Journey of the Pale Bear Mar 26 2022 “A lovely little miracle of a book.” —Katherine Applegate, Newbery Medal–winning author of *The One and Only Ivan* “[A] large-hearted and riveting medieval adventure.”

—William Alexander, National Book Award–winning author of *Goblin Secrets* “A breathtaking adventure.”

—Kirby Larson, Newbery Honor–winning author of *Hattie Big Sky* A runaway boy befriends a polar bear that’s being transported from Norway to London in this “stupendous coming-of-age tale stuffed with adventure” (Kirkus Reviews, starred review). The polar bear is a royal bear, a gift from the King of Norway to the King of England. The first time Arthur encounters the bear, she

terrifies him. Yet, strangely, she doesn't harm him—though she has attacked anyone else who comes near. So Arthur finds himself taking care of a polar bear on a ship to England. Tasked with feeding and cleaning up after the bear, Arthur's fears slowly lessen as he begins to feel a connection to this bear, who like him, has been cut off from her family. But the journey holds many dangers, and Arthur knows his own freedom—perhaps even his life—depends on keeping the bear from harm. When pirates attack, Arthur must make a choice—does he do everything he can to save himself, or does he help the bear to find freedom? Based on the real story of a polar bear that lived in the Tower of London, this timeless adventure story thoughtfully looks at the themes of freedom, captivity, and the bond between a boy and a bear.

Among Malay Pirates May 04 2020 "I wish most heartily that something would happen," Harry Parkhurst, a midshipman of some sixteen years of age, said to his chum, Dick Balderson, as they leaned on the rail of her majesty's gunboat *Serpent*, and looked gloomily at the turbid stream that rolled past the ship as she lay at anchor.

"One day is just like another—one is in a state of perspiration from morning till night, and from night till morning. There seems to be always a mist upon the water; and if it were not that we get up steam every three or four days and run out for twenty-four hours for a breath of fresh air, I believe that we should be all eaten up with fever in no time. Of course, they are always talking of Malay pirates up the river kicking up a row; but it never seems to come off." "There is one thing, Harry—there is always something to look at, for there are canoes constantly going up and down, and there is plenty of variety among them—from the sluggish dhows, laden with up country produce, to the long canoes with a score of paddlers and some picturesque ruffian sitting in the stern. It adds to the interest when you know that the crews are cutthroats to a man, and would make but the shortest possible work of you if they had got you in their power."
