This Healing Pet Loss workbook focuses on one thing: Teaching you the 2-Letter Writing Technique. The workbook is an excellent supplement to Marianne Soucy's other books: "Healing Pet Loss: Practical Steps for Coping & Comforting Messages from Animals and Spirit Guides" and "From Grief to Gratitude after Pet Loss: Healing Messages from Pets in the Afterlife". Through her work with clients and dealing with her own grief of losing animal companions close to her heart, Marianne discovered that the 2-Letter Writing Technique, often used in grief healing work with humans, also works very well with pet loss. It is a simple but powerful technique that serves two important functions:1.It is a way for you to express and deal with the pain of your grief.2.It is a way for you to communicate with your own pet in the afterlife.The workbook includes detailed instructions for writing the 2 letters based on Marianne's own experience with the technique, and it includes examples of letters to and from pets in the afterlife. This technique is highly recommended for helping you heal after the loss your beloved pet.A section with other uses for the 2-Letter Writing Technique is included.
