Vacation Goose Travel Guide Manhattan New York, USA is an easy to use small pocket book filled with all you need for your stay in the big city. Top 50 city attractions, top 50 nightlife adventures, top 50 city restaurants, top 50 shopping centers, top 50 hotels, and more than a

dozen monthly weather statistics. This travel guide is up to date with the latest developments of the city as of 2017. We hope you let this pocket book be part of yet another fun Manhattan adventure :) This book is the first telling of what was listed in the Guinness Book of World Records as the 'longest canoe trip in history'-an eighteen-month, 7,865-mile saga of two young men and a canoe named Muriel. The year was 1936. The place was New York City, where two young office workers, weary of the depression, embarked on one of history's most remarkable expeditions. They left New York City at the foot of 42nd street and paddled their canoe across the uncharted wilds of Canada to Nome, Alaska. This is their true story - of the people they met, of hunting, fighting, ice, bears, wolves, unspoiled forest and tundra, and , most of all, of the two men sharing the challenge of a lifetime. In this third book in the adventure series, little Charlotte becomes the mayor of New York City - and everything gets better! With her leadership, the subways are perfect, the sirens are quiet, there is plenty of pizza, and artists make a fortune. Is she dreaming? "Charlotte is the perfect young hero for what is happening in our time. She has a wonderful imagination that she uses to enjoy herself and to create ways to help others. She wants to be the Mayor to make New York more beautiful, more efficient, and a place where one can make his or her fortune. In Charlotte's New York, even the Mayor can make time to sing." -Greg Maro, entertainer. "This charming book of the Mayor of New York City, with a small, light-hearted girl as her Honor, shifts my and readers' perceptions of the possible into the practical let-do-this (and soon) attitude. True, most NYC mayoral candidates cannot fly with the Statue of Liberty as chief support and advisor -- would that they could. "Charlotte flits into all the major Manhattan popular spots from the High Line to the Grand Central subway. The delightful artwork adds a delicate touch of whimsy."The plot becomes a beloved souvenir to take back home and dream of doing. And the moral of what I wish wasn't just a fairy tale, is that girls can do anything, and will, relying on the spirit of our favorite mentor, the Statue of Liberty. The author holds high the flaming torch and passes it on. Just in time, seemingly." -Garnette Arledge, author of Blessings, Hilda, Wise

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and

belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. Shortlisted for the International Booker Prize 2020 1872. The pampas of Argentina. China is a young woman eking out an existence in a remote gaucho encampment. After her no-good husband is conscripted into the army, China bolts for freedom, setting off on a wagon journey through the pampas in the company of her new-found friend Liz, a settler from Scotland. While Liz provides China with a sentimental education and schools her in the nefarious ways of the British Empire, their eyes are opened to the wonders of Argentina's richly diverse flora and fauna, cultures and languages, as well as to the ruthless violence involved in nation-building. This subversive retelling of Argentina's foundational gaucho epic Martín Fierro is a celebration of the colour and movement of the living world, the open road, love and sex, and the dream of lasting freedom. With humour and sophistication, Gabriela Cabezón Cámara has created a joyful, hallucinatory novel that is also an incisive critique of national myths. "After getting separated from his teacher, his classmates, and his trip partner during an outing to the Empire State Building, Pablo, the new kid in school, learns to navigate the New York City subway

