France toute entière, saisie par la panique, sombre dans le chaos, faisant émerger les héros et les salauds, les menteurs et les lâches... Et quelques hommes de bonne volonté. Il fallait toute la verve et la générosité d'un chroniqueur hors pair des passions françaises pour saisir la grandeur et la décadence d'un peuple broyé par les circonstances. Secret de famille, grands personnages, puissance du récit, rebondissements, burlesque et tragique... Le talent de Pierre Lemaitre, prix Goncourt pour *Au revoir là-haut*, est ici à son sommet. a classic crime novel - the Parisian press are quick to coin a nickname . . . The Novelist. HE HATES HAPPY ENDINGS With the public eye fixed on both hunter and hunted, the case develops into a personal duel, each hell-bent on outsmarting the other. There can only be one winner. The one who has the least to lose.

Camille Feb 15 2022 In his acclaimed, award-winning novels Alex and Irène, Pierre Lemaitre created an unforgettable character in Police Commandant Camille Verhoeven. Now, in Camille, the final volume in Lemaitre's internationally bestselling trilogy of "meta-meta detective" novels (The New York Times), Verhoeven faces his most harrowing case yet, and the ultimate reckoning for the diminutive yet tenacious protagonist. Anne Forestier finds herself in the wrong place at the wrong time when she is trapped in the middle of a bank robbery. Shot three times, she is lucky to survive-and morbidly unlucky to remember the face of her assailant. Followed home from her

hospital bed, Anne is in grave danger. But one thing stands in her favor-a dangerously vengeful partner, carrying the scars of devastating loss, who will break all the rules to protect the woman he loves: Commandant Camille Verhoeven. Following the horror of Irène and the thrills of Alex, Camille is the heart-stopping final chapter. Drawn once again into a labyrinthine web with answers ever out of reach, Camille must draw on all his talent to face an enemy who threatens everything he holds dear.

Alex Dec 25 2022 Upon winning the prestigious 2013 Crime Writers Association International Dagger Award, the judges praised Alex by saying, "An original and absorbing ability to leash incredulity in the name of the fictional

contract between author and reader... A police procedural, a thriller against time, a race between hunted and hunter, and a whydunnit, written from multiple points of view that explore several apparently parallel stories which finally meet." Alex Prevost--kidnapped, savagely beaten, suspended from the ceiling of an abandoned warehouse in a tiny wooden cage--is running out of time. Her abductor appears to want only to watch her die. Will hunger, thirst, or the rats get her first? Apart from a shaky eyewitness report of the abduction, Police Commandant Camille Verhoeven has nothing to go on: no suspect, no leads, and no family or friends anxious to find a missing loved one. The diminutive and brilliant detective knows from bitter experience the urgency of finding the missing woman as quickly as possible--but first he must understand more about her. As he uncovers the details of the young woman's singular history, Camille is forced to acknowledge that the person he seeks is no

ordinary victim. She is beautiful, yes, but also extremely tough and resourceful. Before long, saving Alex's life will be the least of Commandant Verhoeven's considerable challenges. A 2013 Financial Times Book of the Year Shortlisted for the 2014 RUSA Reading List Horror Award From the Hardcover edition.

The Great Swindle Apr 29 2023 Winner of the prestigious Prix Goncourt, a timeless story of how war transforms lives in unexpected and often tragic ways as seen through the eyes of three World War I vets The year is 1918, the war on the Western Front all but over. An ambitious officer, Lieutenant Henry D'Aulnay-Pradelle, sends two soldiers over the top and then surreptitiously shoots them in the back to incite his men to attack the German lines. When another of D'Aulnay-Pradelle's soldiers, Albert Maillard, reaches the bodies and discovers how they died, the lieutenant shoves him into a shell hole to silence him. Albert is rescued by fellow soldier, the artist Edouard Péricourt, who takes

a bullet in the face. The war ends and both men recover, but Edouard is permanently disfigured, and fakes his death to prevent his family from seeing him as a cripple. In gratitude for Edouard's rescue, Albert becomes the injured man's companion and caregiver. Finding that the postwar gratitude for the soldiers' service is nothing more than lip-service to an empty idea, the two men scramble to survive, ultimately devising a scam to take money for never-to-be-built war memorials from small towns.

Meanwhile, Lieutenant Pradelle has married Edouard's sister Madeline and is running a scam of his own that involves the exhumation of war victims. In this sorrowful, heart-searching novel, the interwoven lives of these three men create a tapestry of the human condition as seen through the lens of war, revealing brutality and compassion, heroism and cowardice, in equal measure.

New and Selected Poems Apr 24 2020 Yves Bonnefoy, celebrated translator and critic, is

widely considered the most important and influential French poet since World War II. Named to the Collège de France in 1981 to fill the chair left vacant by the death of Roland Barthes, Bonnefoy was the first poet honored in this way since Paul Valéry. Winner of many awards, including the Prix Goncourt in 1987 and the Hudson Review's Bennett Award in 1988, he is the author of six critically acclaimed books of poetry. Spanning four decades and drawing on all of Bonnefoy's major collections, this selection provides a comprehensive overview of and an ideal introduction to his work. The elegant translations, many of them new, are presented in this dual-language edition alongside the original French. Several significant works appear here in English for the first time, among them, in its entirety, Bonnefoy's 1991 book of verse, *The Beginning and the End of the Snow*, the 1988 prose poem *Where the Arrow Falls*, and an important long poem from 1993, "Wind and Smoke." Together with poems from such classic

volumes as *"In the Lure of the Threshold"*, these new works shed light on the growth as well as the continuity of Bonnefoy's work. John Naughton's detailed introduction looks at the evolution of Bonnefoy's poetry from the 1953 publication of *"On the Motion and Immobility of Douve"*, which immediately established his reputation as one of France's leading poets, through the 1993 publication of *The Wandering Life* and its centerpiece "Wind and Smoke." "This is a comprehensive selection that contains examples of work spanning [Bonnefoy's] full career of forty years, from the ground-breaking *"Du Mouvement et de l'Immobilité de Douve"* through the celebratory *"Pierre Ecrite"* to the magical winter landscapes of America's East Coast and an unsettling reworking of myth in the recent *"La Vie Errante"* . . . The translations, which are the work of a variety of hands, including Galway Kinnell, Emily Grosholz and Anthony Rudolf, nevertheless fit well together and all are sensitive to the register and

subtleties of both languages, while the introductory essay by John Naughton expertly explains Bonnefoy's importance as a poet and the influences which have shaped him. This is definitely a volume worth having, for layman and French specialist alike."—Hilary Davies, Times Literary Supplement "Anyone not familiar with Bonnefoy's work will benefit from the background information and explanations given by John Naughton in his excellent introduction . . . The book as a whole provides an excellent introduction to Bonnefoy's poetry and to his concerns of a lifetime."—Don Rodgers, Poetry Wales

The Cambridge Companion to Foucault Mar 16

2022 For Michel Foucault, philosophy was a way of questioning the allegedly necessary truths that underpin the practices and institutions of modern society. He carried this out in a series of deeply original and strikingly controversial studies on the origins of modern medical and social scientific disciplines. These studies have raised fundamental questions about the nature of human knowledge and its relation to power structures, and have become major topics of discussion throughout the humanities and social

sciences. The essays in this volume provide a comprehensive overview of Foucault's major themes and texts, from his early work on madness through his history of sexuality. Special attention is also paid to thinkers and movements, from Kant through current feminist theory, that are particularly important for understanding his work and its impact. This revised edition contains five new essays and revisions of many others, and the extensive bibliography has been updated.
