The House Guest Mar 31 2023 "Brilliant, shocking and very creepy. Mark Edwards has done it again."--Elly Griffiths, bestselling author of the Dr Ruth Galloway series A perfect summer. A perfect stranger. A perfect nightmare. When British twenty-somethings Ruth and Adam are offered the chance to spend the summer housesitting in New York, they can't say no. Young, in love and on the cusp of professional success, they feel as if luck is finally on their side. So the moment that Eden turns up on the doorstep, drenched from a summer storm, it seems only right to share a bit of that good fortune. Beautiful and charismatic, Eden claims to be a friend of the homeowners, who told her she could stay whenever she was in New York. They know you're not supposed to talk to strangers--let

alone invite them into your home--but after all, Eden's only a stranger until they get to know her. As suspicions creep in that Eden may not be who she claims to be, they begin to wonder if they've made a terrible mistake... The House Guest is the chilling new psychological thriller from the three million copy bestselling author of Here to Stay and Follow You Home.

Nightingale House Jul 11 2021 'Wow!... Kept me up into the night. I couldn't put this book down!... Highly recommend!' NetGalley reviewer, 5 stars For fans of Stephen King, Mark Edwards and The Haunting of Hill House comes a dark tale of a mysterious house haunted by tragedy. Midnight Sun Dec 24 2019 #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times Bestseller An instant #1 USA Today Bestseller An instant #1 Wall Street Journal Bestseller An instant #1 IndieBound Bestseller Apple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- New York Times The Visual Communications Book Mar 07 2021 A unique and practical

guide to making high-impact presentations by using visual communications techniques.

The Retreat Nov 26 2022 An Amazon Charts bestseller. A missing child. A desperate mother. And a house full of secrets. Two years ago, Julia lost her family in a tragic accident. Her husband drowned trying to save their daughter, Lily, in the river near their rural home. But the little girl's body was never found--and Julia believes Lily is somehow still alive. Alone and broke, Julia opens her house as a writers' retreat. One of the first guests is Lucas, a horror novelist, who becomes obsessed with finding out what happened to Lily. But within days of his arrival, the peace of the retreat is shattered by a series of eerie events. When Lucas's investigation leads him and Julia into the woods, they discover a dark secret--a secret that someone will do anything to protect... What really happened that day by the river? Why was Lily never found? And who, or what, is haunting the retreat? From the bestselling author of Follow You Home and The Magpies comes his most terrifying novel yet.

Catch Your Death Sep 24 2022 Fear is contagious... The No.1 bestselling book from Mark Edwards and Louise Voss.

Luther's Last Battles Aug 24 2022 "Edwards has...illuminat[ed] the reformer's thought and personality in a way that could never be achieved by studying the man's words alone. Future historians will identify Edwards's book as one of several that marked a turning point in Luther research. No one interested in the Reformation can afford to ignore it."? American Historical Review"Edwards turns his attention to...understanding Luther's often vitriolic campaigns against opposing princes, Jews, the papacy, and others.... This work is one of solid scholarship and long gestation that seeks to understand without condemning.... More important, Edwards has raised a number of questions about the relationship across time of Luther's deeds, his words, and his world. Such is the mark of good history and of those who write it."? Journal of Religion

Life After Care May 21 2022 Life After Care follows Mark's journey with

anxiety, panic attacks, and depression, and we learn about the enduring impact his childhood had on his mental health. His diary entries bring to life the thoughts and feelings of Mark, as a teenager, struggling to understand how he came to be placed in care, and how to deal with his adolescent feelings of loss and love. On the verge of breakdown, Mark tried to take his own life and he was sectioned under the Mental Health Act. We follow his journey from local authority care to the wards of a crumbling Victorian psychiatric asylum, and beyond into life on the streets... This is a heartfelt, true story of how a troubled young man managed to turn his life around. From being imprisoned in the care system and mislabelled as a violent boy with no hope, we hear how Mark became a successful, happily married family man, and a prominent figure in his local community.

