Outwitting the Devil Evernote: A Success Manual for College Students Outwitting the Devil Outwitting the Devil Action Guide Summary of “Outwitting the Devil” by Napoleon Hill - Free book by QuickRead.com Nineteen Eighty-Four The Secret Lives of Men SUMMARY - Outwitting The Devil: The Secret To Freedom And Success By Napoleon Hill Strategy Summary of Outwitting the Devil – [Review Keypoints and Take-aways] The Case of the Case of Mistaken Identity The Last Painting of Sara de Vos The Secret of the Swamp King The Library of the Unwritten Three Feet from Gold If I Ran the Zoo The Law of Success Outwitting the Gestapo How to Raise Your Own Salary The God of Lost Words Napoleon Hill’s Keys to Success Inclusion Breakthrough Adrift on the Pacific, Or, The Secret of the Island Cave The Keys To Success Bull’s Eye The Secret Box How to Be True Snow Treasure Alias Anna Relentless The Leader in You Think and Grow Rich Circles Disturbed The Laws of Human Nature King Arthur and the Dragon of Camelot Outwitting the Devil The Secrets We Kept The Hidden Trail Outwitting Cats The Power of Intention, Gift Edition

Following the success of his 1937 landmark bestseller, *Think and Grow Rich*, Napoleon Hill wrote *Outwitting the Devil*, an exposé on the methods the Devil uses to ensnare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil’s code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill’s original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, “bring harmony out of chaos in this age of frustration and fear.” If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline—if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy—the seven principles to freedom detailed in this book herald your redemption. You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all. In this delightfully zany yet heartwarming novel, a young girl and her friends take Paris by storm. Edie Berger is a prankster, the daughter of activists, and a revolutionary in her own right. Paris is Edie’s home and her favorite place in the world. But when her parents decide to travel the globe fighting for good causes, Edie is left in the care of Odette, her strict grandmother—and, ultimately, shipped off to boarding school in England. A school trip finds Edie back in the streets of Paris, exploring with her friends and forced to confront the grandmother who sent her away. But is there more to Odette than Edie realizes? Featuring madcap adventures, pastries, macarons, an intrepid army of first-years, a secret underground network of nuns, a truly excellent art heist, and lots of bravery, this is a story about loving with your whole heart and standing up for what you believe in. *The Secret Box* is a Junior Library Guild selection and the first in an irresistible middle grade series that will delight fans of Dan Gutman, Wendy Mass, and Trenton Lee Stewart. What starts as a fun quest to open a mysterious birthday present quickly turns crazy and dangerous when Jax and her cousin Ethan discover themselves at the center of a special magical legacy. Soon they realize the secret box was not intended as a gift, but as call for help that they alone can answer. Readers will love the page-turning mystery, hilarious girl and boy narrators, and clever incorporation of mythology—and lingering questions will leave them eager for more. **NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK** At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak’s magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally’s tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. *The Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired Zhivago’s heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world. Self-help guru Napoleon Hill queried dozens of prosperous individuals about how they achieved success, distilling their responses into principles that promote self-confidence, thrift, imagination, enthusiasm, self-control, concentration, and cooperation. Following the success of his 1937 landmark bestseller, *Think and Grow Rich*, Napoleon Hill wrote *Outwitting the Devil*, an exposé on the methods the Devil uses to ensare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil’s code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill’s original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, "bring harmony out of chaos in this age of frustration and fear." If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline--if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy--the seven principles to freedom detailed in this book herald your redemption. You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all. Reaching out from the era of the Great Depression to offer a message of hope through the power of positive thinking, *Outwitting the Devil* asks you to imagine what you could accomplish if you relinquished fear and self-doubt. Although it was originally written in 1938, Napoleon Hill’s breakthrough self-help book, *Outwitting the Devil* was lost to the world until 2011 due to censorship. Outlining Hill’s personal views on the toxicity of church and standardized education alike, *Outwitting the Devil* encourages readers to break free of the fears that may be fostered by education and religion to achieve personal success and embrace the life lessons taught by failure. This deluxe edition of the classic work, *Think and Grow Rich*, includes a 21st century study guide filled with practices and exercises that will flood your conscious and subconscious mind, heart, and soul, with positive energy and life-enhancing ideas. Be all you are capable of as you start a journey of self discovery on your way to accumulating all of the riches that you desire. The moving true story of how young Ukrainian Jewish piano prodigies Zhanna (alias “Anna”) and her sister Frina outplayed their pursuers while hiding in plain sight during the Holocaust. A middle grade nonfiction novel-in-verse by award-winning author Susan Hood with Greg Dawson (Zhanna’s son). She wouldn’t be Zhanna. She’d use an alias. A for Anna. A for alive. When the Germans invade Ukraine, Zhanna, a young Jewish girl, must leave behind her friends, her freedom, and her promising musical future at the world’s top conservatory. With no time to say goodbye, Zhanna, her sister Frina, and their entire family are removed from their home by the Nazis and forced on a long, cold, death march. When a guard turns a blind eye, Zhanna flees with nothing more than her musical talent, her beloved sheet music, and her father’s final plea: “I don’t care what you do. Just live.” This incredible true story in-verse about sisterhood, survival, and music is perfect for fans of *Lifeboat 12*, *Inside Out and Back Again*, and *Alan Gratz*. Includes extensive back matter with original letters and photographs, additional information, and materials for further reading. DigiCat Publishing presents to you this special edition of "The Hidden Trail" by Roy J. Snell. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. \* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will discover that you are solely responsible for your success. You will also discover that : Fear and ignorance are man's worst enemies; The difficult periods of your life are stepping stones that will allow you to rebound better afterwards; Knowing how to surround yourself with the right people is essential if you want to reach your goals; The trials you go through reflect your state of mind; Succeeding on a personal and professional level is easy, because the means to do so are within you. In 1929, the United States faced an unprecedented economic crisis. Napoleon Hill, author of several revolutionary books on the secrets of success and wealth, was ruined. He came to question his vision of success and wrote "Smarter than the Devil" in 1938, which was published 70 years later. Through an allegorical discussion between himself ("Mr. Earthman") and the character of the Devil, he reveals that man is the fomentor of his own misfortune, because he is ruled by fear. This fear is your own Devil, in other words, yourself. In order to put an end to this self-destructive enterprise, Hill motivates you by emphasizing project development, inspiration, going beyond your limits and the need to surround yourself well. He dismantles all the methods used by this "Devil" who seeks to destabilize you, or even lead you to your loss. You will thus be able to thwart his traps and transform your weaknesses into strengths. \*Buy now the summary of this book for the modest price of a cup of coffee! Four children set off together one stormy December day on an imaginary quest to find King Arthurs famous sword, Excalibur. They have no idea that they will end up lost and on the adventure of a lifetime. Led by the eldest, Timothy, the three other children Diane, Mark, and Joan are no strangers to excitement; even so, nothing could prepare them for the mysterious, secret castle hidden deep in the dark forest near home. The childrens imaginations could never have conjured the monstrous dragon living in the ruins of the castle. As they face a series of terrifying battles between the forces of good and evil, the children find themselves investigating a local mystery, discovering an ancient prophecy, and recognising the part each must play in the fight against evilepecially if they want to save others from danger. In this thrilling adventure into mythology and dreams, four children must rely on their strongest qualities toughness, solidarity, tenderness, ingenuity, perseverance, and courage in order to save the day. They will learn that every hero must play his or her part in the battle against evil. The book focuses on identifying your own leadership strengths to get success. Leadership is never easy. But thankful, something else is also true. Everyone of us has the potential to be a leader every day. Many people still have a narrow understanding of what leadership really is. But the fact of the matter is that leadership doesn't begin and end at the very top. It is every bit as important, perhaps more important, in the place most of us live and work. The leadership techniques that will work best for you are the ones you nurture inside. The best selling book on Human relations. Seventh-grader Steve Brixton is an avid reader of the Bailey Brothers series, and he’s about to get a chance to put the detective tactics he’s read so much about into practice. He’s out to solve a mystery being investigated by America’s most secret crime solving agency: the United States Department of Library Sciences. It will take all of Steve’s skills to navigate this story of intrigue and crime as he tracks down the missing quilt (yes, quilt) containing all of America’s secrets. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful gift edition of Wayne’s international bestseller explores intention—not as something we do—but as an energy we’re a part of. We’re all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne’s vision of an individual connected at all times to the universal mind of intention. "Intention is a force in the universe, and everything and everyone is connected to this invisible force." Regain control over your own mind and conquer, once and for all, the negative influences in your environment with Napoleon Hill’s *Outwitting the Devil Action Guide*. After publishing his all-time bestseller *Think and Grow Rich*, Hill found himself plagued by indecision and unable to fully implement his own success principles. Forced to consult the Devil to understand the larger forces at work upon an individual, Hill discovered the greatest of all principles—a natural law that grants or denies humans spiritual and economic freedom, depending on how they use their mind. What emerges is an achievement philosophy that challenges the accepted wisdom of civilization and identifies independence of thought and harmonious relationships as the secret to freedom and success. Hill recorded his interview with darkness in *Outwitting the Devil*, which remained unpublished for 70 years later because of its controversial ideas. Truth is often embedded in stories we don’t want to hear. The Devil won for a span of time, but the victory is no longer his. The keys to freedom of thought and abundance—in all domains of life—are now available to you. This summary and action guide equips you to chart your own path to self-determination using Hill’s discoveries as your roadmap. The book is organized into 20 core success concepts whose mastery will help you harness the power of your thoughts and make nature’s greatest law work in your favor. Although suitable for individual study, readers will find the most benefit from discussing the principles in the context of a study group or book club. So, clear your mind of preconceived notions and dominant societal narratives, and prepare yourself to be taken on a journey of self-discovery that will restore power over your mind so that you can make life pay off on your own terms. King Darrow sends Aidan Errolson on an impossible quest, hoping he will never return, and although Aidan has enough friends to succeed on the journey, even he might not be able to defeat the powerful enemy that awaits him at its end. “Written in prose so clear that we absorb its images as if by mind meld, “The Last Painting” is gorgeous storytelling: wry, playful, and utterly alive, with an almost tactile awareness of the emotional contours of the human heart. Vividly detailed, acutely sensitive to stratifications of gender and class, it’s fiction that keeps you up at night — first because you’re barreling through the book, then because you’ve slowed your pace to a crawl, savoring the suspense.”

