*The Oxford Book of Sea Stories* Nov 10 2021 Malevolent, mysterious, vast, the ocean has always sparked our fascination and sense of adventure, giving rise to a remarkable vein of narrative deftly mined here by editor Tony Tanner. In the twenty-seven tales of *The Oxford Book of the Sea*, masters of the art tell of men on ships, grappling with themselves, their fellow sailors, and the trials of the sea: from hurricane winds to the frustrating calm, from swirling currents to rampaging whales. Here is the work of Jack London, Rudyard Kipling, Stephen Crane, C.S. Forester, Ernest Hemingway, and of course Conrad. Along with the essential stories come unexpected gems by writers not known for their seafaring bent such as William Faulkner, F. Scott Fitzgerald, E.M. Forster, and Edgar Allan Poe. Some of the finest writers in the English language have been drawn to the subject of life at sea, with its dangers, loneliness, and triumphs. *The Oxford Book of the Sea* gathers together some of the best examples of the form, offering moving prose, fascinating insight into the human condition, and the simple pleasure of tales of high adventure.

*The Oxford Book of Story Poems* Jul 26 2020 Presents a variety of classic and contemporary British and American narrative poems, including "Jabberwocky," "Annabel Lee," "Sir Patrick Spens," and "The Highwayman"

[The Oxford Handbook of Science Fiction](#) Nov 29 2020 The excitement of possible futures found in science fiction has long fired the human imagination, but the genre's acceptance by academe is relatively recent. No longer marginalized and fighting for respectability, science-fictional works are now studied alongside more traditional art forms. Tracing the capacious genre's birth, evolution, and impact across nations, time periods, subgenres, and media, *The Oxford Handbook of Science Fiction* offers an in-depth, comprehensive assessment of this robust area of scholarly inquiry and considers the future directions that will dictate the terms of the scholarly discourse. The Handbook begins with a focus on questions of genre,

covering topics such as critical history, keywords, narrative, the fantastic, and fandom. A subsequent section on media engages with film, television, comics, architecture, music, video games, and more. The genre's role in the convergence of art and everyday life animates a third section, which addresses topics such as UFOs, the Atomic Era, the Space Race between the US and USSR, organized religion, automation, the military, sexuality, steampunk, and retrofuturism. The final section on worldviews features perspectives on SF's relationship to the gothic, evolution, colonialism, feminism, afrofuturism, utopianism, and posthumanism. Along the way, the Handbook's forty-four original essays cover novels by the likes of Mary Shelley, Jules Verne, H. G. Wells, Philip K. Dick, and Octavia Butler; horror-tinged pulp magazines like *Weird Tales*; B-movies and classic films that include *2001: A Space Odyssey*, *Close Encounters of the Third Kind*, and *Star Wars*; mind-bending TV shows like *The Twilight Zone* and *Dr. Who*; and popular video games such as *Eve Online*. Showing how science fiction's unique history and subcultural identity have been constructed in ongoing dialogue with popular discourses of science and technology, *The Oxford Handbook of Science Fiction* acknowledges the full range of texts and modalities that make science fiction today less a genre than a way of being in the world.

*The Oxford Book of American Detective Stories* Feb 01 2021 These thirty three stories demonstrate the evolution of crime fiction in the United States and our unique national contributions to this international genre.

**Heart of Darkness and Other Tales** Jun 05 2021 'Heart of Darkness' is Conrad's finest tale and tells of Marlow's journey up the Congo River to meet Mr Kurtz. This volume also includes 'An Outpost of Progress', 'Karain', and 'Youth' in a revised edition using the English first edition texts and with new chronology and bibliography.

**French Decadent Tales** Mar 22 2020 'He had become the dandy of the unpredictable.' A quest for new sensations, and an avowed desire to shock possessed the Decadent writers of fin-de-siècle Paris. The years 1880-1900 saw an extraordinary, hothouse flowering of talent, that produced some of the most exotic, stylized, and cerebral literature in the French language. While 'Decadence' was a European movement, its epicentre was the French capital. On the eve of Freud's early discoveries, writers such as Gourmont, Lorrain, Maupassant, Mirbeau, Richepin, Schwob, and Villiers engaged in a species of wild analysis of their own, perfecting the art of short fiction as they did so. Death and Eros haunt these pages, and a polymorphous perversity by turns hilarious and horrifying. Their stories teem with addicts, maniacs, and murderers as they strive to outdo each other. This newly translated selection brings together the very best writing of the period, from lesser known figures as well as famous names. Provocative and unsettling, these extraordinary, corrosive little tales continue to cast a cold eye on the modern world. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

*The Oxford Book of Irish Short Stories* Oct 21 2022 Ireland has always been a nation of story-tellers. This magnificent anthology chronicles the development of a rich literary tradition, from the earliest folk-tales to James Joyce, Liam O'Flaherty, and the rising stars of the new generation.

