International Book Awards 2016 finalist for literary fiction *The End of Miracles* is a twisting, haunting story about the drastic consequences of a frustrated obsession. A woman with a complex past wants nothing more than to become a mother, but struggles with infertility and miscarriage. She is temporarily comforted by a wish-fulfilling false pregnancy, but when reality inevitably dashes that fantasy, she falls into a depression so deep she must be hospitalized. The sometimes-turbulent environment of the psychiatry unit rattles her and makes her fear for her sanity, and she flees. Outside, she impulsively commits a startling act with harrowing consequences for herself and others. This emotionally gripping novel is a suspenseful journey across the blurred boundaries between sanity and madness, depression and healing. Everyone loves a good miracle story and these 101 true stories of healing, divine intervention, and answered prayers will inspire Christians and renew their faith. These 101 true stories of healing, divine intervention, and answered prayers prove that God is alive and very active in the world today, working miracles on our behalf. Regular people share their personal stories of God's Divine intervention and healing power as He makes the impossible possible! Evidence of His love and involvement in our lives will encourage, uplift, and recharge the faith of Catholic and all Christian readers. Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a “carefrontation.” Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life’s difficulties. Do you believe in miracles? Sister Juliana does. She's seen miracles happen as she tends Saint Catherine's altar and guards her relic. Yet she doesn't quite dare to believe that even Saint Catherine could help her atone for her wicked past. Anna does. And she so desperately needs one. In a time when a deformity is interpreted as evidence of a grievous sin, in a place where community is vital to existence, Anna has no family, no home, and no master. Princess Gisele wants to. A miracle is the only thing that can save her from being given to a brutal, pagan chieftain in marriage. For those who come in faith, saints offer the answer to almost any prayer. But other forces are plotting to steal Saint Catherine's relic, to bend the saint's power to their own use. Penitent, pilgrim, princess — all will be drawn into an epic struggle where only faith can survive. But in a quest for divine blessing, only the most ruthless of souls may win the prize. The basics of *The Five-Minute Miracle* came to Tara Springett, a psychotherapist, in meditation one day. The system is a pleasurable self-help method that is designed to overcome all sorts of psychological problems, as well as easing chronic pain and tiredness. The method only takes five minutes each day and is so simple that it can be used by anyone, anywhere, even by children. A synthesis of Tibetan Buddhist principles and humanistic psychology, the core of the practice is to make contact with our Higher Consciousness (in whatever form we perceive it) and receive a healing symbol to overcome our problems. This symbol will be visualized (or sensed) in our heart, radiating loving light to ourselves and to everyone who is involved in the problem. It’s a system that can be used over and over again — for a new problem, ask for a new symbol. This system, which the author calls Higher Consciousness Healing, has brought extremely impressive and reliable results — within days or a few weeks of beginning the practice — to hundreds of individuals and families. Now everyone can learn and practice these principles through this extraordinary and miraculous book. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People ? O: The Oprah Magazine ? Financial Times ? Kansas City Star ? BookPage ? Kirkus Reviews ? Publishers Weekly ? Booklist NEW YORK TIMES BESTSELLER “A stunner.”—Justin Cronin “It’s never the disasters you see coming that finally come to pass—it’s the ones you don’t expect at all,” says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, *The Age of Miracles* tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown

into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. “Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan’s *Emerald City*.”—The Denver Post “Pure magnificence.”—Nathan Englander “Provides solace with its wisdom, compassion, and elegance.”—Curtis Sittenfeld “Riveting, heartbreaking, profoundly moving.”—Kirkus Reviews (starred review) Look for special features inside. Join the Circle for author chats and more. This tremendously touching book was inspired by stirring letters Bruce Carroll received from those who were touched by his song *Sometimes Miracles Hide*. These deeply moving letters of poured-out hearts and portraits of faith show how God took what was first perceived as bleak news and turned it into a miracle of discovery and devotion. Enclosed with the book is a free CD of the song *Sometimes Miracles Hide*. Do miracles still happen today? This book demonstrates that miraculous works of God, which have been part of the experience of the church around the world since Christianity began, continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles. This book gives an accessible and concise overview of one of Keener's most significant research topics. His earlier two-volume work on miracles stands as the definitive word on the topic, but its size and scope are daunting to many readers. This new book summarizes Keener's basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople. Fasting and prayer has been a spiritual practice since ancient times to cleanse and purify believers. Now, Dave Williams, pastor of the 5,000 member Mount Hope Church in Lansing, Michigan, sheds new light on this honored and powerful practice. Readers will learn the amazing benefits of fasting and prayer including breakthrough answers, sharper mental ability, and stronger, healthier bodies. Pastor Williams share his own personal insight and experiences on why to fast, how to fast, and pitfalls to avoid. Discover your inner secrets and true potential through guided questions. This self-exploration journal is a well-designed book for daily use. It helps you to find solutions for your problems. To uncover your best self for wealth, relationships, career, health and more. Through guided prompts that will unlock your best thoughts & creativity, self-discovery becomes enjoyable and long lasting. Start now and touch the miracles of reflection and silent progression for yourself. This Daily Journal for Women & Men is perfectly compatible with other self help books or self help methods. It's both a self-discovery journal to write in for women and a self-discovery journal to write in for men. Furthermore, this self journal can be used by teens. Shares compelling case studies that support theories about the plausibility of miracles to discuss what they are, why they happen, and how they can be understood. A prayer that promises miracles "This book is for anyone who wants a miracle, has ever wanted to see God's work in action, or needed proof of His existence. It is for the doubters and believers alike. If you think nothing is out there, think again. Whether you're an agnostic astrophysicist or a seminary priest, you will discover an ancient gift that works every time, no questions asked. By the time you finish this book, your perception of the universe will have changed. If you thought God was out there but not listening, you may discover that you have been tuning into the wrong channels. It doesn't matter whether you want to call it the Light Force of God, the creative power of the Lord, or any other expression of omnipotent omniscience because as you'll soon discover, you have the ability to tap into it. In fact, you've had the ability all along. If you ever wondered if anyone was listening or if anyone cared, you'll soon see for yourself the benevolence that's been available to you and all of us since the dawn of time. You'll learn why the ancient sages said the Light Force always gives, always listens, and always answers. Find out how to get heard. Find out what you've been missing. See an infinite stream of miracles spread out before you, guiding your every step. As you rethink everything you've ever known, you'll see that life is not supposed to be difficult; man isn't supposed to suffer; fate isn't some abstraction beyond our control, and your life can indeed be wonderful".--From the Introduction Having spent several years in and out of hospitals for a life-threatening illness, pragmatic 16-year-old Cam is relocated by her miracle-seeking mother to a town in Maine known for its mystical healing qualities, a place Cam dismisses until she witnesses unusual phenomena and befriends a boy who encourages her to achieve various milestones before she dies. A first novel. The winner of the 1956 Newbery Medal is reissued. When Marly's father comes back from the war a different man, the family moves to Grandma's old house on Maple Hill, where miracles begin to happen. Illustrations. Spiritual life, Jewish way of life. **Miracles Can Happen to You!** We normally use the term “miraculous” to describe dramatic, larger-than-life events, but not all miracles are out of this world. Ordinary miracles — surprising positive occurrences, such as surviving a horrible automobile accident or finding our soul mate — can happen in our everyday lives. A scientist as well as a student of metaphysics, Dr. Carolyn Miller has spent more than twenty-five years researching the elements that are common in real-life miracles. She has discovered that ordinary people often survive impending disaster by entering a serene state of consciousness and following inner guidance. In *Creating Miracles*, Dr. Miller shares specific suggestions and techniques, such as tapping into our intuition and disarming our ego, for cultivating a state of miracle-readiness in our lives. Through the true stories and amazing experiences she relates in this book, she demonstrates that miracles are real and that accessing them requires only that we follow some clear and simple steps. **The Miracle Book** by Morris Cerullo will reveal how God wants you to live in a rhythm of miracles. Dr. Cerullo will take you behind the scenes to share with you the stories of miracles he has experienced and will guide you to receiving your miracles. Chapter titles include " You Were Made for Miracles! Your Life Can Be Filled with Miracles! Take Your Eyes Off Your Circumstances! See Your Problems as Miracle Opportunities! Every Promise of God Contains the Seed for Your Miracle! Discover the miracle you’ve been looking for through an exploration of nine miracles of Jesus, each filled with meaning, insight, and discovery for all who desperately need a miracle of their own. Healing the blind. Walking on water. Calming the storm. Feeding thousands with a few loaves and fish. Every miracle Jesus performed was for a purpose. There was provision for that specific moment in time. But what if each miracle was also embedded with the promise of future provision...for you? In *Find Your Miracle*, New York Times best-selling authors Kerry and Chris Shook take a fresh look at nine of Jesus’s most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a “miracle map” that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real-life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker: the Healer, the Provider, the

Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need, and possibly least expect. A book of life. That is exactly what awaits inside the inspirational pages of this true story. On April 26, 2017, a loving father opened his laptop with the intent of simply keeping his family and friends updated on the condition of his two-and-a-half-year-old daughter, Maddie. Just days prior, Maddie had undergone emergency surgery to remove a rare, cancerous tumor from her spinal cord. Her battle would continue with an aggressive treatment protocol that would have been taxing on even the strongest of adults. With Maddie as the perpetual force of positivity, her father continued to document her miraculous journey. Factual updates quickly transformed into a series of inspiring and unforgettable vignettes. Anyone following Maddie's story began to realize that the daily doses of joy she dropped upon her loved ones were not fleeting tales of a fighting toddler. Instead, there was something deeper about Maddie. Something more profound. Something you will discover as you delve into Maddie's story. That Maddie - with her boundless miracles and incomparable spirit - offers unique insight into tackling any challenge life may bring our way. That Maddie - from the very beginning - was giving us all the gift of this beautiful book of life.

