Despite calling Sweetwater Springs home, wealthy banker Caleb Livingston clings to his elitist East Coast ways. While this may have brought him prestige, he's missed out on romance at every turn. When Caleb's buggy collides with the Baxters' caravan, Oswald is instantly killed and Maggie goes into labor. Caleb manages to keep his guilt and terror at bay long enough to make her comfortable and deliver her baby, a harrowing and ultimately endearing experience. *Six Months in Montana* Dec 25 2022 Molly Bishop loves living in Manhattan and managing a boutique luxury hotel. She's about to be promoted to her dream job of General Manager, the role she's been striving for her entire career. There's only one thing standing in her way. The will of her childhood friend, Christian Ford's grandfather. She hasn't even seen Christian in over ten years, but a recent run-in with his grandfather during a rare visit home, resulted in a new condition to the will. Christian will only inherit the ranch he's been running and the real estate development business that he has expanded, if he marries Molly and stays married for at least six months. This is what I would call a cozy romance, it's romantic and sweet and is set in a small fictional town about 30 miles from Bozeman, MT. Warning, if you prefer your stories with the bedroom doors wide open and the windows steamed up, you may be disappointed.: ) I love to cook and try new recipes and if you do too, you may want to check out the recipe I included at the end of the book, for Lazy Lobster Casserole, the dish that Molly serves her guests at the Rose Cottage Inn's first wine dinner. It's a recipe I know by heart and have made a million times and is great for special occasions. It's a holiday tradition in our family to have it every Christmas Eve.: ) This is a novel of about 50k words and 215 pages. Excerpt Chapter One This is a joke right?" Christian Ford looked at his lawyer, and best friend, Travis Jones in disbelief. Now he understood why Travis had insisted that he come by his

office for an official reading of his grandfather's will. "Are you seriously telling me that he changed his will less than a month before he died, and added this condition?" "I'd love to tell you I'm kidding, but your grandfather was very clear about what he wanted." Travis added, "I tried to talk him out of it. Told him you haven't even seen her in years. But he was insistent, said he ran into her at the market last month. She was home for a quick visit, and they got to chatting." "Doesn't she live in New York city now?" Christian hadn't seen or thought of Molly in years. "She does. Works for one of the large hotel chains. Sounds like she's done pretty well too." "So this makes absolutely no sense then. Her life isn't here." Christian glanced around the office, not really seeing the varnished dark wood bookcases, or the breathtaking mountain view out the window behind Travis. His office also overlooked Main Street, which in Beauville, MT, a small town just outside Bozeman, meant that it served as the center of town and most of the small shops and businesses were along this stretch. "Your grandfather seemed to think she'd be better off here." Travis said. "It's absolutely ridiculous. She'll never agree to it, why would she?" Travis leaned back in his plush leather chair and picked up the will, shuffling the pages until he found the passage he was looking for. "Well, you just have to stay married for six months. She'd be free to go after that if she wishes, and it might be worth her while." "Have you called her yet?" Christian was having a hard time wrapping his head around this. His grandfather had always marched to his own drum and had plenty of ideas about how Christian should do things, but he'd never meddled to this extreme before. "I spoke with her briefly yesterday. She's on her way here, meeting us in an hour at Delancey's." "We're not meeting in the office?" Delancey's was the best restaurant in town. "Given the situation, I thought the least we could do is buy her dinner." \*\*\*

Yet when Samantha's safety is threatened, he'll risk everything to save the unexpected family he's come to cherish.

**Wild Montana Sky Jul 08 2021** Since her husband's death, Samantha Sawyers Rodriguez and her son have been little more than prisoners on her father-in-law's estate in 1890s Argentina. Now, thanks to her late uncle, she has an inheritance—a Montana ranch that she plans to transform into a sanctuary for orphaned boys while raising her family's miniature horses. Not everyone in Sweetwater Springs, however, is happy about her arrival. Samantha's neighbor, Wyatt Thompson, insists she has no idea what she's taking on—with the ranch or with the neglected boys she's adopted. Though she can't deny her attraction to Wyatt, Samantha intends to succeed on her own terms. But when a string of fires turns the locals against her boys, she and Wyatt see all they have to lose—and gain—in this wild and beautiful country. Sweet Thunder Apr 17 2022 A beloved character brings the power of the press to 1920s Butte, Montana, in this latest from the best storyteller of the West In the winter of 1920, a quirky bequest draws Morrie Morgan back to Butte, Montana, from a year-long honeymoon with his bride, Grace. But the mansion bestowed by a former boss upon the itinerant charmer, who debuted in Doig's bestselling The Whistling Season, promises to be less windfall than money pit. And the town itself, with its polyglot army of miners struggling to extricate themselves from the stranglehold of the ruthless Anaconda Copper Mining Company, seems—like the couple's fast-diminishing finances—on the verge of implosion. These twin

dilemmas catapult Morrie into his new career as editorialist for the Thunder, the fledgling union newspaper that dares to play David to Anaconda's Goliath. Amid the clatter of typewriters, the rumble of the printing presses, and a cast of unforgettable characters, Morrie puts his gift for word-slinging to work. As he pursues victory for the miners, he discovers that he is enmeshed in a deeply personal battle as well—the struggle to win lasting love for himself. Brilliantly capturing an America roaring into a new age, Sweet Thunder is another great tale from a classic American novelist.

A Sweet Montana Christmas Oct 11 2021 Melinda Sweet loved her husband before she learned of his wealth and she loves him still, despite the fact that it's gone. Unfortunately, while she knows the collapse of his Chicago financial services business had nothing to do with him, he believes otherwise. His upbeat adjustment to their new – and temporary – life on his grandfather's rundown honey farm is a foil to cover the burden of failure. She wasn't expecting to throw – in five weeks – the traditional Sweet Christmas Open House, but it's a good earning opportunity and how hard could it be? Austin Sweet is determined to make his wife proud of him again. But he also wants to erase the sting of shame he feels from his parents, to whom he owes a debt of gratitude for arranging for this caretaking job. Getting paid to fix up this disaster is better than living in their basement, sure. But what does he know about bees? Or fixing broken plumbing? Or cleaning a chimney? But when Austin's grandfather gives him the farm as a Christmas gift, there's only one response. Accepting the gift will secure a future that will make his wife even more unhappy than he already is. Refusing the gift will finalize the rift between him and his family, but he'd rather lose them than Melinda. Then he discovers she's spared him the choice. Austin's not-so-Sweet side rears up as he determines that he's done trying to make everyone happy. He'll get his wife back, no matter what. And they'll decide their future together.
