Since the internet speeds went above the 500kbps mark, the number of things people can do with their interconnected devices skyrocketed. Automated homes, connected cars, and internet enabled TVs. The latter is what threatens to revolutionize the entertainment world as we know it, do away with cable TV and abolish the need for expensive blue-ray players. Even though smart TVs are so lucrative, most people find them either too costly, or limiting. The alternative would be going for a TV with an HDMI port, a USB port and purchasing a dongle to bring in the power of internet TV. Chromecast is one of the best and cheapest such tools in the market. Need help with the iPhone 7 or iPhone 7 Plus? The iPhone 7 introduced many new features, which redefined the iPhone. **□□□ A Comprehensive User Guide and Manual for New Users of the iPad Pros □□□**Even though iPad Pros are great right out of the box, you are likely to get more from them if you know how to use them by reading a book like this one. So, if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users? Or you may even be someone who is not new to the Apple ecosystem, but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the interface and removed or relocated some of your previous favorite features, then this book was written with you in mind. We all know that the iPad Pro from Apple remains one of the

world's most renowned flagships, when set up properly, it can become more than being just a phone. You can use it as a productivity tool in your business, you can make it an indispensable social media aide, e-book reader and a travel companion. All these can become possible once you learn how to better utilize the iPad Pro. This book has been written as a step-by-step guide for you to go through what you need to navigate around the iPad Pro. It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on. That means the guide is written in a way that even if you do not want to follow the order in which it was written, you are still able to make the most of it. Some of the included contents:
