Harvest of Empire Jan 07 2021 A sweeping history of the Latino experience in the United States- thoroughly revised and updated. The first new edition in ten years of this important study of Latinos in U.S. history, Harvest of Empire spans five centuries-from the first New World colonies to the first decade of the new millennium. Latinos are now the largest minority group in the United States, and their impact on American popular culture- from food to entertainment to literature-is greater than ever. Featuring family portraits of real- life immigrant Latino pioneers, as well as accounts of the events and conditions that compelled them to leave their homelands, Harvest of Empire is required reading for anyone wishing to understand the history and legacy of this increasingly influential group.

**Quiet Moments in the Garden** Jan 25 2020 Heartfelt reflections from today's most inspirational women and beloved Harvest House authors are shared among lovely floral paintings from popular artist Annie LaPoint in this sweet invitation into the Creator's presence. Stormie Omartian, Kay Arthur, Elizabeth George, Lysa TerKeurst, Sharon Jaynes, Julie Clinton, Emilie Barnes, and Jennifer Rothschild offer wisdom and joy from their bestselling books as they invite women to-- enjoy a daily harvest of the fruit of the Spirit experience the refreshment of prayer treasure the gift of grace in the midst of hectic days This every-occasion gift of renewal will inspire women to bloom with possibility, purpose, and hope in the garden of their lives.

Bea Nettles Jun 11 2021 From her hand-colored, machine-stitched photographic prints to her artist's books and well-known Mountain Dream Tarot card deck, the first-known photographic treatment of the tarot, Bea Nettles's work has always upended tradition. *Bea Nettles: Harvest of Memory* presents the span of her art across half a century, in conjunction with an exhibition co-organized by the George Eastman Museum in Rochester, New York, and the Sheldon Art Galleries in St. Louis, Missouri. Recognized for her innovations in mixed-media photography, Nettles used alternative photographic processes that produced textured works with subjects including self-portraits; investigations of the body and its relationship to nature and landscape; and the experience of mothering, loss, and aging. A tremendously productive artist, Nettles's work has received critical acclaim, and been acquired into the permanent collections of museums coast to coast. Now, for the first time in her fifty-year career, *Bea Nettles: Harvest of Memory* offers a large-scale retrospective, tracing the journey of an artist who profoundly illuminates our inner worlds.

**Portraits of the Artist in Exile** Feb 17 2022

**The Harvest of Thomist Anthropology** Apr 29 2020

Harvest to Heat Feb 05 2021 Celebrating the collaboration between farmer and chef--and the journey from land to table--"Harvest to Heat" explores this dynamic relationship and paints beautiful portraits of these often unheralded people, even while it offers up a bounty of 100 recipes.

**Americans in Agriculture** Oct 16 2021 The 1990 "Yearbook of Agriculture" is about the people of American agriculture--their jobs, their lives, their goals, and their families. It provides an overview of who works in the U.S. food and fiber sectors, and key facts about farmers, farms, and farmworkers. It reveals what farmers are up against--the insects and weather; the hard work involved in producing agricultural products; and the satisfactions they get from their livelihood and lifestyles. The book also covers the business of agriculture; the stories of scientists delving into the mysteries of nature; agricultural education; and the role of government workers in supporting agriculture. The Yearbook offers a special salute to the 1890 Institutions (the historically black land-grant universities) which are celebrating their centennial.

Late Harvest Nov 16 2021 Vast as it is varied, the American South has a quality of light that uniquely illuminates its structures, landscapes, and people. Photographer Forest McMullin traveled rural back roads from North Carolina to Arkansas, including Georgia, Florida, Alabama, Mississippi, and Louisiana. *Late Harvest* documents his journey and stories of the people and places he visited. McMullin's 79 photographs capture the colors and textures emblematic of the region and pay tribute to its unique identity and the people who live there.

Harvest Moon Jan 31 2023 Written by a registered nurse, this text describes daily life in a nursing home. Referred to under the pseudonym of Harvest Moon Care Center, the home and its residents face many of the same problems as others around the country. Tisdale's narrative describes the culture of the nursing home and reveals

Portrait of the Walrus by a Young Artist Sep 26 2022 At the height of his art career, tormented Morton Fisk seals himself in the basement in nothing

but briefs to sculpt enigmatic "Men with Chainsaw" figurines. Now Morton is dead of dehydration, and his daughter Frances is honoring his memory by seeking her own artistic muse. Transforming the bizarre into the sublime, author Laurie Foos has created a highly original satire.