The Magpies Dec 28 2022 Meet the neighbors from hell, in the gripping thriller that reviewers and readers describe as "fast-paced," "chilling," and "impossible to put down." When Jamie and Kirsty move into their first home together, they are full of optimism. The future, in which they plan to get married and start a family, is bright. The other residents of their building seem friendly too, including the Newtons, a married couple who welcome them to the building with open arms. But then strange things start to happen. Dead rats are left on their doorstep. They hear disturbing noises, and much worse, in the night. After Jamie's best friend is injured in a horrific accident, Jamie and Kirsty find themselves targeted by a campaign of terror. As they are driven to the edge of despair, Jamie vows to fight back--but he has no idea what he is really up against... The Magpies is a gripping psychological thriller in which the monsters are not vampires or demons but the people who live next door. It is a nightmare that could happen to anyone. Praise for The Magpies "Mark Edwards achieves what other writers yearn for, by creating characters that genuinely feel like real people, individuals you know personally--and then puts them into the scariest of situations so that we cannot help but suffer with them. Edwards takes the places that should

feel safe and subverts them, shifting the ground beneath our feet, until we're left clinging to the book, hoping against hope for a positive conclusion. There's something deeply unsettling about The Magpies--and that's exactly as it should be." --Elizabeth Haynes, author of Into the Darkest Corner "The Magpies is absorbing, claustrophobic and terrifying. Read this book! Then get a top notch alarm system fitted in your house." --Helen Fitzgerald, author of The Cry

Because She Loves Me Jun 21 2022 A gripping tale of jealousy, obsession, and murder, from the #1 bestselling author of The Magpies. When Andrew Sumner meets beautiful, edgy Charlie, he is certain his run of bad luck has finally come to an end. But as the two of them embark on an intense affair, Andrew wonders if his grasp on reality is slipping. Items go missing in his apartment. Somebody appears to be following him. And as misfortune and tragedy strike his friends and loved ones, Andrew is forced to confront the frightening truth.... Is Charlie really the girl of his dreams--or the woman of his nightmares?

Organizational Transformation for Sustainability Sep 12 2021 During the 21st century organizations will undergo a level of radical and global change that has rarely been seen before. This transformation will come as a result of the environmental, social and economic challenges that now confront organisations in all their activities. But are our understandings and theories of change up to the task of meeting these challenges? Will we be able to develop sustaining visions of how organizations might contribute to the long-term viability of our interdependent global communities? Organizational Transformation for Sustainability: An Integral Metatheory offers some innovative answers to the big questions involved in organizational sustainability and the radical changes that organizations will need to undergo as we move into the third millennium. This new approach comes from the emerging field of integral metatheory. Edwards shows how a "Big Picture" view of organisational transformation can contribute to our understanding of, and search for, organisational sustainability. There are four key themes to the book: i)

the need for integrative metatheories for organisational change; ii) the development of a general research method for building metatheory; iii) the description of an integral metatheory for organisational sustainability; and iv) the discussion of the implications of this metatheory for organisational change and social policy regarding sustainability. This book brings a unique and important orienting perspective to these issues.

The Blissfully Dead Jan 23 2020 "When the body of a teenage girl is found in a London hotel, DI Patrick Lennon is mystified. Nobody saw her or her killer enter the hotel, and there is no apparent motive--until a second teenager is found and Lennon realises somebody is targeting fans of the world's biggest boy band. As Lennon struggles with both his home life and his rivals on the force, the pressure to catch the killer before he strikes again reaches fever pitch. And when Lennon makes a terrible mistake that ends in disaster, he finds himself in a race to save not only the lives of more teenage girls but also his own career."--Page [4] of cover.

