Learn the ways God wants us to grow as Christians and how to cooperate with Him through the disciplines of grace. Spiritual Growth shows you how to grow and the many resources God provides to nurture you. This set includes all three books of the J. Oswald Sanders' spiritual growth series: Spiritual Leadership, Spiritual Discipleship, and Spiritual Maturity. In Spiritual Leadership, J. Oswald Sanders, a Christian leader for decades and the author of more than forty books, presents the key principles of leadership in both temporal and spiritual realms. He illustrates those principles throughout with examples from godly figures like Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. With more than 1 million copies sold, this proven classic will help you to frame your leadership as spiritual service. In Spiritual Discipleship, Sanders points out that true discipleship is more than intellectual assent to a belief in Christ; it involves the whole

and lifestyle. This book will help you embody that truth. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. In *Spiritual Maturity*, Oswald Sanders explores the primary source of continual growth. In three parts structured around the persons of the Trinity, he provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure.

John MacArthur explores a range of biblical passages to reveal the riches of God in Jesus Christ, riches that help us continue to grow in faith and spirit. Luann Budd offers to help you get started journaling, and she introduces you to the power of writing as a spiritual discipline through helpful tips and examples from her own journal.

Over 1 million copies sold *What every church will always need* The need for talented, vigorous leaders in the church cannot be overemphasized. Sometimes demand active service of men and women who are guided by an unshakable devotion to Jesus Christ. With more than 1 million copies sold, *Spiritual Leadership* stands as a proven classic for developing such leadership.

John Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership The art of reproducing leaders The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this book be your guide for leadership, and watch how God works through you to do great things for His glory. Understanding how to cooperate with God's spiritual laws and principles facilitates personal growth, advancement, and success in God's kingdom. Neglecting or violating these truths results in curses, a lack of spiritual growth, and failing to fulfill your destiny. Practical application

lessons and prayers in this book will help readers function successfully in the kingdom of God. Through faith and obedience, they will be able to break free from being naturally minded into being spiritually minded. They will be empowered by the Holy Spirit to overcome sin, the world, and Satan's detour their destiny. The content and format of *Provoking God's Blessings* provides the reader with a comprehensive approach to studying God's spiritual laws and principles, solid biblical teaching and scripture-based prayers, twelve lessons for use by individuals and small Bible study groups, discussion questions and reflective interaction with the material, Pat's personal illustrations and testimonies from others. Whether you are a new believer or a mature disciple in Christ you will benefit from increased understanding and appreciation for how God's kingdom functions, being free from past sinful patterns and curses, living the abundant life God offers us in His Word, experiencing personal and spiritual growth in Christ, and learning how to walk in Holy Spirit empowerment. God has invested much in Pat James through both training and life experiences. Pat holds back nothing as she earnestly passes on those lessons to those willing to learn from them. We encourage you to gather in a small group and take the time to absorb and practice what the Holy Spirit has laid out clearly for you in *Provoking God's Blessings*.

-Dr. Evelyn Biles, founder and director of Global Mosaic International, adjunct affiliate professor at Regent University

God intends for every Christian to grow to spiritual maturity. His Word commands us to progress daily toward a fuller personal knowledge of God and Christ. In this book Pastor John MacArthur thoroughly explores a multitude of biblical passages to reveal the riches of God in Jesus Christ--riches that will help you continue growing in both faith and spirit. This noted pastor and author leads readers back to the basics of what the true Christian life is all about, so they can unlock the treasures God has for them in Christ. Originally published under title: *Planning the journey of life*. Phoenix, AZ: Leonine Publishers, 2017. A roadmap for spiritual formation

In *Mansions of the Heart*, author Thomas Ashbrook begins with his personal story of frustration and confusion while serving as a pastor of the church. He tells of discovering a new spiritual transformation and offers seekers a way to move forward on their own spiritual paths. Written for anyone who wants to develop a deeper