Does God Still Do Miracles Today? A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry. Internationally renowned philosopher J. P. Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus-follower. He also shows how to distinguish a real miracle from a mere coincidence. Miracles bring comfort to believers, strengthening faith in God and creating boldness in our lives. While miraculous healings have occurred frequently throughout church history, Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity. Today, he argues, the church should humbly expect to see more of these miraculous works of God than we do. Moreland looks at topics like: The relationship between sickness and suffering, along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives, how they appear to us, and how to combat demonic influence The biblical basis for most Near-Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort. Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus. Filled with inspiring, credible, motivating accounts of miracles, he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic. Many extraordinary things happen in the Bible. People walk on water. People touch handkerchiefs and are healed. People disappear into the sky. Did these events really happen? What was their purpose? And do miracles happen today? How do we respond if someone says they've seen a miracle happen? Should we hold healing services? What can I say to a child about praying for healing? How should we react when prayers for healing aren't answered? In this warm and accessible book, Tim Chester looks at the Bible's view of the existence and purpose of miracles and gives a careful and balanced view on whether healings and other miraculous things happen today. It will help Christians to explore these questions and others regarding miracles, signs and wonders, and know how to pray. Includes additional questions on: • Why did Jesus tell people not to tell others about his miracles? • How should I respond when I hear a claim that a miracle has happened? • Should we hold healing services? • What can I say to a child about praying for healing? This book, like a magic carpet, takes readers to Delos. First, it tells them about the history and mythology and about how light and art helped make miracles here. Next it takes them into the ancient people's homes and shops to see Delos out of the eyes of those who lived there. The archaeological section includes drawings with particular points of interest identified and captioned. Finally, the book presents 12 power places on Delos where people experienced miracles for thousands of years, with a map for pilgrimage to those places and suggestions for brief, longer, and multiple day visits to the island. Ceremonies and guided imagery are suggested that invite the visitor--or reader--to experience in the present time the power of Delos to change your life. The only definitive resource on enzyme therapy by the nation's leading expert, a pioneering medical doctor who has used enzymes to treat allergies, asthma, fatigue, chronic pain, and many other ailments—with astonishing success! Welcome to the next frontier in healing where natural substances known as enzymes will transform how we view—and combat—disease. Unlike conventional medications, which only mask symptoms, enzyme supplements work at the cellular level to repair and prevent the damage that's responsible for a host of health problems. And they're safe, with no known side effects. MicroMiracles is the definitive resource on enzyme therapy. Here you'll find everything you need to assess your enzyme status and incorporate enzyme supplements into your self-care regimen. Experience their amazing therapeutic benefits for yourself! Eliminate food cravings—and unwanted pounds Replenish energy stores Stimulate immune function Protect against heart disease, cancer, and diabetes Fight inflammation Slow the aging process In MicroMiracles, you'll also discover how undiagnosed food intolerances may leave you feeling less than your best—and how enzymes support optimum digestion and restore balance to all of your body's systems. Your payoff is radiant health. Les Misérables meets Six of Crows in this page-turning adventure as a young thief finds herself going head to head with leaders of Paris's criminal underground in the wake of the French Revolution. In the violent urban jungle of an alternate 1828 Paris, the French Revolution has failed and the city is divided between merciless royalty and nine underworld criminal guilds, known as the Court of Miracles. Eponine (Nina) Thénardier is a talented cat burglar and member of the Thieves Guild. Nina's life is midnight robberies, avoiding her father's fists, and watching over her naïve adopted sister, Cosette (Ettie). When Ettie attracts the eye of the Tiger--the ruthless lord of the Guild of Flesh--Nina is caught in a desperate race to keep the younger girl safe. Her vow takes her from the city's dark underbelly to the glittering court of Louis XVII. And it also forces Nina to make a terrible