The Old Woman with the Knife May 05 2020 *A New York Times Editors' Choice* Pick *A Most Anticipated Read in LitHub, CrimeReads, Thrillist, and Popsugar* The kinetic story of a sixty-five-year-old female assassin who faces an unexpected threat in the twilight of her career—this is an international bestseller and the English language debut from an award-winning South Korean author At sixty-five, Hornclaw is beginning to slow down. She lives modestly in a small apartment, with only her aging dog, a rescue named Deadweight, to keep her company. There are expectations for people her age—that she'll retire and live out the rest of her days quietly. But Hornclaw is not like other people. She is an assassin. Double-crossers, corporate enemies, cheating spouses—for the past four decades, Hornclaw has killed them all with ruthless efficiency, and the less she's known about her targets, the better. But now, nearing the end of her career, she has just slipped up. An injury leads her to an unexpected connection with a doctor and his family. But emotions, for an assassin, are a dangerous proposition. As Hornclaw's world closes in, this final chapter in her career may also mark her own bloody end. A sensation in South Korea, and now translated into English for the first time by Chi-Young Kim, *The Old Woman with the Knife* is an electrifying, singular, mordantly funny novel about the expectations imposed on aging bodies and the dramatic ways in which one woman chooses to reclaim her agency.

Mistress Pat May 29 2022 *Mistress Pat* is the sequel to 'Pat of Silver Bush'. Patricia Gardiner is now in her twenties and loves her home, Silver Bush, as much as ever. She continues to despise change almost just as much as in her younger years, but nevertheless, change is on the horizon. Pat has plenty of admirers who would be only too glad to provide her with a home elsewhere, but with her love of Silver Bush so strong, will she ever be able to give romance a chance? This early work by Lucy Maud Montgomery was originally published in 1935 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.

Tuesdays with Morrie Jan 05 2023 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

'Salem's Lot Jan 31 2020 #1 BESTSELLER • Ben Mears has returned to Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. But when two young boys venture into the woods, and only one returns alive, Mears begins to realize that something sinister is at work. In fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar, idyllic locale.

First Impressions Apr 27 2022 A thrilling literary mystery costarring Jane Austen from the New York Times—bestselling author of *The Bookman's Tale*. Charlie Lovett's new book, *The Lost Book of the Grail*, is now available. Book lover and Austen enthusiast Sophie Collingwood has recently taken a job at an antiquarian bookshop in London when two different customers request a copy of the same obscure book: the second edition of *A Little Book of Allegories* by Richard Mansfield. Their queries draw Sophie into a mystery that will cast doubt on the true authorship of *Pride and Prejudice*—and ultimately threaten Sophie's life. In a dual narrative that alternates between Sophie's quest to uncover the truth—while choosing between two suitors—and a young Jane Austen's touching friendship with the aging cleric Richard Mansfield, Lovett weaves a romantic, suspenseful, and utterly compelling novel about love in all its forms and the joys of a life lived in books.

Cuneiform Parallels to the Old Testament, Second Edition Feb 06 2023 'The first major collection of cuneiform texts in English' Despite its age, this volume still has a major contribution to make. Unlike other collections, Rogers's volume includes the transliterated Akkadian for each text. This provides an invaluable access to the original texts without having a library that includes every volume of the original publications. A further asset is the collection of forty-eight excellent photographs and line-drawings. Included here are tablets, prisms, cylinders, seals, boundary stones, and bas reliefs. The bibliography is composed of two parts. The first includes the entries from Rogers's 'List of Books Quoted or Mentioned,' but with numerous corrections and supplying much missing data. The second part is an updated list, organized by major cuneiform languages: Diverse Collections, Sumerian, Akkadian, Hittite, Hurrian, Eblaite, and Ugaritic. This will direct the reader to the wealth of primary documents that is now our privilege to read.