**Harvest of Empire** Jul 01 2020 A sweeping history of the Latino experience in the United States. The first new edition in ten years of this important study of Latinos in U.S. history, *Harvest of Empire* spans five centuries—from the European colonization of the Americas to through the 2020 election. Latinos are now the largest minority group in the United States, and their impact on American culture and politics is greater than ever. With family portraits of real-life immigrant Latino pioneers, as well as accounts of the events and conditions that compelled them to leave their homelands, Gonzalez highlights the complexity of a segment of the American population that is often discussed but frequently misrepresented. This landmark history is required reading for anyone wishing to understand the history and legacy of this influential and diverse group.

Seed Time and Harvest Apr 21 2022 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**An Orange Pumpkin in Autumn Harvest Portrait Journal** Sep 14 2021 This journal with 150 ruled pages awaits your writing pleasure. You can use it to record your hopes and dreams, express your gratitude, to keep a bucket list, as a daily diary, or to jot down your "To-Do" lists. The possibilities are endless and the choice is all yours. Enjoy!

*The last harvest: Paintings of Rabindranath Tagore* Dec 26 2019

**To Gain at Harvest** Mar 01 2023 *To Gain at Harvest* celebrates the courage, intellect, humility and passion displayed by figures of all shades of opinion and belief during the English Reformation. Offering insights into the turbulent period of the English Reformation and its ideas, Jonathan Dean demonstrates the qualities of mind and heart, and the gifts of faith and character, which some of its leading proponents possessed. Moving beyond old denominational lines, he reveals the talents and virtues possessed by women and men whose lives still inspire and whose writings remain one of the greatest treasures of English religious life. The book will provide a vital resource for students and general readers seeking to understand a crucial moment in church history. Includes chapters on Thomas More; Thomas Cranmer; Anne Askew; Katherine Parr; Nicholas Harpsfield; Elizabeth I; Matthew Parker; Lancelot Andrewes; George Herbert; Gerrard Winstanley; and Thomas Traherne.

**Heirloom Harvest** May 23 2022 On two hundred acres in the Hudson Valley, Amy Goldman grows heirloom fruits and vegetables--an orchard full of apples, pears, and peaches; plots of squash, melons, cabbages, peppers, tomatoes, eggplants, and beets. The president of the New York Botanical Garden has called her "perhaps the world's premier vegetable gardener." It's her life's work, and she's not only focused on the pleasures of cultivating the land and feeding her family--she's also interested in preserving our agricultural heritage, beautiful and unique heirlooms that truly are organic treasures. Over fifteen years, the acclaimed photographer Jerry Spagnoli has visited Amy's gardens to preserve these cherished varieties in another way--with the historical daguerreotype process, producing ethereal images with a silvery, luminous depth and a timeless beauty,

underscoring the historical continuity and value of knobby gourds, carrots pulled from the soil, and fruit picked fresh from the tree. In *Heirloom Harvest*, Amy's essay, "Fruits of the Earth," describes her twenty-five year collaboration with the land. The text along with Jerry Spagnoli's photographs and an afterword by M Mark add up to an exquisite package, an artist's herbarium worthy of becoming an heirloom itself.

**A Bountiful Harvest** Jan 19 2022 Although Wettach was not hired as an FSA photographer, his pictures provide a fascinating parallel to the more famous work of his FSA colleagues Walker Evans, Dorothea Lange, and Russell Lee. Yet unlike their photographs, his reveal an amazing intimacy and familiarity with his subjects, who were frequently his friends, neighbors, family members, and clients."--BOOK JACKET.

The Last Harvest Jul 25 2022 Rabindranath Tagore (1861-1941) is one of India's best known cultural icons. He was, and still remains, one of the most influential national figures of India, whose genius has transcended boundaries. Besides being a poet, he was a novelist, a writer of short stories and plays, a composer of songs, an essayist, and a philosopher. Painting was the last art form to enter his rich creative life. This publication is produced in conjunction with the travelling exhibitions of Rabindranath Tagore's paintings, as part of India's National Commemoration of 150th Birth Anniversary of Rabindranath Tagore, organised by the Ministry of Culture, Government of India. Since the whirlwind, 10-city international show that the poet-painter had undertaken in 1930, this is the first time that such a large body of Rabindranath's work is travelling internationally. In the mid-20th century, he was the first Indian artist to be extensively exhibited in the West. The current exhibitions will travel in three parts simultaneously, to a total of eight cities across the world. The contributors to this companion publication include two of the best-known translators of his works, his biographer, and specialists in music, art and education. Along with over 200 works by Rabindranath, this unique volume brings together essays that tend insight into Rabindranath Tagore as a painter as well as locate his paintings within the larger framework of his multifaceted creative work.

