The 1619 Project Jul 05 2020 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The *New York Times Magazine*'s award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. Journal Buddies Mar 05 2023 Simple but powerful, *Journal Buddies* is no ordinary journal. It is an invitation to experience a journaling adventure and to expand creativity and express feelings. It is an opportunity to strengthen self-esteem, build healthy relationships and create a positive outlook on life. It is a unique journal created with the help of important people in life, such as friends, parents, teachers, family members, etc.

Everyday Business Storytelling May 15 2021 A practical, easy-to-use guide to transform business communications into memorable narratives that drive conversations—and your career—forward In *Everyday Business Storytelling: Create, Simplify, and Adapt A Visual Narrative for Any Audience*, visual storytelling experts Janine Kurnoff and Lee Lazarus leverage decades of experience helping executives at the world's top brands—including Facebook, Nestle, Accenture, and Marriot—bring clarity and meaning to their business communications. Whether you're building a presentation, crafting a high-stakes email, or need to influence decisions in your next meeting with an executive, *Everyday Business Storytelling* offers an insightful exploration of how to develop compelling business narratives. You'll discover how to use a simple, repeatable framework to choreograph your ideas, data, and insights into an authentic, persuasive story. You'll also find clever visual techniques to help humanize your stories and build an emotional connection with your audience. Just a few of the things you'll learn include: The science behind why storytelling is the most effective way to trigger emotion in an audience and how to craft a business narrative that makes your ideas engaging The four signposts of storytelling and how to identify and weave in your BIG idea to capture attention How to craft expert headlines that guide your audience and advance your story *Everyday Business Storytelling* is an indispensable guide to making your communications stick in the minds of your audience and drive change. If you're a busy, talented businessperson responsible for presentations, one-pagers, emails, or virtual meetings, this book is for you.

Small Moments Oct 08 2020

In Fact: The Best of Creative Nonfiction Dec 30 2019 A collection of twenty-five narrative essays originally published in the journal, *Creative Nonfiction*, includes works by Lauren Slater, John Edgar Wideman, and John McPhee, with commentary by the authors following their pieces.

My Map Book Sep 18 2021 In each spread of this bold and humorous picture book, available for the first time since 1995, children can examine their place in the world around them through detailed and engaging maps. Twelve beautifully illustrated maps such as *Map of My Day* and *Map of My Tummy* will fascinate children. When finished reading the book, children can unfold the jacket -- it turns into a poster-size map!

To Kill a Mockingbird May 07 2023 Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

101 Themed Ideas for Story Starters Nov 20 2021 A fun entry into shared storytelling with children either at school or home will help improve literacy and communication skills, as well as build confidence. This book, themed developmentally by 'Where?', 'What happened?', 'Who?', 'What else?' and finally introducing the concept of time with 'When?'.

Narrative and Innovation Jan 03 2023 The editors bring two terms, narrative and innovation, together in an interdisciplinary and interactive way. Narratives are ubiquitous and hold the potential to indicate future changes in politics, economies and markets. As “stressors” and stabilizers in organizations, narratives and changes in the consensus narrative indicate the need for strategic change or organizational stasis and may be utilized as a source for early recognition in strategic management. The use of narratives in management, however, makes it necessary to adopt a new perspective. This volume offers a polyphonic forum for the development of an interpretive approach towards business administration, strategic management, and entrepreneurship, by introducing instruments of semiotics, linguistics, narratology, and others. This compilation, therefore, presents a comprehensive overview of scientific and industrial perspectives beyond the mainstream.

Story Writing Dec 10 2020 Focus on the steps to creating and writing a good story. Includes prewriting steps such as story ideas, purpose, and

audience. Also covers characters, setting, conflict and plot, and conclusion. Instruction and writing activities for each step are included.

Selected Stories Jun 03 2020 Covering the first half of Nobel Prize winner Alice Munro's career, these are some of the best, most touching and powerful short stories ever written This first-ever selection of Alice Munro's stories sums up her genius. Her territory is the secrets that cackle beneath the façade of everyday lives, the pain and promises, loves and fears of apparently ordinary men and women whom she renders extraordinary and unforgettable. This volume brings together the best of Munro's stories, from 1968 through to 1994. The second selected volume of her stories, 1995-2009 is also published by Vintage Classics.