*Follow You Home May 01 2023 It was supposed to be the trip of a lifetime, a final adventure before settling down. After a perfect start, Daniel and Laura's travels end abruptly when they are thrown off a night train in the middle of nowhere. To find their way back to civilisation, they must hike along the tracks through a forest...a haunting journey that ends in unimaginable terror. Back in London, Daniel and Laura vow never to talk about what they saw that night. But as they try to fit back into their old lives, it becomes clear that their nightmare is just beginning... Follow You Home is a chilling tale of secrets, lies and deadly consequences from the author of #1 bestsellers *The Magpies* and *Because She Loves Me*.*

The Guest Room Oct 02 2020 'OMG... Incredible... Once I started, I couldn't put down and simply had to read in one sitting... I loved this fast-paced, captivating thriller and would happily give it more than five stars if I could... Definitely one of my favourite reads of this year.' Nicki's Life of Crime ????? You think you're safe in your home. You're wrong.

*When Steph's husband of thirty years, Andy, walks out with barely a word of explanation, she's left alone in the family home. Both of her children moved out years before. And although her daughter visits often, it's not enough. Her house doesn't feel like the warm, happy, laughter-filled home it used to be. Then she begins to hear noises in the night, finds open windows she knows she left closed, items moved. None of it feels right. She wants to believe it's all in her imagination. After all, who would want to scare her? She's never hurt a person in her life. But then her front window is smashed, and a young man named Noah helps her fix it. He's fallen on hard times and Steph impulsively offers him a place to stay. He reminds her so much of her beloved son, and she wants to help him. Also, if he is there, she won't be home alone. Before long Noah is living in her daughter's old bedroom, paying rent, and getting his life back on track. Andy and her daughter are furious. But Steph feels secure at last, and that's what matters. Until the strange things start happening once more. And Steph realises that someone is out to scare her... She doesn't feel safe, not safe at all. Readers are loving *The Guest Room*: 'Oh my days. What a book!!... WOW!!!... One hell of an adventure!!!!!! I sped through the book... the next thing you know you have finished the book and it's nearly 1am!!... She creates believable characters, gives you some red herrings to grill and then pulls the rug from out under you with a plot twist! Just love it!!!!' Zooloo's Book Diary ?????? 'O.M.G. This book blew my socks off. It was just brilliant! I love a book that slaps you into shock in the end. This was one I will remember... 10 stars.' NetGalley reviewer ?????? 'Loved, loved, loved it!!!... A gripping, edge of your seat read to keep us guessing right up until the end!!... The plot twist was goooood!' NetGalley reviewer ?????? 'My oh my, where to start..... Ohhh, a tense thriller that kept me glued right to the end... Man, this one is a good one... What an excellent book.' Goodreads reviewer ?????? 'Wow!... This book got into my head... When I thought I had it figured out, the plot went in a very different direction with a shocking ending... Many twists and turns and dark corners in the story... Unforgettable.'*

Goodreads reviewer ?????? 'Everything you could wish for in a psychological thriller' Book Mark! ?????? 'Wow! What a crazy twisted story!... BAM!! What a twist!... Suspense, intrigue, action, and many twists and turns! I definitely recommend reading this book!' Goodreads reviewer ?????? 'One of the best thrillers I've read... I couldn't put this book down!' Readers have raved that they "really put you in touch with the many layers of the novel," "keep you entertained even longer," and are "perfect if you want a vivid understanding of the story." Designed to be read side by side with the novels they complement, they'll give you even more reasons to love some of today's best books.*

Psychic Blues Apr 07 2021 "Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the

Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of Skeptic magazine.

Here to Stay Feb 27 2023 "Gemma Robinson comes into Elliot's life like a whirlwind, and they marry and settle into his home. When she asks him if her parents can come to stay for a couple of weeks, he is keen to oblige - he just doesn't quite know what he's signing up for. As Elliot's in-laws become more comfortable in his home, encroaching on all aspects of his life, it becomes clear that they have no intention of moving out. To protect Gemma, and their marriage, Elliot delves into the Robinsons' past. But is he prepared for the truth?"--Provided by publisher.

Pirates on Dinosaur Island Mar 26 2020 When Christopher Lemuel signs on as a ship's doctor to escape England, he is wounded in a sea battle, captured by pirates, and reluctantly becomes a buccaneer, before he is marooned on an island populated by dinosaurs.

