessings. These were no sugar-coated blessings. They minimized none of the pain

and bewilderment that came in the wake of a wrenching death. With these blessings, Jan entered, instead, into the depths of the shock, anger, and sorrow. From those depths, she has brought forth words that, with heartbreaking honesty, offer surprising comfort and stunning grace. Those who know loss will find kinship among these pages. In these blessings that move through the anguish of rending into the unexpected shelters of solace and hope, there shimmers a light that helps us see we do not walk alone. From her own path of grief, Jan offers a luminous, unforgettable gift that invites us to know the tenacity of hope and to recognize the presence of love that, as she writes, is "sorrow's most lasting cure."

**A Mercy** Feb 14 2022 A powerful tragedy distilled into a small masterpiece by the Nobel Prize-winning author of *Beloved* and, almost like a prelude to that story, set two centuries earlier. Jacob is an Anglo-Dutch trader in 1680s United States, when the slave trade is still in its infancy. Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt. Feeling rejected by her slave mother, 14-year-old Florens can read and write and might be useful on his farm. Florens looks for love, first from Lina, an older servant woman at her new master's house, but later from the handsome blacksmith, an African, never enslaved, who comes riding into their lives . . . At the novel's heart, like *Beloved*, it is the ambivalent, disturbing story of a mother and a daughter - a mother who casts off her daughter in order to save her, and a daughter who may never exorcise that abandonment.

**The Beauty and the Sorrow** Oct 10 2021 An intimate narrative history of World War I told through the stories of twenty men and women from around the globe--a powerful, illuminating, heart-rending picture of what the war was really like. Drawing on the diaries, journals, and letters of twenty individuals from Belgium, Denmark, France, Great Britain, Germany, Austria, Hungary, Italy, Australia, New Zealand, Russia, Venezuela, and the United States, Englund's collection of these varied perspectives describes not a course of events but "a world of feeling." Adam McCormick had just turned fifteen when the body was found in the woods. It is the beginning of an autumn that will change his life forever. Jamie Marks was a boy a lot like Adam, a boy no one paid much attention to—a boy almost no one would truly miss. And for the first time, Adam feels he has a purpose. Now, more than ever, Jamie needs a friend. But the longer Adam holds on to Jamie's ghost, the longer he keeps his friend tethered to a world where he no longer belongs . . . and the weaker Adam's own ties to the living become. Now, to find his way back, Adam must learn for himself what it truly means to be alive. **Bittersweet** Apr 16 2022 Whether you long for the partner who broke

up with you, or the one you dream of meeting; whether you hunger for the happy childhood you'll never have, or for the divine; whether you yearn for a lost person, an unborn child, the fountain of youth, or unconditional love- These are all manifestations of the same great ache... In this inspiring masterpiece, Susan Cain - author of the international bestseller *Quiet* - shows us the power of a "bittersweet" outlook- the dramatically overlooked tendency to states of longing and poignancy, and a curiously piercing joy at the beauty of the world. Embracing the bittersweet means understanding that light and dark, birth and death - bitter and sweet - are forever paired, and that only by recognising this can we be fully whole. Bringing to light the ideas of artists, writers and thinkers from all over the world, and her own quest for answers over the course of a lifetime, Susan Cain shifts our understanding of the world by teaching us how to transform pain and sorrow into creativity and love - and therefore how to turn our sadness into an enriching superpower.

[The Wild Edge of Sorrow](#) Nov 30 2020 The work of the mature person is to carry grief in one hand and gratitude in the other and be stretched large by them. Noted psychotherapist Francis Weller provides an essential guide for navigating the deep waters of sorrow and loss in this lyrical yet practical handbook for mastering the art of grieving.

Describing how Western patterns of amnesia and anesthesia affect our capacity to cope with personal and collective sorrows, Weller reveals the new vitality we may encounter when we welcome, rather than fear, the pain of loss. Through moving personal stories, poetry, and insightful reflections he leads us into the central energy of sorrow, and to the profound healing and heightened communion with each other and our planet that reside alongside it. *The Wild Edge of Sorrow* explains that grief has always been communal and illustrates how we need the healing touch of others, an atmosphere of compassion, and the comfort of ritual in order to fully metabolize our grief. Weller describes how we often hide our pain from the world, wrapping it in a secret mantle of shame. This causes sorrow to linger unexpressed in our bodies, weighing us down and pulling us into the territory of depression and death. We have come to fear grief and feel too alone to face an encounter with the powerful energies of sorrow. Those who work with people in grief, who have experienced the loss of a loved one, who mourn the ongoing destruction of our planet, or who suffer the accumulated traumas of a lifetime will appreciate the discussion of obstacles to successful grief work such as privatized pain, lack of communal rituals, a pervasive feeling of fear, and a culturally restrictive range of emotion. Weller highlights the intimate bond between grief and gratitude, sorrow and intimacy. In addition to showing us that the greatest gifts are often hidden in the things we avoid, he offers powerful tools and rituals and a list of resources to help us transform grief into a force that allows us to live and love more fully.