**The Oxford Book of English Short Stories** Feb 25 2023 The Oxford Book of English Short Stories celebrates the excellences of the English short story. The thirty-seven stories featured here are selected from the nineteenth and twentieth centuries, by authors ranging from Dickens, Trollope, and Hardy to J. G. Ballard, Angela Carter, and Ian McEwan. They pack together comedy and tragedy, farce and delicacy, elegance and the grotesque, with language as various as the subject-matter.

**The Oxford Book of Travel Stories** Jun 17 2022 Travel, associated as it is with strangeness, marvels, and excitement, has always proved an irresistible subject for writers. The Oxford Book of Travel Stories brings together some of the best short fiction on this most exhilarating of subjects

from writers as diverse as Anthony Trollope, Edith Wharton, Ring Lardner, William Trevor, Sylvia Townsend Warner, John Cheever, Beryl Bainbridge and V.S. Pritchett. Readers of this anthology will be able to revel in the atmosphere of 19th-century Palestine, the Riviera of the 1920s, or a cruise down the Nile. There are stories set in far distant locations - China, Australia - and others closer to home, such as Benedict Kiely's entrancing 'A Journey to the Seven Streams'. Most are high-spirited, in keeping with the theme, some are wonderfully funny and one or two productively unsettling, such as Flannery O'Connor's 'A Good Man is Hard to Find'. Some deal with the journey itself, and encounters on train or boat; others see travel as a literal rite of passage, an escape or a sudden growing-up. All of them illustrate, in various ways, how travel has to do with stimulus, enrichment and a sense of achievement - 'Not fare well,' as T.S. Elliot has it, 'But fare forward, voyagers'.

**The New Young Oxford Book of Ghost Stories** Feb 13 2022 Tells stories about all kinds of ghosts, including children, snooker-players, ventriloquist's dummies, and warriors.

**The Oxford Book of Japanese Short Stories** Mar 26 2023 This collection of short stories, including many new translations, is the first to span the whole of Japan's modern era from the end of the nineteenth century to the present day. Beginning with the first writings to assimilate and rework Western literary traditions, through the flourishing of the short story genre in the cosmopolitan atmosphere of the Taisho era, to the new breed of writers produced under the constraints of literary censorship, and the current writings reflecting the pitfalls and paradoxes of modern life, this anthology offers a stimulating survey of the development of the Japanese short story. Various indigenous traditions, in addition to those drawn from the West, recur throughout the stories: stories of the self, of the Water Trade (Tokyo's nightlife of geishas and prostitutes), of social comment, love and obsession, legends and fairytales. This collection includes the work of two Nobel prize-winners: Kawabata and Oe, the talented women writers Hirabayashi, Euchi, Okamoto, and Hayashi, together with the acclaimed Tanizaki, Mishima, and Murakami. The introduction by Theodore Goossen gives insight into these exotic and enigmatic, sometimes disturbing stories, derived from the lyrical roots of Japanese literature with its distinctive stress on atmosphere and beauty.

*Edwardian Fiction* Apr 22 2020 Contains some 1,000 entries on well-known and obscure authors, individual works, and genres, encompassing adult's and children's fiction and some work by authors from other English-speaking countries. About half of the 800 authors profiled are women. Includes a chronology and an index of pseudonyms. Annotation copyrighted by Book News, Inc., Portland, OR

**The Oxford Book of Historical Stories** Jul 06 2021 Historical fiction is as popular today as it was at its birth in the nineteenth century. The imaginative recreation of a period beyond living memory has a power to evoke the past better than any history textbook. The stories in this collection travel in time from pre-history and the ancient Greeks to Regency bucks and Edwardian suffragettes, by way of medieval Europe, the English Civil War and the French Revolution. Emperors and kings, poets and soldiers walk these pages, in tales of intrigue, adventure, mystery and romance. As well as the giants of the genre - Stanley Weyman, Rafael Sabatini, and Georgette Heyer among them - this anthology also includes tales by Elizabeth Gaskell, Thomas Hardy, Aldous Huxley, William Faulkner and Marjorie Bowen, and by writers from the golden age of the Victorian magazine. In their choices the editors demonstrate the vitality of a form that cuts across the boundaries of popular and literary fiction to appeal to anyone who enjoys a cracking good read.