—Boston Globe A New York Times Bestseller A New York Times Book Review Editor's Choice A RARE SEVENTEENTH-CENTURY PAINTING LINKS THREE LIVES, ON THREE CONTINENTS, OVER THREE CENTURIES IN THE LAST PAINTING OF SARA DE VOS, AN EXHILARATING NEW NOVEL FROM DOMINIC SMITH. Amsterdam, 1631: Sara de Vos becomes the first woman to be admitted as a master painter to the city's Guild of St. Luke. Though women do not paint landscapes (they are generally restricted to indoor subjects), a wintry outdoor scene haunts Sara: She cannot shake the image of a young girl from a nearby village, standing alone beside a silver birch at dusk, staring out at a group of skaters on the frozen river below. Defying the expectations of her time, she decides to paint it. New York City, 1957: The only known surviving work of Sara de Vos, At the Edge of a Wood, hangs in the bedroom of a wealthy Manhattan lawyer, Marty de Groot, a descendant of the original owner. It is a beautiful but comfortless landscape. The lawyer's marriage is prominent but comfortless, too. When a struggling art history grad student, Ellie Shipley, agrees to forge the painting for a dubious art dealer, she finds herself entangled with its owner in ways no one could predict. Sydney, 2000: Now a celebrated art historian and curator, Ellie Shipley is mounting an exhibition in her field of specialization: female painters of the Dutch Golden Age. When it becomes apparent that both the original At the Edge of a Wood and her forgery are en route to her museum, the life she has carefully constructed threatens to unravel entirely and irrevocably. "Hackwith's poignant, imaginative series sends readers on an amazing journey, with profound prose that will capture hearts and minds."\* To save the Library of the Unwritten in Hell, former librarian Claire and her allies may have to destroy it first. Claire, rakish Hero, angel Rami, and muse-turned-librarian Brevity have accomplished the impossible by discovering the true nature of unwritten books. But now that the secret is out, in its quest for power Hell will be coming for every wing of the Library. To protect the Unwritten Wing and stave off the insidious reach of Malphas, one of Hell's most bloodthirsty generals, Claire and her friends will have to decide how much they're willing to sacrifice to keep their vulnerable corner of the afterlife. Succeeding would mean rewriting the nature of the Library, but losing would mean obliteration. Their only chance at survival lies in outwitting Hell and writing a new chapter for the Library. Luckily, Claire and her friends know how the right story, told well, can start a revolution. \*Library Journal (starred review) In Evernote: A Success Manual for College Students, Stan Skrabut capitalizes on his decades of experience in higher education as an educator and student to share a tool that will help you become more successful in college. This tool is Evernote. Evernote can be used in all aspects of college life to make your experience less overwhelming. Skrabut not only provides a detailed overview of the Evernote application, you will learn strategies for using Evernote both in and out of the classroom. These strategies cover the many ways to take classroom notes along with best practices, conducting research, studying for exams, and tracking extracurricular activities. In this book, you will also learn how to integrate Evernote with other applications so that you can automate your research. Throughout the book, Skrabut offers detailed, concrete examples for using Evernote from setting up preferences, creating saved searches, and developing master study notes. These time saving strategies will help you spend more time focusing on learning. It is time to put your digital brain to work. In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an eye on restless stories that risk materializing as characters and escaping the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell...and Earth. Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals. Napoleon Hill summed up his philosophy of success in Think and Grow Rich!, one of the bestselling inspirational business books ever. A recent USA Today survey of business leaders named it one of the five most influential books in its field, more than 40 years after it was first published. Now, in Napoleon Hill's Keys to Success, his broadly outlined principles are expanded in detail for the first time, with concrete advice on their use and implementation. Compiled from Hill's teaching materials, lectures, and articles, Napoleon Hill's Keys to Success provides mental exercises, self-analysis techniques, powerful encouragement, and straightforward advice to anyone seeking personal and financial improvement. In addition to Hill's many personal true-life examples of the principles in action, there are also contemporary illustrations featuring dynamos like Bill Gates, Peter Lynch, and Donna Karan. No other Napoleon Hill book has addressed these 17 principles so completely and in such precise detail. For the millions of loyal Napoleon Hill fans and for those who discover him each year, Napoleon Hill's Keys to Success promises to be a valuable and important guide on