Daniel Harry's new book "The Jesus Ring" uncovers a modern-day depiction of the book of Revelation and the events leading to the final apocalypse. An ancient ring washes onto the sand and shells of the Florida shoreline. Peter Christian, a young American veteran struggling with PTSD, finds the ring and slips it on his finger. He isn't aware the ring's last wearer was God's own son. The ring's purpose is to find the person chosen to champion the faithful into the future...if it has one. Peter discovers the ring will change him physically and gives him the ability to communicate directly with God. God has given the humans this last chance to come back to him, or he will wash his hands of the petri dish we call Earth and leave it to Satan and his swarm to devour and destroy. This time, the ring has chosen a warrior instead of a lover of peace, as there are harsh times coming. Peter is very familiar with the ominous, horrific events predicted for the end-times, and he will be given the means to build fantastic devices to help save mankind, if the faithful win. Peter and eleven disciples have been destined for this seemingly insurmountable task. This time God will take a bigger presence in the fight, but He won't win the battle for them if there are not enough faithful to make winning worthwhile. Satan's harvesters, huge carnivores that can only prey on the unfaithful, are coming, and time is running short for the Golden Twelve to save as many as they can. Ruth A. Tucker's book is a comprehensive survey of all the major alternative religions in the United States, including the new groups since the 1960s. One of the leading life insurance salesmen in the world, a member of The Million Dollar Round Table and Top Of The Table, Morris had success, fame, fortune, and a brand new airplane. And then things turned upside down. While attempting to land his airplane one afternoon Morris crashed. With his neck broken at C1 and C2, his spinal cord crushed, and every major muscle in his

body destroyed Morris was no longer able to perform any bodily function except to blink his eyes. His injuries were too severe for him to survive. But the man the doctors dubbed "The Miracle Man" did survive and with a strong faith in God, courage and determination, Morris not only rebuilt his body but also his mind and outlook on life. Morris feels you too can learn to be happy, have peace of mind, and accomplish all your goals and dreams no matter what hand life deals you. In life, everyone at some time or another will experience what is commonly referred to as problems. Moving Mountains is a manual of sorts to assist people in the removal of life's problems. This removal process occurs by first looking at some commonly held beliefs and ideas held by our society. Secondly this removal occurs by realizing that a shift in perception is needed. As the reader continues to read and walk through the journey laid out in the pages of the book the task of noticing and in time changing existing paradigms will become the number one mission. This mission allows the reader to realize that the mountains in life (problems, challenges, issues and traumas) are blessings that can be used as stepping stones to greater awareness and increase one's ability to live a sacred life. The book guides the reader through the process of personal transformation by challenging what is believed and what the reader feels is known with various ideas and concepts that the author has found over years of study to be of immeasurable value and use, so that the mountains can be moved just as Jesus the Christ said in Matthew 17:20, "if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you." People read the Bible for a number of reasons: to enhance their spiritual growth and religious practice, to improve their understanding of the history of the Bible lands, and for the sheer enjoyment of the dramatic stories conveyed by inspirational and poetic language. Breathtaking in its size and scope, *Biblica* is a visually stunning guide to the Bible and the Bible lands. It includes over 650 full-colour paintings, drawings, etching, sculptures, and scenic photographs, plus 125 original and up-to-date maps of the Bible lands, which bring to life the people, places, and events of the Bible. Wealth is a complex word and the reason is because everyone on planet earth has a different definition of it. People define themselves by their wealth. But there is a man whose wealth is left out -- the wealthiest man who ever lived on earth. He is not only the wealthiest man on earth, but the giver of wealth. Though everyone believes a wealthy man must be born in the best hospital in the world and should be given the best care as an infant, I will show his assets and net worth in a more excellent way. If you hate poverty, this is the book for you. At first glance the Old and New Testaments of the Bible could not appear to be more different on the subject of prosperity. The Hebrew teachings encourage the accumulation of wealth and state that God will prosper us if we trust in Him while the Gospels and letters of the New Testament recommend discarding wealth and living a simple life. 'Thou shalt remember the Lord thy God for it is He that giveth thee the power to get wealth.' Deuteronomy 8:18. 'I tell you it is easier for a camel to pass through the eye of a needle than for a rich man to enter into the kingdom of heaven.' Gospel of Matthew 19:24. But is there more to it than that? Is there an underlying, unifying theme of what prosperity actually is and how to attract it throughout the whole of the Bible? This book reveals that there is - and that this ancient