*The Complete Shorter Fiction of Oscar Wilde* Oct 29 2020

**The Oxford Book of Animal Stories** May 24 2020 A collection of folk tales and myths, fiction and fables about all kinds of animals.

**The Oxford Book of New Zealand Short Stories** May 04 2021 This anthology presents 50 stories by over 40 of New Zealand's best writers. Nineteenth-century writing, which is largely unknown, is represented by Clara Cheeseman and G B Lancaster, as well as by the more familiar Lady

Barker and itinerant Henry Lawson. In the early twentieth century Katherine Mansfield is followed by Greville Texidor as well as Frank Sargeson and Dan Davin. The middle years of the century exhibit a flowering of talent. Janet Frame, Maurice Duggan, and Maurice Gee are all fine practitioners of the genre, while Witi Ihimaera and Patricia Grace are the strong voices of Maori writing. The past dozen or so years have seen an explosion of new writing, with talents as diverse as Owen Marshall, Keri Hulme, Barbara Anderson, and Peter Wells. The selection provides an introduction to New Zealand short fiction that readers interested in the new literatures in English will find stimulating and surprising. The stories are accompanied by brief biographical notes and a glossary of Maori words.

**Wuthering Heights** Aug 27 2020 Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social status. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to get up without reading the novel - fully.

**Sherlock Holmes. Selected Stories** Apr 15 2022 Shares twelve stories starring the legendary detective, including the novel "The Sign of the Four," in which Holmes investigates when a woman receives cryptic messages and valuable pearls after her father's sudden disappearance.

The Oxford Book of Detective Stories Sep 20 2022 The field of detective fiction is vast, and The Oxford Book of Detective Stories brings together the best short fiction from around the world to show how different nationalities have imposed their own stamp on the genre. As well as English and American stories from acknowledged masters such as Ellery Queen, Dashiell Hammett, and Agatha Christie, the anthology includes stories by Simenon, Conan Doyle, Sarah Paretsky, and Ian Rankin, and roams across Europe and further afield to embrace Japan, Denmark, Holland, Italy, Argentina, Czechoslovakia, and other countries. Women detectives, police procedurals, the amateur sleuth, locked-room mysteries are all here, and in her introduction Patricia Craig examines the figure of the detective in international literature.

The Young Oxford Book of Train Stories Feb 19 2020 This is a collection of stories which celebrate the fascination of trains and railways - stories of danger and menace, stories of happiness and laughter, spy stories, love stories, murder stories, and, most of all, ghost stories. You'll take mysterious stories on strange, unearthly trains, shovel coal on a steam engine, meet unexpected passengers on Eurostar, run into something very dangerous in an Indian tunnel, see a disaster magically averted in Australia, and encounter a famous rock star (is he really dead?) on the Californian Zephyr. Many of the stories have been specially commissioned for this book from well-known children's authors such as Geraldine McCaughrean, Adele Geras, Hilary McKay, Douglas Hill, John Gordon, and Alison Prince. Others are classic stories by writers such as William Mayne, Eleanor Farjeon, and E. Nesbit.

**The Oxford Book of Gothic Tales** Dec 31 2020 Bringing together the work of such writers as Edgar Allan Poe, Nathaniel Hawthorne, Arthur Conan Doyle, Eudora Welty, Thomas Hardy, William Faulkner, Isak Dinesen, and Joyce Carol Oates, The Oxford Book of Gothic Tales presents 37 sinister and unsettling tales for all lovers of ghost stories, fantasy, and horror.

**The Oxford Book of Bible Stories** Sep 08 2021 Here is a collection of some of the most powerful and wonderful stories from the Old Testament. We can trace the lives of memorable Biblical characters across the generations including Noah, Abraham, Jacob, Moses, Ruth, Saul and David. Their lives are played out in turbulent times - and the drama of great floods, plagues, journeys, and battles is revealed to us through stories that have been retold with spirit and originality by Berlie Doherty. From this epic sweep, Berlie Doherty's narrative draws out the emotions of real men and women: their hopes and fears, grief and joy, fulfilment and suffering, compassion and betrayal. Berlie Doherty brings us to an understanding of the promises that these people keep and the mistakes they make. Through all this we discover more about God and our faith in him. Fully illustrated throughout by Jason Cockcroft with both sumptuous colour and evocative black and white artwork, this collection of Bible stories is a book to cherish.