The Seven Basic Plots Aug 30 2022 This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Narration as Argument Mar 13 2021 This book presents reflections on the relationship between narratives and argumentative discourse. It focuses on their functional and structural similarities or dissimilarities, and offers diverse perspectives and conceptual tools for analyzing the narratives' potential power for justification, explanation and persuasion. Divided into two sections, the first Part, under the title "Narratives as Sources of Knowledge and Argument", includes five chapters addressing rather general, theoretical and characteristically philosophical issues related to the argumentative analysis and understanding of narratives. We may perceive here how scholars in Argumentation Theory have recently approached certain topics that have a close connection with mainstream discussions in epistemology and the cognitive sciences about the justificatory potential of narratives. The second Part, entitled "Argumentative Narratives in Context", brings us six more chapters that concentrate on either particular functions played by argumentatively-oriented narratives or particular practices that may benefit from the use of special kinds of narratives. Here the focus is either on the detailed analysis of contextualized examples of narratives with argumentative qualities or on the careful understanding of the particular demands of certain well-defined situated activities, as diverse as scientific theorizing or war policing, that may be satisfied by certain uses of narrative discourse.

The Rooster Bar Apr 13 2021 #1 NEW YORK TIMES BESTSELLER • John Grisham's newest legal thriller takes you inside a law firm that's on shaky ground. Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. But maybe there's a way out. Maybe there's a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no ... Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar.

Narrative Economics Jan 23 2022 From Nobel Prize-winning economist and New York Times bestselling author Robert Shiller, a groundbreaking account of how stories help drive economic events—and why financial panics can spread like epidemic viruses Stories people tell—about financial confidence or panic, housing booms, or Bitcoin—can go viral and powerfully affect economies, but such narratives have traditionally been ignored in economics and finance because they seem anecdotal and unscientific. In this groundbreaking book, Robert Shiller explains why we ignore these stories at our peril—and how we can begin to take them seriously. Using a rich array of examples and data, Shiller argues that studying popular stories that influence individual and collective economic behavior—what he calls "narrative economics"—may vastly improve our ability to predict, prepare for, and lessen the damage of financial crises and other major economic events. The result is nothing less than a new way to think about the economy, economic change, and economics. In a new preface, Shiller reflects on some of the challenges facing narrative economics, discusses the connection between disease epidemics and economic epidemics, and suggests why epidemiology may hold lessons for fighting economic contagions.

Writing to Describe Apr 01 2020 In this skills-building book, students master descriptive writing using fun-filled techniques. Packed with stimulating mini-lessons and hands-on writing activities, the volume displays step-by-step approaches to bring out the best in writing and creating stories that are rich in sensory detail. Examples of a brainstorming cluster, synonym chart, sensory chart, and figurative language chart help students construct their vividly descriptive stories. Each chapter includes "Essential Steps" and "A Second Look" boxes to help students get organized and review their writing pieces.

Narrative Matters Feb 09 2021 Grant Bage discusses ways of translating curriculum content into lessons. The author also explores the difficulties for teachers of remaining constructively critical of both policy and their own practice.

The Writing Life Aug 06 2020 "For nonwriters, it is a glimpse into the trials and satisfactions of a life spent with words. For writers, it is a warm, rambling, conversation with a stimulating and extraordinarily talented colleague." — Chicago Tribune From Pulitzer Prize-winning Annie Dillard, a collection that illuminates the dedication and daring that characterizes a writer's life. In these short essays, Annie Dillard—the author of *Pilgrim at Tinker Creek* and *An American Childhood*—illuminates the dedication, absurdity, and daring that characterize the existence of a writer. A moving account of Dillard's own experiences while writing her works, *The Writing Life* offers deep insight into one of the most mysterious professions.

