All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your Praxis exam: the concepts, procedures, principles, and vocabulary that the Educational Testing Service (ETS) expects you to have mastered before sitting for your exam. The Development and Characteristics of Learners section covers: * Development and Characteristics of Students with Disabilities * Language Development * Social and Functional Living Skills The Planning and the Learning Environment section covers: * Planning and Delivering Instruction * Planning and Managing the Learning Environment The Instruction section covers: * Learning Across the Curriculum * Promoting Student Learning and Development The Assessment section covers: * Assessment * Individualized Programs and Modifications The Foundations and Professional Responsibilities section covers: * Behavioral and Crisis Support * Collaborating with the Learning Community * Foundations and Professional Responsibilities ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix Praxis study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of Praxis practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our Praxis Special Education Core Knowledge and Applications (5354) - Praxis Special Education 5354 Secrets Study Guide is no exception. Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition. What if you were a demon? What if your job was to thwart humans and to keep those humans from finding God? How would you do it? CS Lewis' devious little book "The Screwtape Letters" records the fictitious letters between two demons discussing this very issue. What the story is REALLY about is what makes humans succeed or fail in their search for God. It is about where, how, and why humans are weak. It is about the sneaky, unexpected parts of our lives that can either destroy us or lead us to fulfillment in God. This Best-Selling study guide and workbook unpacks the major lessons Lewis emphasizes and applies these lessons to our daily lives. The Best Selling Kindle study guide is now available in this physical workbook format. ***Includes Practice Test Questions*** Child Life Exam Secrets helps you ace the Child Life Professional Certification Examination, without weeks and months of endless studying. This book features approximately 300 short-answer questions on geriatric psychiatry topics, each comprising the stem of a brief clinical scenario or concise question with expected number of answers. The book also features detailed teaching notes, graphics, and the respective source references. The format is consistently structured from chapter to chapter, practical and concise, and designed to enhance the reader's diagnostic and management ability and clinical understanding. Each answer includes a concise discussion, pertinent illustrations, and source references. This text is a valuable reference and teaching tool that provides an opportunity for learning across a rapidly growing field. The material covered matches the existing postgraduate curricula in geriatric psychiatry and helps prepare candidates for their specialty and subspecialty certification examinations. The cases map well to both the American Geriatric Psychiatry Association and Canadian Academy of Geriatric Psychiatry as well as other international postgraduate curricula. The book covers main topics within geriatric psychiatry, some such as substance use disorders and sexuality and sexual dysfunction in later life. As the Baby Boomers age, this reference will continue to be a valuable staple in geriatric workforce training. Geriatric Psychiatry Study Guide is the ultimate resource for students, residents, fellows, psychiatrists, psychologists, family practitioners, nurses, social workers, and all clinicians rising to the challenges of the mental health segment of the geriatric workforce. ***Includes Practice Test Questions***