meaningful relationship with God, *Mansions of the Heart* offers a step-by-step guide through a spiritual-formation road map based on Teresa of Avila's seven mansions. This spiritual classic reveals various phases of spiritual formation, for which Ashbrook offers a personal guide to spiritual transformation. *Mansions* debunks commonly held myths that lead to dead ends and describes a clear pathway to a deepening love relationship with God. The book also offers church leaders a process for helping people in their faith communities grow as disciples of Christ. In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, let alone take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital for following His plan. In *How to Hear from God*, Joyce Meyer shows readers that God reaches out to people every day, seeking a partnership with them to offer guidance and love. She reveals the ways in which God delivers His promises and the benefits of asking God for the sensitivity to hear His voice. Joyce asks the question, "Are you listening?" and shares how to do just that. *How to Grow* reveals why all growth is spiritual growth and how you can grow in ways you never thought possible. Unpacking the practical and passionate theology that forms the backbone of their counseling, Drs. Henry Cloud and John Townsend shatter popular misconceptions about how God operates and reveal how growth really happens. Whether religiously theists, atheists, agnostics, or simply seekers, each of us is on a journey of faith, spiraling through stages, seasons, or phases of spirituality. On this journey, we discover that spirituality is more caught than taught, and that faith, enriched not by subtraction but by addition, is more about unlearning than learning. At the center of Jesus' life and message stands the exhortation to receive and share divine love. The two volumes of *Heart to Heart*, excerpted from Dr. Van Kappelle's published writings, examine the meaning and implications of the biblical Great Commandment to love God and others as oneself. Where the first volume examines the spiritual journey inward, this companion volume examines the journey outward. Ultimately there is only one spiritual journey—the journey Godward—and there is only one commandment. Divine love is the key to everything. Unloved people misbehave, fail to love, or change. Loved people aren't concerned with rules, regulations, or beliefs.

Rather, because they are loved, they take proper care of themselves, and doing, care for nature and others as extensions of themselves. Heart is written for those who affirm the value of lifelong spiritual growth, the limits of logic, and embrace the paradoxes in life. If you are willing to commit less than ten minutes a day over a seven-month period, you will undertake a spiritual journey of epic proportions, guaranteed to transform you morally and spiritually. In addition, you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity, a way of life grounded in compassion, justice, service, humility, and love of others. R. Tzadok Hakohen of Lublin (1823-1900), Chassidic master of Torah, taught that spiritual growth follows a predictable sequence of stages. One's youth is most conducive to growth in love and kindness, one's middle years provide the best opportunity for learning submission to Divine authority, and one's later years are the optimal time for growth in truth perception. Stages of Spiritual Growth explores R. Tzadok's system. It details the necessary steps within each stage of growth, explains why each stage of life lends itself to that specific facet of development, examines some of the underlying axioms of non-Jewish culture that sabotage our psychological and spiritual progress, and perhaps most significant for the current generation, dispels the common misconception that spiritual growth in Torah stifles an individual's self-expression. Stages of Spiritual Growth provides a philosophical framework for incorporating one's individuality into one's service to God. Most church leaders are passionate about their calling to "preach and make disciples." However, despite their most creative thinking, diligent efforts and rigorous assessments, year after year they arrive at the end of their ministry season with no way of knowing for sure whether they have succeeded or failed in their calling. "I want to serve God," the refrain goes, "and on most days, I believe I'm doing what I'm called to do. But what if my approach is off-track? What if the work we're doing as a church does not really help people grow at all?" The only indicators of success most leaders have are numbers. Is attendance up? Are giving trends on the rise? Are you baptizing more people this year than last? Numbers are helpful, but they often come up short. Numbers may tell leaders how active their congregants are, but they reveal very little about whether or not anyone's heart is changed.

a result. Leaders need more than numbers to help them assess their e and make strategic ministry decisions. The crux of spiritual growth is busy people are with spiritual activities but how engaged they are with How close is a person to Christ? Are they fully surrendered to his will teaching? Do they prioritize faith in their daily lives? Are they growing their love of God and others? In order to answer these questions, lead more than numbers; they need to see inside people's hearts. In 2004, V Creek Community Church completed research that would eventually be the REVEAL Spiritual Life Survey. Based on those initial findings, as well data from more than 150,000 congregants in 500 churches, the REVEAL discovered a way to see inside the hearts and minds of congregants. The Christ-Centered Heart presents discoveries not from a hypothetical, theoretical or opinion-driven point of view, but from an empirical one. linking biblical principles with spiritual attitudes and behaviors, REVEAL research The Christ-Centered Heart provides a foundational understanding this new lens for spiritual growth and presents findings from the latest REVEAL research. Focusing on Jesus' definition of spiritual growth as increasing love of God and others (Matthew 22:36 – 40), the book draws compelling stories of real people as well as engaging charts and graphs illustrate key concepts and insights. It includes four parts: PART ONE: Heart of the Matter explains the brutal truth about spiritual growth and orientation on how REVEAL takes us "inside" the hearts of congregants. PART TWO: The Spiritual Continuum identifies the five segments of intimacy with Christ and describes people with "closed hearts," who are Far from Christ; people with "searching hearts," who are Exploring Christ; people with "open hearts," who are Growing in Christ; people with "engaged hearts," who are Close to Christ; and people with "surrendered hearts," who are "Christ-Centered." PART THREE: Spiritual Movement details the distinct spiritual catalysts that move people toward increasing intimacy with Christ. This includes four spiritual movements: from rejection to searching for Christ; from searching to accepting Christ; from growing in Christ to becoming close to him; and from close to Christ to becoming Christ-centered. We name two primary barriers to spiritual growth—becoming "stalled" on the journey toward intimacy with Christ, and becoming "dissatisfied" with