Writing in Sociology Jun 09 2021 With humor and empathy, Mark Edwards's handbook provides undergraduate and early-career graduate students guidance in sociological writing of all kinds. Writing in Sociology offers unusual approaches to developing ideas into research questions, utilizing research literature, constructing research papers, and completing different kinds of course writing (including case studies, theory papers, and applied social science projects). New chapters in the Second Edition offer insights into giving and receiving effective peer review and presenting qualitative research results. By focusing on how to think about the goals and strategies implicit in each section of a writing

project this book provides accessible advice to novice sociological writers.

A History of Mind and Body in Late Antiquity Jan 05 2021 The mind-body relation was at the forefront of philosophy and theology in late antiquity, a time of great intellectual innovation. This volume, the first integrated history of this important topic, explores ideas about mind and body during this period, considering both pagan and Christian thought about issues such as resurrection, incarnation and asceticism. A series of chapters presents cutting-edge research from multiple perspectives, including history, philosophy, classics and theology. Several chapters survey wider themes which provide context for detailed studies of the work of individual philosophers including Numenius, Pseudo-Dionysius, Damascius and Augustine. Wide-ranging and accessible, with translations given for all texts in the original language, this book will be essential for students and scholars of late antique thought, the history of religion and theology, and the philosophy of mind.

In Her Shadow Oct 26 2022 Isabel's life seemed perfect. Successful business, beautiful house, adoring husband. And then she was dead. For four years Jessica has never doubted that her sister Isabel's death was an accident. But when Jessica's young daughter seems to know long-forgotten details about her aunt's past, Jessica can't shake the feeling that there's a more sinister truth behind the tragedy. As Jessica unearths disturbing revelations about her sister, and about the people she loved and trusted most, it becomes clear Isabel's life was less than perfect and that Jessica's might also be at risk. Did someone murder Isabel? Are they now after Jessica and her family? The key seems to lie in the hands of a child. Can Isabel reveal the truth from beyond the grave, or is the answer closer to home? In Her Shadow is a gripping tale of family secrets, lies and obsession from the two million copy bestselling author Mark Edwards.

Unrepentant Jul 31 2020 In this explicit first-hand account, a biker who spent 46 years as a member of the Hells Angels and Satan's Choice

invites bestselling author Peter Edwards into the story of life lived as we've only imagined it. A kid raised by his father's fists on the wrong side of a blue-collar town, Lorne Campbell grew up watching the local bikers ride past, making him wonder what that kind of freedom and power would feel like. He soon found out. At the age of 17, he became the youngest-ever member of the Satan's Choice Motorcycle Club and spent the next 5 decades living a life for which he does not ask forgiveness, only that his story finally be told, and that his family finally understand what drove him to live the way he did. With moments of terror and humour, great sadness and the simple pleasures of camaraderie and the open road, Unrepentant is a book like none other.

What You Wish for Dec 16 2021 Marie Walker has vanished. Her besotted boyfriend, newspaper photographer Richard Thompson, vows to find her, convinced that Marie's unusual beliefs hold the key. But a shocking discovery makes him question if he ever really knew his girlfriend. And when people around him start to die, Richard is plunged into terrible danger. --Publisher.

Religions of the Constantinian Empire May 09 2021 Religions of the Constantinian Empire provides a synoptic review of Constantine's relation to all the cultic and theological traditions of the Empire during the period from his seizure of power in the west in 306 CE to the end of his reign as autocrat of both east and west in 337 CE. Divided into three parts, the first considers the efforts of Christians to construct their own philosophy, and their own patterns of the philosophic life, in opposition to Platonism. The second assembles evidence of survival, variation or decay in religious practices which were never compulsory under Roman law. The "religious plurality" of the second section includes those cults which are represented as demonic burlesques of the sacraments by Firmicus Maternus. The third reviews the changes, both within the church and in the public sphere, which were undeniably prompted by the accession of a Christian monarch. In this section on "Christian polyphony," Mark Edwards expertly moves on from this deliberate

