Material previously omitted from the first edition has now been included, and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations and lyric transcriptions and musical analysis. The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African-American culture and among individual blues scholars. (Harmonica Play-Along). The Harmonica Play-Along Series will help you play your favorite songs quickly and easily. Just follow the notation, listen to the audio to hear how the harmonica should sound, and then play along using the separate backing tracks. The melody and lyrics are also included in case you want to sing, or to simply help you follow along. Volume 9 includes: Got My Mo Jo Working * Hard Hearted Woman * Help Me * I Ain't Got You * Juke * Messin' with the Kid * One More Heartache * Walking by Myself. Traditional African musical forms have long been accepted as fundamental to the emergence of blues and jazz. Yet there has been little effort at compiling recorded evidence to document their development. This discography brings together hundreds of recordings that trace in detail the evolution of the African American musical experience, from early wax cylinder recordings made in West Africa to voodoo rituals from the Caribbean Basin to the songs of former slaves in the American South. The Giants of Jazz series is designed to provide a method for studying, analyzing, imitating and assimilating the idiosyncratic and general facets of the styles of various jazz giants. The Coltrane book provides many transcriptions, plus discography, biographical data, style traits, genealogy, and bibliography. This comprehensive two-volume set brings together all aspects of the blues from performers and musical styles to record labels and cultural issues, including regional evolution and history. Organized in an accessible A-to-Z format, the Encyclopedia of the Blues is an essential reference resource for information on this unique American music genre. For a full list of entries, contributors, and more, visit the Encyclopedia of the Blues website. (Harmonica). By Glenn Weiser Book/CD package for beginners to learn blues and rock improvisation. Major Blues scale, diagrams, note names, intervals, tabs, audio tracks, backing tracks It started with the searing sound of a slide careening up the neck of an electric guitar. In 1970, twenty-three-year-old Bruce Iglauer walked into Florence's Lounge, in the heart of Chicago's South Side, and was overwhelmed by the joyous, raw Chicago blues of Hound Dog Taylor and the HouseRockers. A year later, Iglauer produced Hound Dog's debut album in eight hours and pressed a thousand copies, the most he could afford. From that one album grew Alligator Records, the largest independent blues record label in the world. Bitten by the Blues is Iglauer's memoir of a life immersed in the blues—and the business of the blues. No one person was present at the creation of more great contemporary blues music than Iglauer: he produced albums by Koko Taylor, Albert Collins, Professor Longhair, Johnny Winter, Lonnie Mack, Son Seals, Roy Buchanan, Shemekia Copeland, and many other major figures. In this book, Iglauer takes us behind the scenes, offering unforgettable stories of those charismatic musicians and classic sessions, delivering an intimate and unvarnished look at what it's like to work with the greats of the blues. It's a vivid portrait of some of the extraordinary musicians and larger-than-life personalities who brought America's music to life in the clubs of Chicago's South and West Sides. Bitten by the Blues is also an expansive history of half a century of blues in Chicago and around the world, tracing the blues recording business through massive transitions, as a genre of music originally created by and for black southerners adapted to an influx of white fans and musicians and found a worldwide audience. Most of the smoky bars and packed clubs that fostered the Chicago blues scene have long since disappeared. But their soul lives on, and so does their sound. As real and audacious as the music that shaped it, Bitten by the Blues is a raucous journey through the world of Genuine Houserockin' Music. Profiles and photos of blues musicians. Sweet Bitter Blues: Washington, DC's Homemade Blues depicts the life and times of harmonica player Phil Wiggins and the unique, vibrant music scene around him, as described by music journalist Frank Matheis. Featuring Wiggins's story, but including information on many musicians, the volume presents an incomparable documentary of the African American blues scene in Washington, DC, from 1975 to the present. At its core, the DC-area acoustic "down