Oxford University Sep 27 2020 The University Archives was established in 1634. Based in the Bodleian Library, it is the institutional archive of Oxford University, holding records which span just over 800 years, documenting the University's activities and decisions throughout that time. Fifty-two documents and objects from the University Archives are showcased here, telling a wide range of intriguing stories about the University. Arranged chronologically, they deal with the University's relations with governments and monarchs; the effects of war; teaching and student behaviour; the University's buildings and institutions; widening access to university education; and the impact it has had on the city of Oxford and its people. Also documented here are fascinating insights into the University's erstwhile police force, a hidden time capsule, brewing licences, brawls and illicit steeplechasing. The items - all illustrated - also often unlock human stories to which we can relate today, opening a window on the individuals (from University, city, or even further afield) whose lives the University has touched, including people who would perhaps not be expected to feature in a history of Oxford University, but whose stories are preserved forever in its magnificent archives.

**The Oxford Book of Hebrew Short Stories** Jan 12 2022 Glenda Abramson's informative introduction sets the scene for a powerful literary collection, the definitive anthology of a vibrant modern genre.

**The Oxford Book of American Short Stories** Apr 27 2023 This volume offers a survey of American short fiction in 59 tales that combine classic works with 'different, unexpected gems', which invite readers to explore a wealth of important pieces by women and minority writers. Authors include: Amy Tan, Alice Adams, David Leavitt and Tim O'Brien.

**The Oxford Book of Caribbean Short Stories** Jul 18 2022 The Caribbean is the source of one of the richest, most accessible, and yet technically adventurous traditions of contemporary world literature. This collection extends beyond the realm of English-speaking writers, to include stories published in Spanish, French, and Dutch. It brings together contributions from major figures such as V. S. Naipaul, and Gabriel Garcia Marquez, and work from the exciting new generation of Caribbean writers represented by Edwidge Danticat, and Jamaica Kincaid.

**The Oxford Guide to Literature in English Translation** Dec 19 2019 Translation has been a crucial process in world culture over the past two millennia and more. In the English-speaking cultures many of the most important texts are translations, from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many

languages, from Greek to Korean, from Swahili to Russian. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text (e.g. poetry, oral literature). The second, much longer, part consists of entries grouped by language of origin; some are devoted to individual texts (e.g. the Thousand and One Nights) or writers (e.g. Ibsen, Proust), but the majority offer a critical overview of a genre (e.g. Chinese poetry, Spanish Golden Age drama) or of a national literature (e.g. Hungarian, Scottish Gaelic). There is a selective bibliography for each entry and an index of authors and translators.

**The New Oxford Book of Canadian Short Stories in English** Oct 09 2021 A survey of Canada's leading writers features forty-seven stories, with new pieces by writers in the original Oxford Book of Canadian Short Stories. Included are short stories by W. P. Kinsella, Morley Callaghan, Timothy Findlay, Matt Cohen, Alice Munro and Margaret Atwood.

*The Oxford Book of French Short Stories* Nov 22 2022 This collection of French short stories in translation expands our idea of French writing by including new stories by women writers and by authors of Francophone origin. Spanning the centuries from the late eighteenth to the late twentieth, the collection opens with a rumbustious tale from the Marquis de Sade, takes in the masters of the nineteenth century, from Stendhal and Balzac to Maupassant, and reaches to Quebec, Africa, and the French Caribbean in the twentieth century. Women writers include relatively well known figures such as Renee Vivien, Colette, and Beauvoir, and newer writers such as Assia Djebar, Christiane Baroche, and Annie Saumont. The French short story is a rich and diverse medium, but all the stories selected share a common characteristic: they make exciting reading.

**The Oxford Book of English Detective Stories** Mar 14 2022 Essential reading for all armchair detectives, this collection of 33 classic whodunits is the cream of crime writing.

**The Oxford Book of Latin American Short Stories** Aug 19 2022 This collection brings together 53 stories that span the history of Latin American literature and represent the most dazzling achievements in the form. It covers the entire history of Latin American short fiction, from the colonial period to present.

*The Oxford Book of Children's Stories* Aug 07 2021 A collection of short stories written for children over the past 250 years by such authors as Louisa May Alcott, Rudyard Kipling, Carl Sandburg, Joan Aiken, and Rosa Guy.