To Gain at Harvest May 03 2023 *To Gain at Harvest* celebrates the courage, intellect, humility and passion displayed by figures of all shades of opinion and belief during the English Reformation. Offering insights into the turbulent period of the English Reformation and its ideas, Jonathan Dean demonstrates the qualities of mind and heart, and the gifts of faith and character, which some of its leading proponents possessed. Including chapters on Thomas Cranmer, Nicholas Harpsfield, Elizabeth I, Matthew Parker, and Katherine Parr, the book moves beyond old confessional lines to reveal the gifts and virtues possessed by women and men whose lives still inspire and whose writings remain one of the greatest treasures of English religious life. Contents: 1. The Ground of Charity: Thomas More 2. Ambition and Fidelity: Thomas Cranmer 3. A Tudor Woman's Passion: Anne Askew 4. Manifold Passions: Katherine Parr 5. 'Nourished with Hope': Nicholas Harpsfield 6. The Virtue of Moderation: Matthew Parker 7. Governing with Subtlety: Queen Elizabeth I 8. The Piety of Prayer and the Fluency of Speech: Lancelot Andrewes 9. 'Make me Thine': George Herbert 10. Felicity and Desire: Thomas Traherne

We Gather Together May 11 2021 The mutual history of art, agriculture, and American identity as told through the theme of the harvest. The harvest has traditionally been a productive season, both on American farms and in its artists' studios. Before the early nineteenth century, the ideal of the Jeffersonian yeoman, singly cultivating a subsistence plot for family use, dominated the American imagination; after World War II, the advent of big agribusiness proved less immediately attractive for artists. In *We Gather Together*, Charles C. Eldredge examines the period in between—when many Americans were farmers and much of America was farmland. Organized in a series of case studies each devoted to a single crop, *We Gather Together* initially focuses on familiar commodity crops such as corn, wheat, and potatoes, and then expands to other yields by Native American harvesters and California floriculturists, as well as winter ice cutters and coastal seaweed gatherers. This novel history of agriculture and art traces parallel developments on land and canvas, highlighting breakthroughs in each field. Artists such as Winslow Homer, Doris Lee, and Georgia O'Keeffe are

joined by innovators in agriculture, whether mechanical inventors such as Eli Whitney, John Deere, and Cyrus McCormick or genetic hybridizers such as Luther Burbank, W. Atlee Burpee, and Theodosia Shepherd. Surveying an astonishing amount of material and a wide range of paintings, prints, and other artworks from the nineteenth century to the mid-twentieth century, *We Gather Together* gorgeously demonstrates how the use of agricultural metaphors permeated American visual culture. The harvest, we see here, came to signify and dominate politics, poetry, and popular culture, ultimately representing a primary facet of American identity and nationhood.

*Summer Harvest* Mar 09 2021

*Florida Citrus in Fine Art* Apr 09 2021 A celebration of the artist William North and his paintings of Florida's oranges and citrus groves. His two daughters, Colleen and Karen, add insight into this prolific artist and his work. Each full color painting is accompanied by entertaining text from the artist/author.

*Handcrafted Maine* Mar 21 2022 Amid the sublime beauty of Maine—its primordial forests, remote lakes, rugged mountains, and craggy coastline blooms a handmade culture fed by heritage, self-sufficiency, and collaboration. *Handcrafted Maine: Art, Life, Harvest & Home* features lively profiles of more than twenty artists, artisans, and craftspeople—weavers and potters, a painter, an architect, a boatbuilder, a leatherworker, bakers, lobstermen, and more—at work in the woods, towns, and cities of Maine, celebrating the triumphs and challenges of entrepreneurship and independence. Including more than 225 inspiring color photographs and intimate narrative portraits, *Handcrafted Maine* provides a window into the inner lives of creatives and brings to life the powerful environment and spirited character that nurture the unbridled ingenuity and common-sense approach to craft and life found Down East.

**Portraits of His Children** Aug 26 2022 Short stories deal with time travel, a lonely space station, computer-simulated sporting events, dragons, werewolves, revenge, and characters brought to life

**The Minstrel; Or, The Progress of Genius. With Some Other Poems. [With a Portrait.]** Mar 28 2020

*The Minstrel* Aug 02 2020

*Four Years Harvest. [With Plates, Including a Portrait.]* Jun 23 2022

*Portraits of God* May 30 2020 What is God like? Answering this is the great quest of human existence. Because God is so different from us, we struggle to describe him. While doctrinal statements about God certainly have their place in Christian understanding, the Bible more often uses God's actions and roles to help us know him better. Indeed, some of the most helpful insights in Scripture arise when God is compared to something else: a rock, an eagle or a tower. And many "human" metaphors--metaphors taken from the world of actions and relationships--bring us even closer to understanding of God. In *Portraits of God*, Allan Coppedge suggests we look carefully at God as our Father, Redeemer, King, Judge, Priest and Creator. These portraits taken together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In *Portraits of God*, Coppedge offers a comprehensive survey, picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us, as churches and individuals, to reflect God's own holy character. This is a book for students, pastors and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth.