church's ability to lead people there. PART FOUR: Spiritual Leadership presents five key findings based on REVEAL's proprietary "Spiritual Vitality Index," which ranks a church's effectiveness in helping people grow. The findings explain the importance of getting people moving once they express interest in knowing Christ; embedding the Bible in everything the church does; creating ownership on the part of the Christ-follower; pastoring the local community rather than merely "doing ministry" inside the church's walls; and re-establishing Spiritual growth is a mystery and is more evident in some than in others. The more the Holy Spirit shines upon the mind and forth His life-giving influences in the heart, so much the more sin is seen and loathed as the greatest of all evils. And this is an evidence of spiritual growth, namely, to hate sin as sin and to abhor it on account of its contrast to the nature of God. This is the first book in the author's series on Christian maturity. The journey of the spirit is not marked by a smooth, four-lane highway. Rather, like the path through a Zen garden, it is curved, with switchbacks and lots of turns. While there may be many beginnings, there really is no destination. Its goal is self-awareness, enlightenment, and peace. It is a journey we take with our lives. In his latest book, Rabbi T. Bookman explores the many ups and downs associated with the life of the spirit. Drawing on the ancient traditions of Judaism, *A Soul's Journey* serves as a kind of roadmap for the path, offering practical insights and modern applications along the way. Rabbi Bookman has been described as a "wise and compassionate teacher" who combines knowledge from a wide variety of disciplines and religious faiths to challenge and encourage his students and readers. He is the author of two books, *The Busy Soul* and *God 101*, and co-author of two CDs of contemporary Jewish music. Many people grow up hearing and accepting religious teachings, but how many think for themselves when it comes to their religion and spirituality? What if by thinking more deeply about spirituality and the universe, you could progress to a higher level of spiritual development? *There Is No Universe* can help you on your journey to elevate your spiritual soul. Author Russ Simmons encourages you to think—to think about anything and everything that is said to you by anyone. After this thought process, you may decide to agree with the message, or you may not make sense. But the key to remember is that no one knows the

absolute truth about the spiritual planes that surround us—the only k is that there is a God and everything about his universe is logical. The universe we live in is not a physical space but a level of God's existence. Humans take the path of least resistance and take things at face value; it feels comfortable and little thought is necessary. But seeking the truth through thinking—is a challenge that will allow you to reach a stronger relationship and understanding of God's universe. What is the meaning? Think about it.

Note: The eBook version has been revised and updated, however the information and teaching is essentially the same as the printed version. This book is a national and internationally best-selling classic with a timeless message. It has been translated into over 24 languages. Once in a decade comes a book that can affect people at the very core of their experience. This contemporary masterpiece in the tradition of the world's great spiritual writings, *Spiritual Growth* is such a book. It contains the essence of the contemporary spiritual path, embodying joy, growth, and increased aliveness. The teachings are profound and inspirational. Open the book to any page. Quiet your mind, read, savor the words. The effect is instantaneous. Your mind is uplifted, your heart is opened, and your body experiences the sensations of peace. The techniques are practical. *Spiritual Growth* teaches readers how to move to higher consciousness, when to be an active force and when to surrender and let things happen. *Spiritual Growth* will teach readers how to: be their Higher Selves in their everyday life, create a vision of their higher purpose, and manifest what they want rapidly and easily. Readers learn to work with light for healing and growth, to connect with the Universal Mind for enhanced creativity, and to link with the Higher Will to carry out their higher purpose. A series of meditations (each of the 21 chapters) take the reader step-by-step through the process of spiritual growth. The easy-to-learn processes taught by Orin, a wise and gentle spirit teacher, helped hundreds of thousands take a quantum leap, accelerate their spiritual growth, and live their lives with more joy, harmony, peace, and love. *Spiritual Growth* gives you tools to lift the veils of illusion, see truth, expand and contract time, raise your vibration, achieve higher states of consciousness, open your heart, and know yourself in new, more loving ways. *Spiritual Growth* teaches you to have more satisfying relationships with others.