*Collected Ghost Stories* May 16 2022 Considered by many to be the most terrifying writer in English, M.R. James was an eminent scholar who spent his entire adult life in the academic surroundings of Eton and Cambridge. His classic supernatural tales draw on the terrors of the everyday, in which documents and objects unleash terrible forces, often in closed rooms and night-time settings where imagination runs riot. Lonely country houses, remote inns, ancient churches or the manuscript collections of great libraries provide settings for unbearable menace, from creatures seeking retribution and harm. These stories have lost none of their power to unsettle and disturb. This edition presents all of James's published ghost stories, including the unforgettable 'Oh, Whistle and I'll Come to You, My Lad' and 'Casting the Runes', and an appendix of James's writings on the ghost story. Darryl Jones's introduction and notes provide a fascinating insight into James's background and his mastery of the genre he made his own. --! From publisher's description.

**Stories about Stories** Dec 11 2021 The first comprehensive study of fantasy's uses of myth, this book offers insights into the genre's popularity and cultural importance. Combining history, folklore, and narrative theory, Attebery's study explores familiar and forgotten fantasies and shows how the

genre is also an arena for negotiating new relationships with traditional tales.

**Lyra's Oxford** Jun 24 2020 This book contains a story and several other things. The other things might be connected with the story, or they might not; they might be connected to stories that haven't appeared yet . . . Two years after the conclusion of *The Amber Spyglass*, Lyra and her daemon Pantalaimon sit high on the roof of Jordan College, gazing down on the streets of Oxford. But their peace is shattered by a flock of enraged starlings, who seem intent on knocking another bird out of the sky - a bird that Lyra and Pan quickly realise is a witch's daemon. The daemon carries worrying tidings of a terrible sickness spreading in the north, and claims that only Lyra can help him - but is he really friend, or foe? Illustrated throughout with exquisite wood-cut engravings by John Lawrence, this beautifully packaged story also contains an extract of Pullman's second short story set in the *His Dark Materials* world, *Once Upon a Time in the North*, a map and other missives that seem to have slipped from Lyra's world into our own.

**The Oxford Book of Science Fiction Stories** Jan 24 2023 A collection of classic science fiction short stories features tales by H. G. Wells, Arthur C. Clark, Frederik Pohl, Clifford Simak, Brian Aldiss, Ursula K. LeGuin, and many others. Edited by the author of *The Road to Middle-Earth*. 20,000 first printing.

[The Oxford Book of American Short Stories](#) Mar 02 2021 In *The Oxford Book of American Short Stories*, Joyce Carol Oates offers a sweeping survey of American short fiction, in a collection of nearly sixty tales that combines classic works with many "different, unexpected" gems, and that invites readers to explore a wealth of important pieces by women and minority writers. Some selections simply can't be improved on, Oates admits, and she happily includes such time-honored works as Irving's "Rip Van Winkle" and Poe's "The Tell-Tale Heart." But alongside these often-anthologized tales, Oates introduces such little-known stories as Mark Twain's "Cannibalism in the Cars," a work that reveals a darker side to his humor. From Melville come the juxtaposed tales "The Paradise of Bachelors and the Tartarus of Maids," of which Oates says, "only Melville could have fashioned out of 'real' events...such harrowing and dreamlike allegorical fiction." The reader will also delight in the range of authors found here, from Charles W. Chesnutt, Jean Toomer, and Sarah Orne Jewett, to William Carlos Williams, Kate Chopin, and Langston Hughes, to Ray Bradbury, H.P. Lovecraft, and Stephen King. For the second edition, Oates has introduced a wide range of new stories from writers who represent the state of American literature today. These new works include Lorrie Moore's "How to Become a Writer," Richard Ford's "Under the Radar," Junot Diaz's "Edison, New Jersey," David Foster Wallace's "Good People," Philip Roth's "Defender of the Faith," and Amy Hempel's "Today Will Be a Quiet Day." As in the original volume, Oates provides fascinating introductions to each writer, blending biographical information with her own trenchant observations about their work. In addition, she has written a new preface that contemplates our shifting literary culture, and has revised her introductory essay to the first edition, in which she offers the fruit of years of reflection on a genre in which she herself is a master.

**The Oxford Book of Twentieth-century Ghost Stories** Apr 03 2021

**The Oxford Book of English Ghost Stories** Dec 23 2022 The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.