Lavender and Old Lace May 17 2021 A young girl from the city, Ruth Thorne, visits her spinster aunt's house in the New England countryside. While exploring the attic, Ruth discovers a chest of mementos from her aunt's romantic past. Journalist Carl Winfield helps her unravel the past, and soon she finds herself reliving the old romance. A sweet Victorian romance novel with a bit of mystery, "Lavender and Old Lace" is Myrtle Reed's most famous work. Myrtle Reed (1874-1911) was an American author, poet and journalist. A best-selling romance novelist and Chicago socialite, she was one of America's best-known authors in the first decade of the 20th century. Her most famous works include "Lavender and Old Lace" (1902), "Threads of Grey and Gold" (1913) and "A Weaver of Deams" (1911). Reed also wrote numerous cookbooks.

Pat of Silver Bush Jan 25 2022 Pat of Silver Bush tells the story of Patricia Gardiner, who hates change of any kind and above all loves her home, Silver Bush. She very much enjoys living there with her loving family and their housekeeper Judy Plum, who has a magical and mythical tale to suit any occasion. However Pat must learn to cope with the tragedies and changes that disrupt her warm and happy home.

The Power of the Dog Jun 29 2022 Now an award-winning Netflix film by Jane Campion, starring Benedict Cumberbatch and Kirsten Dunst: Thomas Savage's acclaimed Western is "a pitch-perfect evocation of time and place" (Boston Globe) for fans of *East of Eden* and *Brokeback Mountain*. Set in the wide-open spaces of the American West, *The Power of the Dog* is a stunning story of domestic tyranny, brutal masculinity, and thrilling defiance from one of the most powerful and distinctive voices in American literature. The novel tells the story of two brothers — one magnetic but cruel, the other gentle and quiet — and of the mother and son whose arrival on the brothers' ranch shatters an already tenuous peace. From the novel's startling first paragraph to its very last word, Thomas Savage's voice — and the intense passion of his characters — holds readers in thrall. "Gripping and powerful...A work of literary art." —Annie Proulx, from her afterword

A Critical, Old-spelling Edition of The Birth of Merlin (Q 1662) Apr 08 2023 Credited on its first title page to William Shakespeare and William Rowley, *The Birth of Merlin* continues to provoke speculation about its place in the Shakespeare 'Apocrypha'. The play is an imaginative re-working of the story of Merlin the Magician and his part in the struggle against the Saxon invasion of Britain. It contains not only scenes of love, war, and court politics, but a devil, a clown, and an unusual number of spectacular stage effects. This edition seeks to provide contexts for the play's diverse elements (chronicle history, romance, spectacle, and comedy), and considers its relationships with a wide variety of texts from Geoffrey of Monmouth and the English prose *Brut* to Shakespeare's *Henry VIII*.

These Old Shades Feb 23 2022 Georgette Heyer virtually invented historical and regency romance. Her witty writing and careful plotting forever changed readers expectations. These *Old Shades* was originally conceived of as a sequel to her first novel *The Black Moth*. Ultimately she decided that since *These Old Shades* was not a melodrama it wouldn't work as a sequel to *The Black Moth*; so she reworked the book as a stand alone novel and changed many of the characters' names. A delightful change of station novel that Shakespeare and Dickens would have approved of. Léonie has been disguised as a boy all of her life. When a great lord shows up at her brother's tavern and buys her to train as his page her life is forever changed.

An Essay on the Art of Ingeniously Tormenting (Old Edition) Oct 22 2021 'Now the sport begins!' *An Essay on the Art of Ingeniously Tormenting* is the first English book on the craft of nagging. A bitingly funny social satire, it is also an advice book, a handbook of anti-etiquette, and a comedy of manners. Collier describes methods for 'teasing and mortifying' one's intimates and acquaintances in a variety of social situations by taking advantage of their affections and goodwill. Written primarily for wives, mothers, and the mistresses of servants, *The Art* suggests the difficulties women experienced exerting their influence in private and public life - and the ways they got round them. In anatomizing the art of emotional abuse Collier piques readers into acknowledging their own faults, and persuades them that tormenting is a useful skill, even as she censures its effects. *The Art* provides a fascinating glimpse into eighteenth-century daily life, the treatment of servants and dependants and the bringing up of children, and is a thrilling precursor to the art of Jane Austen.