the skills of non-attachment, right use of will, being transparent to other energies, and communicating as your Higher Self. You will learn to become a source of light and to grow through world service. Speaking always to the higher aspect of the reader, Orin offers the next step in spiritual growth for those who want to know more about who they are, why they are here, and what they came to do. Whether religiously theists, atheists, agnostics, or simply seekers, each of us is on a journey of faith, spiraling through seasons, or phases of spirituality. On this journey, we discover that spirituality is more caught than taught, and that faith, enriched more by subtraction than by addition, is more about unlearning than learning. At the center of Jesus' life and message stands the exhortation to receive and share divine love. The two volumes of Heart to Heart, excerpted from Dr. Van Kappelle's published writings, examine the meaning and implications of the biblical Great Commandment to love God and others as oneself. Where the first volume examines the spiritual journey inward, this companion volume examines the journey outward. Ultimately there is only one spiritual journey--the journey Godward--and there is only one commandment. Divine love is the key to everything. Unloved people misbehave, fail to love, or refuse to change. Loved people aren't concerned with rules, regulations, or beliefs. Are you desiring a closer relationship with God? If so, where do you start? What tools can you use to grow spiritually and build that important relationship with your Creator? This important study aid will guide you on the right path. Read and begin implementing these important exercises today! - Inside this Bible Study Aid: - The Privilege and Power of Prayer - The Lord's Prayer as a Guideline - God Has Conditions for Answered Prayers

- Learn, Live and Love the Bible - Great Themes of the Bible - Proofs of the Bible - How to Read, Study and Understand the Bible - Meditation: What for Your Mind? - What Should We Meditate About? - Fasting: A Spiritual Power Tool - Repentance: A Profound Turnaround! - Steps to Initial Repentance and Conversion - Repentance, Penance and Grace - The Church: Help for Growth - Becoming a Member of God's Church - The Church Behind the Scenes

Spiritual Growth: From Immaturity to Immortality - Bearing Fruit: A Crucial Part of Spiritual Growth Rod Dempsey and Dave Earley draw on years of experience as pastors, church planters, professors, and transformed believers to equip readers to grow in their spiritual walk with Christ. *Spiritual Formation Is...* challenges believers to grow upward, inward, and outward in their spiritual formation by loving God, loving one another, and loving our neighbors. Written in a down-to-earth, approachable style that invites readers to come as they are, *Spiritual Formation Is...* introduces the principles, philosophy, and practice of sanctification. A strategy for growth toward Christlikeness must be based on the actual ways that people grow and develop into maturity in Christ. Through identifying and understanding how we grow spiritually, this course will help you become more intentional in Bible study, prayer, lifestyle choices, evangelism, and spiritual gifts. *Gallop Newton*, 96 pages, paper, ISBN 1-910566-45-3

Teaching Others
Leading Others
Mentoring Others
Being a Lifelong Learner

The Bible reveals that there are four stages of spiritual growth. Understanding them is fascinating and will help you SEE where you ARE spiritually and where you need to go. It will also help you to locate where others are so you can understand their position and relate to them accordingly. STAGE ONE is actually a stage of spiritual darkness where the individual is separate from God and in need of spiritual regeneration. The next three stages apply to the development of the believer. The Bible illustrates these three stages in terms of childhood, youth and maturity (1 John 2:13-14). Too many Christians get stuck in STAGE TWO, which is the institutional

of growth where believers learn the fundamentals and are dependent on pastors for their spiritual health. STAGE TWO is strategic and essential, it's unwise to get stuck there. This book shows you HOW to keep growing and provides the necessary tools. This groundbreaking integration of spiritual genius and psychological teaching has enjoyed a reputation as a classic in the field of human development. Are you a new Orthodox Christian, confused about what you need to do to grow in your Faith? Or perhaps you've been Orthodox for some time but could use a refresher course in basic spirituality. Popular podcaster Fr. Evan Armatas explains the fundamentals of the three-legged stool of Orthodox practice-prayer, almsgiving, and fasting-in terms that everyone can understand and implement. Let Fr. Evan help you establish your life in Christ on a firm footing. Teaching for Spiritual Growth is a practical textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth. A broadly experienced team of rising church leaders share substantive research on churches and individuals that will help readers foster a culture wherein people intentionally grow in their Christian faith. Worship. Small groups. Community outreach. Prayer. Evangelism. Political action. Missions. Signs of renewal are springing up everywhere. How can we encourage and sustain this spiritual vigor? How can we make renewal a way of life? Spiritual growth, says Richard Lovelace, depends on grasping and applying certain key biblical principles. We need to understand how the forces of evil work against us and what God has done for us in Christ. Lovelace begins by focusing on our need to develop a God-centered, kingdom-centered life. He then details the dangers and strategies for overcoming the world, the flesh and the devil. Individually we are renewed as we grow in Christ, who accepts us, frees us from bondage to sin, and lives in us through the Holy Spirit. Corporately we are renewed as we pray, participate in community life, increase our theological depth, and reach out with the Gospel in word and deed. This book incorporates insights from seven years' teaching since Lovelace's earlier Dynamics of Spiritual Life. Its shorter length and added discussion questions make it ideal for small group study as well as individual reflection. This is a guidebook for all who desire spiritual growth. This new book focuses on acquiring the skills for handling everyday life with more joy, harmony, peace, and light. Here are more of the shared