Wired for Story Jan 29 2020 This guide reveals how writers can utilize cognitive storytelling strategies to craft stories that ignite readers' brains and captivate them through each plot element. Imagine knowing what the brain craves from every tale it encounters, what fuels the success of any great story, and what keeps readers transfixed. *Wired for Story* reveals these cognitive secrets—and it's a game-changer for anyone who has ever set pen to paper. The vast majority of writing advice focuses on "writing well" as if it were the same as telling a great story. This is exactly where many aspiring writers fail—they strive for beautiful metaphors, authentic dialogue, and interesting characters, losing sight of the one thing that every engaging story must do: ignite the brain's hardwired desire to learn what happens next. When writers tap into the evolutionary purpose of story and electrify our curiosity, it triggers a delicious dopamine rush that tells us to pay attention. Without it, even the most perfect prose won't hold anyone's interest. Backed by recent breakthroughs in neuroscience as well as examples from novels, screenplays, and short stories, *Wired for Story* offers a revolutionary look at story as the brain experiences it. Each chapter zeroes in on an aspect of the brain, its corresponding revelation about story, and the way to apply it to your storytelling right now.

The Story Grid Sep 30 2022 WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

Hint Fiction: An Anthology of Stories in 25 Words Or Fewer Dec 22 2021 Very short stories of twenty-five words or less appear in this collection from authors including Joyce Carol Oates, Peter Straub, and Ha Jin and run the gamut from playful to tragic and conservative to experimental.

Sophie's Choice Mar 01 2020 This award-winning novel of love, survival, and agonizing regret in post-WWII Brooklyn "belongs on that small shelf reserved for American masterpieces" (The Washington Post Book World). Winner of the National Book Award and a modern classic, Sophie's Choice centers on three characters: Stingo, a sexually frustrated aspiring novelist; Nathan, his charismatic but violent Jewish neighbor; and Sophie, an Auschwitz survivor who is Nathan's lover. Their entanglement in one another's lives will build to a stirring revelation of agonizing secrets that will change them forever. Poetic in its execution, and epic in its emotional sweep, Sophie's Choice explores the good and evil of humanity through Stingo's burgeoning worldliness, Nathan's volatile personality, and Sophie's tragic past. Mixing elements from Styron's own experience with themes of the Holocaust and the history of slavery in the American South, the novel is a profound and haunting human drama, representing Styron at the pinnacle of his literary brilliance. This ebook features an illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Metamorphoses Sep 06 2020 Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, The Metamorphoses is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

100 Days of Sunlight Apr 25 2022 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Universal Grammar and Narrative Form May 03 2020 In a major rethinking of the functions, methods, and aims of narrative poetics, David Herman exposes important links between modernist and postmodernist literary experimentation and contemporary language theory. Ultimately a search for new tools for narrative theory, his work clarifies complex connections between science and art, theory and culture, and philosophical analysis and narrative discourse. Following an extensive historical overview of theories about universal grammar, Herman examines Joyce's Ulysses, Kafka's The Trial, and Woolf's Between the Acts as case studies of modernist literary narratives that encode grammatical principles which were (re)fashioned in logic, linguistics, and philosophy during the same period. Herman then uses the interpretation of universal grammar developed via these modernist texts to explore later twentieth-century cultural phenomena. The problem of citation in the discourses of postmodernism, for example, is discussed with reference to syntactic theory. An analysis of Peter Greenaway's The Cook, The Thief, His Wife, and Her Lover raises the question of cinematic meaning and draws on semantic theory. In each case, Herman shows how postmodern narratives encode ideas at work in current theories about the nature and function of language. Outlining new directions for the study of language in literature, Universal Grammar and Narrative Form provides a wealth of information about key literary, linguistic, and philosophical trends in the twentieth century.

Ideas and Styles in the Western Musical Tradition Jun 15 2021 "Ideas and Styles in the Western Musical Tradition", Third Edition, explores the conceptual frameworks that have shaped musical development from antiquity to the present. In a lively narrative that prompts readers to think both critically and creatively, Douglass Seaton uses historical documents from thinkers, artists, and musicians to add rich detail to the compelling story of Western music. This brief and accessible narrative of music history features numerous works of art, literature, and music that immerse the reader in the historical and intellectual contexts of musical styles.