home" blues scene was and is rooted in the African American community. A dedicated group of musicians saw it as their mission to carry on their respective Piedmont musical traditions: Mother Scott, Flora Molton, Chief Ellis, Archie Edwards, John Jackson, John Cephas, and foremost Phil Wiggins. Because of their love for the music and willingness to teach, these creators fostered a harmonious environment, mostly centered on Archie Edwards's famous barbershop where Edwards opened his doors every Saturday afternoon for jam sessions. Sweet Bitter Blues features biographies and supporting essays based on Wiggins's recollections and supplemented by Matheis's research, along with a foreword by noted blues scholar Elijah Wald, historic interviews by Dr. Barry Lee Pearson with John Cephas and Archie Edwards, and previously unpublished and rare photographs. This is the story of an acoustic blues scene that was and is a living tradition. Major Blues scale, diagrams, note names, intervals, tabs, audio tracks, backing tracks Presents a history of bebop from its roots in the late 1930s; describes the musicians, bands, and composers who contributed to this style of jazz; and evaluates key bebop recordings. This reference volume is intended for both the casual and the most avid blues fan. It is divided into five separately introduced sections and covers 50 artists with names like Muddy, Gatemouth and Hound Dog who helped shape 20th-century American music. Beginning with the pioneering Mississippi Delta bluesmen, the book then follows the spread of the genre to the city, in the section on the Chicago Blues School. The third segment covers the Texas blues tradition; the fourth, the great blueswomen; and the fifth, the genre's development outside its main schools. The styles covered range from Virginia-Piedmont to Bentonia and from barrelhouse to boogie-woogie. The main text is augmented by substantial discographies and a lengthy bibliography. Jazz Band Music - All Levels The Blues Encyclopedia is the first full-length authoritative Encyclopedia on the Blues as a musical form. While other books have collected biographies of blues performers, none have taken a scholarly approach. A to Z in format, this Encyclopedia covers not only the performers, but also musical styles, regions, record labels and cultural aspects of the blues, including race and gender issues. Special attention is paid to discographies and bibliographies. The secret origin of all Shadowmen, past and present? Hitch a ride with Holly from go-go dancing jobs to hippy communes to anti-war demonstrations with nothing but a backpack, guitar and her thumb. Dive into romantic LSD trips and magical experiences as our heroine explores the edges of existentialism & the irony of love. In this third volume of the series, Holly finds out that Angelina has returned from India to Quebec & drives there to be with her. Holly meets the younger brother of Norman, Jobber and writes the title track (Tu Sais Que Je T'Aime) for him which she sings busking on the streets of Montreal. With 100 hits of mescaline from a dancing job in La Prairie, Quebec Holly brings Angelina back to New York City to introduce her to Fred & Claude colliding her two worlds together which results in unexpected outcomes. Holly Avila is an artist, author & musician who has been writing & performing songs since the 1970s. Her love of folk music led her to Greenwich Village, NYC where she formed the bands NY Frets & later Wheels, playing the tri-state country-bluegrass-blues circuit for 12 years. In 1986, Variety wrote, "The city came through vividly in the lyrics, but her deep-rooted singing was pure country like maple syrup poured over a stack of flapjacks." Her music found its way to the big screen in 1987 when Wheel's song "Trying Very Hard" appeared in the feature film Kandyland. Holly later joined the Juggernaut String Band in Pennsylvania while raising her children. They performed around the Delaware Water Gap area & appeared on the main stage of the Philly Folk Festival in 2000. She then went on to form her own world fusion project Blue Planet / Planeta Azul to explore her interest in Latin American folk forms, multi-cultural influences & psychedelic rock. Global Rhythm Magazine selected her Cumbia "Querida De Mi Alma" for their November 2006 Global Rhythm on Disc compilation. In 2009 she released her debut album "Mountains Back Home" on all digital streaming platforms, defining Blue Planet's new sound of Pan-American Fusion. In 2011 Holly drove cross-country to Baja California, Mexico where she wrote & recorded her upcoming project "West Coast Bound" EP which is due to be released in fall of 2018.