petrification of Judaism to the profound shift in relations between the church and the civic cult that followed the Emperor's choice of a new divine protector. The material in the first section will be most familiar to the historian of philosophy, that of the second to the historian of religion, and that of the third to the theologian. All three sections make reference to such factors as the persecution under Diocletian, the so-called "edict of Milan," the subsequent legislation of Constantine, and the summoning of the council of Nicaea. Edwards does not maintain, however, that the religious and philosophical innovations of this period were mere by-products of political revolution; indeed, he often highlights that Christianity was more revolutionary in its expectations than any sovereign could afford to be in his acts. This authoritative study provides a comprehensive reference work for those studying the ecclesiastical and theological developments and controversies of the fourth century.

Aristotle and Early Christian Thought Jun 29 2020 In studies of early Christian thought, 'philosophy' is often a synonym for 'Platonism', or at most for 'Platonism and Stoicism'. Nevertheless, it was Aristotle who, from the sixth century AD to the Italian Renaissance, was the dominant Greek voice in Christian, Muslim and Jewish philosophy. Aristotle and Early Christian Thought is the first book in English to give a synoptic account of the slow appropriation of Aristotelian thought in the Christian world from the second to the sixth century. Concentrating on the great theological topics – creation, the soul, the Trinity, and Christology – it makes full use of modern scholarship on the Peripatetic tradition after Aristotle, explaining the significance of Neoplatonism as a mediator of Aristotelian logic. While stressing the fidelity of Christian thinkers to biblical presuppositions which were not shared by the Greek schools, it also describes their attempts to overcome the pagan objections to biblical teachings by a consistent use of Aristotelian principles, and it follows their application of these principles to matters which lay outside the purview of Aristotle himself. This volume offers a valuable study not only for students of Christian theology in its formative years, but also for

anyone seeking an introduction to the thought of Aristotle and its developments in Late Antiquity.

Catholicity and Heresy in the Early Church Mar 19 2022 While it has often been recognised that the development of Christian orthodoxy was stimulated by the speculations of those who are now called heretics, it is still widely assumed that their contribution was merely catalytic, that they called forth the exposition of what the main church already believed but had not yet been required to formulate. This book maintains that scholars have underrated the constructive role of these heretical speculations in the evolution of dogma, showing that salient elements in the doctrines of the fall, the Trinity and the union of God and man in Christ derive from teachings that were initially rejected by the main church. Mark Edwards also reveals how authors who epitomised orthodoxy in their own day sometimes favoured teachings which were later considered heterodox, and that their doctrines underwent radical revision before they became a fixed element of orthodoxy. The first half of the volume discusses the role of Gnostic theologians in the formation of catholic thought; the second half will offer an unfashionable view of the controversies which gave rise to the councils of Nicaea, Ephesus and Chalcedon. Many of the theories advanced here have not been broached elsewhere, and no synthesis on this scale had been attempted by other scholars. While this book proposes a revision in the scholarly perception of early Christendom, it also demonstrates the essential unity of the tradition.

Forward Slash Oct 14 2021 A terrifying novel about internet dating, secret desires and a chilling serial killer. From bestselling authors Mark Edwards and Louise Voss.

Printing, Propaganda, and Martin Luther Apr 19 2022 A study of Protestant and Catholic pamphlets published in Strasbourg during the early years of the Reformation looks at Martin Luther's use of the recently invented printing press and his dominance of the new medium.

The Girl Who Moved in the House Next Door: A Psychological Thriller
Nov 02 2020 Some of the unkind and heartless people around were

probably a bit too kind and loving, once upon a time. She's naturally pretty, long dark hair, dark eyes, the perfect skin - well almost; there is a nasty scar in her back. If you're allowed to see it then you would have been a bit too close to even think about turning back. This is where things might get a bit dirty, gruesome to be exact. You think playtime is over but it wasn't a game and you realize this when you don't have a clue how to get out. It's kind of complicated, why? Because she's the woman who moved in the house next door.