text, interpreted carefully and comprehensibly, is a prosperity workbook for the modern age. **THE MILLIONAIRE MOSES His Prosperity Secrets for You!** (Millionaires of the Bible Series) The purpose of this book is to remind you of what you may already know: that prosperity is your heritage. Every normal person is vitally interested in the subject of prosperity. Indeed, an expanded prosperity consciousness is a necessity in the age of increasing economic demands. Rising prices, inflationary recessions, and uncertain political and economic world conditions are all indications that we must raise and expand our consciousness to a new level of universal supply. Through using the prosperity laws described in this book, you can deliberately get into a universal prosperity vibration, and begin to experience more successful results in every phase of your life. Whatever you most need in your life can open to you as you open your mind to the prosperity secrets of the millionaire Moses! This classic presents people seeking to change their community by pledging themselves to experiment for a whole year with the question, 'What would Jesus do?' This book retells the Christmas from Mary's viewpoint (Luke 1:5?2:18). The Arch? Books series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember. J. Earl Shoaff, Jim Rohn's personal mentor, gives the presentation that changed Jim's life! Anyone who ever heard Jim Rohn speak, knows the impact that Earl Shoaff had on his life. Here is a transcription of the recording of the presentation by Earl Shoaff that changed Jim's life and provides the secrets to his success. By the time Jim Rohn reached the age of 25, he was married, had a family and worked as a stock clerk at Sears earning \$57 a week take home pay. Finding himself falling behind on his bills, and with nothing in the bank to fall back on, he knew he wanted more out of life but had no idea on how to make it happen. Then something happened to him that changed his life forever and gave him the answers he was looking for. The same good fortune that happened to Jim all those years ago is about to happen to you! One of Jim's friends told him about a man he had gone to work for. This man was very rich and wise. He had an incredible philosophy about life and he was easy to talk to. His friend talked about this man so much that Jim's curiosity got the better of him and he went to hear what this man had to say. Jim walked into the room and took a seat. He really didn't know what to expect, but he kept an open mind and listened intently as the speaker opened his eyes to a world he never knew existed. A world where you could truly be anything you wanted to be and you could have anything you wanted to have! Jim said of the experience, "To this day, I can't tell you exactly what he said, I just knew that I would have given anything to be like him." Then, standing at the back of the room, he got an idea. He thought that, somehow, if he could just get around this man, maybe he could learn the secrets of wealth and happiness. Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate.

Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair. From the bestselling author and acclaimed historian, a powerful portrayal of the life of Jesus Is Jesus relevant to us today? Few figures have had such an influence on history as Jesus of Nazareth. His teachings have inspired discussion, arguments, even war, and yet few have ever held forth as movingly on the need for peace, forgiveness, and mercy. Paul Johnson's brilliant reading offers readers a lively biography of the man who inspired one of the world's great religions and whose lessons still guide us in current times. Johnson's magisterial and revered book A History of Christianity is a masterpiece of historical writing on religion; and in his new book he returns to focus on a central figure in one of the world's dominant religions. Johnson's intelligent and conversational style, as well as his ability to distill complex subjects into succinct, highly readable works, make this book the ideal match of a major historian with a major subject. The result is an accessible biography and an insightful analysis of how Jesus is important in the present era. THE MILLIONAIRES OF GENESIS Their Prosperity Secrets for You! There's Gold Dust in the Air for You! This book is the result of several recent recessions and many years of lean living. Nobody likes recessions and nobody likes lean living-and indeed nobody should like them. For fifteen years I tried to find such a book as this one. As you begin reading this book, no matter what the conditions of your life may now be, do so in this attitude of mind: There is gold dust in the air-for me... Get Your Copy Now. An ancient

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History. quoted as saying "this is the Woman Thou Art Loosed of the emerging generations." From the 1st chapter Charles Bond in a manner as only he can challenges his readers on the controversial issue of could God have been a woman. He celebrates and confirms the fact that the woman serves as the greatest catalyst of the human race because she completes the framework of creation as the crown of Gods Glory. In chapters such as "Onions Don't Cry," he reinforces the fact that whatever you give a woman she gives it back to you multiplied as well as improved. He boldly proclaims that if you give a woman a seed, she will give you offspring. If you give her groceries she will give you a meal. If you give her a house, she will make it into a home. If you give Madam C J Walker a scalp disease and some home remedies she will give you a sulfur shampoo to cure it and she will give you our first self-made female millionaire. If you give an Albanian nurse named Teresa an orphanage full of sick children she will give you a healed community and a Nobel Peace Prize. And if you give a virgin from Nazareth a night with the Holy Spirit she will give you the Savior of the whole world and the only begotten Son of God! In chapters like "Finding The Right Bra" he peaks our interest by being provocative and informative and taking the 17 different styles of braziers available on the market and compares them to the 17 types of people that every girl and woman needs in her life. From "training bra" type people who show us how to get the hang of it, to "mastectomy bra" people who allow us to shine without shame. He closes this literary offering by assuring us that C.U.P Size is not about size at all, but it's about significance. (Millionaires of the Bible)** Joshua went from slave to millionaire, and you probably can too. He was born into Egyptian bondage where he experiences limitation of every kind. While still a slave in Egypt, Joshua learned about the power of thought. This gave him hope for a better way of life. Later, while in the wilderness, he learned and absorbed much from the Masterful Moses. After being freed from Egyptian bondage and escaping to the wilderness Joshua acted as a spy in the Promised Land. There he surveyed its vast wealth and unlimited potential. Yet he had to wait another forty years in the wilderness of Paran before being allowed to permanently enter the Promised Land. Joshua made this frustrating period of waiting a time of learning, planning and preparing. Then when the opportunity came he was ready...It is an exciting story, and one that is symbolic of the vast good that can await you in your own life, as you follow through on Joshua's success secrets that are explained in this book. In **The Hope**, world-famed historical novelist Herman Wouk told the riveting saga of the first twenty years of Israel's existence, culminating in its resounding triumph in the Six-Day War, which amazed the world as few events of this turbulent century have. With **The Glory**, Wouk rejoins the story of Israel's epic journey in one of his most compelling works yet. From the euphoric aftermath of that stunning victory in 1967, through the harrowing battles of the Yom Kippur War, the heroic Entebbe rescue, the historic Camp David Accords, and finally the celebration of forty years of independence and the opening of the road to peace, Wouk immerses us in the bloody battles, the devastating defeats, the elusive victories. **Castles & Buttons (Book Two) How to Have Everything by Doing Nothing (Susan James) Advanced Higher Mechanics Castles & Buttons- Book Two How to Have Everything by Doing Nothing Advanced Higher Mechanics** This is the 3rd of the Castle's and Buttons Series . If you've read the ones that came before; **The Introduction to Castles and Castles Book One**, this third book, **Castles and Buttons, Book Two**, goes a bit deeper into the higher study and its implications. Implications include money flow and financial events. The key understanding to get to, is everything is simply given. Those of us who are committed to understanding higher things at some point are ready to entertain this notion of everything is just given to us. When I reached that place of understanding that this could be true, the effort then came in unraveling any underlying themes or beliefs that kept me from the experience of it. The unraveling came in both the knowledge and the experience of the fact, that I did not have to do this and that, so that I could have or get this or that. I have translated it over into every part of my life. I know it's about how we use energy. I've had to develop my own way, my own games. I've had to not listen to all the hype, while still enjoying parts of it. I have fully convinced myself that circumstances and conditions do not matter. When we are purely aligned with Source Energy, our thoughts, ideas and timing all meet for a wonderful event or experience. It becomes the way we live, instead of the occasional miracle. **The Mechanism of Financial Abundance is attached to two things:** • 1. Understanding Higher Law and It's Benefit as We use this understanding. • 2. Feeling Good IS The Mechanism of

Financial Abundance. It brings More Money and Money that Sticks to Us. I can relate to this big time, because before I smartened up, I would get big money and then something would happen to it, or something would need fixed which took the money away as fast as it showed up. It's very nice these days, to have the money flow and not go! It's very nice to not have to fix things, or backup and re-start and re-do. Altho, at those times, that's exactly what I did. I'd re-start with the mental ease, and I'd re-do, with the mental ease, and up and out I went! Done Deal Baby!