The Long Game May 27 2022 A Wall Street Journal Bestseller Your personal goals need a long-term strategy. It's no secret that we're pushed to the limit. Today's professionals feel rushed, overwhelmed, and perennially behind. So we keep our heads down, focused on the next thing, and the next, without a moment to breathe. How can we break out of this endless cycle and create the kind of interesting, meaningful lives we all seek? Just as CEOs who optimize for quarterly profits often fail to make the strategic investments necessary for long-term growth, the same is true in our own personal and professional lives. We need to reorient ourselves to see the big picture so we can tap into the power of small changes that, made today, will have an enormous and disproportionate impact on our future success. We need to start playing The Long Game. As top business thinker and Duke University professor Dorie Clark explains, we all know intellectually that lasting success takes persistence and effort. And yet so much of the relentless pressure in our culture pushes us toward doing what's easy, what's guaranteed, or what looks glamorous in the moment. In The Long Game, she argues for a different path. It's about doing small things over time to achieve our goals—and being willing to keep at them, even when they seem pointless, boring, or hard. In The Long Game, Clark shares unique principles and frameworks you can apply to your specific situation, as well as vivid stories from her own career and other professionals' experiences. Everyone is allotted the same twenty-four hours—but with the right strategies, you can leverage those hours in more efficient and powerful ways than you ever imagined. It's never an overnight process, but the long-term payoff is immense: to finally break out of the frenetic day-to-

day routine and transform your life and your career.

Dune Nov 08 2020 NOW A MAJOR MOTION PICTURE directed by Denis Villeneuve and starring Timothée Chalamet, Zendaya, Jason Momoa, Rebecca Ferguson, Oscar Isaac, Josh Brolin, Stellan Skarsgård, Dave Bautista, Stephen McKinley Henderson, Chang Chen, Charlotte Rampling, and Javier Bardem A deluxe hardcover edition of the best-selling science-fiction book of all time—part of Penguin Galaxy, a collectible series of six sci-fi/fantasy classics, featuring a series introduction by Neil Gaiman Winner of the AIGA + Design Observer 50 Books | 50 Covers competition Science fiction's supreme masterpiece, *Dune* will be forever considered a triumph of the imagination. Set on the desert planet Arrakis, it is the story of the boy Paul Atreides, who will become the mysterious man known as Muad'Dib. Paul's noble family is named stewards of Arrakis, whose sands are the only source of a powerful drug called "the spice." After his family is brought down in a traitorous plot, Paul must go undercover to seek revenge, and to bring to fruition humankind's most ancient and unattainable dream. A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction. Penguin Galaxy Six of our greatest masterworks of science fiction and fantasy, in dazzling collector-worthy hardcover editions, and featuring a series introduction by #1 New York Times bestselling author Neil Gaiman, Penguin Galaxy represents a constellation of achievement in visionary fiction, lighting the way toward our knowledge of the universe, and of ourselves. From historical legends to mythic futures, monuments of world-building to mind-bending dystopias, these touchstones of human invention and storytelling ingenuity have transported millions of readers to distant realms, and will continue for generations to chart the frontiers of the imagination. *The Once and Future King* by T. H. White *Stranger in a Strange Land* by Robert A. Heinlein *Dune* by Frank Herbert 2001: *A Space Odyssey* by Arthur C. Clarke *The Left Hand of Darkness* by Ursula K. Le Guin *Neuromancer* by William Gibson For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The War of the Worlds Mar 25 2022 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Oh Boy, You're Having a Girl Aug 18 2021 Rules for Raising Little Girls "As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu." - Dave Barry "Required reading for any parent who doesn't know pants from leggings." - Dan Zevin, author of *Dan Gets a Minivan: Life at the Intersection of Dude and Dad* It's easy to imagine how you'd raise a boy--all the golf outings, lawnmower lessons, and Little League championships you'd attend--but playing dad to a little princess may take some education. In *Oh Boy, You're Having a Girl*, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, *Oh Boy, You're Having a Girl* will brace you for all those hours playing house--and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. "Somehow, Brian Klems has taken one of the most traumatic situations known to a father--having a daughter--and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation!" - W. Bruce Cameron, author of *8 Simple Rules for Dating My Teenage Daughter*