choice--protect Ettie and set off a brutal war between the guilds, or forever lose her sister to the Tiger. Discover the power of miracles from the show that has touched America's heart If you've ever doubted, wished, or prayed for a miracle, here is the book to restore your faith and touch your soul. Richard Thomas, host of PAX TV's successful series It's a Miracle, has selected his favorite true stories of miracles that have happened in everyday life. You might call them astonishing coincidence, or answered prayers, or amazing acts of heroism...they're all around us--and right here in these awe-inspiring pages. Here are stories to celebrate: a man whose nightmares end after they help him save a woman's life . . . a woman whose beloved dog was injured and lost during airline travel--and the psychic who brought them together again . . . orphaned best friends, separated in childhood, who

rediscover each other years later when one walks into a restaurant and sits down at the counter--next to her long-lost friend. From angel encounters to extraordinary animal stories, from amazing rescues to remarkable medical recoveries, these intriguing and inspiring true-life dramas will lift your spirits and give you hope and comfort when you need them most. **Baby Sleep Miracle - Mary-Ann Schuler - Discover the Scientifically Proven Solution That Gets Your Baby to Sleep like Clockwork** In his revolutionary book **Miracles Happen**, Brian Weiss M.D., the New York Times bestselling author of **Many Lives, Many Masters**, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, **Miracles Happen**, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present. Discusses twenty-five reasons why Joseph Smith, an uneducated farm boy from rural New York, could not have written the Book of Mormon. On Easter Sunday 2007 the Los Angeles Times reported that two billion people worldwide - nearly a third of the planet's population - were united by one powerful common denominator: The Lord's Prayer. The Lord's Prayer is now, as it was when Jesus taught it to his disciples, the incorruptible formula for personal and global transformation. Kathleen McGowan tells how she came to discover the prayer's transformative power by learning the secret of the Rose with Six Petals-a mosaic window in the Cathedral of Notre Dame. Each petal represents a different teaching found within The Lord's Prayer and is the map to discovering the real secret of how to have the life you truly desire. The book is divided into seven chapters, each representing a primary teaching related to lines in the prayer: faith, surrender, service, abundance, forgiveness, obstacles, and love. Within each chapter are a series of questions designed to make you dig deep into your heart and soul. Relating her story and using the rose formula, McGowan offers readers a unique blueprint to transform their own lives through the power of The Lord's Prayer. **MILLY KAUFMAN IS** an ordinary American teenager living in Vermont—until she meets Pablo, a new student at her high school. His exotic accent, strange fashion sense, and intense interest in Milly force her to confront her identity as an adopted child from Pablo's native country. As their relationship grows, Milly decides to undertake a courageous journey to her homeland and along the way discovers the story of her birth is intertwined with the story of a country recovering from a brutal history. Beautifully written by reknowned author Julia Alvarez, **Finding Miracles** examines the emotional complexity of familial relationships and the miracles of everyday life. Written by a world-renowned teacher of **A Course in Miracles**, this book reveals the profound power of the present moment and shows how tapping into it using practical insights and simple exercises can fortify your spirit against fear, break down perceived limitations and your sense of separation, and help you manifest a life of joy, oneness, and serenity. We all feel isolated and afraid sometimes, but the truth is, we're never really alone. Indeed, as author and spiritual teacher David Hoffmeister points out, it is the deeply ingrained belief that you are separate from everything—that you're on your own, there is reason to be afraid, and you might not be worthy—that prevents you from living the joyful life you long for. So, how can you begin to untangle the thoughts and feelings that keep you trapped in your own egoic fears? **This Moment Is Your Miracle** addresses this painful yet widespread belief in separation, peeling back the layers of misperception to uncover the divine oneness at the heart of reality, through which we are all connected. You'll find spiritual practices and tools to help you awaken from the nightmare of fear and isolation, and practical ways to cultivate acceptance, forgiveness, healing, and trust—for healing yourself, your relationships, and the world. With this book as your guide, you'll learn how to trust your inner guidance and accept life's miracles, and find true freedom and peace of mind. There has never been a better