Churches have made many converts but far too few real disciples. Many Christians struggle to take hold of basic biblical truth and live it out. We often take a painfully long time to mature. This is not because we lack resources or teaching, but because we struggle to connect with truth. This is where the Freedom in Christ course comes in. It is specifically designed to help Christians take hold of who they are in Christ, resolve personal and spiritual conflicts through genuine repentance, and move on to maturity. This revised and updated edition of the popular course takes into account comments from the many who have used and reused it, and is accompanied by a revised Leader's Guide and completely new 4-disk DVD set. This shrinkwrapped four-pack contains one each of the four participant's guides, volumes 1-4. The Network Participant's Guide is for your personal journey through Network's Discovery sessions. It contains all the notes and assessments you will need to identify the three elements of your unique Servant Profile: Passion ('where' you're motivated to serve), Spiritual Gifts ('what' you're equipped to do), and Personal Style ('how' you can best serve). You will also understand God's design for the church and your role within it. Network is a dynamic program to help Christians understand who God has uniquely made them to be and mobilize them to a place of meaningful service in the local church. The participants are also taught the biblical nature and purpose of the church as the body of Christ and the unique importance of each member's contribution. Network works with any size group, from small groups of 4-12 to large groups of 15 to 150 or more. Network can be presented successfully in these different formats: 1. Four sessions of two hours each . . . 3. One-, two-, or three-day retreats 2. Eight sessions of 45 minutes each . . . 4. The one that works best for your church! Over 700,000 people have gone through Network in the last nine years. In this participant's guide, to be used with the "Staying in Love" video, pastor Stanley discusses how to stay in love. The Struggle Is Real Participant's Guide is a six-session workbook designed for use with The Struggle Is Real DVD Experience (sold separately), based on the new book by popular speaker and Bible teacher Nicole Unice. A great resource for church groups, Bible studies, and anyone who's ever felt life just shouldn't be this hard. Raise your hand if you've ever had a day where everything that could go wrong does go wrong--you lock your keys in the car while it's running, lose control with your kids, make a mistake at the office that results in hours' more work. And just when you think not one more thing could possibly happen . . . well, fill in the blank. The struggle is real, friends. It may not be major stuff. Lives are not on the line here. But it makes us feel awful . . . and then we feel guilty for stressing when other people have "real" problems that are so much more serious. Yet the fact remains: We live in a world that often feels harder than we think it should be. And so it can be easy to believe the stories we tell ourselves--that we're doing it wrong, that we'll be stuck in this place forever, that God doesn't love us. We struggle practice gratitude, to make godly choices, and to live our daily lives with confidence and contentment. So what can we do? Join Nicole Unice to discover why the struggle is real . . . and what to do about it. In The Struggle Is Real Participant's Guide Nicole offers practical tools to help you navigate the daily ups and downs, and ways to rewrite your struggle into a new, God-centered life story. Includes access to free online video streaming for 90 days.