*On Chesil Beach Jan 17 2022 NOW A MAJOR MOTION PICTURE The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962.*

Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London.

Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the

touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, On Chesil Beach is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.

The Book of Ebenezer le Page Dec 04 2020 Ebenezer Le Page, cantankerous, opinionated, and charming, is one of the most compelling literary creations of the late twentieth century. Eighty years old, Ebenezer has lived his whole life on the Channel Island of Guernsey, a stony speck of a place caught between the coasts of England and France yet a world apart from either. Ebenezer himself is fiercely independent, but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known. He writes of family secrets and feuds, unforgettable friendships and friendships betrayed, love glimpsed and lost. The Book of Ebenezer Le Page is a beautifully detailed chronicle of a life, but it is equally an oblique reckoning with the traumas of the twentieth century, as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II, and looks with despair at the encroachments of commerce and tourism on his beloved island. G. B. Edwards labored in obscurity all his life and completed The Book of Ebenezer Le Page shortly before his death. Published posthumously, the book is a triumph of the storyteller's art that conjures up the extraordinary voice of a living man.

Killing Cupid Jan 29 2023 He is watching her... The chillingly brilliant read from Mark Edwards and Louise Voss, the bestselling authors of Catch Your Death.

Tell Laura I'm Back Nov 14 2021 One of the worst nightmares a detective could ever have is seeing the comeback of this psycho, whom she believed she had executed a few years ago. Could it really be that ruthless serial 'nutjob'? It couldn't have been him but then again, serious things starts to happen again, in the once peaceful town and there's obviously some unknown maniac on the loose.

From the Cradle Feb 24 2020 The first child was taken from her house.

The second from his mother's car. The third from her own bedroom... When Helen and Sean Philips go out for the evening, leaving their teenage daughter babysitting little Frankie, they have no idea that they are about to face every parent's greatest fear. Detective Inspector Patrick Lennon is hopeful that the three children who have been abducted in this patch of south-west London will be returned safe and well. But when a body is found in a local park, Lennon realizes that time is running out--and that nothing in this case is as it seems.... Blending police procedural with psychological thriller, From the Cradle will have every parent checking that their children are safe in their beds...then checking again. From the Cradle is the first book in the Detective Lennon Thriller Series.

The Cambridge Companion to the Age of Constantine Aug 12 2021 The Cambridge Companion to the Age of Constantine offers students a comprehensive one-volume survey of this pivotal emperor and his times. Richly illustrated and designed as a readable survey accessible to all audiences, it also achieves a level of scholarly sophistication and a freshness of interpretation that will be welcomed by the experts. The volume is divided into five sections that examine political history, religion, social and economic history, art, and foreign relations during the reign of Constantine, who steered the Roman Empire on a course parallel with his own personal development.

Portraits May 28 2020 This collection of essays illustrates the growth of interest in the representation of individuals, which resulted from the changed environment within which Greek and Latin authors worked in late antiquity. The subjects all fall within the period of the Roman empire, and illustrate the importance of individual personality in literature for an age in which few individuals could hope to achieve political significance.

The Hollows Jul 23 2022 From the bestselling author of The House Guest comes a chilling story set deep in the woods... With his marriage over and his career in freefall, journalist Tom decides to reconnect with his fourteen-year-old daughter, Frankie. Desperate to spend precious

time together now that they live an ocean apart, he brings her to Hollow Falls, a cabin resort deep in the woods of Maine. From the outset there's something a little eerie about the place--strange whispers in the trees, windchimes echoing through the forest--but when Tom meets true-crime podcasters David and Connie, he receives a chilling warning. Hollow Falls has a gruesome history: twenty years ago this week, a double slaying shut down the resort. The crime was never solved, and now the woods are overrun with murder-obsessed tourists looking to mark the grim anniversary. It's clear that there's something deeply disturbing going on at Hollow Falls. And as Tom's dream trip turns into a nightmare, he and Frankie are faced with a choice: uncover the truth, or get out while they still can.