system as well as his own feelings towards making new friends and living in a big city"--Provided by publisher. When Sybil learns her friend Bolivar, the last dinosaur, only likes corned beef sandwiches, she informs him that he's been missing out on one of the great attributes of New York City and its rich communities--delicacies from around the world! Knishes! Falafel! Dim Sum! And it wouldn't be a story in the Big Apple without pizza . . . Explore the five boroughs: Brooklyn, Queens, Bronx, Staten Island, and Manhattan in this lushly illustrated Discovery Adventure from Eisner nominated writer and artist Sean Rubin where kids and parents alike search for their favorite foods, and find other sights unique to one of the greatest cities in the world! From the master of adventure behind the classic *Death in the Long Grass*, former big-game hunter Peter Hathaway Capstick now turns from his own exploits to those of some of the greatest hunters of the past with *Death in the Silent Places*. With his characteristic color and flair, Capstick recalls the extraordinary careers of men like Colonel J.H. Patterson and Colonel Jim Corbett, who stalked legendary man-eaters through the silent darkness on opposite sides of the world; men like Karamojo Bell, acknowledged as the greatest elephant hunter of all time; men like the valiant Sasha Siemel, who tracked killer jaguars through the Matto Grosso armed only with a spear. With an authenticity gained by having shared the experiences he writes of, Capstick eloquently recreates the acrid taste of terror in the mouth of a man whose gun has jammed as a lion begins his charge, the exhilaration of tracking and finding a long-sought prey, the bravery and even nobility of performing under circumstances of primitive and savage stress, with death all around in the silent places of the wilderness. Uncover fascinating, little-known histories of the five boroughs in *The Bowery Boys'* official companion to their popular, award-winning podcast. It was 2007. Sitting at a kitchen table and speaking into an old karaoke microphone, Greg Young and Tom Meyers recorded their first podcast. They weren't history professors or voice actors. They were just two guys living in the Bowery and possessing an unquenchable thirst for the fascinating stories from New York City's past. Nearly 200 episodes later, *The Bowery Boys* podcast is a

phenomenon, thrilling audiences each month with one amazing story after the next. Now, in their first-ever book, the duo gives you an exclusive personal tour through New York's old cobblestone streets and gas-lit back alleyways. In their uniquely approachable style, the authors bring to life everything from makeshift forts of the early Dutch years to the opulent mansions of The Gilded Age. They weave tales that will reshape your view of famous sites like Times Square, Grand Central Terminal, and the High Line. Then they go even further to reveal notorious dens of vice, scandalous Jazz Age crime scenes, and park statues with strange pasts. Praise for *The Bowery Boys* "Among the best city-centric series." —New York Times "Meyers and Young have become unofficial ambassadors of New York history." —NPR "Breezy and informative, crowded with the finest grifters, knickerbockers, spiritualists, and city builders to stalk these streets since back when New Amsterdam was just some farms." —Village Voice "Young and Meyers have an all-consuming curiosity to work out what happened in their city in years past, including the Newsboys Strike of 1899, the history of the Staten Island Ferry, and the real-life sites on which Martin Scorsese's *Vinyl* is based." —The Guardian "The Adventure Of Elizabeth Morey, of New York" by Louis Becke. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. A *Life of Adventure and Delight* delivers eight masterful stories from dazzlingly original and critically acclaimed author Akhil Sharma. Hailed as a storyteller whose fiction is "a glowing work of art" (Wall Street Journal), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (The Nation). In *A Life of Adventure and Delight*, Sharma delivers eight masterful stories that focus on Indian protagonists at home and abroad and that plunge the reader into the unpredictable workings of the human heart. A young

woman in an arranged marriage awakens one day surprised to find herself in love with her husband. A retired divorcé tries to become the perfect partner by reading women's magazines. A man's longstanding contempt for his cousin suddenly shifts inward when he witnesses his cousin caring for a sick woman. Tender and darkly comic, the protagonists in *A Life of Adventure and Delight* deceive themselves and engage in odd behaviors as they navigate how to be good, how to make meaningful relationships, and the strengths and pitfalls of self-interest. Elegantly written and emotionally immediate, the stories provide an intimate, honest assessment of human relationships between mothers and sons, sons and lovers, and husband and wives from a dazzlingly original, critically acclaimed writer. In 1852, young Walt Whitman—a down-on-his-luck housebuilder in Brooklyn—was hard at work writing two books. One would become one of the most famous volumes of poetry in American history, a free-verse revelation beloved the world over, *Leaves of Grass*. The other, a novel, would be published under a pseudonym and serialized in a newspaper. A short, rollicking story of orphanhood, avarice, and adventure in New York City, *Life and Adventures of Jack Engle* appeared to little fanfare. Then it disappeared. No one laid eyes on it until 2016, when literary scholar Zachary Turpin, University of Houston, followed a paper trail deep into the Library of Congress, where the sole surviving copy of *Jack Engle* has lain waiting for generations. Now, after more than 160 years, the University of Iowa Press is honored to reprint this lost work, restoring a missing piece of American literature by one of the world's greatest authors, written as he verged on immortality.