teachings of Sanaya Roman and her spirit guide, Orin, for whom she acts as a channel. Spiritual maturity is not a level of growth Christians achieve, but a passion to press on in Christ. In these concise chapters J. Oswald Sanders explores the primary source of continual growth. As we embrace God's providence, hardship, and more, we can move from infancy toward the maturity we were created to enjoy. Now, this new edition of "Spiritual Maturity" includes a "For Reflections" section making it an ideal resource for both individual and group study. When women get together to share their stories, they nurture and encourage each other. This natural way of relating can become an intentional way of spurring one another on to grow in the Lord. In *Divine Secrets of Mentoring* Carol Brazo tells powerful stories of women who have shaped her understanding of key areas of Christian life: confession, forgiveness, prayer, integrity, self-image and much more. Through reading her wonderful stories and biblical illustrations, we gain perspective on how we are mentored by the women in our own lives. And we discover we too can mentor others. Questions at the end of each chapter make this a great choice for a women's Bible study or discussion group. Come, and discover the divine secrets of Christian sisterhood! Question: What is the God-given purpose of the local church? Answer: Relational discipleship. *DiscipleShift* walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to shine and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various methods for reaching unchurched people. While many of these approaches have been effective, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do it in practical terms. You'll learn: The specific roles of a disciple-making pas-

The components of person-to-person discipleship. How each ministry in a church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches. Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing something crazy, if you think about it. The God of the universe—the Creator of night and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it or not, we all know something's wrong. Does something deep inside you long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Him. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter Him as Francis describes it, you will never be the same. Because when you fall wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com. Unfortunately, in today's world many people fail to experience the freedom and healing power of God's grace. Christians too often experience judgement, rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of Celebrate Discipline, Embracing the Love of God calls Christians back to the basics to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God, self, and others that is based not on fear and judgement, but rather acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, Embracing the Love of God offers hope, peace, and guidance for spiritual growth. The healthy Christian life is one of continuing spiritual, emotional, and relational growth. But so many of us feel stuck or stagnated at one point of the journey. It's not always clear to us where or why we are stuck.

difficult to take the next step on our journey of the soul. That's where Kristi Gaultiere come in. After decades in private practice as counselors and therapists, they have developed a unique model for growing in grace. In *Journey of the Soul*, they draw on more than 70,000 hours of providing therapy and spiritual direction to show you how to identify your current level of faith and the next steps to take based on your unique needs and situation. With Scripture, self-assessments, and soul care practices to support your progress along the way, this insightful and inspiring book will be a treasured companion on your journey no matter where you are or how long you've been following Jesus. Grow in grace: every Christian is expected to do it, yet many feel they have failed to grow consistently. But how can we grow? Isn't spiritual growth something God just sort of does for us or in us? In this encouraging and accessible book, Justin Huffman considers some of the means God has provided for us for spiritual growth. Many of these will be familiar and expected; others may be new and surprising. Yet all of God's means of grace have this common objective: to draw us closer to Christ and, in doing so, make us more like Christ. A practical, engaging, and devotional study of the various pathways to a deeper relationship with Christ In these postmodern times, there is a growing desire for an authentic spirituality that will touch our lives in meaningful and practical ways. The biblical vision of the spiritual life as a relationship with the living and personal Creator can satisfy this deep desire, but most accounts of this vision are fragmentary or one-sided. *Conformed to His Image* offers a comprehensive, balanced, and applicable approach to understanding what it really means to know Christ. Rather than presenting one or two approaches, author Ken Boa provides an in-depth discussion of twelve pathways in the spiritual life and shows how each of these pathways contribute to the dynamic process of spiritual growth. With its systematic, synthetic, and broad-based approach to the spiritual life, *Conformed to His Image* draws readers into a deeper appreciation and desire to participate in the various facets of Christian spirituality. Among the twelve facets of spiritual formation addressed are: * Relational spirituality: loving God completely, self correctly, and others compassionately * Exchanged Life spirituality: grasping our true identity in Christ * Process spirituality: being vs. doing; process vs. product * Warfare spirituality: the world, the flesh,

the devil * Corporate spirituality: encouragement, accountability, and worship