Write Your Short Story Dec 02 2022 Not sure how to begin a short story? Let me help you! Whether you're a beginner or a published writer always looking for new ideas, this little book is for you! Eve Jul 29 2022 Eve is an outcast. A chimera. After years of abuse and rejection, 19-year-old Evelyn Kingston is ready for a fresh start in a new city, where no one knows her name. The esteemed Billington University in Southern California seems like the perfect place to reinvent herself-to live the life of an ordinary human. But things at Billington aren't as they seem. In a school filled with prodigies, socialites, and the leaders of tomorrow, Eve finds that the complex social hierarchy makes passing as a human much harder than she had anticipated. Even worse, Billington is harboring a secret of its own: Interlopers have infiltrated the university, and their sinister plans are targeted at chimeras-like Eve. Instantly, Eve's new life takes a drastic turn. In a time filled with chaos, is the world focusing on the wrong enemy? And when the situation at Billington shifts from hostile to dangerous, will Eve remain in the shadows, or rise up and fight?

The Scribe Method Jul 17 2021 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

What is Narrative Therapy? Feb 04 2023 This best-selling book is an easy-to-read introduction to the ideas and practices of narrative therapy. It uses accessible language, has a concise structure and includes a wide range of practical examples. What Is Narrative Practice?

covers a broad spectrum of narrative practices including externalisation, re-membering, therapeutic letter writing, rituals, leagues, reflecting teams and much more. If you are a therapist, health worker or community worker who is interesting in applying narrative ideas in your own work context, this book was written with you in mind.

Let's Write a Short Story! Jun 27 2022

Small as an Elephant Jan 11 2021 Abandoned by his mother in an Acadia National Park campground, Jack tries to make his way back to Boston before anyone figures out what is going on, with only a small toy elephant for company.

The Write Structure Feb 21 2022 The Hidden Principles Behind Best-selling, Award-Winning Stories Great books don't happen by accident, but by writers who understand, consciously or unconsciously, principles hidden within the best stories. These common-sense principles are easy to learn, but they drive the success (or failure) of best-selling, award winning novels and films. Now, with The Write Structure, writers can learn these principles and quickly apply them to their own writing projects. Using simple, universal terminology and easy-to-grasp visualizations, The Write Structure uncovers the hidden truths of the best stories, allowing new and advanced writers to better understand their own stories and make them better. If you want to write a bestselling book or a screenplay ready to become a major feature, purchase a copy of The Write Structure and turn your story ideas into finished, published works. Click buy now and start learning these hidden story principles today.

Educational Technology and Narrative Oct 20 2021 This volume is the result of a 2016 research symposium sponsored by the Association for Educational Communications and Technology (AECT) focused on the growing theoretical areas of integrating story and narrative into educational design. Narrative, or storytelling, is often used as a means for understanding, conveying, and remembering the events of our lives. Our lives become a series of stories as we use narrative to structure our thinking; stories that teach, train, socialize, and create value. The contributions in this volume examine stories and narrative in instructional design and offer a diverse exploration of instructional design and learning environments. Among the topics discussed: The narrative imperative: creating a story telling culture in the classroom. Narrative qualities of design argumentation. Scenario-based workplace training as storytelling. Designing for adult learners' metacognitive development & narrative identity. Using activity theory in designing science inquiry games . Changing the narrative of school: toward a neurocognitive redefinition of learning. Educational Technology and Narrative is an invaluable resource offering application-ready ideas to students of instructional design, instructional design practitioners, and teachers seeking to utilize theories of story and narrative to the ways that they convey and express ideas of instructional design and educational technology.