the road to riches. The summary of Outwitting the Devil – The Secret to Freedom and Success presented here include a short review of the book at the start followed by quick overview of main points and a list of important take-aways at the end of the summary. The Summary of Outwitting the Devil , which was written by Napoleon Hill in 1938 but did not see publication until 2011, was an unpublished manuscript for over seventy years. This book by Hill is a collection of sage words of wisdom on how to be successful in all aspects of life. It was edited and annotated by Sharon Lechter, who places the material in its proper context for readers living in the modern era. Readers now have complete access to Hill's personal beliefs regarding the forces that are preventing us from leading a successful life and the principles that will enable us to overcome those forces. Hill believes that these forces are holding us back from leading a successful life. Outwitting the Devil summary includes the key points and important takeaways from the book Outwitting the Devil by Napoleon Hill. Disclaimer: 1. This summary is meant to preview and not to substitute the original book. 2. We recommend, for in-depth study purchase the excellent original book. 3. In this summary key points are rewritten and recreated and no part/text is directly taken or copied from original book. 4. If original author/publisher wants us to remove this summary, please contact us at support@mocktime.com. "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. SUMMARY: This book is If you've ever wondered about human behavior, wonder no more. In The Laws of Human Nature, Greene takes a look at 18 laws that reveal who we are and why we do the things we do. Humans are complex beings, but Greene uses these laws to strip human nature down to its bare bones. Every law that he presents is supported by a real-life historical account, with an insightful twist to drive the point home. As you read the book, don't be surprised if you get the feeling that everyone you know, including yourself, is described in the book! DISCLAIMER: This is an UNOFFICIAL summary and not the original book. It is designed to record all the key points of the original book. The Inclusion Breakthrough explains how to make diversity a central and profitable part of an organizations strategy for long-term success rather than merely a peripheral program. The authors, principals of a leading diversity consulting firm, present proven strategies for stimulating the creativity and productivity of any businesss greatest resource its people. Benefits to companies that have implemented these inclusion strategies are also described. Why narrative is essential to mathematics Circles Disturbed brings together important thinkers in mathematics, history, and philosophy to explore the relationship between mathematics and narrative. The book's title recalls the last words of the great Greek mathematician Archimedes before he was slain by a Roman soldier—"Don't disturb my circles"—words that seem to refer to two radically different concerns: that of the practical person living in the concrete world of reality, and that of the theoretician lost in a world of abstraction. Stories and theorems are, in a sense, the natural languages of these two worlds—stories representing the way we act and interact, and theorems giving us pure thought, distilled from the hustle and bustle of reality. Yet, though the voices of stories and theorems seem totally different, they share profound connections and similarities. A book unlike any other, Circles Disturbed delves into topics such as the way in which historical and biographical narratives shape our understanding of mathematics and mathematicians, the development of "myths of origins" in mathematics, the structure and importance of mathematical dreams, the role of storytelling in the formation of mathematical intuitions, the ways mathematics helps us organize the way we think about narrative structure, and much more. In addition to the editors, the contributors are Amir Alexander, David Corfield, Peter Galison, Timothy Gowers, Michael Harris, David Herman, Federica La Nave, G.E.R. Lloyd, Uri Margolin, Colin McLarty, Jan Christoph Meister, Arkady Plotnitsky, and Bernard Teissier. Lucie Aubrac (1912-2007), born Bernard into a Catholic family of winegrowers, was teaching history in a Lyon high school and newly married to Raymond Samuel, a Jewish engineer, when World War II broke out and divided France. The couple, living in the Vichy zone, soon joined the Resistance movement in opposition to the Nazis and their collaborators. Outwitting the Gestapo is Lucie's harrowing account of her participation in the Resistance: of the months when, though pregnant, she planned and took part in raids to free comrades — including her husband, under Nazi death sentence — from the prisons of Klaus Barbie, the infamous Butcher of Lyon. Her book is also the basis for the 1997 French movie, Lucie Aubrac, which was released in the United States in 1999. The translator, Konrad Bieber, is an emeritus professor of French and comparative literature at SUNY, Stony Brook, and a survivor of Nazi Terror. The introducer