A teacher turned soldier, John T. Hughes like so many other volunteers saw in the outbreak of the Mexican War the possibility for adventure and glory. He joined the First Regiment of Missouri Mounted Volunteers and announced that he planned to write a history of his fighting unit commanded by Col. Alexander Doniphan, who would come to be regarded as among the finest volunteer officers of the war. The result of Hughes's efforts certainly is one of the most colorful personal accounts of the Mexican War ever written. Doniphan's Expedition follows the regiment on its grueling 850-mile march from Fort Leavenworth, present-day Kansas, along the Santa Fe Trail, to invade Mexico. Along the way, Hughes observes and describes in impressive detail the discipline, morale, and effectiveness of the civilian soldiers encountering hardships on the rough plains and deserts. He gives their impressions of Santa Fe and offers valuable insight into the military occupation of that city. As significant cultural history, this account also chronicles the fears and prejudices of the soldiers meeting a seemingly strange people in a strange land. Furthermore, Hughes provides an excellent first-hand account of the two battles of the expedition: the Battle of Brazito and the Battle of Sacramento. First published in 1847, Doniphan's Expedition is now once again made available, with a new foreword by Joseph G. Dawson III, to commemorate the 150th anniversary of the Mexican War. General readers will find this book to be an enthralling examination of another time and place in U.S. and Mexican military and cultural history. Historians will rediscover a significant contribution to Mexican

War literature. Every Haynes manual is based on a complete teardown and rebuild, contains hundreds of "hands-on" photos tied to step-by-step instructions, and is thorough enough to help anyone from a do-it-your-selfer to a professional. In 1803, President Thomas Jefferson authorized the purchase of the Louisiana Territory, a vast land that doubled the size of the United States. Jefferson soon appointed Meriwether Lewis and William Clark to explore the western territory and find a route to the Pacific Ocean. The adventures of this expedition are some of the most exciting of American history. Both of these chapters of western expansion in the United States, important components of the social studies curriculum, are illuminated in this engaging volume, full of helpful maps, vibrant images, and fascinating historical facts. A complete, step-by-step repair manual for Ford pick-ups, Expedition, and Navigator, supported by detailed specifications, exploded views and photographs, and diagnostic and troubleshooting charts. With a Haynes manual, you can do it yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle. We learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Our books have clear instructions and hundreds of photographs that show each step. Whether you're a beginner or a pro, you can save big with Haynes! -Step-by-step procedures -Easy-to-follow photos -Complete troubleshooting section -Valuable short cuts -Color spark plug diagnosis Complete coverage for your Ford Pick-up, Expedition & Lincoln Navigator covering 2WD and 4WD gasoline models for F-150 (1997 thru 2003), F-150 Heritage (2004), F-250 (1997 thru 1999), Expedition (1997 thru 2012), and Lincoln Navigator (1998 thru 2012) (does not include diesel engine, F-250HD, Super Duty, F-350 or information specific to Lightning or other supercharged models): -Routine Maintenance -Tune-up procedures -Engine repair -Cooling and heating -Air Conditioning -Fuel and exhaust -Emissions control -Ignition -Brakes -Suspension and steering -Electrical systems -Wiring diagrams Shawna is not a typical teenager. Not only is she homeless and surviving in New York City on her wits and talents, but she is also the target of a sinister

group of creatures bent on killing her. After barely escaping with her life, Shawna must ally herself with the only group capable of stopping them and keeping her alive. Under the tutelage of Decker, a highly skilled agent and his personal assistant Gibbs, Shawna begins her intense training to become a member of this covert group of defenders for humanity. They relocate to Colorado where Shawna manages to find friendship and gains the attention of a charming and mysterious young man. Shawna's new life in Colorado is interrupted when her enemies discover her location and she is forced to put her training to the test. Shawna must face her most lethal enemy and comes to a deadly crossroads that will alter her life forever ... if she can survive.

The chronicle of Fray Francisco Atanasio Domínguez's remarkable 1776 expedition through the Rocky Mountains, the eastern Great Basin, and the Colorado Plateau to inventory new lands for the Spanish crown.... Describes how the author successfully secured his family's financial future by changing jobs and moving halfway across the country, sharing the stories of numerous baby boomers that offer insight into achieving key financial goals. By the author of *Breaking Eighty*. Reprint.