time than now. What does the Bible tell us about the reality of miracles and angels? This book explores many Old and New Testament accounts and events that lie beyond our understanding and are thus described as supernatural. It also invites readers to explore the events as the Bible represents them and to discover the meaning they may hold for contemporary life. Discover the amazing benefits of fasting and prayer, including break through answers and healing. "This book covers medical advances that would once have been called miracles but have now become routine. The patients' stories within this book yield hope, optimism, and triumph. This is the best time ever to come out of medical school and training. This fact will inspire and uplift everyone in the medical profession as well as all of us who must, at some point, rely on the art of medicine to see us through." —Conrad Fischer, MD What has ruined today's medical students' interest in devoting their lives to finding cures for the most rampant diseases riddling our population? How can young doctors not be energized and excited by modern breakthroughs? Why are they not inspired by the ability of current AIDS drugs to increase life expectancy by twenty-five years? In **Routine Miracles**, award-winning internist and medical educator Conrad Fischer investigates the disconnect between medical advances and the rise of physician dissatisfaction. Fischer surveyed more than 3,000 physicians and interviewed hundreds of patients to uncover the seeds of doctors' discontent. Based upon his findings, he offers a deeply personal and compelling call to action for all of us, doctor and patient alike, to celebrate the present and the future of medicine. **The Real Story of the Exodus** Colin Humphreys, a world-renowned Cambridge University scientist, reveals for the first time the concrete, scientific truth behind the Exodus miracles. **The Burning Bush**: Caused by a volcanic vent that opened up under the bush. **Crossing the Red Sea**: The water was pushed back by a very strong wind blowing all night. This is a known physical phenomenon called wind setdown. The details given in the Bible mean we can pinpoint where the Red Sea crossing occurred. **Drowning Pharaoh's Army**: When the very strong wind suddenly stopped blowing, the water rushed back in the form of a rapidly returning "bore" wave, sweeping Pharaoh's army into the sea. **Mount Sinai**: The real Mount Sinai is in present-day Saudi Arabia, not the Sinai Desert as is generally assumed. "An astonishingly revisionist biography of Alexander Graham Bell, telling the true-and troubling-story of the inventor of the telephone. We think of Alexander Graham Bell as the inventor of the telephone, but that's not how he saw his own career. Bell was an elocution teacher by profession. As the son of a deaf woman and, later, husband to another, his goal in life from adolescence was to teach the deaf to speak. Even his tinkering sprang from his teaching work; the telephone had its origins as a speech reading machine. And yet by the end of his life, despite his best efforts-or perhaps, more accurately, because of them-Bell had become the American Deaf community's most powerful enemy. **The Invention of Miracles** recounts an extraordinary piece of forgotten history. Weaving together a moving love story with a fascinating tale of innovation, it follows the complicated tragedy of a brilliant young man who set about stamping out what he saw as a dangerous language: Sign. The book offers a heartbreaking look at how heroes can become villains and how good intentions are, unfortunately, nowhere near enough-as well as a powerful account of the dawn of a civil rights movement and the triumphant tale of how the Deaf community reclaimed their once-forbidden language. Katie Booth has been researching this story for over a decade, poring over Bell's papers,

Library of Congress archives, and the records of deaf schools around America. But she's also lived with this story for her entire life. Witnessing the damaging impact of Bell's legacy on her family would set her on a path that upturned everything she thought she knew about language, power, deafness, and the telephone"-- "Miracles from Heaven is a powerful, healing story about family, love, faith, and hope. It amazed me and it will inspire readers everywhere.---T.D. Jakes, bestselling author of Destiny In a remarkable true story of faith and blessings, a mother tells of her sickly young daughter, how she survived a dangerous accident, her visit to Heaven and the inexplicable disappearance of the symptoms of her chronic disease. Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from ever living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst inside an old, hollowed-out tree, a fall that may well have caused death or paralysis. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and was inexplicably cured of her chronic ailment. Miracles from Heaven will change how we look at the world around us and reinforce our belief in God and the afterlife.
