After bursting on to the Australian music scene in 1975, Dragon fast developed a reputation for both hard rocking and hard living. As the highly visible and charismatic lead singer, Marc Hunter was the voice behind such timeless hits as 'April Sun in Cuba', 'Are You Old Enough?' and 'Rain'. Yet Hunter was also a maverick whose destructive genius and serious heroin addiction led to a turbulent relationship with his bandmates, including older brother Todd. And it contributed to his early death at just 44. Originally published in 2011, this intimate portrait was written with full co-operation from Marc's mother Voi and his brother and former bandmate Todd, as well as contributions from many high-profile Australian music personalities such as James Reyne, John Paul Young, Kate Fitzpatrick, Richard Clapton, Don Walker, Kevin Borich, Tommy Emmanuel and Robert Forster.

With the changing fortunes of the band, the R'Jays, the authors take us behind-the-scenes of Festival Records, 'live' television, stadium concerts and dances, band tours in Australia, New Zealand and war-torn Vietnam and the world of adolescent sex, fans and 'band vultures', bungling managers, and hard-living and heart-broken rock stars. A no-holds-barred, eyewitness story, Behind The Rock is a vital document for understanding the history of 'Oz Rock'.

*Every Day Is a Gift* May 03 2020 AN INSTANT NEW YORK TIMES BESTSELLER! Learn the incredible story of Illinois senator and Iraq War veteran Tammy Duckworth and see what inspired her to follow the path that made her who she is today. In *Every Day Is a Gift*, Tammy Duckworth takes readers through the amazing—and amazingly true—stories from her incomparable life. In November of 2004, an Iraqi RPG blew through the cockpit of Tammy Duckworth's U.S. Army Black Hawk helicopter. The explosion, which destroyed her legs and mangled her right arm, was a turning point in her life. But as Duckworth shows in *Every Day Is a Gift*, that moment was just one in a lifetime of extraordinary turns. The biracial daughter of an American father and a Thai-Chinese mother, Duckworth faced discrimination, poverty, and the horrors of war—all before the age of 16. As a child, she dodged bullets as her family fled war-torn Phnom Penh. As a teenager, she sold roses by the side of the road to save her family from hunger and homelessness in Hawaii. Through these experiences, she developed a fierce resilience that would prove invaluable in the years to come. Duckworth joined the Army, becoming one of a handful of female helicopter pilots at the start of Operation Iraqi Freedom. She served eight months in Iraq before an

insurgent's RPG shot down her helicopter, an attack that took her legs—and nearly took her life. She then spent thirteen months recovering at Walter Reed, learning to walk again on prosthetic legs and planning her return to the cockpit. But Duckworth found a new mission after meeting her state's senators, Barack Obama and Dick Durbin. After winning two terms as a U.S. Representative, she won election to the U.S. Senate in 2016. And she and her husband Bryan fulfilled another dream when she gave birth to two daughters, becoming the first sitting senator to give birth. From childhood to motherhood and beyond, *Every Day Is a Gift* is the remarkable story of one of America's most dedicated public servants.

**Dig** Mar 25 2022 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 - formative years in which the nation cast off its colonial cultural shackles and took on the world. Generously illustrated and scrupulously researched, *Dig* combines scholarly accuracy with populist flair. Nichols is an unfailingly witty and engaging guide, surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters, interspersed with shorter chapters on some of the more significant figures of each period. The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK, yet has always

retained a strong sense of its own identity and continues to deliver new stars - and cult heroes - to a worldwide audience. *Dig* is a unique achievement. The few general histories to date have been highlight reels, heavy on illustration and short on detail. And while there have been many excellent books on individual artists, scenes and periods, and a couple of first-rate encyclopedias, there's never been a book that told the whole story of the irresistible growth and sweep of a national music culture. Until now . . .

Despite Breau's fascinating life story and his musical importance, however, no full-length biography has yet been published - until now. Forbes-Roberts has interviewed more than 200 people, including family members, fellow musicians, and the luthiers who created his instruments, and closely analyzed his recordings.