"Covers US and Canadian models of Ford F-150 ('97-'03), F-150 Heritage ('04) and F-250 Pick-Ups ('97-'99); Ford Expedition ('97-'12) and Lincoln Navigator ('98-12); 2 and 4 wheel drive, gasoline engines. Does not include diesel engine, F-250HD, Super Duty, F-350, or information specific to Lightning or other supercharged models." Each Haynes Manual is based on a complete teardown and rebuild of the specific vehicle. Features hundreds of "hands-on" photographs taken of specific repair procedures in progress. Includes a full chapter on scheduled owner maintenance and devotes a full chapter to emissions systems. Wiring diagrams are featured throughout. A complete, step-by-step repair manual for Ford pick-ups, Expedition, and Navigator, supported by detailed specifications, exploded views and photographs, and diagnostic and troubleshooting charts.

"Every manual based on a complete teardown and rebuild"--Cover. Ford Pick-Ups & Expedition 1997-1999 Repair Manual Haynes Covers full-size; F-15 and F-25; gasoline engines,

2WD and 4WD, plus Lincoln Navigator models. Sftbd., 8 1/4"x 1 3/4", 318 pgs., 763 b&w ill. NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt’s harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil’s most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt’s life, here is Candice Millard’s dazzling debut.

Disaster on the Spanish Main unveils and illuminates an overlooked yet remarkable episode of European and American military history and a land-sea venture to seize control of the Spanish West Indies that ended in ghastly failure. Thirty-four years before the Battles of Lexington and Concord, a significant force of American soldiers deployed overseas for the first time in history. Colonial volunteers, 4,000 strong, joined 9,000 British soldiers and 15,000 British sailors in a bold amphibious campaign against the key port of Cartagena de Indias. From its first chapter, *Disaster on*

the Spanish Main reveals a virtually unknown adventure, engrosses with the escalating conflict, and leaves the reader with an appreciation for the struggles and sacrifices of the 13,000 soldiers, sailors, and marines who died trying to conquer part of Spain's New World empire. Disaster on the Spanish Main breaks new ground on the West Indies expedition in style, scope, and perspective and uncovers the largely untold American side of the story. Covers U.S. and Canadian models of Ford F-150 (1997 thru 2003) and F-250 Pick-ups (1997 thru 1999); Ford Expedition (1997 thru 2002) and Lincoln Navigator (1998 thru 2002); 2 and 4 wheel drive, gasoline engines. Does not include diesel engine, F-250HD, Super Duty, F-350 or information specific to Lightning models. After a night of celebrating his graduation from law school, young John Stevens wakes to find himself in the bathtub, bleeding from the head and suffering the worst hangover he has ever had. His pain is just a precursor of the agony that awaits him when he discovers his beautiful girlfriend slaughtered on his kitchen floor. As the prime suspect, John's life is thrown into turmoil; and his family is drawn into a nightmare that destroys everything his middle class parents have struggled to achieve. With limited resources, Tom Stevens, John's middle aged, hard working father, hires an inept attorney to defend his son. The trial is a disaster, and the father, committed to saving his son takes matters into his own hands. The results are explosive. This incredible saga grabs you from the grizzly opening scene and holds you spellbound to the last page. Set in colorful New Orleans, Burgess's story of family love, struggle, loss, and a father's promise to his imprisoned son blends the history and customs of this unique city with the unforgettable characters who are caught up in John Steven's nightmare. Cover U.S. and Canadian models of Ford F-150 & F-250 Pickups (except Super Duty); Ford Expedition and Lincoln Navigator; 2 and 4 wheel drive, gasoline engines. Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making

Haynes the world leader in automotive repair information. Relying on memory, a diary, and letters written home, the author provides a journal-style account of a cross-country journey that he and a friend made in the early days of automobile travel. Draws from primary source materials to provide insight into the journey of Meriwether Lewis and William Clark, from preparing for the expedition to crossing the Great Divide to their trip home. Explores the events and discoveries of the Lewis and Clark Expedition. Authoritative text, colorful illustrations, illuminating sidebars, and a "Voices from the Past" feature make this book an exciting and informative read.