is Margaret Collins Weitz, professor of humanities and languages at Suffolk University in Boston. “A breathtaking account that feeds the soul as much as it satisfies the appetite for vicarious danger.” — Kirkus Reviews “Lively and absorbing... [Aubrac's] book interweaves the everyday experience of incredibly hard times... with Resistance activities.” — London Review of Books “There is a relish for the idiosyncratic ramifications of human character that reveal themselves in crisis... As the record of a female résistante's exploits, Aubrac's account is doubly valuable. [There is] a compelling sense of immediacy as events unfold.” —Washington Post Book World “An excellent historical introduction on the Resistance movement... and an appropriately taut translation... enhance the impact of this stirring tale of heroism, which concerns not only Resistance members but ordinary citizens, notably women.” — Publishers Weekly “This book is riveting. Adventure, terror, horror, and excitement are all here; it is a feminist class as well... full of interesting information about wartime food, clothes, schooling and manners. It is also a sturdy tale of married love, sustained and requited. The translation is so good that it reads as if it had been written in English.” — Times Literary Supplement “In Ils partiront dans l'ivresse, we find the whole Lucie Aubrac with her candor, spontaneity and narrative art... But these are not the only qualities of the book: it exudes a spirit of solidarity among all résistants... and a great respect for the humble people who at one time or another assisted the Resistance without belonging to it. All in all, an extraordinary testimony by an extraordinary woman.” — Claude Lévy, Vingtième Siècle, revue d'histoire Strategy is a term borrowed from a Saturday Night Live skit and self-deprecatingly adopted by the White House for their meetings. White House Correspondent Bill Sammon is borrowing it yet again in his latest account of this unlikely-yet historic-president. Strategy is written with verve and piercing insight by Sammon, who has been granted unprecedented access to President Bush, Vice President Cheney and their most senior advisers. No other journalist has interviewed the president more times than Sammon. “Most great people have attained their greatest success just one step BEYOND their greatest failure.” -Napoleon Hill This remarkable business allegory tells a fascinating story in presenting the key principles of Napoleon Hill's revolutionary bestseller Think and Grow Rich. While you follow a struggling young entrepreneur through a life-changing series of encounters with some of today's foremost business leaders and inspirational figures, you'll find encouragement and motivation to believe in yourself, discover your own Personal Success Equation™, and to never give up. You are just three feet from gold! A century ago Napoleon Hill began the research that ultimately resulted in his extraordinary bestseller Think and Grow Rich. Since its publication in 1937, with more than 100 million copies sold worldwide, the book has inspired generations of men and women to turn their dreams into reality with its wise and effective principles of self-motivation, leadership, service, and achievement culled from Hill's interviews with visionaries of his day. Now, a hundred years later, in Three Feet from Gold, a young entrepreneur whose life is falling apart finds himself retracing Hill's steps after a serendipitous encounter with a powerful businessman who sees the young man's potential and sets him on a challenging journey of personal, spiritual, and financial growth. Sharon L. Lechter—co-author of the #1 New York Times best-seller Rich Dad Poor Dad—and Greg S. Reid— a successful author, and in-demand motivational speaker—have given us more than the story of one man's dogged pursuit of success. They deliver an effective equation for accomplishing goals that calls for combining passion and talent, taking action with the right association, and above all else, having faith that you are on the right path. Your aim in life should be to achieve all of the wonderful things that are possible for you. There is no reason for you not to be earning twice as much as you are today, or even five or ten times as much. Your potential is practically limitless, if you could just learn how to utilize it. Clarity, Focus, and Concentration: Three strong, simple attributes needed to hone in your potential and hit the bull's eye! And just as you can develop your physical muscles through hard work and concentration, you can develop your mental muscles through continuous repetition. You have the ability right now to achieve more than you ever have before. Bull's Eye will teach you how to unleash your powers for success and accomplish more in the next few months than many people do in a lifetime. An award-winning trainer draws on experience with such top athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts. Licensed psychologist and university professor Christopher Blazina, Ph.D., offers an exploration, explanation, and clarification into the hidden realm of the male psyche. Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.
